Lincoln, Nikiya, the Saiyans, Nico, and I and the rest of us went after Frieza, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Frieza, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Nikiya did the same by firing colored, white, golden yellow, and blue energy blasts at him, and Lincoln, Nikiya, the Saiyans, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Frieza even more angrier than ever.

Plus, we also shattered the Monitor Orb embedded in his forehead, and not only did we gain a very powerful power boost, but Frieza clutched his forehead in pain. Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Frieza and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln, me, and Nico: Time to face the anger of all those you've destroyed, Frieza. BLACK SOUL JUDGEMENT STARE!

We glared at Frieza and we fired pitch black flames from our eyes that went into Frieza as he screamed in agonizing pain, and then, the souls of those he's destroyed in the past had returned to the world of the living to take revenge on him as they viciously attacked him with merciless fury, and all the while, he screamed and howled in agonizing pain and suffering!

Eli: WHOA!

Maria: Damn, that is brutal!

May: Way too brutal! What is that, a black soul judgement version of The Penance Stare?

Nico: Yep. Lincoln, J.D., and I had been working on this ever since Frieza was resurrected by Anti-Monitor.

Me: This one is a technique we created and it was inspired by The Penance Stare but enhanced infinite-fold.

Lincoln: This is perfect for blackened souls like Frieza.

When they were done, Frieza was completely torn apart mentally.

Caleb Maxwell: What the?! He looks like a brain-dead zombie!

Goku: That's exactly what their technique does the darkest of souls like Frieza.

Vegeta: Indeed. Lincoln, J.D., and Bokrua created a technique that could be considered karma for everything Frieza did, and he will carry that pain with him straight to The Black Abyss where he belongs.

Ed Cowart: Not after we get done with him. Come on, Caleb, it's insult and bloody rant time!

Caleb Maxwell: Now, you're talking. Time to unleash verbal Hell on him!

Ed Cowart: Ok, you uglyass Napoleon-Bonaparte-looking shitty midget tyrant wannabe! Now, you fucking get yours!

Ed Cowart proceeds to insult Frieza!

Ed Cowart: You're so fuckin short, you make Napoleon Bonaparte look fucking taller than your ugly midget ass! Look at you, you're wearing lipsticks, I bet other people think you're horny for fuckin Zarbon of all people! I bet you look fuckin ugly! So much so that you make even fuckin Raremon look tolerable and he was repulsive! And that golden form of yours? I bet it was a shitty bootleg Super Saiyan form you made yourself! You are also fuckin dull and ugly that you make that there isn't enough makeup to cover your uglyass! You suck so fucking bad that you make Elmer Fudd look more competent than you! I bet even SpongeBob SquarePants can kick your ass, you shittyass villain! Hell I bet even Nabiki Tendo can kick your ass easily and she's one of my future wives! Prepare your uglyass for defeat, you uglyass midget looking motherfucker! And one last fuckin thing?!

Ed Cowart punched Frieza rapidly smashing his ugly face and breaking his nose and teeth then he grabbed his tail and did what Hulk did to Loki.

Ed Cowart: Puny uglyass tyrant!

Then, Ed Cowart threw Frieza to a curved pipe where a trap was made: first glue got on Frieza, then sandpaper got on him which struck a fuse of a massive crate of TNT, and as soon as Frieza got to the crate, it explodes launching Frieza straight onto metal crashing onto it leaving Frieza dizzy!

Then, Ed Cowart wedgied Frieza and pulled his underwear over his head!

Ed Cowart: WEDGIE!

Then, Ed Cowart slapped, head bonked, and eye poked Frieza repeatedly.

Ed Cowart: Now then! LEAF VILLAGE SECRET FINGER JUTSU!

Ed Cowart performs One Thousand Years of Death!

Ed Cowart: ONE THOUSAND YEARS OF DEATH!

Nikiya: Ooh, nice one.

Ed Cowart: And now, to slap sense into you!

Ed Cowart slaps Frieza just like Goku did and Ed Cowart finally finished by turning Frieza into a tyrant pretzel!

Nico: Oh, Triple Shit!

Fasha: Don't tell me, he's gonna lose it.

Nikiya: Looks like it! EVERYBODY, TAKE COVER! HE'S GONNA START TEARING INTO FRIEZA!

CLANG!

Eli closed our jaws!

Lincoln: TELL ME THAT DIDN'T JUST HAPPEN!

Nico: It did, Lincoln! WHOO! GET HIM, CALEB! TEAR HIS ASS APART!

Suddenly, the utter humiliation of what Ed Cowart and Caleb Maxwell did along with what he just saw ultimately made Frieza snap entirely, and he bulked up and transformed into his 100% Full Power form.

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into Frieza, and he began sucking out and absorbing and assimilating Frieza's Mutant Hybrid Physiology, Superhuman Strength, Superhuman Speed, Immense Endurance and Durability, Exceptional intelligence, Manipulation, Intimidation, Leadership, Deception, Telekinesis, Ki manipulation, Ki sensing, Flight, Teleportation, Master Martial Artist, Accelerated Development, Oxygen independence, Transformations, Incredible willpower, Regeneration, and Body Control, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips, rainbow markings, and phoenix feathers of 104 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Biowulf: I'm really looking forward to Frieza's demise.

Nico: Same here!

Spankulot: (Transylvanian Accent) He has been very bad!

Nico: BAD is an absolute understatement!

Ben Ravencroft: (to Nico) We heard you fought Lila Rossi.

Nico: We sure did!

Count Nocturne: (to Marceline) You should take care of that Mimikyu.

Marceline: I will.

Hades Beast Specter came.

Nico: Hades Beast Specter. Up for another round?

Hades Beast Specter: Yep.

Biowulf was first.

Biowulf (to Jake): Nico's rescue was destroying Lila Rossi. Absorbing Man has a pretty good idea on how he's gonna kill her when the time comes.

Jake Long: He sure does and you should have seen what went down during that battle! Lila was REALLY PISSED! She sang like a bird and said she did all those unspeakable atrocities all so Adrian would love her and she even tried to kill everyone just for Adrian!

Biowulf: (GROWLS FEROCIOUSLY) MAN WHAT A CONNIVING HEARTLESS SNAKE!

Nelson Muntz: Yeah! She was born pure evil! She did all those terrible things to win Adrian's heart! She lied, cheated and manipulated everyone and did all those terrible crimes for him! But it was all just for herself!

Yumi: Even Gabriel felt so filthy about it! He said turning her into an Akuma was the WORST MISTAKE EVER! We showed everyone in Paris everything she did and now they are REALLY GOING to be out for her blood on Marinette's day!

Biowulf: I always knew Lila was a bitch but she is PURE EVIL INCARNATE! Makes even Van Kleiss and Slade look like a joke!

Twilight Sparkle: Yeah no kidding there and it was brutal!

Stellar Sparkle: No kidding there and she is an absolute monster! She fucking played everyone in Paris for saps! Excuse my language.

Biowulf: No worries.

Harmony Sparkle: That monster!

Starshine Sparkle: Now everyone knows the truth about the kind of monster Lila Rossi is!

Spyro: And that is a black-hearted malevolent lying conniving shrew.

Biowulf: You all said a mouthful! Even some of her fellow Akumas agree that they can't stand her! Lets do it!

Cosmog: You should have seen what went down there and it was cool.

X-Squad Bangray: Yeah and also we met a Mimikyu gene-slammer and her name was Varella Nightmare. She is a Centaur friend and sister of Knight Mare of the Dark Skylanders and she is really cool! She has a dark Traptanium Sword as well and is a master of the shadows and the night.

Sunset Shimmer: That was really awesome to see too.

Caam: That was really fun!

Rarity: Everyone sure had a lot of fun there darlings.

* * *

Xigbar was next.

Xigbar (to Erza): Today is Hitch Trailblazer, Shanan and Deborah's first mission. Who was fought there?

Erza: Well first we should tell you what it was for. We met another Dan Kuso who coincidentally shares the same name as the Dan Kuso we know in the city of Los Volmos and he is the leader of a brawler team called The Awesome Ones. I knew them from long ago and they are really awesome. Dan and his friends Shun Kazami, Wynton Styles, Lia Venegas, and their dog Lightning went and battled lots of enemies in great battles with their Bakugan.

Xigbar: That is so coincidental! Dan and Shun of the Awesome ones share the exact same names as the ones we know for the Battle Brawlers! That is cool!

Erza: It sure is! We told them all about how we destroyed many of our Dan's enemies and it was really awesome.

Grim Creeper: (Transylvanian Accent) It sure was awesome! We battled their local bully Marco Chezanello.

Horror Bull: Oh man! I've heard all about him! He is a rich kid that is as bad as Jordan Buttsquat.

Botan: (British Accent) Indeed and Eli really showed him who's boss by bashing his brains out!

Applejack: Yeah they gave him a good beating! Also (LAUGHS) He wet his pants when he saw J.D.

Apple Star: (LAUGHS) That ornery sidewinder was so scared of him because of how he killed Barodius!

Wolf Moon Bloom: That was funny! Also Hitch slapped the cuffs on him and sent him to you guys. Maybe some proper reeducation under you guys will set him straight.

Apple Bloom: I agree there! Also we met a Tsareena gene-slammer. Her name is Celica Yamanaka and she is Ino's younger sister and we found out that she has an amazing new Kekkei Genkai called Nature Aura Style. She uses the powers of Nature and Flowers to attack her enemies which is incredibly unheard of. Her power over wood style and flowers and nature style chakra is so strong and powerful that it made her a powerhouse in nature.

Xigbar: WOW! That is amazing! I bet the 3rd Hokage and some of the village never heard about that kind of power!

Apple Bloom: No they haven't and it's a first for them to see. She is the strongest plant using shinobi in history.

Flashwing: That is really cool!

Xigbar: WOW! That must've really made Lady Tsunade have a field day on that. Lets do it!

Erza used the Core Medals for Toar, Burritozilla (TTG) and Volcano Men and got an elemental sword!

Erza: ELEMENTAL SWORD OF FIORE!

Kangor: (to Randy) (Jamaican Accent) Nikiya's Akuma is a giant ape, mon! What can she do?

Randy Cunningham: She has all the powers of a Saiyan's Giant Ape form. But she can transform even without the light of the full moon that triggers it! She has intense power!

Armada Blurr: You should have seen it! She can fire energy blasts from her mouth that can blow apart entire mountains! We had to stop her by slashing off her tail!

Lady Ninja Yae: But we found out that the Akuma was her little sister Rhudar and she was made that way because of Frieza destroying planet Vegeta and vowed to get revenge on him!

Kangor: Good gravy mon! So the Akuma of Nikiya was really her sister!?

Lyna: It's really strange but yeah!

Kangor: Remind me again mon. Why did Frieza destroy planet Vegeta?

Starlight Glimmer: Well the reason is because Frieza feared that because the Saiyans were getting so powerful with each victory, he feared that a rebellion was inevitable. For years he was using the Saiyans to do his work for a long time and he sent teams of them to the planets he wanted to clear out the opposition with their power to transform into their giant ape forms. But as time progressed the Saiyans were getting stronger and stronger. Frieza feared that the Saiyans would revolt and it would pose as a significant threat to his power. And with that he fired a massive energy ball at the planet Vegeta and obliterated it and the entire Saiyan Race into space dust!

They gasped in shock and horror!

Evil Star Man: MAN FRIEZA REALLY IS A MONSTER!

Moonlight Glimmer: Yeah no kidding! But back then they were weaker than him. Now that all the Saiyans are with us they are 500,000,000,000,000,000,000,000 times more powerful than Frieza!

Starlight Glimmer (G5): You could say that Frieza is gonna be on the opposite end of the whooping stick! Now Frieza's downfall is going to come at the hands of not just one Saiyan but the entire Saiyan Race in general!

Cozy Glow: And this time we're ready for him!

Raven Bishop: We sure are!

Let's do this!

Dark Chandler from 150,000 Years hence: NO! NO! DAMN YOU, LARRY! HOW DARE YOU HUMILIATE ME AGAIN! AND YOU, YOU'RE COMPLETELY FUCKING USELESS, FRIEZA!

Frieza: What did you just say to me!?

Marron (Blue-Hair): Oh, shut up already! And his name is Lincoln Loud, get it right, you pinhead!

Marron fired a water blast that hit him!

Marron (Blue-Hair): That's for all the times you've bullied our man! Finish him off, everyone!

We were ready!

BlackWarGreymon: I think my most powerful attack will be able to finish you! (Echoing) TERRA DESTROYER!

He threw a massive energy ball and it hit him and exploded!

We were ready!

Frieza: (to Nico) Bah! Super Saiyan! So, out of the whole barrel of monkeys, one finally made good! Heh heh heh. Vegeta...he was sure that he was the one. Ha ha ha, when he was a boy, that legend was his only comfort. He tried so hard and failed. What a dope! He thought he was a jewel but he was just a dirt clod.

Nico: Like you. It's over for you Frieza! You're FINISHED!

Me: And this time you are going to stay dead!

Nico flared up his aura.

Frieza: How dare you!? ME!? FINISHED!? NO ONE SAYS THAT TO ME! I REIGN SUPREME OVER ALL!

Frieza was enveloped in a ball of red aura energy and Nico flared up his power incredibly.

Frieza: I'd destroy us both before I'd let you live. Either way, you'll never make it out of here alive!

Nico: We'll see about that.

Frieza: (Frieza makes his death ball) Guess what? I just had a brilliant idea. I figured out how to beat you!

Nico: Huh?

Frieza: Your power is amazing, but there's more to winning than that! Sometimes, it's the smartest one who wins, not the strongest. Heh heh heh heh ha ha ha ha! Aha ha ha ha!

Nico: Huh!?

Me: UH OH!

Frieza: Now say goodbye to Namek! (Frieza throws his death ball at Namek) Die, planet, die!

The ball went into the water and blasted down to Namek's core. He was gonna blow up the entire planet from the inside! A massive explosion followed!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

But luckily Frieza's plan didn't work. But Namek's planetary structure was rendered unstable.

Frieza: Darn. I held back too much power.

Nico: So, you couldn't do it. You couldn't go through with it after all, huh?

Me: What a coward!

Frieza: Huh?

Nico: I don't blame you. Destroying both of us to make sure that I don't win isn't any way to fight. It's just another way of giving up.

Me: That shows that you are nothing but a coward!

Frieza: You still don't get it, do you? Heh heh heh heh heh. I didn't plan on destroying myself, just you all and the planet.

Nico: Hm?

Frieza: I can breathe in space and you can't. That means if the planet goes, then you won't have any more air to live on. And I shall be victorious. Five minutes. That's how long you have. This planet is still going to blow, the core has been completely disintegrated.

Nico: Hmph. Five minutes is all that I need. It won't even take me that long to beat you and all of us can leave.

Frieza: You underestimate me. The true depth of my power escapes you. Well then, it's time that you experience the ultimate Frieza! Yes, a very rare occurrence indeed. One hundred percent of my true power! You never really had a chance to beat me! It's over!

Nico: Can your body handle the stress from all that power?

Frieza: Hmph.

Nico: All right then. Lets get this battle started.

Frieza then powered up and his muscles were really increasing in size! Then he unleashed his full power! He was now at 100% of his power!

Frieza: Bingo! Ah that feels so good. I had completely forgotten what it feels like.

Nico: Now for me!

Nico then powered up to his full power!

His full power was unleashed.

Nico: Now I am stoked.

Me: LETS DANCE!

Frieza: Why am I not surprised? You Saiyans are like a stubborn virus. And now the virus has mutated to preserve itself. But I know how to treat it! I know how to blot it out for good! You could've just left this place and escaped. I would have never known it.

Nico: No way! Why run from somebody that you're not scared of?

Frieza: Uh! Grr...hmm...just for that one, I'm going to blow you to pieces, just like planet Vegeta. Heh heh heh heh heh heh heh.

Nico: Planet Vegeta was my home and you took it and my people away from me. Yeah. How could I forget that? Grr...now die! (Nico gets enraged)

Nico flared up his power exponentially and torrents of lava exploded out of the ground and lightning struck all over the place as the skies darkened and the ground was shaking violently.

Me: WHOA! WHAT POWER!

Frieza: Fool. I'm not the one who's going to die here, catch my drift?

Me: We'll see!

Frieza fired his eye lasers and Nico deflected them into the air and they went at each other and fought with extreme viciousness and it was brutal. They fired energy blasts at each other with incredible brutality and more and were really going at each other and more. They were punching, kicking and blasting each other at an extremely ferocious and powerful level as the planet Namek was crumbling around them and more. It was getting more and more ferocious as the battle raged on and the fight was really escalating. But Frieza's power was getting weaker and weaker with each blow. They were in the air and ready to face each other again.

Frieza: What makes you think you can do this to me!? (Lightning flashes in the skies) YOU'RE NOTHING BUT AN OVERGROWN MONKEY!

Frieza went at him again and they fought some more and it was more vicious than ever. The fight was really getting more intense until they stopped and stood ready to face each other again.

Frieza: All that you've done to me, I'll pay you back ten times...no...a thousand times! (Frieza cracks the ground with his legs) (Lightning flashes) Oh, you Stupid Saiyan! You will pay for this!

Nico stood ready.

Nico then stood up.

Nico: It's done.

Frieza: What do you mean!?

Nico stood there as lightning flashed all over in the skies.

Frieza: You said "It's Done!" What do you mean?

Nico: Your energy level is decreasing with every blow. In fact, you're not even a challenge to me anymore. It wouldn't be fair for me to keep fighting you. I'm satisfied now. Your pride has been torn to shreds. You've challenged and lost to a fighter who is superior to you and to make it worse, he's just a monkey, right? It would be meaningless to fight you now, you're too scared and ashamed. Live with the shock. Keep it bottled up inside you. Silently.

Me: In other words, you are pathetic!

Frieza: You MAKE ME SICK! I WILL NEVER! NEVER BE! DEFEATED!

He threw an energy disk at Nico!

But Nico knew it was coming and he teleported behind Frieza and it cut Frieza into pieces!

Me: GEEZ!

Ymir: That had to hurt!

Maria: Big time!

Nico: (after Frieza is halved by his own disc attack) Though you brought all this on yourself, it's a shame that your life had to end in such a miserable way.

Frieza: (coughing) Uh...eh...uh...eh...

Nico: This was for everything you've done and now you will have to share the fate of the planet Namek, which you yourself destroyed.

Frieza: (coughing) Uh...eh...eh...eh...eh

Nico: I'm tired of fighting you. I'm going home. Goodbye, Frieza.

Nico was walking away.

Frieza: Please...help me...you can't leave me here. You can't let me die like this.

Nico: Sorry Frieza but I'm not like Kakarot. I don't show mercy to my enemies. Burn in Hell for all eternity!

Lincoln, Pan, Bulla, Marron, Caulifla, Kale, and Chronoa: It ends now! Frieza, don't you dare come back, this is where it finally ends for you!

But he used the last of his power!

Nico: Lets go guys!

We flew out.

Frieza: Poor Stupid Saiyan and friends! You've honestly think you've all won!? Your puny mind never could understand. I am Frieza, the most powerful being in the universe. And you are nothing but a beast! A Fragile Animal!

Water washed over him!

Frieza: You can't win! Because I am mighty and you are not! Now Learn! LEARN WHAT HAPPENS WHEN YOU MESS WITH THE MOST POWERFUL BEING IN THE UNIVERSE!

HE FIRED A MASSIVE RED ENERGY BLAST AT US!

We saw it.

Me: HUH!

Nico: (GROWLS) YOU FOOL!

WE FIRED A MASSIVE BLAST OF ENERGY!

Lincoln, Pan, Bulla, Marron, Caulifla, Kale, and Chronoa: DRAGON BALL ULTIMATE FINAL SMASH: SPIRIT BIG BANG KAMEHAMEHA!

Lincoln, Pan, Bulla, Marron, Caulifla, Kale, and Chronoa fired a massive combination of The Spirit Bomb, Big Bang Attack, and Kamehameha at Frieza which instantly destroyed him in a massive explosion!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

(GOKU KILLS FRIEZA THEME PLAYS)

And he was forever sent to The Black Abyss.

IT WAS FINALLY OVER, FRIEZA, THE TYRANNICAL MONSTER

AND BANE OF THE UNIVERSE, WAS FINALLY DEAD AND GONE FOREVER, AND THE NIGHTMARE WAS FINALLY OVER!

We cheered as we holstered our weapons and powered down.

Nico: It's finally over..., at long last...!

Me: Lets get out of here fast!

We teleported back to Earth!

Then NAMEK EXPLODED!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL EXPLOSION OF INTENSE POWER!

PLANET NAMEK WAS DESTROYED!

May hugged Nico, as he hugged her back!

May: It's over, Nico. Now, this whole nightmare with Frieza is done forever.

Suddenly, we saw Nikiya went up to Lincoln, and then, she kissed him on the lips which he returned and he also hugged her. WE WERE STUNNED!

Loud Sisters: (GASPS) OH MAN!

Rhudar: (GIGGLES) Way to go sis!

Me: (Smirks) And when were you two going to tell us you two lovebirds got together?

Lincoln: It started off with me helping Nikiya get accustomed to Earth after being inside her brother for years, but then, I also saved her from some of Flip's thugs who tried to kill her, and over time, it suddenly grew to love, and we finally got together after we took down Van Bloot.

WE WERE STUNNED!

Nico: Wow...!

Trunia and Rhudar: Congrats, sis!

Carambo: Congrats, Nikiya!

Fasha: And I also knew of it as well. (Smirks) Plus, I hadn't forgotten how much you were blushing when Nikiya pinned you a mat, Linky.

Lincoln: (Embarrassed blush on his cheeks) (Nervous laugh)

Nico: Still, congrats, you two.

Lincoln: Thanks. Alright, now there's one last loose end to tie up: Dark Chandler from 150,000 years hence.

We turn our attention to Dark Chandler from 150,000 years hence who got back up despite getting his legs shot by Caleb Maxwell, and he was pissed.

Dark Chandler from 150,000 Years hence: NO! NO! DAMN YOU, LARRY! HOW DARE YOU HUMILIATE ME AGAIN!

Lori: Serves you right, you little scumbag.

Julie Twilightmagic: Even after 150,000 years, he's still a dirtbag even now. Alright, I think it's time we get rid of you forever.

Suddenly, Julie Twilightmagic's blue eyes turned neon blue, and she was surrounded by a blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, magic, phoenixes, and angels, and as she approached Dark Chandler from 150,000 years hence, she left blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, wisps, elemental forces, phoenixes, and angels with every step.

Time to die, you little shithead.

Lincoln, Julie Twilightmagic, Nico, and I went after Dark Chandler from 150,000 years hence and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Dark Chandler from 150,000 years hence, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Julie Twilightmagic did the same by firing blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Julie Twilightmagic, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Dark Chandler from 150,000 years hence even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Dark Chandler from 150,000 years hence and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Dark Chandler from 150,000 years hence and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword.

Finally, Julie Twilightmagic and Lincoln fired a massive rainbow energy beam with elements at Dark Chandler from 150,000 years hence, and the blasts sent him flying out into space, and...!

KRABOOM!

THE BEAM EXPLODED OUT INTO SPACE AND DARK CHANDLER FROM 150,000 YEARS HENCE WAS KILLED IN THE

EXPLOSION AND HE WAS SENT TO THE BLACK ABYSS!

We cheered wildly as we holstered our weapons and powered down and Julie Twilightmagic's new body, clothes, weapons, jewelry, Third Eye, one-hundred massive and long white wolf tails, large gold halo and large gold Yata no Kagami mirror with gold sun ring-shaped frame around it with embedded blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold sun ring-shaped frames around them with embedded blue gems behind the gold rings behind her head, one-hundred large white and blue planets orbiting around her legs, one-hundred smaller white and blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized white and blue planets orbiting around her wrists and ankles, and massive blue angel wings and ninety-nine sets of large blue angel wings underneath her massive blue angel wings are permanent.

Julie Twilightmagic: This is for all the times you've tried to kill our man, his family, his friends, and everyone he loves and cares about. Thanks for helping me get rid of Dark Chandler from 150,000 years hence, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Julie.

Me and Nico: Our pleasure, Julie.

Suddenly, Julie Twilightmagic wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Julie Twilightmagic's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Julie Twilightmagic sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Tara Toonamine: I didn't expect Dark Chandler from our timeline to return from the dead, and he had some nerve though. He thought he could get away with his crimes?! He's dead wrong!

Me: That's right. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the Vegvisir appear in the skies along with the Duel Monster, Tanngrisnir of the Nordic Beasts.

Lincoln: The Vegvisir and the Duel Monster, Tanngrisnir of the Nordic Beasts.

Astrid Michelsen: (Norwegian Accent) There's one person who fits that: Serrilda Dvergsdal, Avatar and Gene-Slammer of Tanngrisnir of the Nordic Beasts, and you guys are going to love meeting her, Serrilda Dvergsdal, Avatar and Gene-Slammer of Tanngrisnir of the Nordic Beasts, is Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Mara. Serrilda Dvergsdal is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Serrilda Dvergsdal moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Tanngrisnir, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of

Tanngrisnir, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there was one person whom she'd been wanting to kill all her life: and it was none other than Killjoy Huggins, she hated him for what he did in trying to make Lincoln suffer and all because of his hatred and she swore to make the streets of Royal Woods run red with his blood.

Nico: Oh shit! So, we're not the only ones who hated that stupid killjoy.

Me: Too bad you already killed him in The Sensei Air Realm, Lincoln.

Lincoln: She also hated him for not only trying to make me suffer and because of his hatred and trying to kill me in the past, but also she hated him for the murders of Kaara Koaki Meiru and Lorelai Symphonia Arendalle which left me with a really nasty case of PTSD as a result of him murdering her in front of me as he slashed and stabbed her in front of me. What a lowlife.

Xigbar: That's it for Frieza.

Me: And sadly Namek was lost too.

Marionette Shadow: Anti Monitor lost another powerful ally.

Black Knight Ghost: He sure did.

Me: And we avenged the Entire Saiyan Race!

Kangor: Let's celebrate, mon!

Evil-Lyn: But first, is it still possible to restore Namek?

Me: (SNAPS FINGERS) Done.

Namek was restored.

Evil-Lyn: Thank goodness.

Nico: Thank you guys. Thank you all.

Me: No problem.

Nico: Great job to all of you.

Me: Thanks.

Goku: (To the viewers) Man what a battle! We are rid of Frieza for good.

Me: We sure are Master Goku.

Lola: Yeah!

We went to Lynn's Table and got a good meal.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: Whew, man, that was one awesome day.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there lying on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was Vinna Laval and she was posing seductively, and when Lincoln saw her, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Vinna Laval: (Seductive Voice) Like what you see, wolf hunk?

Lincoln could only nod, and then, Vinna Laval went up to Lincoln, and she stripped him of his white and gold-trimmed shorts, gold-armored knee-high boots, and orange loincloth, and leaving him in his underwear, but she really aroused him.

Vinna Laval: (Rubs Lincoln's massive pecs) You're even more of an impressive hunk especially in your underwear, now I can see more of your built manly legs and the very thing that has gotten the girls in your harem pregnant with many children. (Seductive Voice) And satisfied them every single time and every night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Then, Lincoln wrapped his arms around Vinna Laval and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and Vinna had her hand on his underwear about to remove it and leave him in the nude, and his entire harem dressed only in strapless bras and panties also appeared as well.

Lincoln: (Seductive Voice) (Smirks) Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

After everyone went to sleep I went to have a little talk with Ms. Waller. I received a meeting message from her a while back. I went to her mansion.

Amanda Waller: Thank you for meeting me J.D.

Me: No problem Ms. Waller.

We got to talking.

Amanda Waller: Now I'm sure you're wondering why I called you. Well have you ever heard of Project Cadmus?

Me: Yes Superman and the founding members of the Justice League told me about it. Named after the Monster Slayer before the days of Hercules in Greek Myth. Also it was designed to give Lex Luthor superpowers as well as destroy the Justice League in one fell swoop. Killing two birds with one stone if you will.

Amanda Waller: Exactly. When word got out about Anti-Monitor bringing all of your most dangerous enemies back from the Black Gates, I set about to help you all find a way to destroy Anti-Monitor and all those he brought back forever. We call it Project Beowulf. Its purpose is to destroy all your enemies and Anti-Monitor and banish them all to the Black Abyss forever. So me and my men and researchers grabbed an Anti-Monitor Orb and did some research and we made this.

She pulled out a powerful ray gun.

Amanda Waller: This is a Subatomic Nanotech Disassembler Ray: It will destroy all those revived by Anti-Monitor including Anti-Monitor himself on contact. It's powered by your powers that we got from a sample of your blood. It lasts forever. It will reduce all those brought back by Anti-Monitor into primordial ooze.

Me: Whoa! That is amazing.

Amanda Waller: We tested it on some lesser villains brought back by Anti-Monitor and it works perfectly.

Me: Thank you Ms. Waller.

I put it on my back.

Me: Wow. We appreciate this.

I later went back home.

Next up is a battle with Omnara and she is about to unleash a TERRIBLE AND SINISTER plan!

See you all next time.

DEMENTED SCHEME OF OMNARA

This chapter is based on the Static Shock villain Omnara

In the early morning hours of 12:24 AM, Lincoln was asleep along with his harem, and he had a dream as it took him to the Dakota City sector, but as he was flying, he felt a massive dark energy signal, and from far away, he saw who it was: that massive dark energy belonged to none other than Omnara, and that madwoman is trying to recreate The Big Bang and make an Army of Bang Babies to overpower us and The Metabreed! Lincoln woke up along with his harem and his kids.

Lily the Mermaid: Linky, what's wrong?

Lincoln: It's not good.

Lincoln explained everything, and when he was done, they were pissed.

Selene Emperyous: What the heck?! That insane madwoman bitch!

Michelle Emperyous: She's lost her mind! We're telling Ellie and Maria about this!

Sandra Emperyous: Along with the others.

Lincoln: That's for sure. I can hope Ellie can get through to her mother before she finally goes over the deep end.

Vorya Emperyous: She will, and we'll put an end to her madness and send her to prison.

Lincoln and his harem went back to sleep.

In Nico's room, he was having a nightmare.

Dream...

Nico just stopped Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama from killing Devimon out of vengeance. It was a memory of some of his friends from long before he joined the team. They were Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama.

Takuma Momozuka: What are you doing?

Nico: It's over, guys. Everyone knows the truth.

Minoru Hinata: So do we! He took everything from us! We have to do this!

Nico: No, you don't. Rebuilding the Digital World cannot begin with an execution out of vengeance.

Aoi Shibuya: He deserves to die! Can't you see that?

Nico: We're better than this. Don't be like Devimon.

Saki Kimishima: (angrily) Nico, you need to move out of our way before we move you ourselves

Me: Guys, listen…

But they didn't listen as they shoved Nico out of the way with Takuma about to punch Devimon.

Nico: Stop!

Nico got in the way and Takuma ended up punching him instead, sending him off a cliff before Takuma grabbed his hand

Ryo Tominaga: No! No, no, no, no. Why? Why did you do that? Why?

However, they lowered their heads, as if struggling with something.

Nico: [weakly] Guys, no.

They then opened their eyes as they were revealed red

UH OH!

Shuuji Kayama: We're done saving you.

Takuma then let go of his hand as he started falling.

Dream ends...

HE WOKE UP AND SCREAMED IN FRIGHT!

Nico panted hard and dripped cold sweat!

May: NICO! Are you alright!?

Poromon: What happened!?

Poliwag: You must've had a really bad nightmare!

Me and Lincoln and Natalee came in.

Natalee: Nico are you alright!?

Me: We heard you scream! Are you okay?

Nico: I had a really bad nightmare.

Me: Uh oh.

Natalee: Is this what you saw?

She showed a sketch of the dream.

Nico: That's it.

Me: I see that's you back when you were younger and you are fighting Devimon. But who are those kids?

Nico: Friends from my past.

Me: You want to talk about it?

Nico: How about after breakfast?

Me: Okay yeah it is still night.

We went back to sleep.

Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Oh, guys, we got ourselves a huge emergency today, last night, I had a dream and it took me to Dakota City.

Then, after Lincoln got done explaining everything, we were pissed off.

Me: What the?!

Nico: Why, that insane...!

Ellie Roberts: Mom, you can't be serious, you've gone insane! Now, I really need to get through to her or she's going to finally cross the line!

Luna: That madwoman's going straight to prison after Ellie gets through to her.

Caleb Maxwell: And after we get through with her.

Maria woke up to see Gyarados staring at her.

Gyarados: Morning Maria!

Horsea: Time for breakfast!

Maria: Oh boy!

She went and got dressed and went to the table.

We were having pancakes.

Suddenly, Lincoln had a premonition as his large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window, and the location is in The Digital World, and he saw six individuals there. The viewing window closed.

Lincoln: Oh man, we got an emergency in The Digital World, but it's not good. Nico, do you know six individuals by the names of Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama?

Nico gasped in shock when Lincoln said those names.

They were the ones we saw in his dream!

Nico: Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama? But, how?

May: Nico, what's wrong? Do you know them?

Me: I was about to ask!

Nico: I do, and it's another unfinished business from my past. I met Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama as I was dealing with Devimon and they went down a dark path and before I snapped them out of it, he killed them in cold blood.

WE GASPED!

Me: Oh man!

Nico: That's also a second reason as to why I hate Devimon so much. But, how did they come back from the dead?

Me: Oh man!

Lincoln: (Sensed it) This was a final trick by Devimon, in the case he got The Black Abyss, he used a forbidden black magic belonging to The Chernabog Sisters and brought them back from the dead, but they're still on that dark path, so I got to purify them, but once I do, we got to destroy their dark sides.

Me: And fast.

Nico: I failed to snap Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama out of this darkness because Devimon killed them, but now, we got them to snap out of it for good.

Lincoln: Even in death, Devimon still enjoys pissing us off, but we'll make sure this last plan of his goes down in flames. Alright, now let's finish breakfast and head for The Digital World.

Nico: Takuma, Minoru, Aoi, Saki, Ryo, Shuuji, hang on, we're coming.

We finished breakfast and we headed to File Island in The Digital World to help Indigo Zap unlock her Rainbow Power and free Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama from the darkness that corrupted them.

Me: Always love coming to File Island.

Qin: Me too.

Ymir: Sure is awesome.

Laney: I'll say!

Tidal Whale: I think it is too.

Nico: Tidal Whale, I want to thank you, Crabby Cake, and your

teams for coming.

Tidal Whale: No problem Nico. This is gonna be fun.

Xenia: It sure is.

Wendy Ahab: It will be good for many adventures to come.

Nico: Wendy, remember when we first met?

Wendy Ahab: Aye. I sure do. That be back when we were in Kindergarten. I showed ye me ship collection in bottles. I make Ships in bottles as part of my art.

Me: That is awesome.

Mr. Krabs: (LAUGHS) Ye got the makings of a great sailor lass.

Wendy Ahab: Aye. Sailors and the sea be swimming through me.

Skipper: Making those are very complex

Me: Yes they are.

Xenia: Yeah.

Wendy Ahab: Aye but it's what I like doing best.

Me: Yep.

Nico: Yeah.

Me: Almost as awesome as picking on Crackhouse Disney. Especially when Mickey cheats on Minnie with Clarabelle and Daisy.

WE LAUGHED!

Crackhouse Minnie: (Offscreen) (In the Distance) WHAAAAAAAAAAATTTTT!?

Crackhouse Goofy: (Offscreen) (In the Distance) YOU SON OF A BITCH!

Crackhouse Donald: (Offscreen) (In the Distance) YOU MOTHERFUCKER!

THEY MERCILESSYLY THRASHED CRACKHOUSE MICKEY BRUTALLY AS WE HEARD BRUTAL FIGHTING NOISES!

POW WHOMP SMASH WHAM BIFF KROW BAM BAP!

SCREAMS OF PAIN WERE HEARD!

Zak Storm: What's the deal with those guys anyway?

Me: Don't fucking ask.

Jamesdean5842: It's all a silly running gag I made and also it's for a funny internet video I saw.

Nico: Oh!

Zak Storm: Wow!

Me: Yep.

Nico: Well at long last, the suffering of the Saiyan Race is over.

Me: Frieza is dead and he will never terrorize the universe ever again.

Poromon: And you didn't want to get us involved.

Nico: I'm sorry guys.

Me: No worries. Besides we all are rid of Frieza now.

Nikiya: And we avenged all those he killed.

Varie: And then some.

Camie: Yeah!

Ymir: And now the Saiyans can rebuild their lives completely without Frieza ruining everything.

Xenia: That is true.

Nico: Yep.

Nikiya: My akuma was scary! But it was amazing how she was my little sister. Still strange though but I'm glad she is back.

Nico: First time for everything

Me: Thank goodness we were one step ahead of Frieza and had all of the Namekians and their Dragonballs on Earth to make sure he never gets them.

Xenia: Good thinking there.

Ymir: Yeah no kidding!

Camie: I'm just glad that Frieza is no longer going to torment anyone.

Me: Thank goodness. Master Goku and Master Vegeta are truly happy now that Frieza is gone.

Goku: Yeah he never learned anything at all.

Nico: No he sure didn't Kakarot.

Me: Yep. So Nico what can you tell us about these friends of yours? What can you tell us about Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama?

Nico: Poromon and Poliwag can help me tell it

Poromon: Well years ago before we joined the team, we helped them and befriended them.

Poliwag: This was about 10 years before we joined the team.

Nico: Yeah. Devimon put up a big fight back then.

Poliwag: At first, they and Nico were very good friends

Poromon: But then they started turning dark somehow. Like they were shadows of their former selves. That's when tragedy struck.

Me: What happened?

Nico: They started getting violent.

Me: Oh man!

May: That's terrible!

Nico: Yeah. I tried to snap them out of it but they wouldn't listen.

Me: Oh man.

Nico: And when they tried to kill Devimon out of vengeance, I got in the way and they attacked me instead

WE GASPED!

Me: Oh man! His evil essence poisoned them!

Qin: Just like what happened with you during the 20 Days of Darkness with MaloMyotismon!

Nico: Pretty much. This is also the 2nd reason why I hate Devimon so much.

Me: Devimon is truly the ultimate personification of pure evil! Even in death he always finds ways to continue to torture you.

Poromon: Me and Poliwag were there when they hit Nico.

Maria: How did you two react?

Poliwag: We dogpiled on them and accidentally ended up pushing them down a cliff.

Me: OH MAN!

Qin: Ouch!

Poromon: So now, you know

Eli: Well we'll gladly help them.

Me: Anti-Monitor must've brought them back. But now I can test out this.

I pulled out the new ray gun given to me by Ms. Waller.

Nico: What is that?

Me: Ms. Waller gave it to me. It's a Subatomic Nanotech Disassembler Ray. It's the only weapon strong enough to kill Anti-Monitor.

Nico: We're not going to kill them!

Me: No no! Wouldn't even consider using it on your friends. I would use it on major enemies.

Nico: Oh good.

Me: Ms. Waller calls this Project Beowulf and she says it will be enough to destroy Anti-Monitor.

Nico: Oh wow. I see.

May: Maybe you'll get your shot!

We saw a robot with an Anti-Monitor Orb in it!

Me: Here we go.

I aimed it and fired and a blue stream of energy blasted out and it hit the robot and melted it into primordial slop!

Me: WHOA!

Nico: Hey it really works!

Eli: Ms. Waller sure made an amazing ray gun.

Me: Yep

May: Let's use these on rescues when necessary. For main missions, we still want to have fun beating on main targets

Me: Good idea. I was just testing it and that robot appearing was a good target.

I put it away.

Me: It's why Ms. Waller needed to talk to me last night.

Nico: I see. We're going to need lots of those because one is not going to be enough.

Me: You're right. Anti-Monitor is not just one entity but many.

Nico: Yep.

Lincoln: Okay, guys, we're here for one really brutal battle, we're here in The Digital World to help Indigo Zap unlock her Rainbow Power, and just as we saw, we're here to free Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama from the darkness that corrupted them.

The rest of the team's with us.

Nico: Devimon, you've got some nerve bringing Takuma, Minoru, Aoi, Saki, Ryo, and Shuuji, but still on that path of darkness they were set down on, and making them your puppets just to piss us off from beyond The Black Abyss!

Me: Well, there's only one thing that'll put an end to Devimon's vengeance: purifying them and putting an end to the darkness in their hearts.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and 104 sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama) Gotcha. I just spotted Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama, they're 20 yards away, but they're coming after Nico.

Nico: I knew they would. It's time.

Shope heard a Pokemon cry

Shope: Look guys!

We saw a Totodile!

Me: Hey a Totodile.

Nico: Cute fella.

Vector the Crocodile: He sure is a cutie.

Shope: Yeah.

Totodile: Thanks. What do you call sad cheese?

Me: I don't know.

Totodile: Blue cheese!

RIMSHOT!

WE LAUGHED!

Nico: (LAUGHS) Hey that was good!

Luan: A Pokemon that likes telling jokes! That is cool!

Totodile got the idea to bite one of us on the head.

CHOMP!

He was biting Heffer.

Heffer: Okay this is starting to hurt.

Me: Okay little guy.

I got him off his head.

Me: Heffer's head is not for eating.

Shope: Here.

She gave him apples.

Totodile: Thanks.

He ate them.

Me: Awesome.

Shope: Want to come with us?

Totodile: I would like that.

Me: Awesome.

Laney: Look there!

We saw a Bellossom!

Me: Ooh a Bellossom!

Nico: A graceful dancer!

We saw her dancing beautifully!

Nico: How did that get here?

Me: Must be one of Dark Gale's work.

Jessie: I wonder.

She used Telepathy and gasped and screamed!

She then jumped onto my back and cried!

Me: Jessie what's wrong with you!? You look like you've seen a ghost!

Jessie: That Bellossom is my twin sister Jessica and she wants to kill me!

Me: What!? Why would she want to do that!?

Jessie: She hates me for joining Team Rocket!

Ash: Really? If that's the case, she'll change her mind once she hears you weren't successful in Team Rocket.

Me: She might.

Me and Jessie went over.

Jessie: (GULP) Jessica calm down.

But then she jumped and punched and pulverized Jessie!

POW POW POW POW POW POW WHAM WHAM WHAM WHAM SMASH SMASH!

I grabbed her off her

Me: Easy easy calm down. It's okay.

Jessie had bleeding bruises and a bloody nose.

Meowth: Hey, that's enough!

Me: Yeah! Besides it's time for you to be back to normal.

I snapped my fingers and she reverted back and was a girl with red hair and green eyes and had green angel wings and had Bellossom on her forehead and had a cutie mark that looked like a rose flower with a planet behind it on her arm.

I wrapped her in a blanket and brought her over.

Jessica: (Groans) What happened?

Me: Jessica? Are you okay?

Jessica: I think so. (Sees Jessie) YOU! YOU BITCH!

She jumped her and pulverized her viciously!

POW POW POW POW POW POW POW POW! WHAM WHAM WHAM WHAM!

Me and Nico grabbed her!

Me: Jessica stop! Jessie is no longer part of Team Rocket! In fact they are all destroyed!

Ash: Maybe hearing the amount of Pokemon they stole will calm you down.

Jessica: Why would I want to hear that?!

Ash: Because it's actually 0.

Jessica: Really?

Me: Yeah Jessie, James and Meowth had a very poor performance record. Also you wouldn't believe who their boss was. It was Giovanni.

Jessica: (GASP) The gym leader of Viridian City!? Oh my gosh!

Me: Yeah. Also Jessie, James and Meowth are no longer part of Team Rocket. They got canned before we killed them back in... 2018?

Nico: Actually, 2019.

Me: Oh yeah. Thanks for reminding me.

Nico: No problem.

Me: But Jessie is no longer that person. Also Jessica you were turned into a Bellossom by Dark Gale.

Jessica: Oh man! I remember!

* * *

She was in a green suit and injected and turned into a Bellossom! She danced out.

FLASHBACK ENDS

Jessica: That was awful.

Me: I know but we destroyed them.

Jessica: Good. (GLARES AT JESSIE) BUT DON'T THINK I WILL EVER FORGIVE YOU FOR EVERYTHING YOU DID! I HATE YOU MORE THAN LIFE ITSELF!

Nico: Look, Jessie has changed. Even during Team Rocket, she even helped Ash and his friends plenty of times. Including against Team Galactic.

Commander Jupiter: I can vouch for that.

May: And she helped us against all the Villain teams.

Me: It's true.

Jessica: Really? Oh wow. I heard you guys were killing them all.

Me: Some of them are in the Redemption Squad and M.O.E.

Jessica: Oh man. I still am watching you Jessie! Don't think you have my forgiveness yet. Once a Team Rocket Douchebag! Always a Team Rocket Douchebag!

Rattrap: Sheesh! And I thought I had that much hatred through someone like Dinobot!

Me: That is normally something I would expect from you Rattrap.

Rattrap: Yeah no kidding.

Me: Oh Jessica what do you do in Sonya's team?

Nico: Oh right.

Jessica: Oh yeah. I work as the nature Pokemon master and nature mage of the team. Outside I am always finding ways to bring down all the villain teams. But you guys have done that for me.

May: Well I have a feeling Teams Aqua and Magma are appearing soon.

Me: I have that feeling myself. Oh boy.

Nico: Would you still be willing to do a combo with her?

Jessica: (Reluctantly) I will do it but I won't like it.

Me: Fair enough.

Jessica: And James is Jessebelle still giving you a lot of grief?

James: (GROANS IN ANNOYANCE) SHE IS AN ABSOLUTE NIGHTMARE! I DID NOT WANT TO BE MARRIED TO HER BUT MY PARENTS WOULDN'T LISTEN!

James' Carnivine growled.

Ymir: Whoa! Who is Jessebelle?

Me: James' crazy ex-fiancé. His parents are filthy rich and James was born into the lap of luxury and they arranged for him to be married to Jessebelle. When we first met her we thought that Jessie had a sister twin.

Jessie: She is not like me though.

Jessica: I met Jessebelle and she is nutty as a fruit cake!

Me: Tell me about it.

Nico: Yeah.

Me: Jessebelle tried to mold James into the perfect gentleman and he did not like that one bit. Hence why he ran away from home.

James: It's true. Jessebelle is a nightmare to me.

Jessica: Uh you guys can let go of me now.

Me: Huh? Oh sorry.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her red and green clothes and a nature sword.

Jessica: I look awesome.

Me: You sure do. Jessica please refrain from killing Jessie. Maria would not like that.

Maria: Yeah and I promise you she is not like that anymore. She is with me and William in the Redemption Squad.

Meowth:...me and James are right here too, you know.

Maria: When I speak for one member I mean all of them. But yes.

Jessica: I see. It'll take me some time. But yeah.

We then took off into the air to help Indigo Zap unlock her Rainbow Power and free Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama from the darkness that corrupted them.

We were flying in the air, and then, we saw our targets: Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama, but they had dark auras around them.

Me: Is that...?

Nico: Yep, it's Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama, and they got dark auras around them.

Lincoln: They're still on the dark path, we need to stop them and restrain them, so that way, I can purify them. But, first.

Lincoln formed a massive wall of light with angelic seals that cut off their escape route, and he also fired blasts of elemental forces at them, and we landed.

Nico: Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama.

Takuma Momozuka: You! How dare you get in our way! The Digital Realm will soon be destroyed along with every last Digimon and there is nothing you can do about it!

Me: No fucking way we're going to let that happen, Takuma!

Qin: YEAH!

Me: Also it's a pleasure to meet you all. We were told so much about you from Nico and the mascots.

Saki Kimishima: Same here.

Takuma: (to Nico) So, J.D. made you the new leader of Team Loud

Phoenix Storm.

Me: Because Nico earned that promotion fair and square back in 2022.

Nico: (sadly) We could've built the future of Digimon together.

Takuma: We'll build it ourselves. After we tear down everyone in our way!

Eddy: I don't think so. (shoots him in the shoulder with his blaster)

Takuma screamed in pain!

Me: Listen to yourselves! Do you honestly think the 6 of you alone can do that!? Kurata once thought the same and look what happened to him! He was killed by us!

Tara used her powers to aim several rocks at Saki

She turned them into several spears!

Tara: You don't want to make us do this!

Zhuqiaomon: You don't want to do this. The power of humans and Digimon working together is so strong that it can overcome any challenge before them. I witnessed this in action before and had to learn the hard way myself.

Camie: It's true. When we work together we can overcome anything.

Ymir: (To Zhuqiaomon) You saw that?

Zhuqiaomon: Yeah I wasn't always a nice Digimon.

Me: Digimon are some of the greatest friends any human can ever have. Look how they revolutionized the way the world is now.

Matt Ishida: It's true. We did so much good for both worlds!

Spiderman: Give me, Ed, and Double D a minute. We still need to decide who we're attacking.

Luan: Well, in the meantime... (fires light blast at Aoi)

He blasted Aoi with fish light blasts.

Takuma: Devimon was bad I won't deny that.

Me: Nico killed him earlier this year and liberated the Digital World from him. Also he was one of the Opaline 25!

Aoi: I've heard about Opaline and how she did all that.

Me: Yes.

Spiderman webbed up Shuuji.

Lincoln: Listen to us, Nico said that you guys were led down a dark path, and he tried to save you from it, but before he could snap you out of this, you were murdered by Devimon! Don't you understand, he tried to save you from this dark path of destruction!

Minoru Hinata: SHUT UP! SHUT UP! SHUT UP! HOW DARE YOU SAY THAT! DEVIMON SHOWED US THAT ALL HUMANS AND DIGIMON ARE WEAK AND THEY MUST ALL BE DESTROYED, AND WE WILL OFFER YOUR HEADS AS SACRIFICES TO HIM!

Me: You're deluded Minoru!

Nico: Listen guys! I failed you all. I'm Sorry!

Takuma: I'M SURE YOU ARE! IF YOU HADN'T TRIED TO STOP US WE WOULD HAVE LEAD THE WORLD TO GREATNESS! WHEN WE KILL YOU WE WILL THEN KILL YOU ALL STARTING WITH MAY!

Nico gasped!

Lincoln put his hand on Nico's shoulder!

Lincoln: Nico those words are not his.

Me: He's right! Remarkable Takuma. Every word of what you just said is wrong!

Iron Boy fired missiles at Minoru and blasted him all over the place with them!

Laney held them all in place with vines.

Suddenly, the dark auras surrounding Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama grew even darker!

Eli: They've been corrupted!

Nico: The dark path they set out on already made them turn their backs on the Digimon and the human world, and Devimon's use of the forbidden dark magic of The Chernabog Sisters made their corruption even more darker than ever.

Me: Like I said, Even in death, Devimon just continues to piss us off!

Xenia: Yeah!

Optimus Prime: This is gonna get ugly.

Edzilla: ED SMASH BAD KIDS!

Edzilla grabbed Ryo and slammed him to the ground

SMASH SMASH SMASH SMASH!

Inside a rainbow sphere with intense flames and elemental forces, Indigo Zap then underwent an intense and amazing transformation! Indigo Zap had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and she also gained intense rainbow flame patterns and rainbow lightning bolts on her forearms, they also got light blue lines on her hair and tail. She then had her Cutie Mark change into many rainbow lightning bolts, and her massive angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! THE RAINBOW THUNDER OF LOYALTY!

EVERYONE GASPED!

Nico: WHOA! WHAT POWER!

Indigo Zap: Now, to take you down at once.

She fired rainbow and indigo blue lightning bolts at Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama, and they got electrocuted.

Indigo fired more lightning blasts and electrocuted them all over!

Me: WHOA! Indigo Zap is he first of the Crystal Prep Shadowbolts to unlock her Rainbow Power.

Lemon Zest: Way to go!

Jessie: Look, we might have our differences. But we're still sisters. So what do you say? Wanna give this another chance?

Lincoln: It's time for you to realize the error of your ways. HEAVENLY STORM OF JUDGEMENT! 天の審判の嵐！

Lincoln swung his massive greatsword and fired a massive stream of gold and heavenly white lightning bolts that hit Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama, and they got electrocuted by the gold and heavenly white lightning bolts.

Nico: Whoa!

Then, Lincoln formed a massive ball of golden yellow and heavenly white lightning in his left hand and fired it at Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama which hit them and burned them bad! Then, he fired a barrage of golden yellow and heavenly lightning bolts from his massive angel wings and 104 sets of large white angel wings underneath and they hit Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama and they got electrocuted again.

Eli: I hope that knocked some sense into them.

Nico: Afraid not. But, it did piss them off again.

Lincoln: Now, it's time for the big guns.

Lincoln got out 900,000,000,000,000,000,000,000 massive industrial-sized cans of spinach, and he opened them up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CANS OF SPINACH!

Me: OH CRAP! ONE MASSIVE INDUSTRIAL-SIZED CAN OF SPINACH WAS ENOUGH TO MAKE LINCOLN STRONGER THAN EVER, BUT DEVOURING 900,000,000,000,000,000,000 MASSIVE INDUSTRIAL-SIZED CANS OF SPINACH, THAT MEANS...!

Nico: OH CRUD, THIS IS WHERE IT GETS REALLY UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings of his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar and he pounded his chest like a gorilla.

Lincoln: (CRACKS NECK AND KNUCKLES) Okay, now this is really going to hurt!

Lincoln went at Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama and he began brutally smashing them all over the place with his massive godly superhuman strength, and it was even more brutal than ever. Then, he punched them hard in the face and kicked them in the stomach and he sent them flying into fifteen trees, they got back up, but they were so mad, they let out a roar of anger before Lincoln threw a golden yellow fireball at them and it exploded as they got hit.

Nico: Sorry, guys, but you need to get some sense knocked into your minds!

Connor Chan: Before Lincoln frees you from the darkness that's turned you into this!

Suddenly, we heard vampiric shrieks, and we saw vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Nico: Seriously, who keeps on sending creatures after us?

Poromon: Yeah.

Nico: Sorry we had to rough you up.

Me: But it was the only way to save you guys.

Varie: It's true.

Minoru: What happened? I don't remember anything.

Me: Well its been 10 years.

Nico: We have a lot to tell you.

Me: But you'll be happy to know that Devimon is gone for good.

Nico: It's true.

We told them everything that happened over the last 10 years and more and it was shocking!

Aoi, Saki and Miyuki broke down crying.

Minoru: I can't believe this! Devimon poisoned us!

Me: Like how MaloMyotismon did with him.

Poromon: You dropped to Nico to what seemed like his death

Takuma: Oh man! Nico I'm so sorry!

Nico: It's not your fault guys. Besides it'll take more than a drop from a cliff to kill me.

Me: Also you guys were doing all those terrible things against your will. Devimon made you do all that. He brainwashed you.

Poliwag: And then we dogpiled on you

Minoru: I know.

Takuma: I can't believe Devimon made us do that!

Poliwag: Yeah!

Miyuki: (Crying) Nico we feel so stupid!

May: It's not your fault guys. Besides Devimon is gone.

Maria: Devimon was killed by Nico for good.

Me: It's true. Long story. I know we keep saying that but we have so much to tell you.

Sunset Shimmer: Yeah and besides I know what it's like to be brainwashed like you do.

Miyuki: You do?

Sunset Shimmer: I do. And Jessica I'll have to see what caused you to hate Jessie later on.

Jessica: Okay.

Me: Either way guys, you are free from him forever.

Miyuki: Good. Nico we have so much catching up to do. It's amazing you're now the leader of Team Loud Phoenix Storm.

Nico: It sure is.

Totodile: I agree.

Nico: Nice job, Totodile

Totodile: Thanks Nico!

Poromon: Want some beer?

Totodile: Oh no thanks. Gives me gas.

Poromon: Okay.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Miyuki: Wait Poromon and Poliwag drink beer now?

Me: Uch don't fucking ask.

Poromon: We're gonna make champagne later

Me: Really?

Poliwag: Non-Alcoholic versions for us. Bubbly.

Me: Boy been a long time since I had bubbly.

Qin: Me too.

Camie: Yeah.

Poromon: You will love it.

Me: I don't even know how they make Champagne though. It's made with grapes I know that.

Xenia: Yep.

Nico: Oh, Tidal Whale. What do you like to do in your free time?

Tidal Whale: Well don't call me Blackbeard like what we saw with Time Squad but I do all I can to protect the whales.

Me: (LAUGHS) Good times with that one.

Tidal Whale: Yeah.

Nico: Now for the Anothers

Miyuki: The Anothers?

Sakura Knudson: Long story on that as well. I worked with Swartz after he kidnapped me around the time you all kicked the bucket and I learned all about what he was going to do.

Me: Swartz was the main bad guy of the Zi-O Kamen Riders back in 2019 and we killed him. But we have all of his mess to clean up. We killed him back in 2022 and his mess is still being cleaned up to this day.

Nico: Yep.

Aoi: Oh man!

Me: Yeah.

Varie got out wheelchairs for the 6 of them and we put them in them.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of

them is Another Maria.

Maria: Awesome.

Eli: Yep. Whoa, and two of the Anothers are also The Keyblade Knights of Hatshepsea and Wistneev.

Shanan: WHOA! Planets Hatshepsea and Wistneev? This is gonna be interesting for you all.

Lincoln: If it's who I think they are, you guys are in for an awesome meeting with them.

Me: So we got Another Crabby Cake, Duchess of La Madres Loca, Rattlesnake Monster, Zor (X-Squad Universe), Ms. Mucus, and Billy Bob Scroggin

Nico: Yep and Tidal Whale, Wendy Ahab, Olivia Orcus, Rosa Sanchez, Cestia Rhincodon and Ophelia Gordon Orca are up.

Qin: Yep.

Nico: There they are!

We saw Another Duchess of La Madres Loca, Rattlesnake Monster, Zor (X-Squad Universe), Ms. Mucus, and Billy Bob Scroggin!

Me: This is gonna be fun!

Qin: Yeah!

Another Rattlesnake Monster: (In a girls voice) It sure is.

She reverted back and was the gene-slammer of Yaranzo!

Nico: (GASP) Yahlia Yaranzo!

Yahlia Yaranzo: Good to see you Nico.

Nico: You too. Yahlia is a treasure hunter. She goes into caves and castles and more and finds treasure.

Nicole: You and I are gonna get along great.

Yahlia Yaranzo: You bet we are.

Me: Yep. By the way are the rest of the Anothers friendly or Hostile?

Yahlia Yaranzo: Friendly and amazing.

Me: Neat. Lets separate you.

I snapped my fingers and we blasted the Anothers and I caught the Wonder Ride Books!

Me: YEAH!

Nico: And now, we wait

Me: We don't have to wait long!

We saw Another Crabby Cake and Maria!

Me: WHOA!

Xenia: This is gonna be awesome.

Another Crabby Cake reverted back and it was the Embodiment of the Tempest Dopant and the keyblade Knights of Hatshepsea and Wistneev!

Me: (GASP) Trina Tempest!

Lincoln: And Hailey Hatshepsut and Winona Willow! I knew it!

Trina Tempest: Good to see you J.D.

Me: Same here. Trina is a weather master and the Embodiment of the Tempest Dopant.

Nico: COOL!

Hailey Hatshepsut: And good to see you Lincoln.

Winona Willow: It sure is.

Me: Care to introduce us?

Anna Anyanova: Sure. Maria: Yep.

Carol: Cienna has intense lightning powers and she was exposed to the Quantum Vapor and given intense lightning powers from it. It's how she became Lady Cumulonimbus.

Cienna: The Quantum Vapor?

Me: It's an experimental biohazardous mutagenic gas. It mutated you and gave you your powers.

Cienna: Wow!

Kaito: (gets out Revice gear) Did Swartz promise you anything?

Zocks: (Gets out Saber gear) Because we can grant it instead

They got weapons from said riders.

Trina Tempest: No he didn't.

Hailey Hatshepsut: I trapped him in a King Tut Coffin and we ran.

Maria: And I thought mine was bad with Duck Kong! I ate over a billion burgers!

Ymir: That bad!?

Maria: I couldn't eat anything for a week!

Poromon: I want some!

Me: Here.

I gave Poromon some.

Then Takuma and friends stomachs growled loudly.

Me: WHOA! You guys are hungry too. You guys haven't eaten anything in ten years!

Miyuki: (Groans) I'm STARVING!

Me: I can tell.

Then Man-Eating Plant (Crash Bandicoot), Rob (Gumball), Blizaru, Monsoon (X-Squad Universe), Fluttermad, Gaim Hitotsuki and Meaches came.

Me: WHOA!

Nico:Nice team Man-Eating Plant!

Man Eating Plant: Thanks Nico!

Me: WHOA! Number 64: Ronin Raccoon Sandayu and Number 63: Shamoji Soldier!

Nico: Cool!

Number 64: (In a girls voice) I agree there!

Number 63: (In a girls voice) Yep.

Nico: Sakura Sandayu and Sayuri Shamoji! Wow!

They reverted Sandayu was a girl with pink hair and blue eyes and had dark red clothes and had pink angel wings and had Number 64 on her forehead, shirt and skirt and had a Raccoon with samurai swords on her arm as a cutie mark and she had a samurai katana too. Sayuri was a girl with blond hair and orange eyes and had orange clothes and had orange angel wings and had Number 63 on her forehead, skirt and shirt and had a Japanese temple on her arm with a sun as her cutie mark and she had a Samurai Sword too.

Sakura Sandayu: Good to see you Nico.

Sayuri Shamoji: We got this.

Sakura Sandayu: 64 SAMURAI BLADES!

Sayuri Shamoji: 63 SHAMOJI BLADES!

They slashed the Anothers all over and I caught the Ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Sayuri Shamoji: Thanks Nico! It was fun.

Sakura Sandayu: It sure was!

Me: Do you girls have any good memories of Nico?

Sakura Sandayu: We sure do. Mine is where me and Nico mastered the Emerald Dragon Thunderstorm

Me: WHOA! That's one of the most impossible moves in the Samurai Culture.

Sakura Sandayu: It sure is.

Sayuri Shamoji: Mine is where me and Nico mastered the Elemental Blade of the God Dragon.

Me: WHOA! 2 Amazing and deadly moves!

Nico: Yep.

Nico hugged them

Nico: I missed you girls.

Sakura Sandayu: Same here.

We grabbed Mung and went back home.

We had all of TLPS and The MOE with us.

Lincoln: Whoa, we're here in the world of the videogame Eternal Darkness: Sanity's Requiem, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going to destroy Pious Augustus, the 2,000-year-old lich and servant of The Ancients and stop him from bringing an age of eternal darkness to the Earth and bring an end to the battle the Chosen Warriors who came into possession of The Tome of Eternal Darkness and have fought against Augustus in a battle that spanned centuries ago in different time periods.

Alexandra Roivas: Augustus had spent 2,000 years preparing to summon his masters into our world to bring about an age of Eternal Darkness to Earth, but what he hadn't realized that while he'd been preparing to summon his masters, the Chosen Warriors had been fighting to end his plans as the centuries had passed, and this had occurred in different timelines. I thought we were done with him for good.

Ellia: This servant of evil must have been resurrected by his masters, the other three Ancients, Chattur'gha, Xel'lotath, and Ulyaoth.

Nicole: Oh God, that's not good, he needs to be destroyed along with the artifacts, The Claw of Chattur'gha, The Sigil of Xel'lotath, and The Veil of Ulyaoth, but they'll no doubt be in Augustus' possession.

Nico: What are the powers these Ancients possess?

Lincoln: Chattur'gha, The Great Being of Matter, has physical brute strength, powerful claws and teeth, resistance to mind affects such as illusions, the ability to fire beams of orange energy from his claws that possessed a tractor beam-like effect that enabled Chattur'gha to drag ensnared enemies within range of his powerful melee attacks, and he was also capable of magical aspects to an extent, such as not only reviving people who died, but also significantly empowering them to the extent of being fully capable of leveling buildings, rendering the ground asunder, as well as channeling a significant amount of powers that ordinary people could merely dream of wielding just with a mere touch, Xel'lotath, The Goddess of Insanity, has powers that focus on the mind and insanity as most of her abilities are reliant on a person's perceptions, she has the ability to teleport and make copies of herself to trick her enemies, she can use electricity-like energy to fry her foes, and those who serve her are also capable of utilizing said abilities to the extent of managing to not only read minds, but also drive those raving mad just with a mere suggestion, and Ulyaoth, The Absent Horror, has the magick of the planes at his command and is a powerful master of magic and the planes, he has the ability to open portals at will, as well as shoot lightning bolts at his enemies, and he's also the most knowledgeable, knowing the laws of the universe and the multiverse, and he also allows those that serve him to have a significant and simultaneous understanding of the innate forces of the multiverse at work, to such an extent that they see no city or mountain that's too far and too high for their reach, respectively.

Me: Yikes!

Tidal Whale: What do we do?

Lincoln: As much as you'd want to call me crazy, but I know Augustus is going to try and summon his masters, but they hate each other with a passion, so I'm going to take advantage of their hatred of each other and absorb them.

WE GASPED IN SHOCK!

Poromon: ARE YOU NUTS?!

Mathias Ravenclaw: This could work actually, plus they hated that Mantorok, The Corpse God and The God of Chaos, imprisoned them in an unknown dimension, so once Augustus summons his masters, you take advantage of their hatred and absorb them while we hold off Augustus, and that will give me time to summon the spirits of the other Chosen Warriors.

Eli: Summon the spirits of the other Chosen?

Lincoln: I get it. Alright, I'll leave that to you and the rest of the team, Mathias.

We got into Pious Augustus' chamber, and there awaiting is Pious Augustus.

Mathias Ravenclaw: Augustus!

Pious Augustus: Ah, Team Loud Phoenix Storm and The Masters of Evil, you're just in time. Soon, my masters will arrive and an age of Eternal Darkness will descend upon this world.

Alexandra Roivas: You forgot what it means to be human, Pious! The human race will never go quietly into the darkness! For as long as you have spent summoning your masters into our world, throughout time and across different timelines, people have struggled against you! It's thanks to their efforts that we made it this far. Now, Pious, this is the end!

Pious Augustus: (Laughs) The end indeed.

We stood to fight. Suddenly, Pious' staff glowed with orange, green, and blue energy, and then, we saw orange, green, and blue runes appear as he was laughing madly, and then, rays of light rose from the runes. Then, we saw the orange, green, and blue runes appear in the skies in deep space, and the three Ancients appeared: Chattur'gha, The Great Being of Matter, Xel'lotath, The Goddess of Insanity, and Ulyaoth, The Absent Horror, but we saw they were about to attack each other.

Mathias Ravenclaw: Now, Lincoln!

Lincoln: Right.

Lincoln teleported into deep space, and taking advantage of their hatred towards each other, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into Chattur'gha, Xel'lotath, and Ulyaoth, and he began absorbing them and he assimilated Chattur'gha's sheer physical brute strength, powerful claws and teeth, resistance to mind affects such as illusions, ability to fire beams of orange energy that possess a tractor beam-like effect that drag ensnared enemies within range, and magical aspects to an extent, such as reviving people who died and leveling buildings, and rendering the ground asunder just with a mere touch, Xel'lotath's powers that focus on the mind and insanity, teleportation and clones and illusions, electricity-like energy, mind-reading, and driving those raving mad just with a mere suggestion, and Ulyaoth's immense power and magic and the planes, portal generation, lightning bolt generation, and his immense vast knowledge of knowing the laws of the universe and the multiverse, and understanding of the innate forces of the multiverse at work to see no city or mountain that's too far and too high for any mortal's reach, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and 105 massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of the Ancients is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of Chattur'gha, Xel'lotath, and Ulyaoth except for the circles of large planet-like orbs surrounding Ulyaoth and the smaller circle of planet-like orbs floating above Ulyaoth's head like a crown which Lincoln had taken and Lincoln absorbed and merged their souls with his and he also absorbed all their energy and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Then, he came back to us.

Pious Augustus: W-what did you do?!

Lincoln: I've absorbed your masters, and now, I have the mighty power and strength of Chattur'gha, the madness of Xel'lotath, and the boundless power of Ulyaoth at my command.

Mathias Ravenclaw: And now, your time is up, Pious Augustus. Spirits of the Chosen, I summon you to help us do battle against Pious Augustus once more.

Mathias Ravenclaw summoned the spirits of Anthony, Karim, Paul Luther, Roberto Bianchi, and Maximillian Roivas. That alone angered Pious Augusts who absorbed the essences: the remaining power of Chattur'gha, Xel'lotath, and Ulyaoth, from The Claw of Chattur'gha, The Sigil of Xel'lotath, and The Veil of Ulyaoth.

Then, Lincoln fired an orange tractor-beam energy blast that hit Pious Augustus and he sucked out the remaining essences of Chattur'gha, Xel'lotath, and Ulyaoth along with Augustus' magical strength, power, and two millennia of knowledge, and the the spirits of Anthony, Karim, Paul Luther, Roberto Bianchi, and Maximillian Roivas destroyed The Claw of Chattur'gha, The Sigil of Xel'lotath, and The Veil of Ulyaoth, and Pious Augustus fell to the ground screaming in pain, and Lincoln walked to him.

Pious Augustus: The Darkness...is not so easily stopped...! My death...is only just the beginning.

But, Lincoln drove his massive greatsword into Pious Augustus' chest, and he let out a final dying scream as he was banished to The Black Abyss, and the spirits were sent back to the beyond, and they were able to rest in peace. We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate.

Alexandra Roivas: It's over, at long last. Grandfather, now you can rest in peace.

Ellia: The Darkness has finally been vanquished for good.

Lincoln: What began 2,000 years ago has now been brought to an end, The Ancients are gone and their servant, Pious Augustus, is finally dead, and his dream to bring an age of Eternal Darkness has been brought to an end.

?: (Norwegian Accent) Aw, I missed the action.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long white hair and ice blue flower in her hair, blue eyes, massive blue angel wings, she has a Vegvisir and Tanngrisnir the Nordic Beast on her forehead, right arm, ice blue sleeveless crop top, and ice blue skirt, white gloves, blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, snow, ice, phoenixes, and angels on the coattails, and on the back is Tanngrisnir the Nordic Beast, she has an ice greatsword in her right hand, and with her are the six girls.

Lincoln: (GASPS) Serrilda Dvergsdal, Avatar and Gene-Slammer of Tanngrisnir of the Nordic Beast.

Serrilda Dvergsdal: (Norwegian Accent) That's right, and I got the girls away from that lich's minions who were about to sacrifice them to The Ancients.

Me: It's a good thing we brought an end to that monster.

Nico: And Lincoln absorbed those Ancients and made all their powers his.

Poromon: I tell you, he's crazy!

Lincoln's Guardian Angels: Call our man crazy again, and you can say goodbye to your beer collection! (GROWLS)

Poromon: YIKES!

Poromon fled into Nico's arms.

Lincoln: Next time, don't say those sorts of words around my

Guardian Angels and harem again, or they'll fulfill their threat. (To Serrilda Dvergsdal) And it's so good to see you again, Alvilde.

Serrilda Dvergsdal: (Norwegian Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Serrilda Dvergsdal had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Serrilda Dvergsdal was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Serrilda Dvergsdal: (Norwegian Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Serrilda Dvergsdal's waist and hugged her, and Serrilda Dvergsdal is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Serrilda Dvergsdal: (Norwegian Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you

can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Serrilda Dvergsdal, Avatar and Gene-Slammer of Tanngrisnir of the Nordic Beasts, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Tanngrisnir. Serrilda Dvergsdal is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Serrilda Dvergsdal moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Tanngrisnir, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Tanngrisnir, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there was one person whom she'd been wanting to kill all her life: and it was none other than Killjoy Huggins, she hated him for what he did in trying to make Lincoln suffer and all because of his hatred and she swore to make the streets of Royal Woods run red with his blood.

Me: Lincoln told us everything yesterday, and we already got rid of that stupid bastard.

Nico: In the Sensei Air Realm months ago, Lincoln killed him to avenge the deaths of two of his Guardian Angels from long ago: Lorelai Symphonia Arendelle and Kaara Ko'aki Meiru.

Serrilda Dvergsdal: (Norwegian Accent) Oh God, I hadn't forgotten what happened long ago. What that monster did with murdering Lorelai right in front of him gave him a nasty case of PTSD.

Lincoln: It haunted me for years, but in the end, I put an end to that trauma for good by getting rid of Killjoy Huggins for good, and now that you're here, Alvilde.

Lincoln with his massive muscular arms still wrapped around Serrilda Dvergsdal's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings on hi 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Serrilda Dvergsdal: (Norwegian Accent)(Norwegian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Serrilda Dvergsdal with white gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Serrilda Dvergsdal: (Norwegian Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Serrilda Dvergsdal.

Serrilda Dvergsdal had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Serrilda Dvergsdal's waist, and he leaned down to her face and kissed her on the lips, and with Serrilda Dvergsdal's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Serrilda Dvergsdal had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Serrilda Dvergsdal: (Norwegian Accent) (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The six girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the ten girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the six girls are Lynette Mirror, Claris Tia, and Catherine Spade from Cupid Parasite and Asahi Kirisaki, Chika Kirie, and Jun Kirisaki from Sentou Kanojo -Koi mo Ofuro mo Atsuatsu de-.

Lincoln: Oh whoa, it's Lynette Mirror, Claris Tia, and Catherine Spade from Cupid Parasite and Asahi Kirisaki, Chika Kirie, and Jun Kirisaki from Sentou Kanojo -Koi mo Ofuro mo Atsuatsu de-.

Nicole: So, those were the girls Serrilda saved, they're cute.

Lincoln: And that evil lich tried to sacrifice them to The Ancients, he deserved it. Are you girls okay?

Lynette Mirror: Yes, we're okay, thanks to you.

Then, when Lynette Mirror and the other five girls saw who it was that saved them from Pious Augustus, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec and rainbow sun and moon and rainbow flame patterns and rings appear on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The

Lynette Mirror: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and 105 massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Lynette Mirror: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lynette Mirror, Claris Tia, Catherine Spade, Asahi Kirisaki, Chika Kirie, and Jun Kirisaki with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one terrifying and scary battle.

May: You said it, this was one battle that began 2,000 years ago and across the different periods of time.

Lincoln: But, it ended in the same way.

Nico: Yep, we ended Pious Augustus, killed his masters, and saved the world from an age of Eternal Darkness.

Me: You said it.

After Lincoln and all of us destroyed Pious Augustus, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with

900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Serrilda Dvergsdal saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Serrilda Dvergsdal: (Norwegian Accent) My God, I was right that Lincoln's really grown into an 18-year-old 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to

mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Serrilda, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Serrilda Dvergsdal: (Norwegian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Serrilda Dvergsdal: (Norwegian Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, James Blunt got out a videotape.

James Blunt: Now, this videotape I have here, this is from two days after seeing Caleb summon the twin guns Christiano's friend forged for him long ago for his 16th birthday and finding out the story from him, and this also led to me meeting Timothy Maddock who'd also find out the story about Caleb's return from the dead was true, along with everything Caleb told me.

James Blunt put the tape in and it played on the big screen and it showed West Virginia in 1993, it'd been two days after Caleb drove out The Big Claw Gang by summoning the twin guns Christiano's friend forged for him long ago for his 16th birthday and finding out the story from him, and they were busy with the yard work.

Past James Blunt: Thanks for the help, Caleb, and you've gotten used to life out in the country rather quick.

Past Caleb Maxwell: You're welcome, Mr. Blunt, and it's a lot different here in the country than back in New York. There's not a lot of crime here.

Past James Blunt: (Smirks) You're not going to miss running from your brother's thugs?

Past Caleb Maxwell: No way, I was so sick and tired of running into that shithead and his braindead thugs. I've almost passed out on the streets running from them every night along with running from Cage and Travis, and not eating enough food may have also contributed to my failing health in the past. Travis said that I was gonna die if I didn't get enough food to eat, my severe depression did quite a number on my health in the past, and it wasn't funny.

Suddenly, Caleb felt a disturbance and his vampire cross mark on his right arm reacted, but when he saw blood coming from it, he knew what it meant.

Past James Blunt: What is it, Caleb? A vampire?

Past Caleb Maxwell: Yes, but you're the only vampire here.

Suddenly, he summoned his two guns from two swirls of darkness that manifested in his hands.

Past Caleb Maxwell: Alright, whoever you are, you better get out here right now!

Suddenly, a figure came out, it was Timothy Maddock, the vampire hunter turned vampire and who had met Caleb when he was three.

Past James Blunt: Timothy Maddock, I should've known it was you.

Past Timothy Maddock: You're doing well at least, James, and it won't be long until Cage and Travis' punishment is finally done.

Past Caleb Maxwell: Wh-who are you? How do you know Mr. Blunt, along with Cage Blunt and Travis Tackett?

Suddenly, Timothy Maddock turned around, and when he saw Caleb Maxwell, he was shocked.

Past Timothy Maddock: Caleb Maxwell...? But, that's impossible, you were killed eight years ago back in 1985.

Past Caleb Maxwell: Yes, you're correct. Now, who are...?

Suddenly, Caleb's memory from when he was three years old in 1968 came into his head, and he'd remembered who that was.

Past Caleb Maxwell: You..., you're that man I met long ago when I was only three years old in 1968, you're Timothy Maddock.

Past Timothy Maddock: Yes, I am.

James Blunt explained everything: about how he met Caleb and that he'd returned from the dead but his memories were lost and how he took Caleb in, and how Caleb regained his memories along with the pain and trauma Drake Maxwell and his thugs had dealt unto him. But, the darkest thing of all was when he explained to Timothy that he'd explained of Caleb's breakdowns and subsequent hatred towards Drake for everything he did to him and that despite being well-hidden back when he was still alive, after his death and resurrection, it finally came all out.

Past Timothy Maddock: My God...! I knew Caleb went through what many would call a living Hell, but I hadn't realized how horrible that living Hell he went through really was, and Drake was the perpetrator behind it.

Past James Blunt: Caleb told me of how his life went from Heaven to Hell and he also showed me the cuts he made on his arms because of his severe depression two days ago. He's had nightmares because of what he went through: that living Hell he went through led to those nightmares as well.

Past Caleb Maxwell: It's because of him, my life was brought to an end, and Mom and Allie are now in danger from The Syndicate!

Past Timothy Maddock: I'm afraid The Syndicate is no more.

Past Caleb Maxwell: What do you mean?

Past Timothy Maddock: Let's go inside so you can hear the story.

They went back to the house and sat in the kitchen.

Past Timothy Maddock: It happened back after Drake killed you in 1985. The next day after you died, your ex-father got the news of your death, and when he found out that it was Drake, he was furious with what Drake did, and he also found out Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell, the four senior members of The Syndicate, were also with Drake on that night. Drake tried to argue that it was for the good of the organization, but Marcus didn't want to hear it. As punishment for what happened, he stripped Drake of all his power, wealth, and influence, and he had him kicked out for good. As for Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell, they also lost their wealth, power, and influence, but they fled before they could be killed and they fled with what little money, power, and influence they had. But, that was a fatal mistake he hadn't counted on because Drake, Nathan Daniels, Harold Devins, David Lawrence, and Aaron Lowell were the backbone and pillars of The Syndicate.

Past Caleb Maxwell: I'd known about it a long time ago. Drake was the enforcer and muscle and those four were the financial and professional pillars of the organization.

Past Timothy Maddock: Yes, and after they were removed, it was the beginning of the end for The Syndicate. Suddenly, all their victims began speaking to the police about what they did, they were too scared to back in the past, but after you were killed, your death gave them the courage to speak out against them, and Claw Dane Drake also struck as well, his gang seized complete control over all the operations The Syndicate ran long ago and revamped them to fit their agenda, and they kicked out the Syndicate members in charge of them, and they'd been on a rapid decline for eight years, and then, in 1993, the last of their influence had been removed when their last operation had been seized by Claw Dane Drake: the distributions of weapons and drugs, and as a result, Marcus Maxwell had lost everything, and he was kicked out of the building he owned which was then seized by Claw Dane Drake. As a result, The Syndicate fell apart and The Big Claw Gang became the most powerful crime organization in New York. Their organization rose from the ashes of The Syndicate's downfall because Drake's violence and madness that led to your death.

Past Caleb Maxwell: So, Dad's empire fell because of my death, and when the news of my death hit, all of Drake's victims spoke out against them, and Claw Dane Drake made his move seizing control of all the Syndicate's operations, the beginning of the end, but they're still alive and kicking, that is not enough, they need to pay the ultimate price for everything.

Past Timothy Maddock: You're not going to let the police handle it?

Past Caleb Maxwell: No, as far as they're concerned, The Big Claw Gang are now their primary target, and The Syndicate is no more. But, my angry heart still screams out for their blood to be spilled on the streets, and I'm no longer human. Not long after I'd settled in, Panther, Carla Claw, and Sally Gamble, the three members of The Big Claw Gang came to West Virginia, and I got into a fight with Panther which ended badly for me because I was still no match for him, and Mr. Blunt fed me his blood which led to me gaining the final gift: immortality, but I didn't turn into a vampire.

Past James Blunt: I had to do it, Timothy. Caleb lost his life in 1985 because of what his ex-younger brother did because of his heartless behavior and he was also Drake's first victim, I cannot forgive a mortal like Drake.

Past Timothy Maddock: Okay, I get that part. But, Caleb's now in...!

Past James Blunt: I also knew of the fact that Drake sent his assassins to kill Caleb again, and we'd been taking care of them, or rather, Caleb was the one doing that.

Past Timothy Maddock: Caleb...?

Past Caleb Maxwell: I couldn't keep running and hiding forever, I had to fight back, even if it meant spilling blood with my own two hands. Even if I risk damning my soul forever, even if I have all of Drake Maxwell's thugs and cronies coming after me from all sides, I will never ever forgive him, he sent my life to Hell, and now, I will do the same to him, he doesn't deserve to live ever again, he deserves to die a slow, painful, and gruesome death, but above all else, he deserves to die by my hand!

Past Timothy Maddock: (Thinking) You were once an innocent young man who once looked at life with hope, but thanks to what Drake did, your outlook on life turned black, and when he killed you, you carried that hatred you had for him to the grave, and it finally came out after you were brought back. Caleb, whatever you do, do not let hatred guide you, you run far greater risks than damning your own soul.

The video ends, but we were shocked by Timothy's words.

Me: (GULPS) Well, that was chilling.

Nico: Your words spoke of something prophetic.

Timothy Maddock: I didn't want Caleb's hatred to guide him, he'd run far greater risks than damning his own soul.

James Blunt: I didn't want to believe it, but it was true. Caleb's hate towards Drake was so powerful, he wanted to destroy him in the same way Drake destroyed him.

Lincoln: Hatred never leads to anything good, it only leads to ruin. You saw it from the Evil Sasukes we'd dealt with, and you were nasty to them, Caleb.

Caleb Maxwell: That's not even close.

Allie Maxwell: And you don't want to know how nasty Caleb can get.

Eli: I'd rather not find out.

Me and Nico: Same here. (SHUDDERS)

We got a shower, and then, Clyde and his harem are heading for Lake Lamode.

Syd: Wow, we're here in Lake Lamode.

Clyde: You said it, but we got to watch it, Omnara is no doubt going to cause trouble.

Clyde and his harem began having their fun in the beach, but their fun suddenly got cut short when they saw legions of warriors from ancient times heading their way, and these were warriors brought back from the dead by Nikolai Ondrushko.

Suddenly, Lincoln appeared and he morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive legions of ancient warriors, and he began absorbing them into his body and he assimilated their massive muscle mass, brute superhuman strength, combat skills, primal instincts, testosterone, and virility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips, rainbow markings, and phoenix feathers of 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

When Lincoln was done and the stingers changed back, nothing was left of them and their lives and spirits merged with him, and their energy was given to Lincoln and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Clyde: Thanks, buddy.

Lincoln: Any time, pal.

Lincoln teleported back to The World Tree Estate. A few minutes later, Clyde and his harem came back.

Nico: Lincoln told us what happened. Clyde, you and your harem okay?

Clyde: We're good thanks to Lincoln.

Syd: I can't believe that vampire did that.

Abaddon Aeternus: That's the last straw. When Nikolai finally makes his move, he's going to die a very terrible death for this.

Andre Lupescu: That'll take time though, Abaddon. We don't know when Nikolai will make his move, plus we already got our hands full with dealing with Dark Chase Young's return in the future, and fulfilling the final part of the prophecy. Not to mention we're going after that delusional woman.

Ellie Roberts: I'm going to talk Mom down and make her see sense, and you two better not get any ideas of hurting her severely. That also means you too, Caleb Maxwell, harbinger of violence!

Lincoln: Ellie, calm down. Andre and Abaddon will keep their swords holstered same with Caleb keeping his guns holstered. Right, you three?

Abaddon Aeternus, Andre Lupescu, and Caleb Maxwell: Fine...!

Nico: (Smirks) Way to put those three in their place, Lincoln.

Me: I still got a bad feeling they're still gonna get violent with Omnara, and there's no way we can stop the three of them.

Maria: Afraid that might be true.

I went down to the surface and got to the mailbox. I got our mail.

Me: Okay.

I went back up.

Me: Mail's here!

I looked.

Me: Lets see. Oh Layla you got this!

Layla Williams: Lets see.

I gave her a letter and it was an invitation.

Layla Williams: Oh Sky High is having a reunion tomorrow! (Reading) Dear Layla, You and your friends of Sky High are all invited to a reunion at Sky High Academy and there will be food and games and reminiscing on good times there. Looking forward to seeing you there. Sincerely, Sky High."

Me: Perfect timing. That's your big mission tomorrow.

Nico: Yep.

Me: And I have a very good feeling on who will show up uninvited.

Nico: Royal Pain?

Me: Royal Pain.

We later went to the park and saw the mascots squishing grapes and fruit.

Static: Let's see what you guys are making

Poromon: Here you go.

We saw cups full of their champagne they made.

Poromon: This is our mascot bubbly. It's non-alcoholic.

Me: Ooh.

I tried a blue one and it was really fizzy.

I tasted it.

Me: (Slurps) Mmm! (Gulps) Blue raspberry flavor! Yummy! (BURPS) Oh pardon.

Nico: (Slurps) Mmm! (Gulps) Strawberry! (LOUD BURP) Oh sorry!

Maria: Let me try

Maria tried the banana flavor.

Maria: (Slurps) Mmm! (Gulps) Banana flavor. Delicious. (BURPS) Oh pardon.

Me: It's very refreshing and delicious.

Poromon: Made with grapes and all natural fruit.

Nico: It's yummy.

Me: Yep.

Cosmo: And I help make it too. All the natural flavors of fruit in non-alcoholic champagne bubbly.

Me: (Gulping) Ahh. (LOUD BELCH) Oh sorry.

G1 Rampage: So, no one gets drunk?

Poromon: Nope. All non-alcoholic.

Me: Everyone likes it. Look.

We saw lots of people at the park besides us with HUGE STACKS OF CASH!

Me: WHOA!

Nico: That has to be a lot.

We made it REALLY FAST And everyone liked it and gave the mascots lots of money!

EVERYONE was happy.

Me: WOW! Everyone loved it and it sold out fast!

Xenia: No kidding! That was a record!

Slug: Me Slug want more champagne!

Poromon: We made more than enough for all of the city.

We had some good stuff.

Me: Awesome.

Jeri Katou: It sure is good.

Qin: Yep. Hey look guys!

We saw a Pyroar!

Me: Whoa a Pyroar!

Nico: How'd that get here?

Me: I think I know.

Jeri Katou: Me too.

Jeri used Telepathy and gasped and then broke down in tears!

Me: Jeri? What's wrong?

Jeri: (Crying) It's my older sister Jeriya!

WE GASPED!

Me: Oh man.

I went over to her.

Me: Jeriya calm down and lets talk. Your sister needs you.

She used Flamethrower on Horsea but she put her clone in front of her

It burned her but not bad.

Me: YIKES! Okay then.

I fired waves of fire and blasted her. I snapped my fingers and she reverted back and had red hair and brown eyes and had fire angel wings and had Pyroar on her forehead and had The Lion Guard symbol with a volcano behind it with a phoenix coming out of the volcano on her arm as a cutie mark.

I wrapped her in a blanket and we brought her to a bench.

Me: I can tell Jeri misses her big time.

Qin: Yeah.

She woke up to see Horsea's smiling face

Jeriya: (Groans) Huh? A Horsea?

Horsea: Hello.

Maria picked her up.

Jeriya: What happened?

Me: Ugly story. You were turned into a Pyroar by Dark Gale.

Jeriya: (GASP) I remember!

She was in a red suit and injected and then in a burst of fire turned into a Pyroar and jumped out.

FLASHBACK ENDS

Jeriya: It was awful.

Me: I know but we destroyed Dark Gale.

Jeriya: Good. (GASP) Wait where's Jeri?

We moved and she saw her crying.

Jeriya: (GASP) Jeri!

Jeriya went over to her and they saw each other. Then they hugged and broke down crying!

Jeriya: (CRYING HARD) OH JERI I'M SO SORRY I WASN'T THERE FOR YOU!

Jeri: (CRYING HARD) I MISSED YOU!

They were really crying hard!

We comforted them.

Me: Oh there there. Your sister went through hell because of not only her dark past but also her ordeal with the D-Reaper.

Jeriya and Jeri were crying hard.

Fluttershy: Oh you poor poor thing. (Starts crying)

Rarity: [starts crying] I can't bear to see Fluttershy cry!

Pinkie Pie: [starts crying] It's just heart-wrenching!

Fluttershy, Pinkie Pie, Rainbow Dash and Rarity: [crying hysterically]

They were crying with Fluttershy and Jeriya and Jeri.

POOR GIRLS

Me: Oh it's okay girls. It's okay.

Seeing them cry really made my heart hurt.

Me: It'll be okay girls.

Horsea comforted them

Ymir: Poor girls. Especially Jeri. What happened?

Camie: Jeri went through a really dark past and a horrible ordeal. Her mother died of a terminal illness when she was young and she lost Leomon in the Digital world at the hands of Beelzemon and then she was used by the D-Reaper to try and destroy the planet. Jeri essentially went through hell.

Ymir: Oh man! That is awful!

Nico: It's all true.

Ace Ukiyo: Yeah. Poor kid.

They were really crying hard.

Me: It's okay girls.

Jeriya: (CRYING HARD) I'M SORRY JERI! WHEN I HEARD MOM DIED I COULDN'T MAKE IT BECAUSE OF MY WORK! I'M SO SORRY!

Jeri: (CRYING) I WENT THROUGH A NIGHTMARE!

They were crying hard.

Horsea cuddled up to them

I had Fluttershy's animal friends come too and they comforted them.

Even Mega Pyroar came and comforted Jeri.

Jessica: I had no idea Jeri went through all that.

Jessie: It was a nasty ordeal for her.

Camie: It was.

Himiko: Yeah that was awful.

Varie: I know.

Miyuki: Poor Jeri. I can't believe she went through all that.

Aoi: I know.

Saki: That is so sad.

Poromon: It is.

Takato comforted Jeri too.

Jeri: (Crying) Oh Jeriya I've missed you!

Jeriya: (Crying) I missed you too. I'm so sorry sis! I wish I could've been there for you.

Jeri: (Crying) It's not your fault sis.

Horsea hopped on Jeri's head

Horsea: Jeri had gone through a lot.

Jeriya: (Sniffles) I heard. But now I can make up for this.

Me: Good. Jeri I think you and Jeriya should sit out this mission because of emotional distress.

Jeriya: No. I still need to do the combo

Me: Well okay. But you should be proud of Jeri. She is now married.

Jeriya: (GASP)

She saw the ring.

Jeriya: Jeri did you get married to Takato?

Jeri: (Giggles) I sure did.

Jeriya: I always knew that boy had feelings for you Jeri. I'm so proud of you.

Takato: Jeri is the best thing thats happened to me.

Me: It's true.

Guilmon: That's Takato and Jeri for you.

Qin: Yeah. Also we resurrected your mother and reunited Jeri with her sister on her day to shine.

Me: Selena Jeri.

Jeriya: Oh man. I've got so much to catch up on.

Rarity: Lets get you some new clothes darling first.

The fashion brigade gave her new orange and red clothes and a lion sword.

Jeriya: I look amazing!

Me: You sure do.

Jeriya: Oh I am the Pyromancer of Sonya's team. Outside the team I protect the Digital World.

Me: Who is your partner Digimon.

A Rosemon came.

Jeriya's Rosemon: That is me. Thank goodness you're back Jeriya. I was worried.

Jeriya: I'm glad too Rosemon. I'm sorry I worried you.

We had good champagne

Jeriya: (Gulping) Mmm!

Sideshow Bob: This champagne is fantastic!

Me: It sure is. Great job guys!

Qin: Yeah!

Poromon: Thanks! It was awesome.

We later went home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our showdown with Omnara starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Omnara, and that insane madwoman's about to create another Big Bang to create a massive army of Bang Babies to destroy us. When we saw it, we knew it mean trouble.

Lincoln, me, and Nico: YOU INSANE MADWOMAN!

Eli: It's time!

Lincoln: That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Omnara, and that insane madwoman's about to create another Big Bang to create a massive army of Bang Babies to destroy us.

EVERYONE GASPED!

Nico: THAT'S INSANE!

Me: Making an army of Bang Babies!? That's madness!

May: That delusional madwoman!

Maria: I knew she'd be on the move, and she's going to launch that insane scheme of hers, and please don't tell me she kidnapped Virgil's dad again?!

Lincoln: (Sensed it) She did, and she's going to make him her first test subject.

Ellie Roberts: I can't believe her. Mom, you've gone completely crazy. We need to stop her now.

Me: We will, Ellie.

Nico: But, first, we need to stop her, and then, Lincoln, you suck out all her technology powers along with flight.

Lincoln: Got it.

Maria: I called Ebon and the others, they're gonna meet with us at Dakota City so we can take down Omnara.

Rubberband Man: Nice one.

Nico: We're gonna need all the help we can get. Alright, gang, let's head on over to Dakota City.

Lincoln: Omnara's insane plan needs to be stopped, and once Ellie gets through to her, that's when I suck out all her technology powers along with flight.

The previous group came!

Count Nocturne: Can me, Biowulf, Count Spankulot, Ben Ravencroft, Xigbar, Marionette Shadow, Black Knight Ghost, Kangor, Evil-Lyn and BlackWarGreymon go with you guys?

Kangor: (Jamaican Accent) I was supposed to meet you guys in the Dakota City Sector mon. But I am part of the previous group.

Maria: That's okay Kangor.

Nico: And yes you all can come with us.

Ellie Roberts: We need all the help we can get to stop my mother.

Me: Right.

Spring Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Number 62: Galaxy-Eyes Prime Photon Dragon and Number 61: Volcasaurus.

Me: WHOA! That is gonna be awesome.

Camie: Yep.

Ben Ravencroft: Awesome. (Saw Jeri's tear stains) Oh man Jeri are you okay?

Me: Long story on that.

Nico: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Hawk and Hank from 150,000 years hence who's been resurrected by Nikolai Ondrushko, and they're heading here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Hawk and Hank from 150,000 years hence who's been resurrected by Nikolai Ondrushko, and they're heading here to destroy us. Even in 150,000 years hence, they've been a major pain in the butt.

Bianca Pirateloot: Well, we're going to make sure that pain in the butt gets sent to The Black Abyss, and this time, for good.

Lincoln: Right, Bianca. Plus, it'll serve as a prelude as to what I'm going to do to those two buttface ugly gorillas!

Nico: Save room for me and J.D. as well, Lincoln, we're already planning to kill Hawk and Hank from our timeline, having those two from 150,000 years hence also running loose here is an absolute Hell freaking no way! Alright, team, let's go, we got a techno-insane madwoman to stop.

Lincoln: Along with foiling her insane plan, and once we're done and send her to prison, Hawk and Hank from 150,000 years hence, you're finished!

Bianca Pirateloot: You've lived for far too long, you big gorillas, this time, you're staying gone for good!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Dakota City to take down Omnara and stop her sinister plan to recreate The Big Bang and create a massive army of Bang Babies to destroy us and the Metabreed, and once we stop her and Lincoln sucks out all her technology powers and flight and we send her to prison, Bianca Pirateloot and Lincoln are going to destroy Hawk and Hank from 150,000 years hence and send them to The Black Abyss.

We were off

We arrived.

Me: We're here.

We saw the Metabreed.

Ebon: We got here as fast as we could. And we have New Wave here.

New Wave: Yep I'm here too.

Maria: Thanks guys.

Spankulot: (Transylvanian Accent) We were just about to call you.

New Wave: I knew it was Maria's day coming so I decided to come ahead.

Me: Cool.

Ellie Roberts: Also we'll need all the help we can get to help stop my mother.

Me: I remember hearing about what she did. And how she revealed to Virgil's dad how he was Static Shock.

Static: And she forced me to do her dirty work

Me: Yeah just like what Crag has known.

Crag: That's right. You see, heroes like us are invulnerable to physical attack and they have to find some other ways to hurt us. Invariably they attack our weaker loved ones. Forcing us to give into their evil demands.

Me: He's right on that. I've seen it happen many times. Not just in the comic books but in our job as well.

Xigbar: Good thing you got a cryptic message to Gear

Static: That was smart thinking.

Me: It was.

Ellie Roberts: Yeah. But also my mother is not herself because she has always had mental problems.

Me: How so?

Ellie Roberts: She has always been obsessed with power. But she still always had time for me and I worry about her every day. I love my mother more than anything I want to be there for her to help her get through all this.

Me: That's true devotion and help to a parental figure.

Sheep Creep baaed

Fluttershy: Even Sheep Creep agrees.

Qin: Yeah.

Ellie Roberts: I love my mother and I swore never to let her die because of her own mental illness. She may have done terrible things but she is still my mother and I love her.

Me: Wow.

Rainbow Dash: (Tearing up and crying)

Rarity: Oh Rainbow Dash whatever is the matter darling?

Rainbow Dash: Nothing just got something in my eyes.

Me: Aww you got choked up from hearing her say that R.D.

Mushi: She must be planning something else now that everyone knows who Virgil is.

Me: Well I think Lincoln told us everything she is planning to do. Recreating the Big Bang to make an army of Bang Babies to destroy us and the Metabreed? That's absolute insanity!

Laney: She's planning to poison the entire planet!

Nico: Maybe she's planning to take over the entire universe with the Bang Babies.

Kangor: I think she probably has some of that Quantum Vapor mon.

Me: That's what I think too.

LOUD HORRIBLE NASTY FART!

Me: Uch! Ed!

Ed: Sorry.

BlackWarGreymon: Is she still there?

Eli concentrated.

Eli: Yes she is.

Me: Oh boy.

Eli: Not only that but she has THOUSANDS of barrels full of Quantum Vapor with her ready to be fired. She is going to flood the atmosphere with it and poison the whole planet with it!

WE GASPED!

Me: We got to stop her!

Lincoln: Uh oh, we got trouble, I just spotted the next hypothetical Akuma, her name is Tyrantaqua, the Hypothetical Akuma of Maria and a master of intense water. She is a 4 headed dragon made of pure water. She was made because of Francis dumping her and vowed to extinguish him!

Lincoln got out his sketchbook, and we saw it: she's a 4-headed dragon made of pure water.

Me: WHOA!

Nico: Uh oh...!

Maria: Oh boy.

Francis: Oh crap...! She's gonna douse me until I'm nothing but a mess!

Lincoln: Not happening, I'll absorb her and send her to Vypra.

Luna: Good idea.

Francis: FYI, me and Maria broke up a week before she got cured.

Runabout: Good to know

Me: This takes that saying Hell Hath No Fury Like a Woman Scorned to a whole new level.

Nico: No kidding.

We got a move on, and then, we saw a massive tidal wave heading for us, and then, we saw her: Tyrantaqua, the hypothetical Akuma of Maria, she's a 4-headed dragon made of pure water!

Me: Whoa!

Nico: SHE LOOKS SCARY!

Qin: YIKES!

Suddenly, she spots Francis, and she's pissed!

Tyrantaqua: YOU SLIMEBAG! YOU'RE GONNA PAY FOR DUMPING ME!

Francis: (GULPS) Mother...!

SHE BLASTED HIM ALL OVER WITH INTENSE WATER!

SPLASH!

Francis was wetter than a wet diaper!

She drenched him all over the place!

SPLASH SPLASH SPLASH SPLASH SPLASH!

HE WAS REALLY GETTING WET!

Francis: (SPITS)

Evil Lyn: Maria? Is that you?

Tyrantaqua: Yes it's me guys. And Carol I haven't forgotten everything you did for me. Horsea I can never hurt the one little girl I love. And William I would never hurt you. Francis on the other hand!

SPLASH!

She drenched him more!

Foghorn Leghorn: This girl I say this girl is more angrier than a angry dog in an applesauce barrel!

Maria: Ooh boy, this is gonna get ugly. Looks like telling her to cool down is out of the question!

New Wave and me fired waves of energy and water and blasted her.

Maria fired waves of water and blasted her!

Tyrantaqua: My turn!

She fired waves of water and Lincoln absorbed it!

Lincoln: I got this.

Tyrantaqua went at Francis, but Lincoln got in between and as soon as she slammed into Lincoln, he began sucking her in and absorbing her into his body along with the water on the streets, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow markings of large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done, he had a water aura surrounding his rainbow, white, golden yellow, and blue protective aura and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla and he sent Tyrantaqua to The M.O.E.

Maria: Nice one.

Luna: He sucked her in like a sponge like he did against Dew's hypothetical Akuma.

Me: Along with the water in the flooded streets.

Francis: Man I am all wet!

Bugly: Let's dry you off.

We dried him off.

Me: Man she soaked you really good!

Foghorn Leghorn: She soaked him, I say she soaked him more so than a sack of wet mice.

Me: No kidding!

We dried him off and gave him fresh clothes.

Horsea: I liked how she called me her little girl

Black Knight Ghost: I bet you did

Maria: I thought it was really cute.

Me: Yep.

Nico: That's one problem settled, now for the main one: Omnara.

Lincoln: Time to take care of that madwoman at once.

We heard the insane laughter of Omnara, and she has canisters of the Quantum Vapor all over the world and she's going to finally unleash it on the world.

Nico: That madwoman, now we really got to stop her before it's too late.

Lincoln: Time to end this.(Sensed Hawk and Hank from 150,000 years hence) Nice try, you stupid idiot!

Lincoln fired gold spider silk and tied up Hawk and Hank from 150,000 years hence.

Lori: You got some nerve coming back to destroy us. We'll deal with you later after we take care of our big problem.

We took off into the air to attack Omnara.

Lincoln, his sisters, and harem: Galactabeasts, Activate Lightning Mode!

The Galactabeasts of The Elementus Galaxy activated their Lightning Mode, and they had bolts of lightning surrounding them and they fired powerful blasts of lightning at Omnara and she was badly!

Suddenly, the spirits of the Bang Babies appeared and they attacked Omnara and we also threw Hawk and Hank from 150,000 years hence in as well and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

A massive explosion erupted as a Thunderbird Screech, Wolf Howl, and Phoenix Cry was heard and we appeared, and this made Omnara even more pissed off than ever.

Maria: Karen, you insane madwoman!

Static: I should've known you'd be at it again! Now, to get my dad back and put a stop to you again.

Omnara: You're too late! Soon, I will finally destroy all of Team Loud Phoenix Storm and The Metabreed and the entire world will bow before me, their new Queen! (LAUGHING INSANELY)

We gasped: she was even more insane than we thought!

Ellie Roberts: Mom, stop this right now!

Suddenly, Ellie's appearance stopped Omnara.

Ellie Roberts: Mom!

Omnara: Oh Ellie where have you been? I was so worried about you.

She hugged her.

Ellie Roberts: Mom, stop this, this is not you! You've let your chaotic desire for control and hatred towards Mr. Alva corrupt you, and you became this insane monster! That's why I came here to put a stop to this once and for all and save you from this monster you've become!

Omnara: Ellie..., I...! I...! (ENRAGED SCREAM) WORTHLESS FOOL! THEN, YOU WILL DIE ALONG WITH TEAM LOUD PHOENIX STORM AND EVERY LAST FOOL IN EXISTENCE!

Me: Then we'll make you stop!

I fired waves of lightning and blasted her!

Me: If you release all those barrels of Quantum Vapor you will destroy the Entire Human Race!

Omnara: I don't intend to kill the human race. I intend to conquer it. Before, Bang Babies were disorganized. But they will be organized with me as their leader. And all that's standing in our way of conquering the Earth is all of you!

Marionette Shadow: And proud of it!

Me: You don't know how wrong you are Karen! Bang Babies are ordinary people just like us that were in the wrong place at the wrong time and they were given amazing powers!

Maria: I was turned into Aquamaria because of it!

Static: I became Static Shock!

Francis: I was Hotstreak before.

Me: And look at many of the Metabreed too! They got their powers from it!

Carol: They can use their powers alll for so many great things! You are only going to make them feared and made into the scum of the Earth!

Me: Because you don't know that With Great Power Comes Great Responsibility!

Omnara: Well, at least you all won't be alive to see my new army when I'm done.

Terrence: Not if we have anything to say about it.

Me: And the first thing we'll do is this!

I snapped my fingers and sent all the barrels of Quantum Vapor she made into the Sun and destroyed it!

Omnara: NO! DO YOU KNOW WHAT YOU HAVE JUST DONE!?

Me: Stopped your plan!

Omnara: I still have my backup plan!

Then out of a pod came a CLONE OF SIMON PHOENIX!

Me: SIMON PHOENIX!?

Ymir: Who is he?

Me: A Douchebag that I killed many times!

Omnara: Not just him!

Out came clones of Ricky Beamer, Slappy the Dummy and Chris Hargensen!

Qin: Ricky Beamer!

Nico: SLAPPY!

Carrie: Chris Hargensen!

Me: Clones of some of our hated enemies!

Nico: I got a score to settle with this toothpick!

Skarr: Only fair since the real one is in the Black Abyss

Me: Lets get these Sons of fucked up bitches!

We went at them!

Qin punched and kicked Ricky!

POW BIFFF SMASH!

Qin: YOU FUCKED UP SNAKESKIN WALLET! NO ONE TALKS ABOUT NICO THAT WAY!

POW!

Ricky Beamer: HE SHOULD HAVE JUST LET YOU DIE BITCH!

POW!

Qin kicked him in the crotch!

Qin: YOU SHUT THE FUCK UP!

POW!

Qin: You don't ever talk that way about my best friend! You had your chance to be friends with everyone and look where you ended up! You became this beast!

POW! POW BIFF!

She punched him brutally!

Ben Ravencroft: I didn't see this coming!

Xenia: Me neither! But usually some villains always have a backup plan.

Ellie Roberts: My mother always is resourceful.

Nico: SLAPPY!

Slappy: Well if if it isn't the fucked up monkey!

Nico: Sticks and Stones Slappy! Sticks and fucking stones! I'm going to grind your fucking ass into sawdust!

Slappy went at Nico and Nico punched him in his face and kicked him!

Nico punched him.

RD Lucy: We need to send them into darkness

Xenia: I'm sure they want to vent some stress on them first.

POW!

Carrie punched Chris!

Carrie: This is all your fault Chris! YOU AND YOUR FUCKED UP DELINQUENT BOYFRIEND DUMPED PIGS BLOOD ON ME AND YOU MADE ME KILL ALL THOSE PEOPLE!

Chris: BECAUSE YOU FUCKING DESERVED IT! I FUCKING HATED YOUR GUTS! I WANTED YOU DEAD BUT YOU HAD TO KILL ME! I HATE YOU MORE THAN LIFE ITSELF CARRIE!

Her aura flared up!

POW!

Now, let's end this!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF OMNARA TO NO END! NOW, THE BATTLE TO TAKE DOWN OMNARA WAS ON!

Lincoln, Maria, Nico, and I and the rest of us went after Omnara, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer

Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Omnara, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Maria did the same by firing colored, white, golden yellow, and blue energy blasts at her, and Lincoln, Maria, Nico, and I and all of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Omnara even more angrier than ever.

In the melee of our attack on her, Gear uploaded a virus into her computers that'll trigger once the attacks from Lincoln and his harem are done, and she'll be taken down for Lincoln to suck out all her technology powers. Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Omnara and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Omnara.

You need to be taken down at once.

Then, Lincoln charged and smashed his rainbow energy infused left

fist into Omnara and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword.

Ed Cowart proceeds to insult Omnara.

Ed Cowart: Hey, Techbrain Computerwhore! Brainiac called, he wants his techno-prowess back! You must have no life whatsoever. Hell, you are dull and ugly and must be one uglyass computer whore to waste your life on them! You have no social life nor even a love life. Well, you might suck even more than Harold! Ed Cowart painted Omnara's clothes pink.

Ed Cowart: Pink looked better on you anyway.

Then, he wedgied Omnara and pulled her underwear over her head!

Ed Cowart: TECHNO WEDGIE!

Then, Ed Cowart covered Omnara with honey then bird seed, and then, he summoned a horde of pigeons to peck all over her.

Jeriya was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Jessica.

Jessica: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Bellossom and Pyroar and transformed and blasted Omnara all over!

Me: YEAH!

Horsea squirted ink and blinded her.

Poromon pecked her.

Poliwag slapped her with her tail.

Then Cantwell, See-More, Selene, Touch & Go, Plastique, Girder, Firebrand, Manta Bayarsh, Dumbbeltron and Magma came.

Nico: Cantwell, See-More, Selene, Touch & Go, Plastique, Girder, Firebrand, Manta Bayarsh, Dumbbeltron and Magma.

Magma: HOLY CRAP! Carrie really got revenge on Chris!

Dumbbeltron: I wasn't expecting some of your enemies to return like that!

Me: Me neither! We got some well deserved payback on them.

Cantwell: What WOULD happen if Horsea got exposed to Quantum Vapor.

See More: Best not to find out.

Selene: That's a wise decision.

Me: Yeah.

Mr. Go: (to Nico) We heard you ran into old friends.

Nico: It was part of some unfinished business.

Plastique: (to Shope) You should take care of that Totodile.

Shope: I will.

Moltorzord came.

Me: Moltorzord for another round?

Moltorzord: Yep.

Me: Cool!

Moltorzord: Omnara's army fell before it could even start

Me: Yes it sure did with me throwing all the Quantum Vapor she produced into the sun.

Xenia: Yep.

Qin: At least Ellie is getting through to her mother and also us with battling Chris.

Nico: Yep. LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Cantwell was first.

Cantwell (to Lisa): Nico's rescue was saving Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and

Shuuji Kayama from themselves. He finished some unfinished business from his past

Lisa: Yeah this was a really strange event. These were all kids that Nico knew long before he joined up with the team. Some time around when he first fought Devimon and he and Poromon and Poliwag befriended them. But Devimon's essence poisoned their minds and they ended up getting killed somehow.

Roland Jackson: We don't know what went down back then but it was awful! This was also the second reason why Nico hates Devimon with a passion! We already know one of those reasons and it was because of Devimon that he killed The Digimon Emperor!

Cantwell: GEEZ! Even in death that monster Devimon just continues to torment Nico!

Chloe Terryington: (British Accent) Indeed! What happened to him was awful back then!

Twilight Sparkle: Nico had a really terrible dream about it earlier this morning and it was awful!

Stellar Sparkle: Yeah no kidding there! Woke us up and Natalie showed the sketch to us. At breakfast, Nico told us about Takuma Momozuka, Minoru Hinata, Aoi Shibuya, Saki Kimishima, Ryo Tominaga, and Shuuji Kayama and they were really good kids and friends that wanted to help the Digital World as much as they can.

Harmony Sparkle: Yeah no kidding there!

Starshine Sparkle: Yeah and we rescued them from themselves after Indigo Zap unlocked her rainbow power.

Spyro: The Blue Lightning of Friendship saved them.

Cantwell: WOW! I'm glad Nico got some unfinished business done! And Indigo is the first of the Crystal Prep Shadowbolts to unlock her power! Good for her. Lets do it!

Lincoln and his harem fired Ki blasts based on the Bang Babies and they smashed into Omnara and exploded with incredible power, and as expected, Gear's computer virus kicked in and Omnara was neutralized. Then, Lincoln placed his left hand on Omnara's head and he sucked out Omnara's techno powers, mastery over computers and other technology, and Flight and made them his own, which knocked Omnara out and she was handcuffed and taken to a police car that took her to a Dakota City prison.

We cheered as we holstered our weapons and powered down.

Nico: And that's that.

Me: Plus, we stopped that demented madwoman's scheme for good.

Lincoln: That was too close though, she almost succeeded. Alright, now there's one last loose end to tie up: Hawk and Hank from 150,000 years hence.

Time to die, you buttface gorillas.

Lincoln, Bianca Pirateloot, Nico, and I went after Hawk and Hank from 150,000 years hence and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Hawk and Hank from 150,000 years hence, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Bianca Pirateloot did the same by firing blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Bianca Pirateloot, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Hawk and Hank from 150,000 years hence even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Hawk and Hank from 150,000 years hence and we all found ourselves not only in Heaven, but also, in space.

Me and Nico: Our pleasure, Bianca.

Suddenly, Bianca Pirateloot wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Bianca Pirateloot's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Bianca Pirateloot sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Tara Toonamine: I didn't expect Hawk and Hank from our timeline to return from the dead, and he had some nerve though. They thought they could get away with their crimes?! They're dead wrong!

Me: That's right. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the Vegvisir appear in the skies along with the Duel Monster, Hraesvelgr, the Desperate Doom Eagle, and Hraesvelgr, the Eagle of The Underworld.

Lincoln: The Vegvisir and the Duel Monster, Hraesvelgr, the Desperate Doom Eagle, and Hraesvelgr, the Eagle of The Underworld.

Astrid Michelsen: (Norwegian Accent) There's one person who fits that: Olivia Pedersen, Avatar and Gene-Slammer of Hraesvelgr, the Desperate Doom Eagle, and you guys are going to love meeting her, Olivia Pedersen, Avatar and Gene-Slammer of Hraesvelgr, the Desperate Doom Eagle, is Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Hraesvelgr. Olivia Pedersen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Olivia Pedersen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Hraesvelgr, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Hraesvelgr, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there was one person whom she'd been wanting to kill all her life: and it was none other than Nurse Sue, the fraudulent nurse who caused a reign of tyranny in Sunset Canyon long ago and she swore to make the streets of Royal Woods run red with her blood.

Nico: Oh shit! So, we're not the only ones who hated that tyrannical criminal so-called nurse.

Me: We're bound to face her.

Lincoln: On Mom's big day, and here's the scary part: Olivia can also call upon the Norse Eagle of The Underworld himself to drag the guilty down into its black depths.

Astrid Michelsen: (Norwegian Accent) That's right, and each of us can also call upon the other Nordic beasts of legend as well.

Brittney: Now you're going to see the most terrifying curse ever in my arsenal of dark magic. It combines Eldritch, Lovecraftian and Satanic magic all in one. Brace yourselves!

Brittney then transformed!

Brittney: (SINGING DIVINELY)

I see a cold wind blowing through

I see days neither fun nor free

I see a future caused by you

I see a path not meant to be

The future should be filled with magic

Dreams and wishes brought to life

But the days ahead are dark and tragic

No time for hope when all is strife

Whatever might have been

All the dreams that ponies share

Because of you, Chris Hargensen

Now the future is a cold nightmare

Nico and me had shivers of fear run down our spines and fired blasts of Dark Magic and then she was being forever tortured and horribly mangled up and burned by the demons and horrific creatures of hell and the Eldritch times infinity and it is destroying her sanity and torturing her until the end of time with visions of all the sins she did and also reliving the pain she caused to all those around her times infinity! She screamed and is being tortured intensely forever by her own sins being turned against her times infinity with pure ultimate pain!

WE GASPED!

Eli teleported Chris to Tartarus Canyon to share a cell with Margaret!

Nico: (Shaking in fear) What was that!?

Brittney: That was my deadliest curse in my arsenal of Dark Magic. It's called THE ELDRITCH SATANIC CURSE OF THE TRILLION LEVELS OF PAIN!

(THUNDERCLAPS) (BLOODCURDLING SCREAMS) (CAT YOWLS)

WE GASPED IN SHOCK AND HORROR!

Me: (SHAKING IN FRIGHT) WHAT DOES THAT ONE DO?!

Brittney: Well after I sing Luna's Future, I fire a blast of Dark Magic and then she will be forever tortured and horribly mangled up and burned by the demons and horrific creatures of hell and the Eldritch times infinity and it will destroy her sanity and torture her until the end of time with visions of all the sins she did and also reliving the pain she caused to all those around her times infinity! She will scream and be tortured intensely forever by her own sins being turned against her times infinity with pure ultimate pain!

COURAGE, HOMER, SQUIDWARD, SPONGEBOB, LINCOLN AND LILY SCREAMED IN FRIGHT!

Me: THAT IS HORRIFYING!

Xenia: FRIGHTENING!

Laney: YEAH!

Camie: SCARY!

Carrie: She deserved it. But at least we're rid of her.

Girder: Good thing we got through to Omnara.

Firebrand: What happens to her now?

Manta Bayarsh: She joins our ranks.

Dumbbeltron: Good idea.

Magma: Let's have dinner here.

Me: Good idea.

Nico: Yeah. Good job today everyone!

Static: (To the viewers) Boy this was awesome and fun.

Me: Yep.

We went to fun restaurant.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: Whew, man, that was one awesome day.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there lying on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was Vinna Laval and she was posing seductively, and when Lincoln saw her, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Vinna Laval: (Seductive Voice) Like what you see, wolf hunk?

Lincoln could only nod, and then, Vinna Laval went up to Lincoln, and she stripped him of his white and gold-trimmed shorts, gold-armored knee-high boots, and orange loincloth, and leaving him in his underwear, but she really aroused him.

Vinna Laval: (Rubs Lincoln's massive pecs) You're even more of an impressive hunk especially in your underwear, now I can see more of your built manly legs and the very thing that has gotten the girls in your harem pregnant with many children. (Seductive Voice) And satisfied them every single time and every night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally

potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Then, Lincoln wrapped his arms around Vinna Laval and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and Vinna had her hand on his underwear about to remove it and leave him in the nude, and his entire harem dressed only in strapless bras and panties also appeared as well.

Lincoln: (Seductive Voice) (Smirks) Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to the world of the cartoon series, Detention, and we're putting Eugenia P. Kisskillya in The Masters of Evil cause she's not really evil at all just neutral, but the main villain we're going after is Wolverine's old enemy, Banapur Khan, he's a sadistic pure evil pirate, and we're going to have him castrated and send him to The Black Abyss, and we're going to meet the next Nordic Avatar and Gene-Slammer, her name is Olivia Pedersen, Avatar and Gene-Slammer of Hraesvelgr, the Desperate Doom Eagle, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Hraesvelgr. Next up is Layla Williams day to shine and we're going to battle Royal Pain! She is back for revenge!

See you all next time.

SKY HIGH REUNION

The Reunion of Sky High is gonna be Awesome

In the early morning hours of 12:24 AM, Lincoln was asleep along with his harem, and he had a dream as it took him to a place known as Mount Malefic, but as he was flying, he felt a massive dark energy signal, and from far away, he saw who it was: that massive dark energy belonged to none other than Royal Pain and her minions, and they're planning to attack Sky High to get revenge on us. Lincoln woke up along with his harem and his kids.

Lily the Mermaid: Linky, what's wrong?

Lincoln: It's not good.

Lincoln explained everything, and when he was done, they were pissed.

Selene Emperyous: What the heck?! That bitch!

Michelle Emperyous: She and her minions are so dead!

Sandra Emperyous: That bitch is going to pay for this!

Lincoln: Hold on. I've got an idea, we're going to turn Royal Pain and her minions into babies, and have them reeducated under Vypra to be with the M.O.E., and that'll be done with a curse I've got just for them.

Vorya Emperyous: That's perfect. But, Layla and the others aren't going to like this one bit.

Lincoln: I know. Ever since she got that invitation to a reunion at Sky High, we knew Royal Pain and her cronies would come to get revenge on us, so we'll have traps set for them, in addition to our entrance, I've also got some additions to it based on The Thing since Kate Lloyd's also joining in on the fight against her.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Layla woke up to see Virizion staring at her

Virizion: Good morning Layla!

Layla: Morning Virizion!

Virizion: Time for breakfast!

Layla: Oh boy!

She went and got dressed and went to the table.

Me: Morning Layla!

We got her breakfast.

Me: It's gonna be a big day today.

Lincoln: You got that right. Oh, guys, we got ourselves a huge emergency today, last night, I had a dream and it took me to Mount Malefic.

Then, after Lincoln got done explaining everything, we were pissed off.

Me: What the?!

Nico: Why, that evil supervillainess!

Layla Williams: Royal Pain and her cronies are going to be on the move soon, so we got to be ready for them.

Lincoln: And I've got a plan: we're going to turn Royal Pain and her minions into babies, and have them reeducated under Vypra to be with the M.O.E., and that'll be done with a curse I've got just for them.

Luna: Perfect.

Eli: Big bro told me of what happened that day when you all went after Royal Pain and her cronies.

Nico: Yep. Now, years later, we're going after her once again, and the reunion at Sky High will be our trap for her.

Suddenly, Sailor Moon, Mercury, Venus, Earth, Sun, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto, Minimoon, Ceres, Pallas, Juno, and Vesta came in, and they had excited looks on their faces.

Nico: Girls, what's with the excited looks on your faces?

Sailor Moon: We got some exciting news!

Sailor Sun: Yep, and it's something Naruto, Lincoln, and Clyde are also going to want to hear. We're pregnant!

WE GASPED IN AWE: Sailor Moon's pregnant with Naruto's kid, Sailors Sun, Venus, Earth, Jupiter, Saturn, Neptune, Uranus, Minimoon, Ceres, Pallas, Juno, and Vesta are pregnant with Lincoln's kids, and Sailors Mars, Mercury, and Pluto are pregnant with Clyde's kids.

Naruto: (Really happy) Really?! Oh wow!

Lincoln: (Really excited) That's so awesome!

Clyde: Oh man!

Naruto went up to Sailor Moon, Lincoln went up to Sailors Sun, Venus, Earth, Jupiter, Saturn, Neptune, Uranus, Minimoon, Ceres, Pallas, Juno, and Vesta, and Clyde went up to Sailors Mars, Mercury, and Pluto, and they hugged and kissed them!

WE CHEERED FOR THEM!

Xenia: We're so happy for you all!

Shanan: That is so awesome! We're going to the hospital after we take care of that bitch, Royal Pain, to see what gender they are!

Queen Serenity: After everything they've been through because of Queen Beryl, they more than earned the honor of starting a family, now that we got rid of her for good.

Sailor Cosmos: Indeed.

Lynn Sr.: I got an idea: why don't we have the baby shower at Lynn's Table, not only will we have food and games, but...!

Lincoln: That's awesome! Another round of humiliating the jerks. I've already got some more nasty surprises in store for them.

June: And this is our first time attending, so we got to get dressed in something fancy.

Me: June, there's no need for fancy, you need something...festive.

Henry: Festive?

Me: Yep. Take a look.

I got out my special occasion clothes Lincoln and Anna Walker made for me.

June: Wow!

Me: Lincoln and Anna Walker made this for me long ago, these are my special occasion clothes.

Henry: Those are so awesome, and Lincoln mentioned the "jerks", you mean Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, The Platypus Brothers, and the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III?! We saw the humiliation sessions, and we were cracking up, you guys are pretty wild with humiliating them.

Lincoln: Trust me, if you think that's wild seeing it from the studio, you're gonna see it for yourself.

June: You think we can get some blows in on them?

Nico: Sure, with the mayhem you two unleashed on Frieza's thugs the other day, you're gonna get all of Gotham Royal York cracking up like crazy.

Lincoln: You said a mouthful. Alright, now let's finish breakfast and head for your next rescue.

Nico: Gotcha.

We finished breakfast and we headed out to help Lemon Zest unlock her Rainbow Power and take down the next villain for Nico's rescue.

Me: Krypton is looking great!

Camie: It sure is!

Superman: Good to be back on Krypton.

Me: It sure is.

Xenia: Now that Krypton is not going to explode anytime soon we can keep an eye on it to make sure nothing happens to it.

Me: And Brainiac won't cause it too.

Varie: You got that right.

Ymir: I'm glad for that.

Wildvine: This is gonna be fun and cool!

Me: Yep.

Nico: Wildvine, I want to thank you, Man Eating Plant, and your teams for coming

Wildvine: No problem Nico. I'm glad we can have some fun like this too.

Me: Same here.

Young Mimi: I agree there as well!

Lillymon: This is gonna be fun.

Qin: Yeah!

Nico: Mimi, do you like having fun with your older self?

Young Mimi: I sure do! It's great to learn things from her.

Me: We're proud you think so.

Xenia: Yeah!

Qin: Yeah!

Ymir: Sounds confusing.

Me: We met Young Mimi during one of the adventures they were in on File Island. We battled Monzaemon and it was fun.

Nico: We got to see when me and the Digidestined met a long time ago. Good times.

Me: No kidding.

Ymir: Amazing

Me: A Temporal Convergeance is what took place back then.

Young Mimi: I thought that was cool.

Me: I know.

Palmon: I like having fun with both Mimis

Lillymon: It sure is fun too.

Qin: I agree! Our Mimi wants to be a chef.

Young Mimi: That is what I want to be too.

Me: Coincidental.

Nico: I remember when Izzy back in those days called you an alien spy.

Me: That is preposterous. Mimi can't be an alien.

Qin: I know.

Nico: Yeah that was a crazy accusation.

Young Izzy: Back then I was a paranoid genius back then.

Tentomon: I remember.

Nico: That sounds ridiculous.

Young Mimi: I know!

Qin: Yeah.

Nico: Yep. Maria your day was awesome!

Maria: It sure was! And we stopped Omnara's demented scheme to turn EVERYONE into Bang Babies.

Nico: Yeah. Also to be honest I was not expecting her to bring in clones of some of our most dangerous enemies.

Me: Me neither! But holy crud! Carrie really let loose herself on Chris!

Eli: That bitch had it coming!

Qin: But that curse you used on her Brittney was well deserved!

Brittney: It sure was.

Carrie White: I'm just so glad I never have to see Chris or my mom again.

Lincoln: Yeah.

Me: Those curses will make sure they never return. As well as the high security at Tartarus Canyon.

Horsea cuddled up to Maria

Maria: I know Horsea. We did really good.

Eli: You sure did.

Ymir: Man no kidding. I can't believe that you suffered horribly like that Carrie. We have much more in common than we know.

Carrie White: I know.

Xenia: What Chris and Margaret did were despicable.

Me: Yeah. Chris saying that Carrie doesn't deserve happiness!? (GROWLS IN RAGE) THAT STUPID BITCH!

Nico put his hand on my shoulder.

Nico: Easy J.D. Easy.

Horsea: Seriously, what powers would the Quantum Vapor have given me?

Maria: Horsea the Quantum Vapor is completely unpredictable. You never know what could happen with it.

Horsea: Really?

Maria: Yeah I don't know how it works but it's that unpredictable.

Horsea: Oh wow.

Maria: I think you would have turned into a sea dragon. But like I said it's that unpredictable.

Poliwag: Ellie, how's your Mom?

Ellie Roberts: Getting better slowly. Vypra and Dark are working to get her better.

Xenia: Good.

Ellie Roberts: Yeah. At least she still loves me during all that.

Xenia: That's true.

Me: Dark and Vypra will help her.

Qin: Yeah.

Maria: But my Akuma was scary! I was a 4 headed dragon of water! And all because I was dumped by Francis!

Nico: But you and Francis broke up long ago before you were cured.

Carol: Yeah no kidding.

Maria: I know. Francis was REALLY SOAKED to the marrow!

Horsea: I wasn't hurt though.

Maria: That's true.

We walked around Krypton.

Me: Thank goodness Krypton's not going to explode anytime soon.

Ymir: Why did Krypton explode?

Me: They made the stupid decision to harvest energy from the core and it made the planet unstable.

Nico: It's true.

Me: Yeah and also Brainiac had a hand in it too.

Ymir: Geez!

Qin: Yeah. That was rough.

Superman: My race let their arrogance and superiority cloud their minds. As a result, one of our top generals Zod attempted a revolt. But it was already too late.

Nico: Yeah.

Poromon: But it's all good now

Me: Now that Krypton is under our watch we let it explode anytime soon.

Camie: Good.

Ymir: Good.

Me: And Brainiac will never terrorize the universe again.

Lola: Yeah.

Laney: That's good.

Lincoln: Yep.

Nico: Oh Lincoln, Mount Malefic? Is that really Royal Pain's lair?

Lincoln: It sure is.

Me: It's a volcano located in the Kamchatka Peninsula. It's located about 20 miles from Opaline's castle.

Poromon: Really?

Me: Yep.

Nico: When we raid it we'll have to approach with extreme caution.

Me: Don't want Opaline spotting us too early before the prophecy

Nico: Or we can always wait for Royal Pain to show up at Sky High

Me: I was referring to after we do that at Sky High.

Camie: Oh.

Nico: Okay.

Lincoln: Okay, guys, we're here for one really brutal battle, we're here on Krypton to help Lemon Zest unlock her Rainbow Power, but here's the villain we're going after: it's Cyborg Superman.

We gasped, and the rest of the team's with us.

Me: Oh man.

Superman: I know him all too well, his real name is Hank Henshaw, he was a member of the Excalibur crew, including his wife Terri. They were exposed to radiation from a solar flare during a LexCorp experiment. Hank and Terri survived, but they suffered adverse effects from the radiation: Hank lost his body and his humanity and his wife suffered a mental breakdown and killed herself. He blamed me for it, but in reality, it was actually Lex Luthor that did it, he's the one responsible for Hank losing everything.

We were pissed off: Lex Luthor is literally Metropolis' version of The Devil!

Me: What?! (GROWLS) Now, we have another reason to kill Lex Luthor and send him to The Black Abyss.

Nico: When Superman's big day comes, we'll make sure that piece of shit pays for what he's done, but we also need to make sure Hank sees the real truth.

Me: I agree!

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see

Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and 104 sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Cyborg Superman) Aha! Gotcha! I just spotted Hank Henshaw, he's 20 yards away, and he's heading here right now to kill Superman.

Nico: We better get moving.

Ben heard a Pokémon cry

Ben: Look guys!

We saw a Mega Camerupt.

Me: WHOA! A Mega Camerupt!

Ben: Cool!

Mega Camerupt: It's a cool planet.

Ben: It sure is.

Ben gave it apples.

Mega Camerupt: Thanks!

It ate them.

Mega Camerupt: Ahh.

Ben: Want to come with us?

Mega Camerupt: I would be honored.

Poromon: Great!

Me: Yeah!

But then I smelled something.

Me: (Sniffs) Hey who is cooking burgers?

I then saw May's butt on fire!

Me: MAY YOUR BUTT IS ON FIRE!

MAY SCREAMED AND RAN AROUND WITH HER BUTT ON FIRE!

Manaphy: Mama! I'll save you!

She fired a blast of water and put her out.

May: Ahh!

Me: How did that happen?

Qin: I think it was an ember from that!

We saw a Camerupt!

Me: Whoa! A Camerupt!

Nico: How did that get here?

Me: Must be one of Dark Gale's work.

Qin: Maybe.

Me: Let me see.

I used Telepathy and gasped!

Me: Oh my gosh! It's Mei Terumi's sister Sakiko Yodon! She is one of the most powerful Lava Style Masters ever known.

Nico: Oh man! Should we call Mei here?

Me: No she has important work to do in the Leaf Village. But she'll be there by the time we get back.

Camie: Okay.

I went over.

Me: Sakaki it's alright. It's me J.D.

She used Ember on Horsea but she held her clone in front of her

SIZZLE!

It burned the clone.

Me: Ouch! Okay then!

I fired waves of water and drenched her.

I then snapped my fingers and she reverted back and was a girl with red hair and blue eyes and had blue angel wings and had Camerupt on her forehead and had a volcano erupting with the Kanji for Water on her arm as a cutie mark.

I wrapped her in a blanket and brought her over.

She woke up to see Horsea smiling at her

Horsea: Hello!

Sakaki Yodon: Huh? A Horsea?

Maria picked her up.

Me: Hey Sakaki.

Sakaki Yodon: J.D.? Wow it's good to see you. Where am I?

Me: You're on Superman's home planet Krypton and we're here for a rescue. Mei is back on Earth.

Sakaki Yodon: Oh wow.

Me: Yeah. Also you were turned into a Camerupt by Dark Gale.

Sakaki Yodon: Oh man! I remember!

She was in a blue suit and injected and turned into Camerupt and ran out!

FLASHBACK ENDS

Sakaki Yodon: It was awful.

Me: I know. But we destroyed Dark Gale forever.

Sakaki Yodon: Oh wow!

Me: Yeah.

Sakaki Yodon: I am the Volcano Master of the team and use Volcano and Lava Style Jutsu. Also outside the team I help my sister Mei with work in the Mist.

Nico: I see.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue clothes and a lava sword.

Sakaki Yodon: I look amazing!

Me: you sure do.

Nico: We're on a roll with Camerupt today

Me: We sure are. Lets get a move on.

We then took off into the air to help Lemon Zest unlock her Rainbow Power and take down Cyborg Superman after we show him the one who was behind this was Lex Luthor.

We were flying in the air, and then, we saw our target: Hank Henshaw A.K.A. Cyborg Superman, and he's still out to kill Superman.

Me: Is that...?

Superman: It's Hank.

Lincoln: It's time. Now, to expose the truth.

Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window right in front of Cyborg Superman, and then, he'd seen it for himself: the true person responsible for making him lose his body, his humanity, and his wife, Terri, was none other than Lex Luthor.

Immediately, Cyborg Superman felt everything crash down on his mind, finally, the truth was out.

Cyborg Superman: It...it can't be...! So, all this time,..., this entire time, it was...!

We then landed.

Me: Hank Henhawn A.K.A. Cyborg Superman.

Cyborg Superman: The famous Team Loud Phoenix Storm. Is it true?

Me: Yes, it's true, Hank, the true person responsible for making him lose your body, your humanity, and your wife, Terri, was none other than Lex Luthor. He set this up in an attempt to get you to kill Superman who wasn't part of it.

Nico: We swore that we'd make him pay for all his crimes.

Lincoln: But, that'll be when Superman's day to shine comes. I also know Luthor sent you here to kill every last Kryptonian along with trying to frame Superman yet again by attacking Gotham Royal York and Metropolis along with Gotham City.

Lincoln fired a beam of blue energy which enveloped Cyborg Superman's head and it formed into a file containing more of Lex Luthor's crimes, and when we saw it, we were disgusted.

Me: That two-faced manipulative asshole!

Lincoln added it into the criminal file cabinet for Lex Luthor which contained folders full of Luthor's crimes in the past.

Nico: That piece of shit, now we got even more evidence against him.

Lincoln: Which we'll expose to all of Metropolis and the world once he returns from The Warp, and there is no doubt Dark Chase Young will break him out as well as Lila Rossi, Jafar, and any other who was also sent there in the past. Which is why I came prepared.

Lincoln chanted an incantation, and he had Dark Chase Young who was still imprisoned in The Warp in his indestructible crystal prison and still convulsing in pain from the fury of Lincoln's power sent to a deeper location within The Warp.

Eli: That'll teach him.

Nico: You suspected Dark Chase Young would do something like this?

Lincoln: He's that much of a lowlife and he'd do anything to piss us off. So, consider it a little preventative medicine for him.

Me: That's right. Wow!

I used my data eyes and analyzed him.

Me: Amazing! You are in the body of a XRQ12 Metallo Robot that made you a Cybernetic Kryptonian!

Nico: That is amazing Technology!

Poromon: It sure is

Cyborg Superman: I think so too.

Me: I'm sorry you lost everything like that Hank. But Superman did not do anything to you. If anyone is to blame for everything you went through it's Luthor.

Nico: He's right. Look what happened to John Corbin. He was made this way too because of Luthor!

Me: Luthor lied and used so many people to do his dirty work to kill Superman for years.

Nico: He even tried manipulating us!

Cyborg Superman: How so?

Me: He tried to offer me a chance to eliminate all evil by going back in time. But I told him to fuck off after putting on an act.

Nico: Yep.

Cyborg Superman: Geez!

Me: I know. Lex Luthor truly is Metropolis's version of the Devil and he will do anything he can to win.

Nico: Don't get any ideas. If we did time travel to fix you, there would be consequences.

Cyborg Superman: I wasn't even going to ask you for that anyway.

Besides I know you have plans for Luthor of your own.

Me: Yes we do. In fact me and Ms. Waller are working on it.

Nico: Really?

Me: Yep. After we battled Lex Luthor on Chikyu, I went to talk to Ms. Waller about it and we came up with a plan. We call it Project Brutus, named after Marcus Junius Brutus who killed Julius Caesar in 44 B.C. Our plan is to gather all the evidence of his crimes and then when Superman's day comes around, we get him to talk by having him say everything he did from his own mouth.

Nico: That is not going to be easy.

Cyborg Superman: Yeah you know how crafty Lex Luthor is.

Me: Yeah. But we'll think of something. We got plenty of time before we act.

Horsea: Now what were we supposed to do here again?

Me: We were supposed to kick Cyborg Superman's butt.

Qin: Yeah.

Me: Sorry Hank but it's for your own good!

I fired waves of energy and blasted him.

Mega Camerupt charged at him and blasted him all over with lava and embers!

Me: Take that!

Lincoln also attacked him with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, and letting his massive white wolf with massive white angel wings companion also attack him.

But, then, we saw Lincoln use the powers of Ifrit from Final Fantasy 16 by summoning flames that hit Cyborg Superman hard, and he used the powers of Phoenix from Final Fantasy 16 and attacked Cyborg Superman with superhot phoenix flames, and he slammed down his left fist which was also accompanied by Phoenix's left wing causing a fiery fissure to erupt, and he sent four burning cutting waves at him with four swings of his greatsword. Inside a rainbow sphere with intense flames and elemental forces, Lemon Zest then underwent an intense and amazing transformation! Lemon Zest had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and she also gained intense rainbow flame patterns and rainbow lemons on her forearms, they also got light blue lines on her hair and tail. She then had her Cutie Mark change into many rainbow lemons, and her massive angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! THE RAINBOW LEMONS OF LAUGHTER!

EVERYONE GASPED!

Nico: WHOA! WHAT POWER!

Me: SHE DID IT! LEMON ZEST UNLOCKED HER RAINBOW POWER!

Lemon Zest: Now, to take you down at once.

She fired rainbow lemons at Cyborg Superman, and he got hit hard.

Poromon pecked him

POINK POINK POINK POINK!

Poromon: Take that and this! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him!

Me: Try this one. (Activates Metallo's ridewatch)

I Fired a Kryptonite Ray Blast and it hit Cyborg Superman and he screamed in agony!

Nico: It's fitting!

Me: Yep. Also Sakaki shall we?

Sakaki Yodon: We shall!

Me and Sakaki: LAVA STYLE NINJA ART: SEARING DRAGON BLAST!

We fired a massive lava blast and it formed into a dragon of lava and blasted him down!

Nico: The proper combo will be used later

Me: Yep.

Qin: Yeah.

Lincoln swung his massive greatsword and fired a massive vortex of fire and light that hit Cyborg Superman, and he got burned.

Then, Lincoln spread his massive angel wings and 104 sets of large white angel wings underneath and they fired a massive tornado of fire which hit Cyborg Superman.

Me: Okay, that was brutal.

Lincoln got out 900,000,000,000,000,000,000,000 massive industrial-sized cans of spinach, and he opened them up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CANS OF SPINACH!

Me: OH CRAP! ONE MASSIVE INDUSTRIAL-SIZED CAN OF SPINACH WAS ENOUGH TO MAKE LINCOLN STRONGER THAN EVER, BUT DEVOURING 900,000,000,000,000,000,000 MASSIVE INDUSTRIAL-SIZED CANS OF SPINACH, THAT MEANS...!

Nico: OH CRUD, THIS IS WHERE IT GETS REALLY UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings of his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar and he pounded his chest like a gorilla.

Then, he punched him hard in the face and kicked him in the stomach and he sent hum flying into a crystal prism, he got back up, but before he could attack, Lincoln threw a golden yellow fireball at him and it exploded as he got hit.

Nico: Sorry to do this, but it's for your own good.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Andre Lupescu, Abaddon Aeternus, Red Savarin, Robin Hood, Rayman, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength,.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Cyborg Superman, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 10'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, STAY DOWN!

Lincoln, Nico, and I did one final powerful energy slash that hit Cyborg Superman hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Cyborg Superman was on his last legs and he was really really mangled.

Then, Lincoln cuffed Cyborg Superman with rainbow energy-lined Neutronium handcuffs and he beamed him to The M.O.E. We cheered as we holstered our weapons and powered down.

Nico: Hank's going to get all the help he can from Vypra and Dark Spicer.

Me: Yep.

Lincoln: Oh, J.D., we got the file cabinet full of Lex Luthor's crimes that Sillica Geode has, will this help with Project Brutus?

Sillica Geode got out the file cabinet full of files of Lex Luthor's crimes, and it was staggering.

Me: Whoa! Yeah, that'll work. I'll get this to Ms. Waller at once.

Nico: Wow. I hadn't expected that cabinet to be chock-full of Luthor's crimes.

Superman: And everything has been written down in complete details, she even included the dates of when those incidents took place.

Batman: All of this could be more than enough to bury Luthor for good.

Flash: No kidding.

Lincoln: And I got just the thing that'll kill Luthor.

Lincoln morphed the tips of his 105 massive and long wolf tails into scorpion stingers.

Lincoln: These are the stingers of the Arizona Bark Scorpion, the most venomous scorpion in North America, its sting can be fatal to young children, the elderly, the immunocompromised, and those who are allergic to the venom. But, I also made my own lethal cocktail of venom and added it to the venom of the Arizona Bark Scorpion, it's known as Organ-Melter Heart Destroyer, the most lethal of all venoms I've created in my tails: this venom is super-dangerous and super deadly, once injected into the prey, it begins melting your organs into soup and it spreads throughout your bloodstream and finally, when it reaches your heart, oh man, are you gonna die a horrible painful death.

WE GASPED!

Me: HOLY JUMPING BEANS ON A TRAMPOLINE!

Henry: (Shudders) Thank goodness it's not the stinger of The Madagascar Scorpion from the first Sniz and Fondue cartoon, scorpions give me the willies.

June: And one sting from that, and you're dead.

Nico: Yikes!

Me: And using the stingers of The Arizona Bark Scorpion, damn, that is deadly!

The stingers changed back.

Eli: But, also well deserved, just be glad you aren't going to use the venom of an Egyptian Cobra. Uh, your fangs don't also create venom as well, right?

Anna Anyanova: They do, Lincoln's fangs have the ability to inject his potent True Alpha Werewolf-Vampire blood into those pure of heart to save their life making them powerful than ever, and as you all saw, he also feeds on the blood of his Guardian Angels and future wives gaining their powers and abilities, and in the case of his enemies, he sucks out their muscles, blood, and organs leaving them as dried up corpses, and because of his potent True Alpha Werewolf-Vampire blood, if not dispatched, they rise from the dead as vampires, and he can also inject The Thing Virus into his enemies as well through his fangs and tails, along with the venom of the most dangerous and the most venomous snakes, spiders, and other poisonous animals in the world.

WE GASPED!

THUNDERCLAPS! BLOODCURDLING SCREAMS! CAT YOWLS!

Me and Nico: HOLY JUMPING SPIDERS!

Eman Reynolds: And as he said, his tails also create the most lethal cocktails of venoms and poisons to use on the guilty, in addition to using his Cell stingers to absorb criminals, powerful supervillains, and beasts.

Camie: Yikes!

Lincoln: And that alone made the city's thugs so scared that I was going to do those things to them, but like all thugs, they don't learn their lesson and come back for more. So, that means to me, they're dead men walking.

* * *

Nico: You and Mei will go on the next Ambassador mission

Sakaki Yodon: Awesome idea!

Me; I like it.

Mega Camerupt: You got that right!

Nico: Nice job Mega Camerupt!

Mega Camerupt: Thanks Nico. That was fun!

Me: Yep.

Poromon: Want some beer?

Mega Camerupt: Oh sure!

Poromon: Yay!

He gave him one and he drank it!

Mega Camerupt: AHH! (BARNEY GUMBLE BELCH!)

Poromon: We're gonna do some prank calls later.

Bart Simpson: Cool! Can I help too?

Poromon: Sure!

Me: This will be funny.

Camie: Yep.

Wildvine: Yeah!

Nico: Oh, Wildvine, what do you like to do in your free time?

Wildvine: Oh I like to teach all about what my home planet is like. We Florauna's are very interested in teaching about our world.

Me: Awesome.

Camie: And cool.

Ymir: Nice.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Layla Williams.

Layla Williams: Awesome.

Eli: WHOA! And I also sense that some of the Anothers are The Keyblade Knights of The Donkey Kong Archipelago.

Donkey Kong: Ooh, I knew they'd be here, you guys are gonna love meeting them and finding out another side of Lincoln.

Me: WHOA! This will be interesting. So we got Another Man-Eating Plant (Crash Bandicoot), Rob (Gumball), Blizaru, Monsoon (X-Squad Universe), Fluttermad, Gaim Hitotsuki and Meaches.

Qin: Yep.

Nico: So Wildvine, Young Mimi Tachikawa, Lillymon, Sonia Sequoia, Cammie Vulcan, Lori Gaim and Hisui Gaim Takatsukasa are up.

Me: Yep. This will be fun.

Nico: Yep. There they are!

We saw Another Rob (Gumball), Blizaru, Monsoon (X-Squad Universe), Fluttermad, Gaim Hitotsuki and Meaches!

Me: WHOA!

Qin: This will be good!

Another Rob: (In a girls voice) Yeah it will!

They reverted back and were the gene-slammers of Yamadron and Spear Dragon!

Nico: Emilia Yamadron and Winona Wolfspear!

Me: Spear Dragon and Yamadron's gene-slammers!

Emilia Yamadron: That's right.

Winona Wolfspear: Good to see you Nico.

Nico: Same here.

Me: By the way are the rest of the Anothers friendly or hostile?

Emilia Yamadron: Friendly and amazing.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: (Turns Dial) Time for Backup! TURBO SPEED 6!

She summoned Turbo Man, Turbo (X-Squad), Lord Fredrik (X-

Nico: And now, we wait.

Me: We don't have to wait long!

We saw Another Man Eating Plant and Layla Williams!

Me: Whoa!

Another Man Eating Plant Reverted back and it was the Keyblade Knights of the Donkey Kong Archipelago. We were introduced to the following:

Lori Mangrove, Keyblade Knight of the Island of Lost Mangroves, she's Lincoln's Guardian Angel from the Island of Lost Mangroves and she's a powerful force of epic power to be reckoned with. She's The Keyblade Knight of the Island of Lost Mangroves from Donkey Kong Country Tropical Freeze and a master of swamps and fruit and plants and she's one of the six Keyblade Knights of the Donkey Kong Archipelago. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all about the powers of swamp magic and more, and over time, Lincoln gained all the powers of swamp magic and more, and she also helped him bulk up in muscle. and she also taught Lincoln about how to use swamp magic and more, and she hates all of Lincoln's enemies with a passion and vowed to make sure they pay for it.

Autumn May, Keyblade Knight of Autumn Heights, she's Lincoln's Guardian Angel from Autumn Heights and she's a powerful force of epic power to be reckoned with. She's The Keyblade Knight of Autumn Heights from Donkey Kong Country Tropical Freeze and a master of leaves, mountains, and owls, and she's the second member of the Keyblade Knights of The Donkey Kong Archipelago. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all about the powers of leaves, mountains, and owls, and over time, Lincoln gained all the powers of leaves, mountains, and owls, and she also helped him bulk up in muscle. and she also taught Lincoln about how to take care of owls and more, and she hates all of Lincoln's enemies with a passion and vowed to trap them in trees full of maple syrup.

Savannah Sun, Keyblade Knight of Bright Savannah, she's Lincoln's Guardian Angel from Bright Savannah and she's a powerful force of epic power to be reckoned with. She's The Keyblade Knight of Bright Savannah from Donkey Kong Country Tropical Freeze and a master of deserts, firestorms, and more, and she's the 3rd member of The Keyblade Knights of The Donkey Kong Archipelago. (Disney), Flame Hyenard, Shroomboom, Stacy Steak, Miranda Minerva Lightsworn, Emiko Bolshack, and Namorita are heading to Benedict Arnold Middle School in the world of the cartoon series, Detention, and not only is Lincoln going to rescue the ten girls here, but we're putting Eugenia P. Kisskillya in The Masters of Evil cause she's not really evil at all just neutral, but the main villain we're going after is Wolverine's old enemy, Banapur Khan, he's a sadistic pure evil pirate, and we're going to have him castrated and send him to The Black Abyss.

We had all of TLPS and The MOE with us.

Lincoln: Whoa, we're here in Benedict Arnold Middle School in the world of the cartoon series, Detention, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we're putting Eugenia P. Kisskillya in The Masters of Evil cause she's not really evil at all just neutral.

Shareena Wickett: She may be neutral, but we still hate her.

Lemonjella LaBelle: You have no idea, and Shelley Kelly, her assistant, constantly kisses up to Miss Kisskillya. This is why everyone detests her, but she was an ally to Shareena and the rest of us at times.

Orangejella LaBelle: But on other times, she's on the side of Miss Kisskillya. She's such a Teacher's Pet!

We hadn't forgotten Shareena Wickett, Lemonjella LaBelle, and Orangejella LaBelle are part of Lincoln's harem.

Nico: Yeesh, but we're still going to take her down.

Me: Yep, but I sense she's not the main villain we're going after.

Lincoln: You're right, she's a secondary villain, in fact, the main villain that we're going after here is Wolverine's old enemy, Banapur Khan, he's a sadistic pure evil pirate, and we're going to have him castrated and send him to The Black Abyss.

WE GASPED!

Wolverine: So, Banapur's here, eh? Well, this should be good.

Shareena Wickett: And is he also a disgusting pig?

Wolverine: If I say yes, what are you gonna do to him?

Shareena Wickett: Easy, I'm using the Dark Style: Shadow Castration on him.

Flame Hyenard: Brutal. Let's go find Miss Kisskillya and take her down.

Lincoln: And get after Banapur Khan. Shareena, where is Miss Kisskillya at?

Shareena Wickett: I think she's in her office in the gym.

Eli: How can we lure her out?

Caleb Maxwell: She comes out when trouble starts. Middle School isn't like High School, and I was well behaved in middle school despite the trouble that began haunting me when Drake went to the dark side. Luckily, I've seen enough of the antics of middle school kids, and I know the one thing that will lure her out.

We got near her office, and Caleb Maxwell got out some firecrackers, and he lit the fuses and threw them into her office through the open window, and...!

SCREAMS!

We got out of the way, and Miss Kisskillya came out screaming like a madwoman, and then...!

STRUGGLING SCREAMS!

Caleb Maxwell: GOTCHA!

Caleb Maxwell choked her out with a leather belt he wrapped around her neck and knocked her out, and we beamed her to The

Vypra: You had a leather belt with you?

Cage Blunt: Usually, he just shoots criminals and doesn't leave them alive.

Travis Tackett: And in the cases of lowlives, he just kills them.

Caleb Maxwell: I ain't that much of a blood-crazed lunatic, I still had some rational thought.

Lincoln: Right. Now that we got her out of the way, it's time we went after Banapur Khan.

We got a move on and we went after Banapur Khan, who was already going on a rampage and was fighting the school security.

Wolverine: There he is.

Snowstorm Seal Musk-Ox Yuki-Onna Thundersnow Ice Dragon Phoenix God Angel Hope, and Ed Cowart, Ets, Ken, Nicole, Nico, Gage the Hedgehog, and Eli unholster their massive greatswords and transformed, and we went after Bunapur Khan and we fired blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they explode with incredible power as they hit him.

Shareena Wickett: Suffer, you disgusting pig! DARK STYLE: SHADOW CASTRATION!

Shareena Wickett used claws made of darkness to slash off Bunapur Khan's crotch, and he screamed in agonizing pain!

Finally, Lincoln turns into an orange silverback gorilla, pushes Bunapur Khan down and drags him onto the ground before lifting him up and splitting his mouth open along with the rest of his body with his bare hands. Lincoln changed back and banished Bunapur Khan to The Black Abyss, we cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate.

Me: That was awesome, and that was...?

Lincoln: Yep, that was my Animality.

Lily: For yours, you turned into an orange silverback gorilla. and you ripped Bunapur Khan's mouth open along with the rest of his body with your bare hands.

Luna: With the workouts Lincoln's been doing these past eight years, he's been getting excessively more stronger, excessively buffer, and excessively more powerful than ever, that one time, we even saw him lift 900 Quintillion tons!

Anna Anyanova: That was in the gym we Guardian Angels built for him and us and in the built-in gym in his room where the artificial gravity was multiplied by 1,000 times the normal gravity of the room that equals to 10 Septillion tons!

Nico: SAY WHAT?!

Nico opened his mouth so wide, his skeleton came out, and then, he put it back in.

Nico: I really hate it when that happens. But, damn!

Me: I also freaked out when I was told this as well.

Melanie Martinez: And the gym we built merged with his built-in gym in his room, and we were also stunned as well at how much stronger Lincoln had been getting as his strength just kept on rising to infinite levels, and we knew it, there was no limit to his strength and he easily put Lynn in her place.

Lynn: (GULPS) Despite having my Dark Side in me, I was scared out of my mind when I saw Lincoln: he had really massive upper and lower body muscles bulging with power and strength and the bulging veins showed that and he had rock-hard eight-pack abs, and he was insanely ripped!

Luan: Lynn ran scared to her room!

Lola: Same with me. (GULPS)

?: (Norwegian Accent) You had us to thank for it along with his constant bodybuilding and working out, the combination of his diet plan we gave him, along with his hyperpuberty and genes, and I missed out on the fight and with what he did in tearing that pig apart.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long dark blue hair and ice blue flower in her hair, blue eyes, massive blue angel wings, she has a Vegvisir and Hraesvelgr, the Desperate Doom Eagle on her forehead, right arm, ice blue sleeveless crop top, and ice blue skirt, white gloves, blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, snow, ice, phoenixes, and angels on the coattails, and on the back is Hraesvelgr, the Desperate Doom Eagle, she has an ice greatsword in her right hand, and with her are the ten girls.

Lincoln: (GASPS) Olivia Pedersen, Avatar and Gene-Slammer of

Hraesvelgr, the Desperate Doom Eagle.

Olivia Pedersen: (Norwegian Accent) That's right, and I got the girls away from that pirate's thugs and I even put that teacher's pet in her place.

Shareena Wickett: I hope you weren't too severe on her.

Lincoln: If I had to guess, she probably put her on ice...literally.

We saw it: Miss Kisskillya's assistant was in a block of ice.

Me: Wow...!

Nico: Literally.

Lincoln: I knew that was going to happen. (To Olivia Pedersen) And it's so good to see you again, Olivia.

Olivia Pedersen: (Norwegian Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Olivia Pedersen had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Olivia Pedersen was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Olivia Pedersen: (Norwegian Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Olivia Pedersen's waist and hugged her, and Olivia Pedersen is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Olivia Pedersen: (Norwegian Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Olivia Pedersen, Avatar and Gene-Slammer of Hraesvelgr, the Desperate Doom Eagle, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Hraesvelgr. Olivia Pedersen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Olivia Pedersen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Hraesvelgr, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Hraesvelgr, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there was one person whom she'd been wanting to kill all her life: and it was none other than Nurse Sue, the fraudulent nurse who caused a reign of tyranny in Sunset Canyon long ago and she swore to make the streets of Royal Woods run red with her blood.

Me: Lincoln told us everything yesterday, and we're also looking forward to tearing that bitch into tiny pieces.

Nico: That'll be on Ms. Rita's big day, she, her kids, her husband, her dad, and her entire family are gonna tear her in half.

Lincoln: That's for sure, along with some of my Guardian Angels who hated her for years, and now that you're here, Olivia.

Lincoln with his massive muscular arms still wrapped around Olivia Pedersen's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings on hi 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Olivia Pedersen: (Norwegian Accent)(Norwegian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Olivia Pedersen with dark blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Olivia Pedersen: (Norwegian Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Olivia Pedersen.

Olivia Pedersen had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Olivia Pedersen's waist, and he leaned down to her face and kissed her on the lips, and with Olivia Pedersen's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Olivia Pedersen had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Olivia Pedersen: (Norwegian Accent) (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The ten girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the ten girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the ten girls are Athanasia de Alger Obelia and Jennette Margarita from Who Made Me a Princess?, Lise, Urza, and Sildonia from New Saga, and Dahlia, Melty, Platina, Rhyme, and Scarlet from Brightia.

Lincoln: Oh whoa, it's Athanasia de Alger Obelia and Jennette Margarita from Who Made Me a Princess?, Lise, Urza, and Sildonia from New Saga, and Dahlia, Melty, Platina, Rhyme, and Scarlet from Brightia.

Nicole: So, those were the girls Olivia saved, and here's the thing: they're cute and Athanasia is also a princess.

Lincoln: That sadistic pirate probably tried to rape them. Shareena did the right thing castrating him before I killed him, serves him right. Are you girls okay?

Athanasia de Alger Obelia: Yes, we're okay thanks to you.

Then, when Athanasia de Alger Obelia and the other nine girls saw who it was that saved them from Banapur Khan and Miss Kisskillya, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and

Athanasia de Alger Obelia: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost

and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Urza: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Athanasia de Alger Obelia, Jennette Margarita, Lise, Urza, Sildonia, Dahlia, Melty, Platina, Rhyme, and Scarlet with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one really awesome rescue.

May: And we took down Miss Kisskillya and sent her to The Masters of Evil and killed Banapur Khan and sent him to The Black Abyss.

Lincoln: That's for sure.

Nico: Still, now we saw how much Shareena Wickett, Lemonjella and Orangejella LaBelle, and their friends hated Miss Kisskillya.

Me: That's for sure.

Caleb Maxwell: The teachers I met in middle school weren't like her, and they cared about me especially after seeing what Drake did to me. They'd gotten me to a counselor at one time, but I feared blabbing anything out, I was that scared of Drake back then. If I talked, he'd do much worse to me.

Eli: What?

Panther: It's true.

Carla Claw: He talked to the cops one time in 1982 back in high school, and it ended with Drake almost gouging his eyes out with a knife.

WE GASPED!

Sally Gamble: (British Accent) It was horrible, it ended with Caleb getting twelve stitches on his arms when he raised them in defense.

Allie Maxwell: He couldn't use them without feeling pain again.

Nico: What a violent monstrous bonehead!

Lincoln: Doing that to Caleb just for talking to the cops, he's a cold ruthless bastard.

Eli: He broke the sacred bond of siblings, and that was why he had to die.

Caleb Maxwell: Right.

After Lincoln and all of us took down Miss Kisskillya and sent her to The Masters of Evil and killed Banapur Khan and sent him to The

Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Olivia Pedersen saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Olivia Pedersen: (Norwegian Accent) My God, I was right that Lincoln's really grown into an 18-year-old 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Olivia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Olivia Pedersen: (Norwegian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Olivia Pedersen: (Norwegian Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing

900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, a letter arrived.

Anna Anyanova: A letter? And it's for you, Lincoln. Let's see.

Anna Anyanova opened it, and it was an invitation to a professional heavyweight bodybuilder's competition happening in two weeks taking place in Gotham Royal York's sports stadium in the north of the city.

Melanie Martinez: Oh man, it's an invitation to a professional heavyweight bodybuilder's competition happening in two weeks taking place in Gotham Royal York's sports stadium in the north of the city.

Lincoln: Awesome, and of course, I'm competing as always.

Lincoln pulled a lever using one of his massive and long 105 brown wolf tails, and it showed many bodybuilder trophies and solid gold medals that he'd won.

Nico: Whoa, are these...?

Melanie Martinez: Yep, Lincoln's many bodybuilder trophies and solid gold medals that he'd won in the many professional heavyweight bodybuilder competitions in the past eight years.

Me: (Whistles)

Lynn: He's won in every competition for the past eight years, and he's built up quite a reputation as the youngest professional heavyweight bodybuilder.

Lance Loud: What the ding dang? So, that means this champ I've been hearing about during those competitions is my own nephew?!

FWOMP!

Lance fainted.

Rita: Oh boy.

Lynn Sr.: I got this.

Lynn Sr. got out some cologne and put it right near Lance's nose, and that woke him up and he got back up.

Lance Loud: Thanks for that, Lynn. But, I'm still stunned! I had no idea Lincoln's the youngest professional heavyweight bodybuilder champion eight years running.

Lincoln: Soon, it'll be nine years running. I know I'll face some competition, but, Kiara and Melanie helped me out greatly in bodybuilding.

Nico: That's for sure, and we're also invited as well. But, just in case, we're gonna need extra security outside.

Caleb Maxwell: There's no telling who'll try to attack, I'll be ready with some bullets and machine guns in case, I'll call some old contacts for help on that.

Nico: Uh, right. (Thinking) I don't think I want to know what kinds of old contacts he had in the past.

Me: (Thinking) Same here.

We got a shower, and then, Lincoln and Silverlay are heading to Aquarium Park.

Lincoln snapped his fingers, and the 12'9", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Silverlay was dressed in a two-piece dark blue bikini The Musiqidandi Sisters and Zoey Tsukino made for her, colored sandals, and she had her weapons holstered in case of trouble.

Plus, we found out Silverlay had feelings for Lincoln, and he also had feelings for her, and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Silverlay: Wow, we're here in Aquarium Park, it sure is beautiful.

Lincoln: It sure is, Silverlay, and it's perfect for our first date, shall we?

Lincoln and Silverlay dived into the waters and as they started swimming, they saw the marine life that live in the sea. Then, they returned to the beach, and Silverlay gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she also released some tension he'd been carrying.

Then, he did the same thing giving her a deep tissue massage, and when he was done, the girls were literally relaxed. Then, they had a game of volleyball, and they went to a workout area Lincoln created, and Silverlay got an extremely massive and deep atomic red blush on her face when they saw Lincoln lift 107 massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Silverlay: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Silverlay and he hugged her in his abnormally massive and powerful muscular arms, and Silverlay placed her hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had her lying down on the beach towel with him on top.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into her right trapezius and he began feeding on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from her right trapezius as it healed and the puncture marks sealed up, and he also kissed where he bit her. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Aquarium Park, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Silverlay with dark blue gems on the gold lightning bolt links and dark blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Lily the Mermaid: Wow, Silverlay are now in your harem, Linky.

Silverlay showed the marks Lincoln made on the right side of her trapezius.

Jenna: You had no trouble at all.

Silverlay: Not at all, and I not only gave Lincoln a deep tissue massage, but he also gave me the same deep tissue massage, and he certainly had me swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and I was really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Hitch, Deborah and Shanan's 2nd Mission.

Nico: Anyone else want to go with Deborah, Shanan, and Hitch? Besides Sakiko, Mei, Arkayna, Dr. Nick, Ripster, Sanemi, and Cheese?

Ed: I'll go!

Mysterio: So will I

Sunny: Me and my friends will go too.

Me: Okay Sunny. Anyone else?

Lincoln: Me and my siblings as well.

Me: Okay then. Anyone else?

No one raised their hands.

Me: Okay. Lets go.

We were off.

Dan Kouzo: Hey guys!

Lia: (Hearts swirl around her) And he is so handsome!

Me: (In my head) And I think I found another one for his harem.

Dan Kouzo: And you gus are Nebula Lanaia, Lori, Leni, Luna, Luan, Lynn Jr., Linka, Liberty, Lee, Lyra, Lucy, Lucille, Laney, Lana, Lola, Lisa and Lily and Leo!

Nebula Lanaia: That's right!

Lori: Literally well kept track.

Leni: Totes a pleasure.

Lia: WOW! Lots of kids!

Me: Yep. Their mom and dad thought it was cute if their names all started with the Letter L.

Lia: That is awesome!

Me: Yep. (Whispers to Dan) Their mom and dad has been one that never believes in condoms.

He snickered.

Cheese: I like chocolate milk.

Me: And this little guy is Cheese.

Lia: The funny Imaginary friend!? Oh wow!

Nico: And this is Ripster.

Ripster: Sup guys. Name's John Bolton. But everyone calls me Ripster.

Lia: Wow! You're half great white shark?

Ripster: Well I wasn't always like this. I have the power to transform at will.

Deborah: I have the same power myself.

Lia: I sensed something inhuman about you Deborah. What are you?

Deborah: I'm a Beluga Whale.

Cheese was desperately reaching for one of the Bakugan. Dan Kouzo wanted to help.

Dan Kouzo: Here, buddy, let me help you.

Cheese: Let me do it. [swats Dan's hand away]

But Dan Kouzo was persistent. When he tried to push it closer to the edge, Cheese wasn't happy.

Cheese: Let me!

And when he tried to help him for the third time, Cheese has had enough.

Cheese: NO, LET ME! [bites Dan's hand]

CHOMP!

Dan Kouzo: YEOWCH!

Me: Cheese down! You'll have to forgive Cheese. He's dumber than Billy. He has a brain the size of an amoeba and he drives a lot of people bonkers. But he does a really good job at driving our enemies crazy.

Lia: And he is really funny.

Me: Yeah he sure is.

Ed: Yeah he is dumber than me.

Leni: Ed is an awesome husband too for me.

Lia: OH WOW! Lincoln you are so lucky to have so many awesome siblings.

Me: (LAUGHS) Yes he is.

Lincoln: And I have an amazing harem too.

Me: Yes he is. I've known Lincoln and his family since I first moved to Michigan back in 2016 and they are amazing.

Nico: Yep.

Lia: Hitch, what's your backstory?

Hitch Trailblazer: Well I am the Sheriff of Maretime Bay and it is my job to uphold the law. Me and Zipp work together.

Zipp Storm: I am Hitch's deputy and we work together from time to time.

Hitch Trailblazer: Me and the critters help out too.

Lia: Critters?

Me: Raccoonicorns, Pegasnails, aborable creatures.

I showed them pictures.

Lia: Oh they are so cute!

Me: They sure are.

Hitch Trailblazer: As the Legacy of Fluttershy I can talk to animals like she can.

Lia: Wow! That is cool! I wish I can do that.

Me: It's a really cool power. But Hitch and his friends weren't always like that. And you know why?

Dan Kouzo: Why?

Me: Because they were divided. Let me tell you what happened.

I went over what happened because of Opaline Arcana and why she did it and how and it was terrible!

Lia: (GASP) That is awful! And Misty you went through all that because of her!? That is horrible!

Misty Brightdawn: I know. She was never going to give me a cutie mark at all.

Me: Opaline Arcana is Pure Evil Incarnate and that's why my prophecy is very crucial to the world and the universe.

Sunny Starscout: It's true.

Nico: Any bad guys active?

Wynton: Yes there is. Tiko is here.

Me: Tiko?

Pyravian: Tiko!? Oh no!

Me: Uh oh. Sounds like he is dangerous!

Pyravian: He is! Here's what happened.

She told us about him.

Aurelus Tiko is the main antagonist of Bakugan: Battle Planet.

Tiko appeared in Midsummer Nightmare, but as a dream. He is seen attacking Drago and the other Bakugan on Vestroia.

Tiko's Truknaious Bakuzon reappears several times when attacking The Awesome Ones who are exploring the sections of Maze and disappears after fighting the AO Bakugan. He eventually reveals himself to Drago and the others and puts up a strong fight against Drago, swallowing his Twisting Inferno and brushing off other attacks, he eventually retreats once again.

The Awesome Ones reach a mysterious section of The Maze with a golden ball, Tiko reappears to claim this ball of light, which is actually a Core Cell. Tiko struggles to enter the Core Cell, but eventually penetrates it and goes inside, with Drago coming after him. Dan Kouzo and Drago find themselves in an area with golden balls of light (the light of the Core Cell), but Tiko appears and turns the light into darkness. Dan comes up with an idea for Drago to absorb the light in order to power up similar to how BakuCores power up Bakugan. Drago absorbs the light and then evolves into Hyper Dragoind, but Drago suddenly remembers that this dark golden Bakugan is actually named Tiko. Drago uses his powers to unleash a powerful fire attack against Tiko, the blast causes an earthquake in the real world (above ground) and causes a flashing hexagon to appear in the sky.

Hyper Drago unleashes a fire attack that takes the form of a dragon, this attack engulfs Tiko and causes him to scream from the damage and seemingly destroying his body but Tiko revealed that he was not destroyed and was going on with his next plan.

WE GASPED IN SHOCK!

Me: A Golden Bakugan turned Evil!?

Eli: That is shocking!

Nico: No kidding!

Eli: Wait I sense that he is fighting an evil force that is controlling him.

Me: Hmm. We'll have to see what it is.

Deborah: I'll put on my jumpsuit.

She snapped her fingers and put on a white jumpsuit.

Me: You'll see why shortly.

Eli: I sense that Tiko is over in the park.

Me: Lets go.

We were off.

We got there and saw a Black Dragon Goat Bakugan running amok!

I fired a massive energy blast and it hit Tiko and blasted him down in a massive explosion!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: Hiya!

Tiko: (DEMONIC VOICE) YOU WILL NEVER STOP ME!

I fired waves of energy and blasted him all over!

Me: Yes we will!

As he got up I saw a FAMILIAR SYMBOL on his back! It was the Dark Symbol of Dark Chase Young!

Me: (GASP) (GROWLS FEROCIOUSLY) DARK CHASE YOUNG! THAT MOTHERFUCKING ASSHOLE!

Lincoln: Dark Chase Young Poisoned him with his evil! No wonder he turned this way!

Lia: Who is Dark Chase Young?

Me: He's one of our most HATED Enemies!

Nico: Focus on the matter at hand!

Lincoln: We'll explain later!

I fired numerous blasts of energy.

Me: Ready Pyravian?

Pyravian: Ready!

I summoned her!

Me: BAKUGAN BRAWL! PYRAVIAN!

I summoned Pyravian!

Tiko: GET OUT OF THE WAY PYRAVIAN!

Pyravian: No Tiko! You are not yourself!

Deborah concentrated and turned into Beluga Whale form!

She went and bashed him down!

Me: ABILITY ACTIVATE! RAINBOW HEAVEN BURST!

Pyravian fired a massive rainbow energy blast from her mouth and it hit Tiko and exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Tiko was really steamed now!

Sunny Starscout: WHOA! The Golden Bakugan are amazing!

Me: They sure are!

Arkayna got out her Advent card for Mumbo Jumbo!

Arkayna: MAGICAL DRAGON BLAST!

She fired a wave of energy and blasted him.

Sunny and friends got out their Advent Cards and fired massive blasts of elements at Tiko.

Lia: AWESOME!

Me: You haven't seen anything yet.

Ripster got out his Advent Card and it was for Abomination!

Ripster: THE JAWS OF THE GREAT WHITE STEEL BITE!

Ripster went and chomped on him!

CHOMP!

HE SCREAMED IN PAIN!

Lincoln: That had to hurt!

Lincoln fired waves of lightning

Nebula Lanaia fired waves of Nebulonic Lightning

Lori fired waves of wind.

Leni fired waves of gravity

Luna fired waves of water

Luan fired waves of Light

They smashed him all over the place!

Dr. Nick got out his Advent Card for Commander Ryuui!

Dr. Nick: GODZILLA BLAZE BLAST!

He fired a blast of fire and blasted him down.

Tiko: You will pay for that!

He fired an energy blast at him. But then...

GODZILLA 1998 APPEARED AND BLOCKED THE BLAST!

HE ROARED AT HIM!

Me: WHOA!

Lia: WHOA IS THAT!?

Me: Yep. Meet Godzilla Jr. 1998!

Nico: You're in trouble now!

Godzilla fired a blast of emerald green fire and blasted him down!

Tiko roared ferociously!

Godzilla hit him with his tail

SMASH!

He smashed him into a tree!

Nico: Not even a Golden Bakugan is a match for the tremendous power of a Kaiju.

Me: Yep!

Mei Terumi: Shall we do it Sakaki?

Sakaki Yodon: Like you have to ask.

Mei and Sakaki: VOLCANO LAVA STYLE NINJA ART: PYROCLASTIC AVALANCHE FIRESTORM!

They fire waves of intense lava and ash and blasted Tiko down!

Me: YEAH!

Lola: Take that!

Ed: Watch this guys!

He turned into Edzilla!

Edzilla smashed Tiko all over the place!

Nico: Smash him, big guy!

Dan Kouzo: That is so cool!

Leni: It totes is!

But then...

SPLAT!

SLUDGE HIT ME ON MY FACE!

Me: HEY!

Me: Okay who's the wiseass!?

Eli: Look!

We saw a Galarian Weezing!

Me: WHOA! A Galarian Weezing!

Nico: How did that get here?!

Me: I think I know.

I used my telepathy and gasped!

Me: It's Billy Numerous's sister Avery!

Nico: SAY WHAT!?

NICO OPENED HIS MOUTH SO WIDE THAT HIS SKELETON

FELL OUT

Mysterio: I didn't expect this.

Me: Me neither!

I called Billy Numerous in.

Billy Numerous came.

Billy Numerous: I got here as soon as I heard!

Lia: And you are?

Billy Numerous: Oh sorry howdy there. Name's William Strayer. But everyone calls me Billy Numerous!

Lia: Pleasure.

Me: Lets go help her.

We went over.

Billy Numerous: Avery it's me Billy!

She fired sludge at us

We dodged it!

Nico put his skeleton back.

Nico: I hate it when that happens!

Me: Billy I know it's your turn today. But lets help your sister for this.

Billy Numerous: Lets do it pardner!

Me and Billy fired waves of energy and blasted her. Then I snapped my fingers and she reverted back and was a girl with blond hair and red eyes and black angel wings and had Galarian Weezing on her forehead and had a Texas Flag Map with a hot dog and burger and steak on her arm for a cutie mark.

I wrapped her in a blanket.

Avery: (Groans) What happened? I feel like I was run over by the Santa Fe Railroad during a cow stampede.

Billy Numerous: Avery are y'all okay?

Avery: Huh? Wait. Billy!? Well I'll be tarred and feathered and stripped naked in front of a minefield!

She hugged him.

Billy Numerous: Glad to see y'all again sis.

Me: You were turned into a Galarian Weezing by Dark Gale.

Avery gasped.

Avery: I remember!

She was in a grey suit and injected and turned into Galarian Weezing and flew out.

FLASHBACK ENDS

Avery: It was as awful as swimming in a swimming pool full of razor sharp fanged piranhas!

Me: YIKES! But we destroyed Dark Gale.

Avery: Good. I work for Sonya's team as the Nature and Barbecue master. I use meats and plants for the team. Outside the team I'm a chef for barbecues.

Me: Cool! We're in the middle of a battle. Lets get you some new clothes.

I snapped my fingers and got her new green and purple clothes and a poison blade sword.

Avery: Why I look as grand as a Texas Rodeo.

Me: You sure do.

Billy made some clones.

Avery: Like old times bro?

Billy Numerous: Ready for his!

Avery and Billy: POISON FURY BLASTWAVE!

They fired waves of energy and blasted Tiko!

But then a Sonic scream hit him and knocked him down.

Me: WHOA!

Then we saw a girl with black hair and red eyes and black clothes and wings and had a tiara with Echo Echo on it.

Me: (GASP) Sonya Echo!

Nico: Echo Echo's embodiment! Wow!

Sonya Echo: That's right! (GRUNTS) Get him!

Me: Right! Sunny, lets show them the power of the magic!

Sunny Starscout:! Lets do it!

Zipp Storm: "I'm a princess of a different kind and the Legacy of Rainbow Dash. I'm Always trying to figure out why. When my cutie mark comes to life, I blast bravely across the sky!"

Her Cutie Mark glowed before she flew around.

Izzy's horn started glowing as she toss some glitter in the air and did a twirl.

Izzy Moonbow: "I sparkle like the stars as the Legacy of Pinkie Pie, 'cause I'm always super glittery. When my cutie mark comes to life, watch this brilliant creativity!"

Izzy's Cutie Mark glowed powerfully!

Pipp stood there with her wings spread.

Pipp Petals: "I'm a stylish pop star princess and the Legacy of Rarity. My voice makes me strong. When my cutie mark comes to life, confidence is my song!"

Her Cutie Mark glowed.

Misty Brightdawn: I might seem a little quiet as the Legacy of Sunset Shimmer, but my strength is very real. When my cutie mark comes to life, my heart helps me feel!"

Her Cutie Mark Shined powerfully and light shined intensely

Hitch Trailblazer: "I'm the pony of the law as the Legacy of Applejack. Coolest dragon dad you know. My cutie mark comes to life, and my kindness overflows!"

Leaves and grass swirled around him

Comet (G5): I am a pony of wisdom of the stars and the Legacy of Starlight Glimmer, Wise Master of Starlight Magic we know. My Cutie Mark comes to life, my Wisdom overflows!

Stars and energy swirled around him

Sprout Cloverleaf: (Apples and plants grew) I am the on the road of redemption and the Legacy of Applejack and protector of the law. My Cutie Mark comes to life, my Diligence makes me a force to bring evil big fatal flaw!

His Cutie Mark starts glowing and used his Earth Pony Magic to grow some plants.

Sunny Starscout: "I'm all three pony kinds wrapped up into one as the Legacy of Twilight Sparkle and fun. My cutie mark comes to life with hope bright at the sun!"

Her cutie mark glowed powerfully.

Me: (Fire swirled behind me) I am the Champion of Friendship and Protector of the Earth and loved by all. When my Cutie Mark Comes to life, Fire and Justice brings evil to a fall!

We fired a massive blast of rainbow energy and it hit Tiko and destroyed the Darkness and purified him and he was back to his Golden form and the Darkness of Dark Chase Young in him was destroyed!

Me: That did it!

Dan Kouzo: WHOA! That was powerful!

Me: It sure was!

Sonya Echo: (Grunts) It sure was!

Lola: Yeah!

Sonya lost control and did a sonic scream at Mysterio!

He dodged it and summoned Soldier Heartless robots and blasted her all over!

I fired the Cure Ray and injected her.

Me: There!

Ed: I'm the ice cream man!

Ed bashed her all over repeatedly with his head!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Ed: I'm a woodpecker! Cept with bad guys!

Ed got out his Advent card for Number 7.

Ed: SEVEN WOODPECKER BLASTS!

He fired waves of energy and blasted her.

I fired lightning blasts and electrocuted her and the antidote took effect. She had her purple eyes back.

Sonya Echo: (Groans) What hit me?

Me: Ugly story.

Lincoln: Yeah.

Tiko: What hit me?

Me: Ugly story on that too.

We told him everything and he was really sad about it and decided to join the redemption squad.

Lia: What is this prophecy for you Lincoln?

Lincoln: Well you see I am the chosen one that will destroy Dark Chase Young. It's part of an ancient prophecy. I am the Reincarnation of Amaterasu the Goddess of the Sun and the prophecy shows that only the Reincarnation of Amaterasu can destroy Dark Chase Young and end his 1,500 year reign of terror.

Me: Dark Chase Young has done everything he could to make sure that the prophecy never comes true.

I went over everything.

Lia: (GASP) Oh my gosh!

Dan Kouzo: That is terrible! I had no idea Lincoln had so much importance to the world!

Me: I know. I was amazed about it too.

Eli: But we're ready for Dark Chase Young.

We later went back home.

We arrived.

May: Hey guys. How did it go?

Me: Really awesome!

We told everyone everything.

May: WHOA!

Xenia: That is amazing!

Qin: I know.

Nico: Next time, Dynamir, Pitcher Plant Monster, Vulkanus, Cornelia, Jason Lee Scott, and Zayto should come

Me: Good idea!

Zayto: Awesome!

Lola: Yep.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our showdown with Royal Painstarts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Later the mascots were doing prank calls.

Me: That was funny!

Layla Williams: I hope doing this is worth it

Me: It is. If Bart Simpson can get away with it so can the mascots.

Bart Simpson: They learned from me.

Poliwag: My turn.

He did one.

Moe: (On the phone) Moe's Tavern?

Poliwag: Uh yeah I'm looking for a friend of mine. First name S, middle name Tinky, Last name Poopenfarts.

Moe: Just a sec. Phone call for S. Tinky. Poopenfarts! S. Tinky. Poopenfarts! Hey guys do I have Stinky Poop and Farts!?

Barney: You Sure do! Better use the bathroom!

THE PATRONS LAUGHED HYSTERICALLY!

WE DID TOO!

Moe: YOU LITTLE S.O.B.! IF I EVER FIND OUT WHO YOU ARE I'M GOING TO RIP YOUR LEGS OFF AND SHOVE THEM SO FAR DOWN YOUR THROAT THAT YOU'LL BE KICKING YOUR INSIDES OUT YOUR BUTT!

He hung up!

Cybertron Scourge: You guys are going to get in trouble. Just telling you right now

Manaphy: Aww where's your sense of humor?

Manaphy did one.

Moe: Moe's Tavern?

Manaphy: (Falsetto) I'm looking for a friend of mine. Last name Chumeater, first name Ima.

Moe: Just a sec. Phone call for Ima Chumeater. Hey everyone I'm A Chumeater!

Everyone: (LAUGHS)

Barney: Better hurl in the toilet!

Moe: (GROWLS) Why you little puke! When I get a hold of you I'm going to shove MILLIONS OF BARRELS OF CHUM DOWN YOUR THROAT AND MAKE YOU EXPLODE ALL OVER THE STREET!

WE LAUGHED HYSTERICALLY!

He hung up!

G1 Swoop: You mascots are making dangerous gamble right now.

Me: Oh come on they will stop after Horsea.

Horsea: Yep.

Horsea called.

Moe answered.

Moe: Moe's tavern? Just a sec. Hey everybody! I'm a stupid moron with an ugly face and a big butt and my butt smells and I like to kiss my own butt!

All the patrons laughed hysterically and we did too!

WE LAUGHED A LOT!

Barney: AW THAT'S A NEW ONE!

Moe: Wait a minute!

WE LAUGHED!

Moe: WHY YOU LITTLE RUNT!

Horsea: (LAUGHS) Just kidding Moe! It's us! The mascots!

Moe: (LAUGHS) OH you guys got me! Those were good! Just like Bart! Well done!

Me: (LAUGHS) Sorry Moe the mascots wanted to have some fun and they learned from the master!

He hung up.

Me: WHEW! Glad we got that out of our systems.

Poromon: I know.

Luminous: You guys are lucky you didn't get arrested!

Poromon: Yeah.

Bart Simpson: Besides if I can get away with it on Moe for a long time, so can the mascots.

Deadpool: Yeah and Bart has been doing prank calls to Moe's Tavern ever since 1989.

Me: He's right.

Jamesdean5842: It's true. Ever since the Simpsons came out back in 1989, Bart has been doing prank calls ever since and its gotten funny all the time.

Xenia: Wow!

Nico: That is awesome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Royal Pain, and she and her minions already attacked the reunion by turning some of the attendants there into babies. When we saw it, we knew it mean trouble.

Lincoln, me, and Nico: YOU PSYCHOPATHIC SUPERVILLAINESS!

Eli: It's time!

Lincoln: That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Royal Pain, and she and her minions already attacked the reunion by turning some of the attendants there into babies.

EVERYONE GASPED!

Layla Williams: Why, that little...!

Me: She launched her attack early!

Nico: And she's probably retreated to Mount Malefic!

Lincoln: We'll need to head to Sky High and fix the mess she made.

Me: Good idea.

Nico: Then, we'll take the fight to Royal Pain and her minions, but we can't alert Opaline, we can't have her know of the prophecy too early. Alright, team, let's get going, we're not letting Royal Pain and her minions get away with this.

Lincoln: We're not letting Royal Pain have her way any longer, this time, her reign of terror ends here.

The previous group came.

See More: Can me, Cantwell, Selene, Touch & Go, Plastique, Girder, Firebrand, Manta Bayarsh, Dumbbeltron and Magma go with you guys?

Nico: Yes you all can come with.

Me: This is gonna be awesome.

Qin: It sure is.

Strut: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm going for Number 60: Dugares the Timeless and Number 59: Crooked Cook.

Me: OOH! Nice!

Xenia: Cool!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Flip from 150,000 years hence who's been resurrected by Nikolai Ondrushko, and he's heading here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Flip from 150,000 years hence who's been resurrected by Nikolai Ondrushko, and he's heading here to destroy us. Even in

150,000 years hence, he's been a major pain in the butt.

Raikiri Thundergear: Well, we're going to make sure that mutant pain in the butt gets sent to The Black Abyss, and this time, for good.

Lincoln: Right, Raikiri. Plus, it'll be good to get some more pent-up aggression out by taking it out on him.

Nico: Save room for me and J.D. as well, Lincoln, we'd already killed Flip from our timeline, having Flip from 150,000 years hence also running loose here is an absolute Hell freaking no way! Alright, team, let's go, the time to take down Royal Pain is on!

Lincoln: She's not getting her way any longer, this time, she and her minions are done, and once we get done with them, Flip from 150,000 years hence, you're finished!

Raikiri Thundergear: You've lived for far too long, you stupid mutant, this time, you're staying gone for good!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Sky High to get some of the attendants at the reunion back to normal and stop Royal Pain and her minions, and once we stop her and Lincoln turns her and her cronies into babies to be raised by Vypra to be in the M.O.E., Raikiri Thundergear and Lincoln are going to destroy Flip from 150,000 years hence and send him to The Black Abyss.

We were off.

We were flying in the sky to Sky High Academy.

Me: Boy this is gonna be awesome.

Xenia: It sure is.

Me: Last time we battled Royal Pain was back in 2019 and it was 8 days before we fought Thanos and clenched our place as the most powerful force in the entire universe.

Ymir: WHOA! That is amazing!

Camie: Wow! And its been 4 and a half years since then. Wow!

Mr. Go: Time sure flies.

Me: It sure does. And we've come a long way since then.

Mr. Touch: Let's call Marluxia.

Me: Good idea.

We did so.

Marluxia: I'm ready and willing.

Me: Awesome!

Ymir: What happened back then?

Me: Well that was when we were not only getting ready for the battle with Thanos but also destroying the Horcruxes from Voldemort and his minions.

I went over what happened in chapter 919 and it was amazing.

Ymir: WHOA! So that's how you guys met Layla and friends?

Me: Yep and how we battled Royal Pain the first time.

We arrived.

Me: We're here.

Ymir: WHOA! It's an academy floating high above the planet!

Me: Yep. And the view of the planet is amazing too.

Xenia: It sure is.

We landed.

Sandpit: Shall we go in?

Superman: Of course we should.

Me: Yep.

We went in and to our shock and AMAZEMENT WE SAW THAT THE PLACE WAS TURNED INTO A MAGNIFICENT JUNGLE! Full of life, plants and animals and more and it was beautiful!

Me: WHOA! Look at this place!

Layla Williams: This is not my doing but this is something I am capable of doing.

Camie: Magnificent!

Fluttershy: Look at all the adorable animals here.

Me: It's magnificent. Whoever did this has an amazing green thumb that even Captain Planet would be proud of.

Wheeler: He sure would.

Girder: Keep an eye out. Royal Pain's goons could be anywhere

Me: If they make a move, blast them.

Nico: Right. Better have Vypra and Dark appear so we can capture them for her.

Me: Good idea.

Grinnade beeped

Nico: That's right Grinnade.

I was looking around and then I sensed something coming!

I punched a figure and knocked him down and it was SPEED!

Me: Speed!

I grabbed him.

Me: Been a long time.

Speed: Wait J.D.!? Is that really you!? You've grown amazingly fast.

Me: Its been 4 and a half years since we last fought. Didn't you keep up to date on our adventures in prison?

Speed: No they never let us watch TV! But the guards told us everything about how you killed many enemies like Thanos and all those guys!

Me: That's a shame. Whoa you lost a lot of weight. Last time we saw each other was...

Speed: I know. I've been hitting the machines and getting fit.

Me: I can see that.

Speed ran back from me and Lash and an army of Pennies came in.

Lash: Finding us was a big mistake. Pennies, attack!

Manta Bayarsh: Well fuck!

The army of Penny clones charged at us

Me: You aren't the only ones with cloning power!

I made 400 clones of me and they bashed the Pennies all over the place!

I fired waves of energy and blasted her!

Lash went at me with his stretching. But Mr. Fantastic punched him down and Nico grabbed Lash and tied him up and then Lori turned him into a Human Pretzal!

Speed kept running fast and punching Hulk. But Hulk punched Speed in the knee, making him scream in pain.

Lash: (untangles himself) Oh, fuck no!

Lash knocked Hulk back before he carried Speed out of the room.

Penny followed but left a few more clones to keep fighting us.

Bruiser Cruiser: We'll go after them later. First, we need to find the others

I fired waves of energy and blasted the clones.

Me: Good idea. Maria you got the Pacifier ready?

Maria: Always keep it in a seal on my arm.

Me: Good call.

We walked around and saw the Cafeteria as a huge jungle.

Me: WOW! Look at this place.

We then saw a bunch of babies.

Layla Williams: Oh no! Warren! Will, Ethan, Magenta!

Me: Looks like Royal Pain got them before we got here. And she made another Pacifier!

Magma: What about the teachers?

We heard knocking.

Eli went over to the door to the broom closet and opened it.

In it were the teachers.

Eli: It's okay it's us.

Principal Powers: Team Loud Phoenix Storm! You all came.

Me: Are you all okay?

Principal Powers: We were ambushed. Royal Pain and her flunkies busted out of prison 4 months ago.

Me: Don't tell me. They were hiding out at Mount Malefic waiting for this day.

Principal Powers: That's right! How did?

Lincoln: I had a premonition on when it would come.

Me: Lincoln is now our Chief Clairvoyant of the team. His powers have evolved a lot.

Principal Powers: I can tell a lot has changed since you guys last helped Yatta: We fought her goons but Hulk punched Speed in the knee

Hulk: Hulk shattered puny speed kids knee good.

We saw him limping in pain and we ran and tied him up.

Me: He sure is gonna be feeling that.

Leeli: (Icelandic Accent) Aww Baby Magenta you are adorable.

She tickled her and she liked that.

Fluttershy tickled Baby Warren.

Girl Jordan: Leeli lets help get them back to normal.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

The kids glowed and were brought back to their normal ages!

Warren: (Groans) What happened?

Me: Are you guys okay?

Warren: Yeah.

Magenta: What happened?

Me: Royal Pain turned you guys into babies again. The whole reunion was an ambush.

While this happened, Lash got Speed out of there. But Nico put a tracer on Speed.

Dumbbelltron: That's it. Run We know where to find you after other business

Me: Yeah.

Principal Powers: Wow you guys have grown in numbers when we saw you last.

Me: Not just in numbers but in power as well. We've evolved in tremendous numbers of ways.

Nico: And now we're the most powerful force in the entire universe. Last time we fought Royal Pain was 8 days before the Battle with Thanos.

Xenia: It's true.

Tommy Boomowski: Wow.

Professor Medulla: You all have come an incredibly long way since then.

Nico: Yeah we sure have.

Me: And we destroyed many of our most dangerous enemies. We killed Thanos, Xehanort and even Galactus.

THEY GASPED!

Principal Powers: You destroyed ALL OF THEM!?

Professor Medulla: You completed your biggest missions!

Me: Yep.

Batch: It's true

Me: And that is just the tip of the iceberg. Now we have a new enemy to face.

Eli: Anti-Monitor.

THEY GASPED IN SHOCK!

Principal Powers: Oh my!

Professor Medulla: This is not good!

Principal Powers: This is really bad!

Me: Yeah. It is.

Firebrand: Royal Pain is one of his minions

Professor Medulla: Oh man!

Me: Yeah.

Professor Powers: I think it's tme we all help all you guys from now on more.

Warren: We will not fail you all.

Me: As I have known, you all do have amazing potential to be part of the team.

Layla Williams: Team Loud Phoenix Storm helped me and you guys. Now we can all team up.

Me: That's right.

Magenta: We would be honored to help you guys out.

Me: Awesome.

Principal Powers: We kept up to date on all your adventures since you helped us back in 2019.

Me: That's great news.

Athena Lorelai: And I will gladly help you all too.

Principal Powers: (GASP) Athena! Our star student the Blue Myth and the Prodigal Daughter has returned.

Athena Lorelai: That's right! The Blue Myth who left her mark on Lex Luthor has returned.

Magenta: Awesome! We're all back together.

Warren: We sure are!

Will: Awesome!

Chaor: Also, there are trees in the school

Me: Yeah this whole place is a jungle.

Qin: How did this happen?

Magenta: I think I know. I remember seeing this fairy appear and she was a small one. Then almost in a matter of seconds the whole place was turned into this!

WE GASPED!

Me: WHOA! That is almost instantaneous growth!

Nico: Yeah!

Lincoln: And Magenta I think I know who did it. It's Layla Williams' Akuma, Alyal Chloros. The Hypothetical Akuma of Layla Williams and she is a good fairy that loves all nature and protects it with grace, beauty and love. She is a good akuma and also is a hero. She was made because of Royal Pain hurting her friends at Sky High and she promised to bring her to justice.

Me: WHOA!

He showed us a sketch of her and she was a beautiful fairy of nature.

Me: (Whistles) Wow! She is a fairy of nature.

Plastique: She sure is

Qin: Yeah and a good akuma too.

DANCE OF THE SUGAR PLUM FAIRY PLAYS.

Poromon: Hello! Hey wait it's not a big day mission.

Then out came a green light and it flew around and landed in my hands and it was Alyal Chloros!

Me: Wow.

Alyal Chloros: Hey guys.

Me: Wow. Layla you look adorable and beautiful as a fairy.

Alyal Chloros: I sure do.

Marluxia: Is that you Layla?

Alyal Chloros: Yes Marluxia. It's me.

Me: Since you're a good akuma we'll have to fight someone else.

Eli: I think THEY are good substitutes!

We saw a MASSIVE NUMBER OF PUTTIES COME!

Me: Putties! Now we're talking!

POW! BIFF SMASH WHAM!

We punched and bashed and blasted the Putties all over!

Layla and Marluxia blasted and slashed them.

Marluxia: You can still help us when we find Royal Pain's minions.

Alyal Chloros: Understood.

We really blasted them.

Meanwhile…

Penny and Lash sat Speed down in the science lab's chair.

Speed: Lash, please. Just kill me. I'm just slowing you down. I need you to get out of here.

Lash: No! We can still win this! (Hands him rocket launcher) Just use this when they come in.

Speed: You're just leaving me here?!

Lash: Don't worry. We'll come back.

Penny and Lash left the room.

Penny: We're not gonna see him again, are we?

Lash: (grimly) No. He's as good as gone. We're not coming back here

WHAT A COUPLE OF COWARDS!

We blasted the last of the Putties!

Me: WHEW!

Pump Man: That was a good workout

Me: Yep.

Jason: That was fun.

Me: Just like old times on TV huh?

Jason: You said it.

Nico: Now to find Lash, Penny and Speed.

Speed grunted in pain. He knew he was dine for when Hulk punched his knee. But at least he was gonna take some of us down with him. He got his wish when we entered the science lab. He fired the rocket launcher at Onslaught and Motormaster, knocking them both out. But then Flash knocked him out with a punch to the head

Selene: That takes care of that.

Vypra and Dark came and grabbed a containment egg.

Vypra: We can send him to the Null Void with this.

Me: Ooh the Null Void is much better than turning them into babies.

Ymir: The Null Void?

Me: The Plumbers Extradimensional prison. It's like the Phantom Zone expect it's not isolated from the reach of time and space.

She threw the egg and it sucked in Speed and trapped him.

Ben: Make sure he gets medical attention in your base

Me: Yeah Hulk busted him up really good.

Vypra: Will do.

Dark Spicer: Awesome.

Me: Cool.

Vypra: Here.

She gave us a bunch of Null Void Eggs.

Me: We'll put these to good use.

Nico: We sure will.

Me: Now to find Lash and Penny.

Eli: You can't hide from us that easily.

Nico: They're probably with Royal Pain and Stitches

Me: Let them come.

We heard the enraged scream of Royal Pain and her cronies, sounds like her scheme has been foiled, and she's approaching Sky High to attack again.

Lincoln: She's coming.

Nico: Looks like she's pissed we foiled her scheme, and is coming to Sky High to attack once again.

Me: We should get into position.

Eli: Right.

We hid, and then, just as expected, Royal Pain burst through the doors along with her cronies, and she was pissed!

Royal Pain: That accursed Team Loud Phoenix Storm! They should've come after me and it should've also alerted Opaline as well, so we could kill them all! Damn them, damn them all!

We heard it all: she was planning to lure us to her lair in Mount Malefic and alert Opaline as well, so they could kill us all. We heard enough.

?: Galactabeasts, Activate Nature Mode!

The Galactabeasts of The Elementus Galaxy activated their Nature Mode, and they had leaves surrounding them and they fired leaves, fruits, and plants at Royal Pain and she was badly!

Suddenly, the spirits of the superheroes appeared and they attacked Royal Pain and her cronies and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and Then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive explosion erupted as a Thunderbird Screech, Wolf Howl, and Phoenix Cry was heard and we appeared, and this made Royal Pain and her cronies even more pissed off than ever.

Me: Long time no punch Royal Pain!

Layla Williams: Should've known you'd come back for more, Royal Pain.

Nico: Same with your cronies.

Me: And we heard everything!

She saw us.

Me: What's wrong Sue Tenny? Too proud to give us a reunion hug after 4 and a half years?

Royal Pain: You have changed tremendously J.D.! What happened!?

Me: We've evolved a number of ways these last 4 and a half years.

Qin: And we killed Thanos, Galactus, Xehanort and many of our enemies!

Royal Pain: (GASP) You really did it! You killed them all!

Me: That's right.

Penny sent 2 clones after us but they vanished as soon as Volcana knocked the real one out with a fireball.

Volcana: No more clones out of you today

I threw a Null Void egg and contained Penny!

Me: The M.O.E. Could use more cloning villains.

Stitches: Now you face me!

Cantwell looked at him for a minute before knocking him out with a punch

POW!

He was out cold.

Cantwell: That was easy

Lisa Simpson put him in a Null Void egg.

Lisa Simpson: It sure was.

Girl Jordan: Yep.

Camie: So you are Royal Pain. Lets see you stand up to this.

She fired a blast of Aurora Energy with her Quirk and blasted her all over.

Me: Also Royal Pain, didn't you get the news? We now can do this.

I formed a ball of energy and an image of the Tarantula Nebula in the constellation of Dorado the Dolphnfish appeared and then...

NUMEROUS THUNDERCLAPS AND LIGHTNING STRIKES!

Lightning struck and hit her all over and electrocuted her all over!

Virizion charged at Lash and slashed him with Secret Sword.

Tsuyu hopped and kicked him and tied him up with her long tongue!

Tsuyu: Now you are going away for a long time rubber cement face!

She threw an egg and let him go just as it hit him and contained him!

Izuku: Nice one Tsuyu!

Tsuyu: Thanks. Ribbit.

Toru went invisible.

Royal Pain: You learned lots of new tricks.

Me: All the wonders of training and more. Also as you saw we have lots of new teammates.

Royal Pain: That is amazing. Too bad they...

HOING!

HER UNDERWEAR WAS PULLED UP AND OVER HER FACE!

Royal Pain: HEY! I CAN'T SEE!

Toru appeared and kicked her in her face.

Toru: Now you saw me and then you didn't.

Nico: That was funny!

Kaoruku fired waves of bubbles and they hit Royal Pain in her eyes and burned them!

Himiko: I was once a villain like you until I was saved from myself. And given this!

She fired waves of lightning and electrocuted brutally!

Lisa Simpson and Johnny Test charged at her and kicked her all over!

Lisa and Johnny: TEST CHAKRA BLAST!

They fired waves of rainbow energy and blasted her all over!

Ash and Susan and Mary Test charged at her And blasted her with energy!

Ash and Susan & Mary Test: LIGHTNING THUNDER TEST BLAST!

They fired waves of energy and lightning and blasted her.

Me: Also we have a bunch of new toys!

I activated Vomiting Frog Prince's ridewatch and then...

MASSIVE VOMIT BLAST!

I HURLED AND THREW UP ALL OVER ROYAL PAIN!

Nico: OH SICK!

Sam Simpson and Beth charged at her and blasted her.

Sam and Beth: TOTAL DRAMA BURST!

They fired waves of energy and blasted her with all over with Billy's gags and torturous challenges!

Lincoln: You tried to ally with Opaline, you really enjoy crossing so many lines to piss us all off, don't you?! Well, we're gonna teach you a lesson you're never going to forget!

Me: And it's going to hurt really bad!

Lincoln: (Sensed Flip from 150,000 years hence) Nice try, you stupid idiot!

Lincoln fired gold spider silk and tied up Flip from 150,000 years hence.

Lori: You got some nerve coming back to destroy us. We'll deal with you later after we take care of our big problem.

Lincoln stuck Flip from 150,000 years hence to a wall, and then, we turn our attention to Royal Pain and her cronies.

Royal Pain: You have ruined my plans for world domination for the last time, Team Loud Phoenix Storm, and for that, I will have your heads mounted on the wall of my castle and I will eat your hearts after I tear them out of your chests!

Suddenly, we saw a black and blood red aura surrounding Royal Pain and her cronies: Selena Mendez saw it!

Selena Mendez: Oh crud! Guys, that black and blood red aura surrounding Royal Pain and her cronies, that's the dark essence of Dark Sebastian. Remember his attack on Anti-Monitor and his minions before he summoned Malphas?

Me: Just like on Lisa's final Ambassador mission when the mermaid was possessed by a fragment of his soul and we also dealt with Yami Bakura.

Lincoln: Great, even in death, that snake still pisses everyone off.

Tyler and Zoey charged at her and blasted her all over!

Tyler and Zoey: TOTAL DRAMA TORTURE BLAST!

They fired waves of energy and element and blasted her all over!

Me: By the way Royal Pain it's not just my body and my power that has grown but also my transformations too. Now you are going to see my Ultimate power!

Royal Pain: What!?

Me: Watch!

I jumped back and Kate Lloyd went and clashed with her.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF ROYAL PAIN TO NO END! NOW, THE BATTLE TO TAKE DOWN ROYAL PAIN WAS ON!

Lincoln, Layla Williams, Nico, and I and the rest of us went after Royal Pain, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Royal Pain, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Layla Williams did the same by firing colored, white, golden yellow, and blue energy blasts at her, and Lincoln, Layla Williams,, Nico, and I and all of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Royal Pain even more angrier than ever.

Lincoln fired beams of light that hit Royal Pain and her cronies and removed the last fragments of Dark Sebastian's soul and sent them to The Black Abyss forever. Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Royal Pain and we all found ourselves not only in Heaven, but also, in space.

Sakiko was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Avery!

Sakiko Yodon: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Camerupt and Galarian Weezing and transformed and blasted Royal Pain!

Me: YEAH!

Layla (to her Akuma): You can attack her

Alyal Chloros: With pleasure!

She fired waves of leaves and grass and blasted her.

Marluxia fired waves of flowers and blasted her all over!

Poromon pecked her

POINK POINK POINK POINK POINK!

Poromon: These little pipsqueaks pack a wallop!

Poliwag slapped her with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Manaphy headbutt her!

Horsea squirted ink and blinded her.

Then...

LOUD NASTY FART!

They farted skittles and blasted her all over!

Mevya hopped over to her and belcehd in her face!

LOUD NASTY BELCH!

Jirachi summoned anvils and they smashed onto her.

Emolga fired lightning blasts and electrocuted her.

Tentacool fired laser blasts and blasted her all over.

Me: Take that!

Then Angel, Mirror Master, Springfield Mafia, Billy Numerous, Captain Boomerang, Mr. Fizz, Eccentro, Fireor, Chillyfish and Captain Cold came

Nico: Angel, Mirror Master, Springfield Mafia, Billy Numerous, Captain Boomerang, Mr. Fizz, Eccentro, Fireor, Chillyfish and Captain Cold.

Royal Pain: I guess helping me is out of the question?

Angel: What was your first clue?

Chillyfish fired ice and froze her in it.

Angel: She IS smart.

Mirror Master: That should keep her occupied.

Fat Tony: It should.

Me: She is a genius though. Despite being an old lady.

Royal Pain: (muffled in the ice) I HEARD THAT!

Captain Boomerang :(to Nico) (Australian Accent) We heard You fought Cyborg Superman.

Nico: We sure did.

Billy Numerous: (to Ben) You should take care of that Mega Camerupt. (Chuckles) Today really is my day today

Nico: It sure is.

Ben: And I will.

Then Pangolin came and with him was a new monster. It looked like a white owl version of Vypra.

Pangolin: Hey guys. Meet the Snowy Owl Rinshi, Snorwl.

Me: Cool! Awesome to meet you.

Carly Atlas: Wow! You look so much like Hummerzoom and Vypra.

Snorwl: I sure do don't I?

Me: I'll say and Pangolin for another round.

Pangolin: Yep!

Me: Cool!

Pangolin: What do you think of Snorwl?

Me: She's cool and Snowy Owls are one of the most beautiful kinds of owls in the world.

Xenia: They sure are.

Lola: Yeah!

Varie: See them a lot in Alaska.

Camie: Yep.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Skyla, Murray, Rinka Kunitachi, Selene Jomannovich, Ophelia Bluestein, Naomi & Nina Pepperdance, Hazel Ikos, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Luminous and Nightshade VS Angel, Fairy Tail Angel, Ryudragoons, Evil Poison Ivy, N·Gamio·Zeda, Anck-Su-Namun, Morgana (League of Legends) and Falkar (Theme including Murray) - Nico's Rescue was on Krypton and we battled Cyborg Superman

---

Angel was first

Angel (to Skyla): Nico's Rescue was on Krypton. He battled Cyborg Superman.

Skyla: Yeah that was so awesome! It was crazy too! Cyborg Superman was made that way because of Lex Luthor! Solar Radiation destroyed Hank Henshaw's body and he inhabited a robot and turned into Cyborg Superman. But his wife suffered a nasty mental breakdown and she committed suicide! He lost everything because of Lex Luthor and blamed it on Superman!

Angel: (GROWLS) MAN WHAT AN ASSHOLE! Me and my fellow members of the HIVE and all the Legion Of Doom never liked Lex Luthor!

Murray: Yeah the Murray is gonna smash his skull in!

Rinka: Yeah me too! I hate Luthor!

Twilight Sparkle: He just continues to make problems for all of us! But we sent Cyborg Superman to you guys.

Stellar Sparkle: Yeah he deserves a fresh start.

Harmony Sparkle: I agree there too.

Starshine Sparkle: Yeah I agree.

Spyro: Same here.

Angel: I agree there! Cyborg Superman will be happy with us. Lets do it!

Skyla used the Core Medals for Fairy Tail Angel, Ryudragoons and Evil Poison Ivy and got a Sky Sword.

Skyla: THE SKY SWORD OF THE FLIGHT POKEMON!

Angel: Nice!

Skyla: Yep. SKY FLIGHT STYLE NINJA ART: SKY BLAST STORM!

They fired waves of wind, magic and energy and blasted them down.

Mirror Master was next.

Mirror Master (to Zoe): The Anothers were the gene-slammers of Yamadron and Spear Dragon. Nico, Wildvine, Man Eating Plant's team, and the others did good battling them.

Zoe: Yeah they sure did and it was really fun!

Comet (G5): I agree there and it was fun! Also Lemon Zest unlocked her Rainbow Power during the Battle with Cyborg Superman.

Honia: It was cool too! Also we met a Dark Gale gene-slammer for Camerupt and she knew Mei Terumi!

Sunset Shimmer: Her name is Sakiko Yodon Terumi and she has the most powerful Lava Style power ever.

Mirror Master: OH MAN! That is amazing!

Firestorm Shimmer: It sure is!

Sunset Shimmer (G5): We thought that was really cool!

Pipsqueak: (British Accent) I agree there myself and it was fun.

Lincoln did one final powerful energy slash that hit Flip from 150,000 years hence hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Flip from 150,000 years hence was now on his last legs.

Finally, Raikiri Thundergear and Lincoln fired a massive rainbow energy beam with elements at Flip from 150,000 years hence, and the blasts sent them flying out into space, and...!

KRABOOM!

THE BEAM EXPLODED OUT INTO SPACE AND FLIP FROM 150,000 YEARS HENCE WAS KILLED IN THE EXPLOSION AND HE WAS SENT TO THE BLACK ABYSS AND THE EXPLOSION ALSO SENT HIS ENTIRE FAMILY FROM 150,000 YEARS HENCE TO THE BLACK ABYSS AS WELL!

We cheered wildly as we holstered our weapons and powered down and Raikiri Thundergear's new body, clothes, weapons, jewelry, Third Eye, one-hundred massive and long blue wolf tails, large gold halo and large gold Yata no Kagami mirror with gold lightning bolt ring-shaped frame around it with embedded blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold lightning bolt ring-shaped frames around them with embedded blue gems behind the gold rings behind her head, one-hundred large blue planets orbiting around her legs, one-hundred smaller blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized blue planets orbiting around her wrists and ankles, and massive blue angel wings and ninety-nine sets of large blue angel wings underneath her massive blue angel wings are permanent.

Raikiri Thundergear: This is for all the times you've tried to kill our man, his family, his friends, and everyone he loves and cares about. Thanks for helping me get rid of Flip from 150,000 years hence, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Raikiri.

Me and Nico: Our pleasure, Raikiri.

Suddenly, Raikiri Thundergear wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Raikiri Thundergear's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Raikiri Thundergear sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Tara Toonamine: I didn't expect Flip from our timeline to return from the dead, and he had some nerve though. They thought he could get away with their crimes?! He's dead wrong!

Me: That's right. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the Vegvisir appear in the skies along with the Duel Monster, Loki, Lord of the Aesir, and Loki, Norse God of Mischief.

Lincoln: The Vegvisir and the Duel Monster, Loki, Lord of the Aesir, and Loki, Norse God of Mischief.

Astrid Michelsen: (Norwegian Accent) There's one person who fits that: Anneliese Arneberg, Avatar and Loki, Lord of the Aesir, and you guys are going to love meeting her, Anneliese Arneberg, Avatar and Loki, Lord of the Aesir, is Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Loki. Annelise Arneberg is one of the three founding members of The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Anneliese Arneberg moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Loki, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Loki, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there was one person whom she'd been wanting to kill all her life: and it was none other than Charles Montgomery Burns, and she was so sick and tired of what that bitter old vulture had done in the past, and she swore to make the streets run red with his blood.

Nico: Oh shit! So, we're not the only ones who hated that bitter old vulture.

Me: We're bound to face him on Homer's big day.

Lincoln: That's for sure. After we expose all of his crimes, we're gonna make sure he suffers dearly before we send him to The Black Abyss forever.

Mr. Fizz: I'll prepare soda for the party.

Eccentro: I can't wait.

Fireor: Neither can I.

Chillyfish: I hope she had fun chilling out

RIMSHOT!

Captain Cold: (laughs) Good one!

Eddy: (LAUGHS) That was funny!

Qin: Yeah!

Me: Yep.

Nico: Great job today everyone!

Layla Williams: (To the viewers) Boy what a reunion huh?

Me: You're telling me.

We got to partying.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: Whew, man, that was one awesome day.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there lying on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was Vinna Laval and she was posing seductively, and when Lincoln saw her, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Vinna Laval: (Seductive Voice) Like what you see, wolf hunk?

Lincoln could only nod, and then, Vinna Laval went up to Lincoln, and she stripped him of his white and gold-trimmed shorts, gold-armored knee-high boots, and orange loincloth, and leaving him in his underwear, but she really aroused him.

Vinna Laval: (Rubs Lincoln's massive pecs) You're even more of an impressive hunk especially in your underwear, now I can see more of your built manly legs and the very thing that has gotten the girls in your harem pregnant with many children. (Seductive Voice) And satisfied them every single time and every night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Then, Lincoln wrapped his arms around Vinna Laval and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and Vinna had her hand on his underwear about to remove it and leave him in the nude, and his entire harem dressed only in strapless bras and panties also appeared as well.

Lincoln: (Seductive Voice) (Smirks) Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alright, and now, for tomorrow, the match-up scene is for Draconia Burnwind, Angel of Planet Scornadus, and she and Lincoln are going to destroy Scoots from 150,000 years hence who's been resurrected by Nikolai Ondrushko

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Acme Acres, and there is a reason: according to Universe 666 Lincoln, the spirits of the Universe 666 versions of the Looney Tunes and Tiny Toons were located. They're also among those who resisted Universe 666 Nico and his cronies, but before they could contact us, they too were killed and their spirits were trapped here. We're going to bring them back from the dead, and after that, we're going after our main target: Daniel Derek Monroe, the sick twisted serial killer who murdered Lynn Sr. and Lance's dad, and his evil daughter, the sick and deranged Audrey Monroe, and this time, we're going to permanently kill them both and Lincoln's going to inflict upon them a powerful death curse called THE DARK BLOOD HEART CURSE OF THANATOS, it's a powerful death curse meant only for the sick, twisted, and most deranged of blackhearted souls who have no remorse for the lives they've taken, and once inflicted, their eyes are first gouged out of their heads, next, their blood starts to flow out of slash wounds inflicted on them from out of nowhere, and finally, their black hearts forever darkened by evil are eventually torn apart by the spirits of their victims, and it'll kill them both and permanently send them to The Black Abyss forever.

And we're going to meet the next Nordic Avatar and Gene-Slammer, her name is Anneliese Arneberg, Avatar and Loki, Lord of the Aesir, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Loki. Anneliese

Arneberg moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Loki, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Loki, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Next up is Nico's birthday! And also it's May's day to shine and we're going to battle Archie and Maxxie of Teams Aqua and Magma. Maxxie on Nico's rescue and Archie on the main mission. We're sending them both to jail!

See you next time.

NICO'S BIRTHDAY BATTLE OF FIRE AND WATER

HAPPY BIRTHDAY TO NICO!

Also this is for were we battle Teams Aqua and Magma on May's Day to shine.

In the early morning hours of 12:24 AM, Lincoln was asleep along with his harem, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: there were 105 planets located in that solar system and they each had an individual sun there as well, but 250 billion years ago, these planets were once inhabited by powerful male warriors who were not only natural born fighters, but were given incredible powers, immortality, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and also impressed many of the females there. But, suddenly, they vanished, and he found out they'd been defeated by a dark force and imprisoned in 105 wells where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: What was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I believe I know, those planets you saw in your dream, those were planets J.D. and I travelled to long ago, those 105 planets you saw were the Planets of Elementus named after the Elementus Galaxy of the timeline of 150,000 years hence, and those planets were inhabited by powerful male warriors who were not only natural born fighters, but were given incredible powers, immortality, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females.

Lincoln: Whoa...!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) But, suddenly, they'd been defeated by a dark force and imprisoned in 105 wells where their souls remain imprisoned to this day, and the 105 suns you saw on those individual planets, Lincoln, they're 900 Quadrillion times hotter than The Sun and the amount of solar radiation also exceeds that amount, the warriors trained under the harsh heat and sunlight along with other extreme weather events. You need to head to the wells where their souls are imprisoned and absorb them into your body, and once that happens, you'll gain their incredible powers, immortality, and invincibility, and you must absorb their planets and suns as well. I have a feeling this dark force responsible for it has a connection to a familiar foe we'd dealt with months ago.

Lincoln: On it.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to the 105 Planets of Elementus once inhabited by powerful male warriors who were not only natural born fighters, but were given incredible powers, immortality, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there 250 billion years ago, but were defeated by a dark force and imprisoned in 105 wells where their souls remain imprisoned to this day, and the 105 suns that are 900 Quadrillion times hotter than The Sun and the amount of solar radiation also exceeds that amount, and the planets were like the Earth during ancient times, but had combinations of the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions.

Lincoln landed on one of the planets: Planet Inferno.

Lincoln: Wow!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep, these planets are really amazing, and you're on Planet Inferno, the first of the 105 Planets of Elementus.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: one of the 105 wells of souls on the 105 Planets of Elementus, Planet Inferno's Well of Fire.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a dragon, phoenix, and the mythical beasts of fire carved on it, and then, the red gem in the center glowed. Suddenly, the cover came to life and slid off the well, and then, a massive tornado of red souls came out numbering in the quadrillions: they were the quadrillions of souls of the ancient male warriors of Planet Inferno.

Lincoln: Unreal!

Suddenly, the quadrillions of souls of the ancient male warriors of Planet Inferno suddenly began entering Lincoln's body and they began merging with him one by one, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and 105 massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

But, it wasn't over yet, on the other 104 Planets of Elementus: Planets Arctica, Maelstrom, Wind Storm, Gaia, Laval, Luminos, Umbra, Crystalus, Celestia, Chronos, Sanguine, Arcana, Blue Inferno, Solaris, Borealis, Lux Arcana, Umbra Arcana, Lunas, and Nebulas, the other intricately carved stone covers with the mythical beasts of Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions carved on them reacted as the colored gems glowed. Suddenly, the covers came to life and slid off the wells, and then, massive tornadoes of colored souls came out numbering in the quadrillions: they were the quadrillions of souls of the other ancient male warriors of Planets Arctica, Maelstrom, Wind Storm, Gaia, Laval, Luminos, Umbra, Crystalus, Celestia, Chronos, Sanguine, Arcana, Blue Inferno, Solaris, Borealis, Lux Arcana, Umbra Arcana, Lunas, and Nebulas.

Suddenly, the quadrillions of souls of the other ancient male warriors of Planets Arctica, Maelstrom, Wind Storm, Gaia, Laval, Luminos, Umbra, Crystalus, Celestia, Chronos, Sanguine, Arcana, Blue Inferno, Solaris, Borealis, Lux Arcana, Umbra Arcana, Lunas, and Nebulas suddenly began flying out and entering Lincoln's body as well and they began merging with him one by one, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their incredible powers, immortality, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with 250 billion years of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Inferno, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely hot with temperatures ranging from 72,000–90,000 or 39,982-49,982C, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and then, his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Inferno itself into his body and he was really growing even stronger than ever, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Lincoln: That was intense!

Then, he went to Planets Arctica, Maelstrom, Wind Storm, Gaia, Laval, Luminos, Umbra, Crystalus, Celestia, Chronos, Sanguine, Arcana, Blue Inferno, Solaris, Borealis, Lux Arcana, Umbra Arcana, Lunas, and Nebulas, and one by one, Lincoln flew deeper and deeper into the planets, and he found them: the cores of Planets Arctic, Maelstrom, Wind Storm, Gaia, Laval, Luminos, Umbra, Crystalus, Celestia, Chronos, Sanguine, Arcana, Blue Inferno, Solaris, Borealis, Lux Arcana, Umbra Arcana, Lunas, and Nebulas, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely hot with temperatures ranging from 72,000–90,000˚F or 39,982-49,982˚C, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and then, his rainbow, white, golden yellow, and blue energy aura flared up even more as he began absorbing the cores of the planets and Planets Arctica, Maelstrom, Wind Storm, Gaia, Laval, Luminos, Umbra, Crystalus, Celestia, Chronos, Sanguine, Arcana, Blue Inferno, Solaris, Borealis, Lux Arcana, Umbra Arcana, Lunas, and Nebulas itself into his body and he was really growing even stronger than ever, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space, and Planets Inferno, Planets Arctica, Maelstrom, Wind Storm, Gaia, Laval, Luminos, Umbra, Crystalus, Celestia, Chronos, Sanguine, Arcana, Blue Inferno, Solaris, Borealis, Lux Arcana, Umbra Arcana, Lunas, and Nebulas were added to his collection.

Lincoln: That was really incredible! The quadrillions of souls of the ancient male warriors of Planets Inferno, Arctica, Maelstrom, Wind Storm, Gaia, Laval, Luminos, Umbra, Crystalus, Celestia, Chronos, Sanguine, Arcana, Blue Inferno, Solaris, Borealis, Lux Arcana, Umbra Arcana, Lunas, and Nebulas have merged with me, and I also absorbed their planet's cores and planets themselves into my body.

Lincoln 2: (Through the Rainbow Thunderbird on Lincolns forehead) I know you're supposed to do this to evil planets, but there's a reason why: I need to find out about the dark force responsible for this. Now, to finish this, you'll need to absorb the suns of Planets Inferno, Arctica, Maelstrom, Wind Storm, Gaia, Laval, Luminos, Umbra, Crystalus, Celestia, Chronos, Sanguine, Arcana, Blue Inferno, Solaris, Borealis, Lux Arcana, Umbra Arcana, Lunas, and Nebulas.

Lincoln: On it.

Lincoln flew to the Suns of Planets Inferno, Arctica, Maelstrom, Wind Storm, Gaia, Laval, Luminos, Umbra, Crystalus, Celestia, Chronos, Sanguine, Arcana, Blue Inferno, Solaris, Borealis, Lux Arcana, Umbra Arcana, Lunas, and Nebulas, and like Lincoln 2 said, the 105 suns of Planets Inferno, Arctica, Maelstrom, Wind Storm, Gaia, Laval, Luminos, Umbra, Crystalus, Celestia, Chronos, Sanguine, Arcana, Blue Inferno, Solaris, Borealis, Lux Arcana, Umbra Arcana, Lunas, and Nebulas are 900 Quadrillion times hotter than The Sun and the amount of solar radiation exceed that amount as well, and as he got close, Lincoln's rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Inferno's Sun, and then, his rainbow, white, golden yellow, and blue energy aura flared up even more as he began absorbing Planet Inferno's Sun into his body and he was really growing even stronger than ever, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, but then, a rainbow fire aura flare up around those two auras as well, and then, he disappeared in a flash of light and reappeared in space: Planet Inferno's Sun was absorbed into Lincoln. Then, he went to the Suns of Planets Arctica, Maelstrom, Wind Storm, Gaia, Laval, Luminos, Umbra, Crystalus, Celestia, Chronos, Sanguine, Arcana, Blue Inferno, Solaris, Borealis, Lux Arcana, Umbra Arcana, Lunas, and Nebulas, and as he got close, Lincoln's rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Lincoln: (GROWLS) Oh man, now that was really intense! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Sailor Sun: Okay, that was a surprise.

Sailor Neptune: I agree. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep.

Then, as morning came, Nico was asleep. He heard snickering. He awakens, revealing me and Eli under his blanket with a banner of letters that reads "happy birthday." Eli blows a noisemaker.

Me and Eli: Surprise! Happy birthday, Nico!

Nico: Oh guys! You remembered!

Me: Like we would ever forget your big day!

May woke up to see Ribombee and Manaphy staring at her.

Manaphy: Morning mama!

Ribombee: Time for breakfast!

Me: I made you guys a little something.

We brought it in.

We made a feast fit for a king and queen and brought in breakfast in bed.

Nico: Oh wow!

Carol: We thought on your special day you deserve breakfast in bed.

Nico: Thanks guys!

We gave them a great treat!

We went and got ready.

Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain. Last night, Lincoln's dream took him to Planets Inferno, Arctica, Maelstrom, Wind Storm, Gaia, Laval, Luminos, Umbra, Crystalus, Celestia, Chronos, Sanguine, Arcana, Blue Inferno, Solaris, Borealis, Lux Arcana, Umbra Arcana, Lunas, and Nebulas.

Then, Lincoln 2 explained everything, and when he was done, we were stunned.

Nico: Holy guacamole!

Me: Oh man! That explains why we felt how much more powerful Lincoln's become last night!

Nico: Unbelievable!

Xenia: Incredible!

Qin: Yeah!

Then, Sailor Moon, Mercury, Venus, Earth, Sun, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto, Minimoon, Ceres, Pallas, Juno, and Vesta came in, and Naruto helped Sailor Moon, Lincoln helped Sailors Sun, Venus, Earth, Jupiter, Saturn, Neptune, Uranus, Minimoon, Ceres, Pallas, Juno, and Vesta, and Clyde helped Sailors Mars, Mercury, and Pluto.

Nico: Hey, girls, how are you holding up?

Sailor Earth: We're getting there.

We saw their pregnant bellies. Yesterday after we took care of Royal

Pain, we went to the doctor and we found out the genders of the babies of Sailor Moon, Mercury, Venus, Earth, Sun, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto, Minimoon, Ceres, Pallas, Juno, and Vesta, and to our surprise, they were quadruplets: two boys and two girls for each Sailor Soldier, and they were not only healthy and strong, but we also felt something very powerful in the babies.

Me: We're so excited for you girls! Wow! 2 boys and 2 girls each! We're so excited for you!

Sailor Jupiter: When we found out we have quadruplets: two boys and two girls for each Sailor Soldier, we were really happy.

Lincoln: And they're not only healthy and strong, but there's also something very powerful in them as well.

Me: I can sense it.

Nico: Wow! Hey, guys, I won't be around for my rescue, I got an emergency from Myotismon, we got worshippers of Dark Sebastian running loose in New Jersey, and they need to be put down, but just in case.

Me: Understood.

Nico made a clone of himself.

Lynn Sr.: That's alright. You go on ahead and deal with those monsters.

Nico: I will. We already got rid of that pathetic snake and his cronies, and now, the delusional snake worshippers are trying to take his place and are running loose in New Jersey? It's time somebody put those fucked-up psychos down forever.

Nico flew out.

Lincoln: And that'll give us time to prepare for Nico's birthday.

May: We'll also help by taking him to Bubblaine.

Me: Good idea.

Maria: And now, we better finish breakfast, we've got a baby shower at Lynn's Table to attend to.

Lincoln: You said it.

We finished breakfast and we headed out to Lynn's Table for the baby shower for the Sailor Soldiers, and after the festivities are done, we're going to help Sugarcoat unlock her Rainbow Power and take down the next villain for Nico's rescue.

Later it was time for the Sailor Soldiers baby shower and everyone was at Lynn's Table. Zig: Hey it's Nico's special day and the Sailor's special day too so I want to have fun.

Me: Cool. But man everyone turned out for this too.

Sailor Moon: They sure did.

Nico Clone: I'll say!

Camie: I'm excited for this.

Varie: We all are.

Flame Hyenard: I'm glad everyone can turn out for this too.

Shenzi: Same here.

Poromon: Flame Hyenard, I want to thank you, Hyena, and your teams for coming

Flame Hyenard: No problem. Sorry Nico isn't here for this but I'm glad we all can have fun.

May: We all can have fun on this.

Me: Yep.

Shroomboom: We're all excited for this!

Poromon: Shroomboom, what do you like to do in your free time?

Shroomboom: Well when I'm not battling the forces of Kaos, I like being a gardener and teach how to plant great food at Skylanders Academy.

Me: Good job there.

Eli: It sure is.

Shroomboom: It puts cake and milk on the table.

Me: Cookies and Cream cake?

WE LAUGHED!

Qin: (LAUGHS) Good one.

Shroomboom: Yeah! But yeah it's fun.

Me: Cool.

Sailor Neptune: Yeah.

Camie: Awesome.

Poromon: That's a good job to have.

Me: Yep.

Shroomboom: It sure is.

Flynn: Hey guys the food here is great!

He made a super Shaggy Style sandwich and ate it.

Shaggy: (LAUGHS) Like that is perfect for Flynn.

Me: And you as well Shaggy.

Sakura Knudson: (LAUGHS) You both have awesome appetites. Same with Sugie.

Sugie (Scooby Doo): Like yeah we know.

Me: Yep. Good times.

Layla Williams: Yeah.

Me: Layla we're sorry that the reunion was a total disaster.

Layla Williams: Are you kidding!? We had some of the best fun ever!

Will Stronghold: Yeah we loved it! Except for the part where we got turned into babies.

Warren Peace: We had a lot of fun!

Jetstream: At least it was only you kids this time. The rest of us were trapped in the closet

Me: Yeah. Also Girl Jordan and Leeli's song turned them back to normal.

Magenta Queen: That is amazing.

Me: It sure is.

Hulk: Hulk beat up puny speed kid.

Me: You sure did. And also Vypra that was genius trapping them in Null Void Eggs. We need to start using the Null Void more often.

Vypra: I know.

Ymir: What is the Null Void?

Me: It's an extradimensional prison for some of the galaxy's worst ever criminals. The Plumbers made it as part of a prison system. It's like the Phantom Zone except it's not isolated from time and space.

Superman: In the Phantom Zone you don't age or die there and time is literally cut off from there.

Ymir: Wow!

Motormaster: Speed knocked me and Onslaught out with a rocket launcher!

Me: I'm amazed he somehow got one of those. But Hulk still busted Speed up really good.

Camie: He sure did and Lash and Penny left him to die! Cowards!

Varie: Yeah!

Kate Lloyd: But Royal Pain and I had a nice talk though.

Me: You sure did.

Poromon: Yeah and she was amazed with how far we came ever since 2019.

Qin: I know!

Magenta: That was 8 days before the Battle with Thanos and man Royal Pain practically crapped herself with seeing how far you all came in power!

Me: No kidding! She was scared out of her witz when I showed her my transformation.

Cantwell: I hope time in our ranks makes Stitches more tough. It took only 1 punch to defeat him!

Me: Yeah no kidding! I don't know what kind of power he has if any but he was easy to bet.

Eli: Yeah.

Layla Williams: And my Akuma was a really beautiful fairy. She turned all of the school into a jungle.

Ethan: I'll say! That was pretty awesome!

Ymir: It sure was.

May: I know.

Sailor Neptune: Wow, you guys really set up the whole restaurant for our baby shower.

We really went all out and did a Solar System-themed baby shower.

Me: We sure did, and Lincoln's idea for it was awesome!

Lincoln: And Dad gave us the location to have it: Lynn's Table.

Me: Yep.

Ymir: (Sees the jerks) So, are these...?

Me: Yep, these are Gotham Royal York's humiliation fodder, the jerks from Royal Woods, Bikini Bottom, Dimmsdale, and all over the world: the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers.

Eli: They're the worst of the worst, and the scum of the earth.

Nebula Lanaia: And I hated Flip and his entire family along with Pablo and Anderson for everything they did to Lincoln and our entire family, and I heard from Lincoln that you got rid of Scoots long ago and sent her to The Black Abyss. Too bad you didn't make a clone of her to include in the fodder roster as well.

Lori: We should've, but there was no way we were going to include her.

Rita: Same here. Hearing that shrill voice of hers, no way, and don't get me started on her heckling.

Nebula Lanaia: Don't remind me, Mom. Ugh, that old shrew heckled a lot of people in the past, and when she heckled Lynn, that crossed it.

Rachel Emperyous: That's why we were so glad to be rid of her.

Lincoln: Yep.

Me: All of Lincoln's Guardian Angels and us hated these douchebags with a passion. They have been TREMENDOUS THORNS in our sides for years.

Lola: Yeah no kidding there!

Laney: (Sees the clone of Flip snoring) Hey, is that mutant snoring and ignoring us?!

Me: He is! We better wake him them.

Lincoln and I approached the clone of Flip, and...!

Lincoln: GET UP!

POW! BELLOW!

LINCOLN PUNCHED THE FLIP CLONE HARD IN THE FACE!

THE FLIP CLONE BELLOWED IN RAGE AFTER WHAT LINCOLN DID!

Flip Clone: (BELLOWS INCOHERENTLY)

Eli: Sorry, but I don't speak Neanderthal!

Me: This ugly guy is Flip. He is Royals Woods' version of Mr. Krabs and he loves money more than anyone oor anything.

Ymir: Oh man!

Mr. Krabs: (LAUGHS) Yeah he was in every way like how I was lass.

Then, we saw it: Lincoln knocked out all his teeth, and the blood on the floor turned into blood red rubies!

Luna: Dude, he knocked out that mutant's teeth! All of them!

Luan: Yikes!

Lynn: Dang. That was brutal.

Lincoln: That was just a light tap, Lynn.

We didn't believe it: to us, that was a hard punch to the face that led to the shattering of the Flip clone's teeth.

Lily: That was no light tap.

Me: Nope. But, still, that was a hard punch.

Poromon: With Nico out, we need a new leader right now. Me or William.

Me: Now now. I'm second in command so that makes me leader temporarily.

Poromon: Oh right I forgot about that.

Schnozmo: Oh great, what are you going to do to us now?

Timmy Turner: Shut your mouth, you big nose con artist! You know what we're going to you jerks! Lincoln!

Lincoln: Already on it!

Me: Whoa! That was a water version of my Rage of Inferno technique!

Lincoln: Yep, in addition to my signature Surekill technique, Rage of Elements, I'd also made other elemental versions of your Rage of Inferno technique: Water, Ice, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions. Bubble Bass: Boo!

Lincoln: What was that?! Did you just boo my sister?!

Mr. Coconuts: He did! Get the sucker!

Me: YEAH!

Ymir punched Bubble Bass in his big gut and vomited sapphire jewels!

Me: Bubble Bass is Bikini Bottom's biggest jerk of all.

Lincoln: Time to put you on ice, you blubber-butted deadbeat bass! ARCTIC STORM! 北極の嵐！

Lincoln swung his massive greatsword and fired a massive tornado of ice and light which hit Bubble Bass and froze him in a block of ice, and that also put Lewis Travolta on ice too!

Lynn Sr.: Thanks for that, Lincoln. I was sick and tired of hearing his mouth! And you also got Lewis Travolta too?! Nice one!

Lincoln swung his massive greatsword and fired a massive tornado of wind and light which hit the Platypus Brothers and blew them all over the place and more gold, gems, and currencies exploded out of them!

Me: HAH! Serves you right.

Lori: Besides, Poromon, you would spend your time as leader having us do crazy stuff

Me: Like guzzling beer and making us do stuff that would be funny.

WE LAUGHED!

Sunset Shimmer: You're right on that.

Poromon: Yeah you're right.

Lincoln: Time to put you on ice, you blubber-butted deadbeat bass! ARCTIC STORM! 北極の嵐！

Cheesly: Pleasure.

Edward: My brothers were absolute jerks to me and hated me because I couldn't amount to anything back then.

Me: Yeah no kidding.

Riffins, Corey's older sister who has extreme anger issues and she hates him and his band with a vengeance. Amy's Dark Side, before we got it out of her Amy was the evil twin sister of Samey and THEY HATED EACH OTHER before and after on Total Drama. And Margie. She is a boy hating girl that hates us boys and thinks the world is better off without them. But we keep reminding her that her plans are totally doomed to fail from the start.

Ymir: Oh yeah because it will result in the extinction of the entire human race.

Me: Exactly!

Pablo: (ENRAGED SCREAM) WHEN WE GET OUT OF THIS, WE'LL KILL YOU!

Anderson: (ENRAGED SCREAM) YOU'VE RUINED US!

Walter Peck: I FUCKING HATE ALL OF YOU! YOU AND THE GHOSTBUSTERS!

Our energy auras exploded from Walter Peck's hatred and we grew stronger!

Poromon pecked him.

POINK POINK POINK POINK!

Me: These guys are Pablo and Anderson. They are 2 bullies and former friends of Taylor. They were 8th graders that hated Lincoln and his friends and loved to pick on them. And this motherfucker is Walter Peck. For over 40 years he hated the Ghostbusters because he thought it was all tricks to get people to hire them. He used to work for the EPA until Cargill fired him for his insane views which shocked us. But I like to think of him as a (Gets in his face) PENCIL! DICKLESS! MOTHERFUCKING! ASSHOLE! PUTRID FATASSED DOUCHEBAG SHITSTAIN!

Then...

CRUNCH!

I BIT HIS NOSE AND HE SCREAMED IN AGONY!

Ymir: Nice one!

Me: This is Billy McLean. He's Chris's twin brother and he hosted Total Drama and tortured and humiliated lots of contestants on television and beyond. And this jerk is Bradley Uppercrust III.

Me: These jerks are a bunch of Women Haters named NO MA'AM! They hate all women and think they are so much better than them.

Lincoln: Yep. Now, for the final three!

We turned to Mandy, Mindy, and Schnozmo who were trying to get out to get back at us.

Lincoln: Now, for a little twilight fury! RAGE OF LIGHT AND DARKNESS! 光と闇の怒り！

Lincoln swung his massive greatsword and fired a massive vortex of light and darkness that hit Mandy, Mindy, and Schnozmo and they got hit hard and more gold, gems, and currencies exploded out of them!

Me: YEAH! And these three are Mandy, Mindy and Schnozmo. Schnozmo is Cosmo's brother and he is called that because of his big nose. Also he is a criminal. Mandy is a queen bee bitch from Beverly Hills that hates Clover, Sam and Alex with a passion. And Mindy is from Endsville and she thinks that she is so much better than everyone else that she calls EVERYONE a loser when in truth SHE is the loser!

Ymir: I see.

Manaphy: Are you happy it's your big day, Mama?

May: You bet I am! This is gonna be fun!

Universe 666 May: I'm excited for this too!

Manaphy hugged May and Universe 666 May.

Me: Aww.

Sailor Moon: We're really excited too.

Qin: Yeah.

Sailor Juno: I know.

Eli: Yeah.

We had a lot of fun and more.

Lincoln: Now, that was so fun. Okay, guys, we're here for one really wild battle, we're here to help Sugarcoat unlock her Rainbow Power, but here's the villain we're going after: it's Maxxie of Team Magma. And he is over at Mount Malefic in the Kamchatka Pennsula!

WE GASPED!

Everyone: WHAT?!

Me: Oh crap! We better go around Opaline's castle to get there. We don't want her to see us too early before the prophecy.

Lincoln: And since today's May's big day, it makes sense we're going after Maxxie of Team Magma, but this also means we're also going after Archie of Team Aqua.

Eli: I think Anti-Monitor made a big mistake bringing them back!

May: I think so too. But, we better take them down, and this time, they're not worthy of getting The Black Abyss, let's just send them off to prison.

Me: Good idea, May.

Lincoln: I agree.

Ymir: Who are Teams Aqua and Magma?

Me: Two Pokemon villain Teams that we destroyed years ago. Team Aqua wants to use the power of Kyogre the Legendary Ocean Pokemon to flood the planet so it's all water. Team Magma wants to use the power of Groudon the Legendary Continental Pokemon to expand the lands to make the world one big landmass.

Eli: But both those plans were doomed from the start.

Me: Yep. We destroyed both of them.

Camie: Oh man!

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and

lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and 104 sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Maxxie) AHA! Gotcha! I just spotted Maxxie, he's

20 yards away, but he and some Team Magma grunts are heading here now!

Eli: We better get moving.

Me: Right.

Ulrich heard a Pokemon cry.

Ulrich: Look guys!

We saw a Duoblade slashing Dark Amy all over!

Me: WHOA! A Duoblade!

Qin: Cool!

Lola: Yeah!

Duoblade: Take that! Oh hey there!

Ulrich: Hello. Nice job. You hungry?

Duoblade: Sure.

He gave it apples and it ate them.

Duoblade: Ahh thank you.

Ulrich: You're welcome. Want to come with?

Duoblade: Sure!

Me: Awesome!

Horsea: Nice slash.

Duoblade: Thank you.

We got into our normal clothes.

Me: There.

Flip Clone: HEY GET AWAY!

We saw a Wailmer attacking the Flip Clone!

Me: Whoa a Wailmer!

Ymir: Wonder how that got here.

But then we saw it VOMIT A MASSIVE STREAM OF COOKIES AND CREAM PUDDING DOWN FLIP'S MOUTH AND THROAT AND HE INFLATED LIKE A BALLOON AND THEN...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

HE EXPLODED!

SPLAT!

It splattered all over us!

Me: OH SICK!

Xenia: WHOA MAN!

Camie: THAT WAS GROSS!

Me: (Slurps) Yummy! Cookies and cream pudding!

Poliwag: Nico would've loved that.

Me: He sure would.

May: Wait I know this one.

She used Telepathy and gasped!

May: (GASP) Oh wow! It's Cookie Creme-Brulee Le Brew and she is known as the Queen of Cookies and Cream!

Me: Whoa! That is so cool!

Manaphy: WOW! I love her Cookies and Cream desserts!

Eli: Nico would love her!

May: (LAUGHS) Yeah he would!

Me: Lets go help her.

We went over.

May: Cookie it's me May! Remember?

Manaphy hopped on her

Manaphy: And Manaphy too?

Wailmer was happy to hear her voice.

Me: Wow, seems this one knows you guys.

But then...

MASSIVE VOMIT BLAST!

It drenched Maria and Horsea in a massive pile of pudding!

Luna: PUDDING PUKESTORM!

FWOMP!

She fainted!

Poliwag: You okay, Horsea?

Horsea: I'm fine. But this is a tasty one.

Maria: It sure is. (Slurps)

Me: At least it didn't attack her. Okay then.

I snapped my fingers and she reverted back and was a girl with blue hair, blue eyes and blue angel wings and had Wailmer on her forehead and had a Cookies and Cream cake and cookies on her arm as a cutie mark.

I wrapped her in a blanket and brought her to a bench.

She woke up to see Manaphy staring at her.

Cookie Creme-Brulee Le Brew: (Groans) Huh? Manaphy? Manaphy!

She hugged her.

May: You remember her too.

Cookie Creme-Brulee Le Brew: May!

She hugged them.

Horsea: You covered me and Maria in pudding.

Me: And you made Flip explode which was funny. Also you were turned into a Wailmer by Dark Gale.

She gasped.

Cookie Creme-Brulee Le Brew: I remember!

She was in a blue suit and injected and turned into a Wailmer and busted out.

FLASHBACK ENDS

Cookie Creme-Brulee Le Brew: That was awful.

Me: I know. But we destroyed Dark Gale. Almost as fun as telling Crackhouse Minnie that Mickey got Clarabelle and Daisy pregnant and called them stupid douchebag losers.

Eli: Yep.

Crackhouse Minnie: (Offscreen) (In the distance) WHAAAAAAAAAAAAAAAAAATTTTTTTT?!

Crackhouse Goofy: (Offscreen) (In the Distance) OH HELL NO! YOU SON OF A BITCH!

Crackhouse Donald: (Offscreen) (In the Distance) YOU MOTHERFUCKER!

THEN MASSIVE FIGHT SOUNDS AND SCREAMING WERE HEARD AS CRACKHOUSE MICKEY WAS FEROCIOUSLY BEATEN UP BADLY AT M.O.E. HQ.

WE LAUGHED HYSTERICALLY!

Poliwag: Are you mad right now, Horsea?

Horsea: No that was a tasty one.

Maria: It sure was.

Me: Yep.

Cookie Creme-Brulee Le Brew: Cool. Oh for Sonya's team I work as a dessert blower. I make people explode by making them eat my desserts.

Me: Let me guess you put nitroglycerin in the frosting?

Cookie Creme-Brulee Le Brew: Yep! That's right.

Me: Funny!

Cookie Creme-Brulee Le Brew: Yep. Also I work as a chef. I serve desserts that don't explode to people.

Me: Good.

Cookie Creme-Brulee Le Brew: Hey where's Nico?

Me: It's his birthday today. He's taking down bad guys while we get everything ready for his party.

Cookie Creme-Brulee Le Brew: Oh wow!

Me: We'll explain later.

Rarity: Lets get you some clothes darling.

The fashion brigade gave her new clothes. She had white and blue clothes and a chocolate sword.

Cookie Creme-Brulee Le Brew: I look amazing!

Me: You sure do.

Manaphy hopped on May's head

Manaphy: And it's mama's big day today.

Me: Yep.

Cookie Creme-Brulee Le Brew: Awesome!

Me: Lets get a move on.

We then took off into the air to help Sugarcoat unlock her Rainbow Power and take down Maxxie of Team Magma and send him to prison.

We were flying in the air, and then we arrived at the Kamchatka Peninsula in Russia and we were at Mount Malefic!

Manaphy: Here we are.

Qin: (GULP) So this is Mount Malefic.

Xenia: What a frightening place.

Camie: It sure is scary.

Lola: Reminds me of Mount Doom.

Laney: Yeah.

Lincoln: And it's 20 miles southwest of Opaline's castle. You can see it through that valley in the Kamchatka Peninsula.

We saw it plain as day.

Me: He's right. According to the scanners, This area is protected by an electromagnetic storm and not even magic signals can get through it to reach her.

Lincoln: So Royal Pain's plans to contact Opaline would have been useless.

Me: Yep. Lets go.

We went into the volcano and it was a massive cave and lava volcanic fortress.

Me: Wow. This place is both hot and scary.

Po: Reminds me of the lair of the Wu Sisters, the Hubei Volcano.

Xenia: Wow.

William: Keep your eyes peeled.

We walked around and then we found a room and in it was a bunch of stuff!

Me: WHOA! Look at all this!

We saw that it was all artifacts from all of our adventures including a bunch of adventures from years ago before the team from.

Me: Whoa look at all this! This is artifacts from many of my adventures over the years.

Qin: With Spellbooks and weapons and artifacts of so many kinds!

Eli: Amazing!

Me: Lets put all this in scrolls.

We did so.

We then heard voices.

In a massive huge room, we saw our target: Maxxie of Team Magma and he got Team Magma grunts with him.

Maxxie: CHARGE! TODAY, TEAM LOUD PHOENIX STORM WILL

FALL ALONG WITH TEAM AQUA AND TEAM MAGMA WILL RULE THE WORLD!

Caleb Maxwell: You...! You goddamn...!

Caleb's bloodlust was suddenly rising like crazy!

Me: Oh crap...!

Eli: Lincoln!

Lincoln: On it. (YELLING AT THE TOP OF HIS LUNGS) OH, SHUT YOUR BIG FAT MOUTH ALREADY, MAXXIE! YOU'RE NEVER RULING THE WORLD NOT AS LONG AS WE'RE HERE!

Lincoln's booming voice sent the Team Magma grunts flying into the air only to come crashing down to Earth.

Eli: Jeez, that was loud!

Luna: And I thought I was loud!

Lincoln: It's about to get even louder! (Fire and Magma swirled around him) The Omega Volcano will blow Team Magma away!

Suddenly, the symbol we used against Team Magma appeared in the sky, and blasts of fireballs and molten lava fell to the ground, and they attacked Maxxie and the Team Magma grunts, and we then landed.

Me: You've got some fucking nerve showing your face here, Maxxie!

We then saw the Monitor Orb embedded in his forehead!

Eli: And it was thanks to Anti-Monitor no doubt!

Maxxie: Laugh while you can, Team Loud Phoenix Storm! I will still destroy you all and Team Aqua and we will rule the world!

Lincoln fired a red Death Beam that hit The Monitor Orb and shattered, and not only did we gain a massive power boost, but Maxxie screamed in pain as he clutched his forehead in pain.

Maria: Hah, that'll shut him up!

Me: That's for sure.

Qin: Yeah!

Me: Long time no punch Maxxie!

Maxxie: No Chan today?

May: He's busy.

Maxxie: Then maybe you can deliver a message to him.

May: And that would be?

Maxxie: That I've taken down his wife and friends!

Me: I don't think so. In case you didn't notice, we've gotten stronger and more powerful since we fought the last time back in 2019.

Maxxie: Really?

POW!

I PUNCHED HIM SQUARE IN THE STOMACH AND KNOCKED ALL THE AIR OUT OF HIM!

I punched and blasted his thugs all over!

Me: That proof enough for you?

Duoblade charged at him and slashed him all over.

Qin fired waves of fire and blasted him all over.

They fired waves of energy and elements and blasted him and his grunts all over!

I mercilessly punched and thrashed his cronies.

Eli fired waves of Force Lightning and electrocuted them.

Manaphy latched on his face and smashed Maxxie all over.

Qin: No it doesn't!

Me: Yep.

WE LAUGHED!

Me: Also this is fitting because we're in a volcano.

Poromon: I know!

May: YEAH! Shall we Cookie?

Cookie: Lets shall.

May and Cookie: DESSERT BOMB STRIKE!

They fired waves of cookies and desserts and blasted and blew them all over.

Me: Take that!

Lincoln: Now, let me trash him and his thugs and piss him off even more.

Lincoln also attacked him with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, and letting his massive white wolf with massive white angel wings companion also attack him and the Team Magma grunts.

Maxxie: (GROWLS) Get up, you grunts, don't just stand there, kill him!

Me: Holy shit! He's going wild on them!

Luna: That's for sure!

Then, Lincoln took the air and he snapped his left hand's fingers and five massive orbiting balls of fire appeared orbiting around the Team Magma grunts, and then, they collided and they exploded as they hit the Team Magma grunts, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16.

Me: INCREDIBLE!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

Inside a rainbow sphere with intense flames and elemental forces, Sugarcoat then underwent an intense and amazing transformation! Sugarcoat had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and she also gained intense rainbow flame patterns and rainbow fireworks on her forearms, she also got light blue lines on her hair and tail. She then had her Cutie Mark change into many rainbow fireworks, and her massive angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! THE RAINBOW LEMONS OF LAUGHTER!

EVERYONE GASPED!

May: WHOA! WHAT POWER!

Sugarcoat: Time to take you down and put you in chains.

She fired rainbow fireworks at Maxxie, and he got hit hard.

Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CANS OF SPINACH!

Me: OH CRAP! ONE MASSIVE INDUSTRIAL-SIZED CAN OF SPINACH WAS ENOUGH TO MAKE LINCOLN STRONGER THAN EVER, BUT DEVOURING 900,000,000,000,000,000,000,000,000,000,000,000 MASSIVE INDUSTRIAL-SIZED CANS OF SPINACH, THAT MEANS...!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings of his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar and he pounded his chest like a gorilla.

Suddenly, we heard vampiric shrieks, and we saw vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me: OH SHIT! HE'S GONNA GO WILD!

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at Maxxie with silver bullets from his guns, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at Maxxie as he got hit and we all heard Caleb's wicked and insane laughter as he shot at Maxxie with darkness and malice, but it got really dark when Caleb murdered the Team Magma grunts and blood was raining down from the Heavens and the sickest thing of all: Caleb drank the spilled blood of the Team Magma grunts and the blood that rained down from the Heavens.

Eli: I THINK I'M GONNA BE SICK!

Then, the barrier deactivated and Caleb then lands and rejoins us.

Allie Maxwell: What the Hell, Caleb!

But, before she could attack Caleb, he hissed at her, and we saw it: he now had vampire fangs!

Allie Maxwell: (SHRIEKS) What the?! Vampire fangs?! Oh God, your powers are seriously evolving even more, and you're even taking on more characteristics of the vampires: the claws and crimson red eyes weren't enough, now you got vampire fangs and the thirst for blood?!

Me: Alright, it's time to stop you for good, Maxxie. Caleb, Cage, Travis Tackett, Gabriel, James,...GET HIM!

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Andre Lupescu, Abaddon Aeternus, Red Savarin, Robin Hood, Rayman, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Maxxie even angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Cyborg Superman, and we found ourselves not only in Heaven, but also, in space.

Lincoln, Nicole, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nicole, and Me: NOW, BURN IN HELL FOREVER!

Lincoln, Nicole, and I did one final powerful energy slash that hit Maxxie hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nicole, and I landed and Maxxie was on his last legs and he was really really mangled.

Ed Cowart: All right, you fire pokecrackcase, now you get yours!

Ed Cowart proceeds to insult Maxxie!

Ed Cowart: You look dull and ugly more so than Yzma. You must be a Fire Pokemon lover to be wanting Groundon cause sadly the Fire Pokemon and Groundon would reject you on the spot and call you ugly beyond all reason. I bet you're both too lazy to do all of it yourself, if you have so many goons who are likely cop fodder! In other words, you failed at life. Prepare your ass for defeat and one last thing?

Ed Cowart punched Maxxie and broke his nose and teeth, then he turned Maxxie into an accordion and played him like it too. Then, he threw Maxxie to a vat of hot spaghetti sauce then covered them with spaghetti noodles and meatballs and invited italian people slurp up the spaghetti dinner off him.

Then, he wedgied Maxxie and pulled his underwear over his head!

Ed Cowart: WEDGIE!

Then, Ed Cowart covered Maxxie with honey and bird seed and summoned birds to peck him all over. Then, he fired 5,000 coconuts at Maxxie which bonked his head.

Patrick Star: (LAUGHS) THAT GUY GOT HIT IN THE HEAD WITH A BUNCH OF COCONUTS!

Then, Ed Cowart launched Maxxie into a dynamite where Maxxie accidentally lit a fuse of a giant crate of dynamite which explodes launching him straight to a steel wall frontside first.

Ed Cowart: And now, take this! NUT SMASHER!

Ed Cowart rapidly punched Maxxie's crotch and finished by punching his crotch at the same time super hard thus destroying his crotch leaving him in excruciating pain, sounding like a chipmunk and even his mouth was foaming before collapsing!

Eli: OOH! I think we went too far!

Maria: Yeesh! I think that Nut Smasher really did it, he's toast!

Then, Lincoln cuffed Maxxie!

Luan: But, he's still done. But, we'll get Vypra to check him out at sick bay before we haul him off to prison. Ed, next time, watch it with that Nut Smasher of yours.

Ed Cowart: I promise.

But, he had his fingers crossed. We cheered as we holstered our weapons and powered down.

Eli: Well, that's it for Maxxie, and soon, it'll be Archie's turn, and Nico's gonna hear about this soon.

May: With the explosions, there's no doubt. Now, let's get out of here!

We got back to Gotham Royal York before Queen Opaline found out.

Me: At least, we took care of Maxxie and took care of Team Magma.

Allie Maxwell: That's true, but we also saw that Caleb was now taking on more characteristics of the vampires: the fangs and thirst for blood.

Caleb Maxwell: It's because of the demon blood I drank when I went after Drake and when I killed Trevor Williams back in 1985.

Suddenly, Caleb Maxwell picked up his right coat's sleeve, and then, we saw demon blood being purged out of him as his cross tattoo glowed, and it was destroyed, and the fangs shrank back to normal canine teeth. But, then...!

BARF!

CALEB MAXWELL BARFED OUT THE BLOOD HE DRANK AND IT WOUND UP SPILLED ON THE STREETS!

Caleb Maxwell: I may enjoy the taste of vampire blood, but the blood of Team Magma grunts, that was just disgusting! (COUGHS)

James Blunt went up to Caleb Maxwell and rubbed his back.

Cage Blunt: He may not be a vampire, but he did enjoy the taste of vampire blood, and it was Dad's vampire blood that saved his life after he came back in 1993.

Lincoln: And what Allie said, did you offer Caleb to feed on your blood too?

Cage Blunt showed us the bite on his right arm.

Cage Blunt: It was another way for me to make things right with Caleb. What I did to him, it haunted him to this day.

Me: Still...

Eli: I know that's a way of showing repentance, but...

Lincoln: But, you showed it in your way even if it was painful.

After the fight was done we went back to the park in Gotham Royal York.

Me: WHEW! Glad we got out of there.

May: No kidding!

May's phone rang.

Nico contacted May.

May: Hello?

Nico: Babe, I heard explosions. Everything ok?

May: Yep. Just having fun with Maxxie. If by fun, you mean stopping the destruction of the oceans.

Nico: How's Maxxie right now?

May: He's sleeping it off.

Maxxie: (snoring) I want a pony.

Sleeping.

May: (sweatdrops) I think we may have hit him too hard.

Nico: I'll have Vypra check him out at sick bay before he gets in his cell.

May: Okay.

Nico: Glad you guys are doing great.

May: Oh yeah. See you soon.

She hang up.

Me: I think we REALLY Hit him too hard.

Doublade: Yeah no kidding.

Poromon: Nice job, Doublade.

Doublade: Thanks! That was fun.

Flame Hyenard: Oh I work at the zoo for Becca and I'm in charge of the Hyenas.

Becca: He does a great job.

Sailor Moon: She was shocked! But it was really awesome that her daughter was Sailor Moon.

Camie: Wow!

Me: Cool.

Sailor Uranus: Was she annoyed that you cry a lot?

Varie: Amara I would smash your foot but you are expecting so I'll let that slide.

Sailor Uranus: Thanks.

Me: But Amara don't let loose insults now. You girls are expecting anytime now. So we have to make sure you avoid stress as much as possible.

Sailor Mars: We appreciate that.

Sailor Mercury: Thank you guys.

Me: No problem. (GULPS) I'm afraid of what the labor pains insults will be.

Eli: Me too.

Poromon: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another May.

May: Whoa! Another me? Awesome.

Eli: WHOA! And I also sense that some of the Anothers are the Gene-slammers of the Tiki Tak Tribe individually.

Aura Aurelus: The Another May is Hostile and you are not going to like who it is.

Me: Uh oh!

Eli: Oh boy.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Sakura Knudson: It sure is! I never laughed that much before in my life!

Me: I know Paul wasn't promised anything because Swartz was dead long ago and Paul was sent to the Black Gates before we killed Swartz.

I called Nico.

Nico: Hello?

Me: Hey Nico it's J.D. We have a shocking surprise. The Another May on the rescue is Paul.

Nico: SAY WHAT!?

Nico opened his mouth but caught his skeleton before it fell out.

Nico: Sorry.

Me: No worries. Anyway you want to say something to him before we thrash him and send him to the Warp?

Nico: Sure.

PAUL GROWLED!

Me: Nice one Nico. See you.

Nico: Will do.

Ymir: He did that to you May!?

May: Yeah!

We separated them.

Me: He's all yours May.

I threw him to the ground.

Thor: I remember Father saying that to me!

Me: Did Lord Odin really say that to you Thor?

Thor: He sure did because I let my arrogance get the better of me.

May went over and gave Paul a SUPER PAINFUL WEDGIE AND THEN...

SQUELCH!

SHE CLEAVED HIM IN TWO DOWN THE MIDDLE!

Me: WHOA!

Qin: OH YUCK!

Xenia: SICK!

I banished him to the Warp!

Poromon: How he even got away with his abusive methods, we'll never know!

I got the ridewatch and purified it.

Kiroptus: Thank you and it's an honor to meet the famous J.D. Knudson.

Me: Same here.

Splash Warfly: My team's next

Me: It sure is!

Then out of swirls of Darkness and Food came Number 60: Dugares the Timeless and Number 59: Crooked Cook!

Me: WHOA! Number 60: Dugares the Timeless and Number 59: Crooked Cook!

Qin: Cool!

Number 60: (In a girls voice) (British Accent) This will be fun.

Number 59: (In a girls voice) It sure will be.

Qin: (GASP) Dianna Tovares and Winona Cayenne!

They reverted back. Dianna was a girl with black hair and blue eyes and had black clothes and wings and had Number 60: Dugares the Timeless on her shirt, forehead and skirt and had a cutie mark shaped like a dark mountain with a nightmarish sword on her arm and had a dark sword. Winona was a girl with red hair and pink eyes and pink clothes and had Pink Angel Wings and had Number 59: Crooked Cook on her forehead, skirt and shirt and had a flaming cayenne pepper on her arm as cutie mark and had a fire sword.

Dianna Tovares: We sure do. Mine is where we learned about my history in England and we found out I am descended from Merlin. I know all about his magic.

Me: WHOA! That is amazing.

Winona Cayenne: It sure is. Mine is where me and Nico were in New Orleans and we ate thousands of plates full of my nuclear spicy jambalaya and we tied.

Me: WHOA! You are the true cajun queen.

WE LAUGHED!

Xenia: (LAUGHS) Yeah.

Me: I'm sure Nico missed you girls.

Dianna Tovares: I know he has.

According to Universe 666 Lincoln, the spirits of the Universe 666 versions of the Looney Tunes and Tiny Toons were located. They're also among those who resisted Universe 666 Nico and his cronies, but before they could contact us, they too were killed and their spirits were trapped here. We're going to bring them back from the dead, and after that, we're going after our main target: Daniel Derek Monroe, the sick twisted serial killer who murdered Lynn Sr. and Lance's dad, and his evil daughter, the sick and deranged Audrey Monroe, and this time, we're going to permanently kill them both and Lincoln's going to inflict upon them a powerful death curse called THE DARK BLOOD HEART CURSE OF THANATOS, it's a powerful death curse meant only for the sick, twisted, and most deranged of blackhearted souls who have no remorse for the lives they've taken, and once inflicted, their eyes are first gouged out of their heads, next, their blood starts to flow out of slash wounds inflicted on them from out of nowhere, and finally, their black hearts forever darkened by evil are eventually torn apart by the spirits of their victims, and it'll kill them both and permanently send them to The Black Abyss forever.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in Acme Acres, and I know what we're going to do here, not only am I going to rescue the seven girls here, but there is a reason.

Universe 666 Me: Yep, according to Lincoln, Varie, The Loonatics, and the others of our Earth, the spirits of the Universe 666 versions of the Looney Tunes and Tiny Toons were located. They're also among those who resisted Universe 666 Nico and his cronies, but before they could contact us, they too were killed and their spirits were trapped here.

WE GASPED!

Me: What the heck?! That fucking snake!

Ace Bunny: That's even worse than what that snake did to our Universe 666 counterparts. We need to bring them back, but we need to do a séance.

Flame Hyenard: (GULPS) A séance, this is going to be spooky.

Lucy Loud: Great idea. Now, we need to find where their spirits are at.

Buster Bunny: They're in Acme Looniversity, when we were in class two weeks ago, we felt chills in the air, and when we saw a flame turn blue, that was the sign of a ghost.

Lincoln: Then, let's get a move on and do the séance and bring them back.

We got a move on to Acme Looniversity, and we felt a cold chill in the air, and when Lincoln's ghost sense kicked in, we knew what it meant: it was the sign of ghosts.

Clyde: They're here.

Lincoln: Yep.

We went into the classroom, and The Goths of Darkness set up a salt circle, placed some candles around the salt circle and lit them. Then, they joined hands as Haiku got out her book.

Haiku: Spirits of The Great Beyond, hear our prayers, we ask to speak to the spirits of the Universe 666 versions of the Looney Tunes and Tiny Toons.

Suddenly, we saw spirits come up from the ground, and they took shape, and they were shown to be the spirits of the Universe 666 versions of the Looney Tunes and Tiny Toons.

Universe 666 Bugs Bunny: Eh, what's up, doc?

The toons freaked out!

Bugs Bunny: It's our Universe 666 selves!

Buster Bunny: And they like the Universe 666 Loonatics were against that snake.

James Blunt: Only to meet a murderous end. We know of what you tried to do in contacting the team years ago only for that snake and his cronies to murder you.

Universe 666 Babs Bunny: We can't forgive him for what he did!

Universe 666 Lexi Bunny: We know, Babs.

This is for what you did to our family!

Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and massive balls of darkness formed in front of his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he fired them at Daniel Derek Monroe and Audrey Monroe.

Then, we saw the horrible things happen to them: their eyes are first gouged out of their heads, next, their blood started flow out of slash wounds inflicted on them from out of nowhere, and finally, their black hearts forever darkened by evil were eventually torn apart by the spirits of their victims, and Daniel Derek Monroe and Audrey Monroe were dead as they fell to the ground, and Lincoln sent them to The Black Abyss forever. We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate.

Me: And to this we say, good riddance, you fucked-up psychos from Hell!

Eli: That's for sure.

Lincoln: Daniel may have been the one who killed Gramps years ago, but Flip was the mastermind behind it. Now, the three monsters that plagued our family by killing Gramps and causing so much trouble for everyone around us are gone for good.

?: (Norwegian Accent) Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long dark purple hair and ice blue flower in her hair, blue eyes, massive blue angel wings, she has a Vegvisir and Loki, Lord of the Aesir on her forehead, right arm, ice blue sleeveless crop top, and ice blue skirt, white gloves, blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, snow, ice, phoenixes, and angels on the coattails, and on the back is Loki, Lord of the Aesir, she has an ice greatsword in her right hand, and with her are the seven girls.

Lincoln: (GASPS) Anneliese Arneberg, Avatar and Gene-Slammer of Loki, Lord of the Aesir.

Anneliese Arneberg: (Norwegian Accent) That's right, and I got the girls away from those two psychos before they could kill them to slake their thirst for blood.

Me: Figures.

Eli: Those two were bloodthirsty monsters!

Lincoln: The worst, but now with them gone, no one will be harmed by them ever again. (To Anneliese Arneberg) And it's so good to see you again, Anneliese.

Anneliese Arneberg: (Norwegian Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Anneliese Arneberg had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Anneliese Arneberg was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Anneliese Arneberg: (Norwegian Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Anneliese Arneberg's waist and hugged her, and Anneliese Arneberg is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Anneliese Arneberg: (Norwegian Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Anneliese Arneberg, Avatar and Gene-Slammer of Loki, Lord of the Aesir, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Loki. Annelise Arneberg is one of the three founding members of The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of

Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Anneliese Arneberg moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Loki, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Loki, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there was one person whom she'd been wanting to kill all her life: and it was none other than Charles Montgomery Burns, and she was so sick and tired of what that bitter old vulture had done in the past, and she swore to make the streets run red with his blood.

Me: Lincoln told us everything yesterday, and we're also looking forward to tearing that bitter old vulture into tiny pieces.

Nico: That's for sure, and with the evidence we've been busy gathering on him and Lex Luthor, it's only a matter of time before they get their just desserts.

Lincoln: That's right. Plus, we've also been gathering tons of dirt on

Denzel Crocker, turns out this nutjob is worse than we first thought.

Lincoln summoned a black and red massive file cabinet and inside it were tons of folders and inside them were all of Crocker's crimes, and like he said, Crocker was even worse than we first thought. It wasn't just the kidnapping of Girl Jordan's father with the assistance of Burns along with all of the multitude of crimes he committed in the past in Dimmsdale, Fairy World, and Cincinnati, but also, it turns out this nutjob also had a permanent partnership with Burns and he also tried to create a very powerful atomic bomb to wipe out Fairy World and Dimmsdale and kill everyone there: fairy and human! HE WAS WORSE THAN FUCKED-UP INSANE, HE WAS AN ABSOLUTELY MONSTROUS AND COMPLETELY FUCKED UP INSANE LUNATIC TIMES INFINITY!

Me: What...the...FUCK?!

Courtney: Jeez! And I thought my former leader, Maxxie, was an absolute monster. Thank goodness Ed Cowart smashed his crotch into nothing.

Shelly: I hope he and Lincoln do the same to Archie.

Ed Cowart: We won't leave them like that forever. I was working on a Jutsu that instantly heals crotches that were destroyed, I call it Crotch Smash Instaheal Jutsu, it heals destroyed crotches instantly thus reversing the damage, and Archie and Maxxie are the perfect test subjects. (Realizes something) Oh shit.

Eli: You forgot to heal Maxxie before Lincoln put the cuffs on him and dragged his ass to Vypra, didn't you?

Ed Cowart: Excuse me for a second.

Ed Cowart beamed himself to The M.O.E. HQ in Montana, and he got to the sick bay, then, he got to Maxxie and used his Crotch Smash Instaheal Jutsu to heal his destroyed crotch instantly and reverse the damage he did, and then, he beamed back.

Ed Cowart: There.

Lincoln: We'll make sure to do the same thing to Archie, Ed.

Ed Cowart: Right.

Lincoln: And now that you're here, Anneliese.

Lincoln with his massive muscular arms still wrapped around Anneliese Arneberg's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings on hi 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Olivia Pedersen: (Norwegian Accent)(Norwegian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Anneliese Arneberg with dark purple gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Anneliese Arneberg: (Norwegian Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Anneliese Arneberg.

Anneliese Arneberg had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Anneliese Arneberg's waist, and he leaned down to her face and kissed her on the lips, and with Anneliese Arneberg's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Anneliese Arneberg had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Anneliese Arneberg: (Norwegian Accent) (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The seven girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the seven girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the seven girls are Asami Endou, Kouko Kadono, Kyouko Ookouchi, Makoto Minakami, Risa Shizuuchi, Sumino Kanazawa, and Yumi Kirikawa from Touch My Heart.

Lincoln: Oh whoa, it's Asami Endou, Kouko Kadono, Kyouko Ookouchi, Makoto Minakami, Risa Shizuuchi, Sumino Kanazawa, and Yumi Kirikawa from Touch My Heart.

Nicole: So, those were the girls Anneliese saved, and here's the thing: they're cute maids.

Lincoln: And those psychos tried to murder them to slake their thirst for blood, they both got what they deserved. Are you girls okay?

Asami Endou: Yes, we're okay, thanks to you.

Asami Endou: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost

and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Asami Endou: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Asami Endou, Kouko Kadono, Kyouko Ookouchi, Makoto Minakami, Risa Shizuuchi, Sumino Kanazawa, and Yumi Kirikawa with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That's another group of Universe 666 Nico's victims brought back, and we also put down those two psychos.

May: That's for sure. I can't believe they also came back as well.

Lincoln: They're not the ones we're going to face on Dad's big day, it's Guy Grazer, but we did good in getting rid of them for good.

Me: You said it.

Eli: Those two killers got what they deserved.

Lance Loud: And this was the first time I saw the killer who murdered Dad all those years ago, and I always knew Flip was nothing but trouble.

Lynn Sr.: And he was the one who orchestrated Dad's murder to get the safe he kept at home. Flip's greed proved too dangerous, and in the end, last year, it cost him his life. He should've never dared to hurt my family, and now, he and his family are gone forever along with the killer who murdered Dad on that Halloween night.

After Lincoln and all of us resurrected the Universe 666 Looney Tunes and Tiny Toons and killed Daniel Derek Monroe and Audrey Monroe and sent them to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Anneliese Arneberg saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Anneliese Arneberg: (Norwegian Accent) My God, I was right that Lincoln's really grown into an 18-year-old 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Anneliese, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Anneliese Arneberg: (Norwegian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian

Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Anneliese Arneberg: (Norwegian Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Sailor Moon, Mercury, Venus, Earth, Sun, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto, Minimoon, Ceres, Pallas, Juno, and Vesta came in.

Me: You girls holding up alright?

Sailor Mercury: We are, but I know it's going to happen very soon.

Sailor Venus: That's for sure.

Sailor Earth: And when we do go into labor, just be prepared because what we're gonna say during labor is gonna be...(GULPS) hideous.

We got nervous. Then, they went to get a glass of water, but then...!

GLASS SHATTERS! CACOPHANY OF SCREAMS!

We ran to the kitchen! Then, we saw water!

Lincoln: Girls, is it...!

Sailor Sun: It's time!

Me: SHIT! PEOPLE, IT'S TIME TO MOVE! GET TO THE HOSPITAL!

We immediately got cleaned up and rushed to the hospital and Naruto, Lincoln, and Clyde went in with the Sailor Soldiers.

Sailor Moon, Mercury, Venus, Earth, Sun, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto, Minimoon, Ceres, Pallas, Juno, and Vesta: (SCREAMS) OH, SWEET MERCY, IT HURTS! IT HURTS! NARUTO UZUMAKI-NAMIKAZE, LINCOLN LANDON LOUD, CLYDE MCBRIDE, THIS IS ALL YOUR FAULT! IF YOU EVER GET US PREGNANT AGAIN, WE'LL SEVER YOUR CROTCHES ALONG WITH YOUR ENTRAILS AND SHOVE THEM RIGHT DOWN EVERYONE'S THROATS AND MAKE YOU PEE IN THEIR STOMACHS!

WE HEARD THEIR LABOR PAIN YELLS, AND WE FAINTED!

FWOMP!

We woke up, and then, a few minutes later, Naruto, Lincoln, and Clyde came out with Sailor Moon, Mercury, Venus, Earth, Sun, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto, Minimoon, Ceres, Pallas, Juno, and Vesta, and they had two boys and two girls for each Sailor Soldier, and they were not only healthy and strong, but we also felt something very powerful in the babies.

Me: Oh wow!

May: Aw, look, they're so cute.

May was right: Naruto and Sailor Moon's two boys and two girls had their parents' blonde hair and blue eyes, but we also saw they had the Astrological sign of The Moon on their foreheads and a crescent Moon tattoo on their right shoulders.

Lincoln and Sailor Jupiter's two boys and two girls had their mom's brown hair with white streaks from their dad, the girls had their mom's emerald green eyes and the boys had their dad's deep sapphire blue eyes, and they had the Astrological sign of Jupiter on their foreheads and a Jupiter tattoo on their right arms.

Lincoln and Sailor Saturn's two boys and two girls had their mom's black hair with white streaks from their dad, the girls had their mom's purple eyes and the boys had their dad's deep sapphire blue eyes, and they had the Astrological sign of Saturn on their foreheads and a Saturn tattoo on their right arms.

Lincoln, Clyde, and Naruto got the girls and their newborn quadruplets to the nursery and the alarm was on silence, and we went back to the gym and continued working out.

Lincoln: Thank goodness Nico wasn't around to hear the labor pain cries.

Me: Me too, otherwise, he too would've fainted.

Eli: We also took photos of the kids, so he'll see them.

May: Nice. Oh, and it's time for us to take Nico to Bubblaine, that'll give you guys time to prep for his party.

Me: Alright, May. But, keep an eye out, Archie's still out there along with Team Aqua.

May: Good idea.

May and the harem formed clones and went with Nico. May and Nico's harem got a shower and they messaged Nico to meet them at Bubblaine, and Nico arrived dressed in dark blue beach shorts, and May and Nico's harem are dressed in two-piece colored bikinis.

Nico: Whoa, so we're here in Bubblaine, huh?

May: Yep.

Nico and his harem dived into the waters and as they started swimming, they saw the marine life that live in the sea. Then, they returned to the beach, and the girls gave Nico a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving them a deep tissue massage, and when he was done, the girls were literally relaxed. Then, they had a game of volleyball.

?: YOU GODDAMN APE! YOU'RE GOING TO PAY FOR WHAT YOU DID TO DARK SEBASTIAN!

Suddenly, they saw the human followers of Dark Sebastian coming at them!

May: What the?!

Nico: (Smirks) Gotcha now, you freaks!

Then, a myriad of traps went off, and the worshippers of Dark Sebastian were cut down and they were all killed.

May: Nice one! But, I thought all of them were...!

Nico: Most of them fled, and they waited for this right moment to attack us.

Then, a few minutes later, Trudy Lawrence got a message from Lincoln and all of us telling them to bring Nico back, it was time.

Later we were finishing up the decorations.

Me: Everything is perfect.

May: Everything set up?

Me: Yep. We're all set.

Qin: Better bring in the guest of honor.

I called Myotismon.

Me: Myotismon you can bring him in. We're ready.

Myotismon: (On the radio) Okay.

Lana: I'll keep an eye out.

Later Myotismon and Nico came back.

Lana: Here they come!

Me: Places!

We hid all over and the lights were off.

Nico and Myotismon were walking to Lynn's Table.

Nico: I hope everyone else was fine against Team Magma

Myotismon: Oh they did fine.

They went into the restaurant.

Nico: Why are the lights off?

Myotismon: I'll get them.

CLICK.

THEN...

Everyone: SURPRISE!

Mascots: HAPPY BIRTHDAY NICO!

Nico: (GASP) OH MY GOODNESS!

May: Happy Birthday Nico!

She hugged him!

Nico: You guys are the best!

Me: Ready to have the best party ever!?

Nico: YOU BET I AM!

Hun Gurr: First up is presents

We had LOTS OF PRESENTS!

May's present was an amazing elemental sword.

Maria's present was a new elemental sleeveless coat.

Poliwag and the mascots made him new flavors of beer.

Mine was a bunch of blasters.

Eli's was a lightsaber

The Loud Kids had a bunch of gifts and more.

We later had food and we ate LOTS OF CHICKEN WINGS of thousands of flavors and more!

G1 Snarl: You Nico get best cake!

Me: Bring it out!

We saw a HUGE CAKE and it was a cookies and cream cake and full of oreos and more!

Nico: WHOA WHAT A CAKE!

Me: Yep. And the best part is inside!

It rumbled and then...

POOF! Out of a cloud of confetti came May and Universe 666 May in smoking hot bikinis and had sashes on them for Nico's birthday!

May and Universe 666 May: HAPPY BIRTHDAY!

Nico: Nice!

Me: Yeah!

But then...

LOUD VOMIT STORM!

We saw a Dondozo VOMITING CHEESE ALL OVER THE JERKS!

Me: Whoa a Dondozo!

Qin: And it's vomiting cheese!? Funny!

Nico: How did that get here?

Me: Must be one of Dark Gale's work.

2003 Donny: Let me see.

He and his brothers used telepathy and gasped!

2003 Leo: Oh wow! It's our friend Catherina Matterhorn!

Me: Wait you know the legendary Queen of Junk Food!?

2003 Raph: We sure do!

2003 Mikey: Yep.

Me: Lets go help her.

We went to help her.

2003 Leo: Yo! Catherina it's us!

She threw up cheese on Horsea but she held her clone in front of her

KRASPLAT!

They both got REALLY DRENCHED IN CHEESE AND COVERED IN CHEESE WHEELS!

Horsea: (SLURPS) Yummy!

Me: Okay then.

I snapped my fingers and she reverted back and was a girl with blue hair and blue eyes and had red and yellow wings and had Dondozo on her forehead and had a cutie mark of the Matterhorn with cheesy pizza, hot dog, burger, and Grilled cheese sandwich and a fondue on her arm.

We wrapped her in a blanket and brought her to a table.

Me: There. Boy she is a cheesy one. More fun than Crackhouse Goofy.

Nico: Yep.

Crackhouse Goofy: (OFFSCREEN) (In the distance) OH HELL NO! I'M GOING TO KILL YOU J.D. YOU SON OF A BITCH! YOU DID NOT JUST SAY THAT! OH HELL NO!

Me: Here comes a party crasher. We'll be ready for him.

She woke up to see Horsea's smiling face

Catharina: (Groans) Huh? A Horsea?

Horsea: You covered me in cheese.

2003 Leo: Hey dudette.

Catherina: Hey guys!

She hugged them.

Catherina: Good to see you all!

2003 Donny: We were worried.

Me: You were turned into a Dondozo by Dark Gale.

Catherina: Oh man! I Remember!

She was in a blue suit and injected and turned into a Dondozo and she busted out.

FLASHBACK ENDS

Catherina: It was awful. (STOMACH GROWLS) Man I am hungry.

We gave her a huge amount of pizzas and she was eating them all!

Me: WHOA! You are hungry!

2003 Leo: She can eat as many pizzas as we can.

Me: Wow!

Nico: Save some for the birthday boy

Me: Now now we made many more for you.

We gave him food and more.

She was stuffed!

Me: Whoa you ate all those!? That is amazing.

Catherina: (LOUD BELCH) Oh sorry.

Me: No worries.

Catherina: Yeah. Also for Sonya's team I am the cheese master of the team and use cheese to bring our enemies in. Outside the team I'm a competitive eater and eat all foods.

Me: WHOA!

Nico: Where have you been all my life?

WE LAUGHED!

Nico: Yeah.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue clothes and a pizza sword.

Catherina: I look awesome!

Me: You sure do.

Crackhouse Goofy came in!

Crackhouse Goofy: YOU ARE FUCKING DEAD J.D.!

He went at me and had a mace and I punched him down and punched and bashed him!

BASH BASH BASH BASH BASH BASH BASH BASH BASH!

Catherina bashed him all over and we rolled him into the jerks and smashed them all over!

Nico: YEAH!

Me: Still funny.

Nico: How did the battle with Maxxie go?

Me: Really fun!

We told Nico how it went and more.

Ulrich: Now that I have my mascot, it's only a matter of time before I help kill Shredder.

RD Carol: The Utrom one

Me: That is for sure. And I will gladly kill him! Ch'Rell deserves death times infinity!

Camie: Big time!

Lola: Yeah!

Me: But the Tengu Shredder is gonna get it big!

Xenia: Yeah!

Catherina: Oh yeah. I'm grateful to you guys for killing him the first time

Me: No problem. I'm going to kill ALL of those motherfuckers.

Xenia: Yeah!

Me: They deserve the Black Abyss.

We later went back home.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our showdown with Archie starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Archie, and he and his Team Aqua grunts are at Aquaman's home, Atlantis, and are planning to attack it. When we saw it, we knew it mean trouble.

Lincoln, me, and Nico: OH HELL NO! Now, you're gonna fucking get it, Archie!

Eli: It's time!

Lincoln: That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Archie, and he and his Team Aqua grunts are at Aquaman's home, Atlantis, and are planning to attack it.

EVERYONE GASPED!

Shelly: I can't believe him, now he's gone too far!

Courtney: He's done now!

May: WHAT?! Oh, that is the last straw!

Ed Cowart: I am so going to smash his crotch into nothing!

Nico: J.D. told me of what you did to Maxxie. Damn, that was brutal, but at least, you healed his crotch and didn't leave it destroyed forever. But, now we got one last fucker to deal with. Alright, team, let's get to Atlantis at once, Archie and Team Aqua have gone too far attacking Aquaman's home!

Lincoln: He can regret it in prison for the rest of his life.

The previous group came.

Mirror Master: Can me, Angel, Springfield Mafia, Billy Numerous, Captain Boomerang, Mr. Fizz, Eccentro, Fireor, Chillyfish and Captain Cold go with you guys?

Louie: And Happy Birthday, Nico!

Legs: Here are our presents

They gave him all kinds of weapons and more.

Me: COOL!

Nico: And yes you all can come with.

Fat Tony: Awesome!

Qin: Yeah we had an awesome party.

Nico: Yeah we sure did!

Lola: Yeah!

Me: So we're going to Atlantis, Aquaman's home. This will be fitting and awesome.

Lola: Yeah we battled Maxxie in Mount Malefic and now we're going to Atlantis.

Aquaman: You'll be amazed by it.

Xenia: Cool!

Power Girl: Nico, which Gene Slammers do you think you'll meet next?

Nico: Number 58: Burning Visor and Number 57: Tri-Headed Dust Dragon.

Me: WHOA! This will be interesting.

Camie: Yep.

Qin: It sure will.

Xenia: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Scoots from 150,000 years hence who's been resurrected by Nikolai Ondrushko, and she's heading here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Scoots from 150,000 years hence who's been resurrected by Nikolai Ondrushko, and she's heading here to destroy us. Even in 150,000 years hence, she's been a major pain in the butt.

Draconia Burnwind: Well, we're going to make sure that old goat gets sent to The Black Abyss, and this time, for good.

Lincoln: Right, Draconia. Plus, it'll be good to get some more pent-up aggression out by taking it out on him.

Nico: Save room for me and J.D. as well, Lincoln, we'd already killed Scoots from our timeline, having that old goat from 150,000 years hence also running loose here is an absolute Hell freaking no way! Alright, team, let's go, the time to take down Archie and Team Aqua is on!

Lincoln: He's not getting her way any longer, this time, he and his grunts are done, and once we get done with them, Scoots from 150,000 years hence, you're finished!

Draconia Burnwind: You've lived for far too long, you old goat, this time, you're staying gone for good!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Atlantis to take down Archie and Team Aqua, and once we send them to prison for life, Draconia Burnwind and Lincoln are going to destroy Scoots from 150,000 years hence and send her to The Black Abyss.

We were off to Atlantis

Underwater in the Pacific Ocean we were over in the Domed City of Atlantis.

Me: WHOA! So this is Atlantis!

Aquaman: Yep welcome to Atlantis everyone.

Me: Wow! This is amazing Arthur!

Billy Numerous: Let's call Loki and Myotismon.

Me: Good idea!

We did so.

Loki: WOW! So this is Atlantis.

Nico: It sure is.

Myotismon: I'm looking forward to this one.

Me: It sure is cool.

Mera: It feels good to be home in Atlantis again.

Aquaman: I was getting homesick.

Me: And underwater too. Fitting for Team Aqua.

Kevin Levin: Hey, William. Is Eevee enjoying this place?

William: He sure is.

May: So is Glaceon.

Me: All our Pokemon think it's cool.

Myotismon: That is amazing that you guys battled Maxxie at Mount Malefic.

Me: And it was fitting too since it was a volcano. Also this is perfect for this too because we're entering a battle thats been around since the beginning of the universe: Fire VS Water.

Nico: Yep.

Me: Ever since the beginning of time, Fire and Water have been going at it ever since.

Mr. Fizz: Nico, here's some soda for your birthday

Nico: OOH! Thanks.

Nico got out a mug and he filled it up and it was Blue Raspberry Cream Soda and he drank it down.

Nico: Ahh. (LOUD BELCH) Oh pardon me.

Xenia: Nice.

Burst Man: You enjoying your birthday so far, Nico?

Nico: I sure am! It's fun!

Me: Yeah!

Xenia: So fun!

Me: Yep.

Lola: Boy last time we battled Teams Aqua and Magma was back in 2019.

Me: I remember that. We battled them after meeting John and his siblings.

Stacy Bolton: I remember that!

Anemone: I wonder what makes this version of Atlantis different from the others

Me: Well the Atlantis we saw from Disney was buried under the Earth for over 10,000 years.

Hannah Fairchild: Atlantis from Dartz was destroyed by the Orichalcos.

Aquaman: This one is a domed city.

Me: And the Underground City was Atlantis from long ago.

Camie: Yep.

Fireor: SpongeBob went to a version of Atlantis too

SpongeBob: I sure did.

Me: Wow!

Qin: Yep.

Lola: Yeah.

But then...

MASSIVE VOMIT BLAST!

A massive blast of cheese vomit and cheese wheels drenched Dawn Eclipse!

Me: OH SICK!

Dawn Eclipse: HEY! Catherina!?

Catherina: It wasn't me!

Captain Cold: Then who was it?

Me: It was him!

We saw a man with a cheesehead and had a white shirt and black pants!

Lincoln: Oh man! That's Nico's 2nd Akuma, Dr. Cheesechucker! The 2nd Hypothetical Akuma of Nico Chan and a really funny one. He is a doctor that hurls cheese and he can vomit many kinds of cheese. He was made because of those aliens stealing cheese factories and it made him so angry that he vowed to wipe out all the cheese haters in the world including those aliens.

WE GASPED!

He showed a sketch of him vomiting cheese and cheese wheels!

Me: He is a doctor that vomits cheese and cheese wheels!? That is funny!

Exhaust: Did he see us?

Me: I think...

He saw us.

Me: Yes he did.

Qin: Good grief! Nico is that you?

Dr. Cheesechucker: Yes it's still me. (HURLS CHEESE)

Nico ate the cheese and cheese wheels!

Nico: (GULP) YUMMY!

Chillyfish: You need to calm down!

ALL HE DID WAS HURL CHEESE ALL OVER CHILLYFISH!

Me: Okay time to grill this curdpuking nightmare!

I got out two big slices of bread and put him in the middle of one.

I Fired a massive blast of fire and it hit him and he screamed in pain! HE WAS MELTING!

Poromon: He's melting.

Poliwag: What a world.

We saw that he was really made entirely out of PURE CHEESE!

Me: He's made of pure cheese!

Xenia: GEEZ!

I put the top bread half on and put garlic butter on it.

Me: Eat up Nico. That's how you make the largest Grilled Cheese Sandwich.

Nico: I can see that.

Me: Yep. The Wicked Witch of the West melted with water. Dr. Cheesechucker melted with pure fire.

Nico got to eating.

Me: And he is a great cheese sandwich on Garlic Toast.

Qin: Yep.

WE LAUGHED!

Me: Yep.

Suddenly I felt a massive cold blast.

Me: (YELPS!) WHAT THE!?

I saw my back REALLY FROZEN WITH ICE!

Me: That is cold!

Manaphy: What did that!?

Yoshi stuck his tongue out at the ice

It shattered.

Me: Thanks Yoshi.

Yoshi: No problem.

Me: Man something got me cold.

Luan: At least it wasn't you getting COLD Feet! (LAUGHS) Get it?

WE LAUGHED!

Eddy: (LAUGHS) Good one!

Me: That was a good one.

Lincoln: Actually that was the world of May's Akuma, Princess Cryocold! The 2nd Hypothetical Akuma of May and she is a master of ice and cold and subzero freezing temperatures. She was made because of Paul belittling Nico and causing him to commit suicide and she vowed to kill that cold-hearted brat and make him suffer!

WE GASPED!

Me: WHAT!? (GROWLS FEROCIOUSLY!) THAT MOTHERFUCKER DID WHAT!?

He showed us a sketch of her and she was a girl with white hair and royal clothes and ahd ice powers and blue wings.

Me: WHOA! She looks cold!

Camie: Boy First May's Akuma was a Queen of Ice and now we have a Princess!

RD Lola: I bet I can melt her easily

Me: Ash, I'm about 15 seconds away from killing Paul and sending him to the Black Abyss before your day comes!

Nico: Relax, J.D. We pretty much took all his Pokémon and destroyed his Another Lord Baron form. There's not much he can do in order to fight on our level.

Me: Well I still have some words to say to him. And I'm going to REALLY GIVE him a piece of my fucking mind. The one from Princess Cryocold's world.

Nico: That you can do.

Me: Yep. Now where is she?

Elsa: She would actually get along good with me

Me: I agree Elsa.

Lana: Same here.

Qin: LOOK!

We saw a flying snowflake and then it landed and out came PRINCESS CRYOCOLD!

Me: WHOA!

Qin: WOW!

Princess Cryocold: Hey guys! (GASP) NICO!

She went and hugged him and then cried hard into him and May and

Universe 666 May and Nico comforted her.

Eccentro: May? Is that you?

Lily: It's still her Eccentro but let her calm down by hugging Nico.

Eccentro: Oh. Sorry.

Nico: I know. You lost everything May. I know.

Me: Poor May. But lets see.

I looked around and saw Paul from her world!

Me: GOTCHA!

I grabbed him.

Evil Paul: HEY! LET ME GO FATASS!

Me: Me? A Fatass?

POW!

I punched him.

Me: Now I got something to say to you! Also May, you are gonna want to watch this.

Princess Cryocold: (Sniffles) Okay.

Me: (GETS IN HIS FACE) YOU LISTEN TO ME YOU PURPLE-HAIRED MOTHERFUCKING DOUCHEBAG! I HATE YOU MORE THAN LIFE ITSELF FOR EVERYTHING YOU DID TO ASH AND FRIENDS ESPECIALLY FOR SENDING THE SINISTER SIX FOR TRYING TO KILL ASH! YOU THINK YOU ARE SO MUCH BETTER THAN EVERYONE ELSE BUT FROM WHAT EVERYONE SAW IN THE WORLD OF POKEMON YOU ARE NOTHING MORE THAN A HEARTLESS MOTHERFUCKING PISSANT JERK THAT CLAIMS TO BE THE BEST! BUT THE TRUTH IS YOU ARE NOTHING MORE THAN A SELFISH, EVIL, HEARTLESS, ASSHOLE BULLY AND A JERK THAT HATES EVERYTHING AND EVERYONE AND

MAKES THEM WEAK AND YOU TREAT POKEMON AS IF THEY ARE NOTHING BUT TOOLS AND WEAPONS! THAT IS SICK! YOU ARE THE WORST TRAINER EVER! AND YOU DROVE MY BEST FRIEND NICO TO KILL HIMSELF! YOU ARE NOTHING BUT A COLD-HEARTED MURDERER AND A WORTHLESS PIECE OF SHIT! NICO WENT THROUGH ENOUGH SHIT DURING THE 20 DAYS OF DARKNESS AND YOU MADE HIM KILL HIMSELF WHICH IS BEYOND PURE EVIL! YOU DON'T CARE ABOUT POKEMON OR ANYONE AROUND YOU! YOU ONLY CARE ABOUT NO ONE BUT YOURSELF AND THAT IS WHY NO ONE CARES ABOUT YOU! Let me warn you. You do anything like this again, I will know about it and I WILL FUCKING RIP YOUR HEART AND YOUR BRAIN OUT AND EAT THEM! DO YOU FUCKING UNDERSTAND ME! YOU MOTHERFUCKING SACK OF SHIT!

Nico: WHOA! HARSH!

Qin: BRUTAL!

Evil Paul: You can't!

Me: YES I CAN! Because you are nothing more BUT A VILE, CRUEL, CANTANKEROUS, VAIN LITTLE BOY!

Nico: (Cheers) WELL SAID!

Thor: Well done J.D.!

Princess Cryocold: That was good!

Manaphy got on her head.

Manaphy: Do you still recognize me, Mama?

Princess Cryocold: How can I not recognize my little beautiful girl. You are still the same and beautiful girl I hatched.

Loki: Please calm down after this

Princess Cryocold: Sure. First this. J.D.?

Me: With pleasure. Eli?

Eli got a post ready and tied him up.

Me: Good. Now this.

I fired a beam of magic with Diabolico's powers and then a cobra appeared on his back.

Me: You now have 30 seconds to live.

We counted down.

We saw the cobra move up his back slowly and slowly.

Nico: Looks like we're going to see the cobra curse work to make up for it in 2022.

Loki: We're still fighting you, aren't we?

Princess Cryocold: I know. I want to see this.

Me: 3...2...1...

The cobra jumped out and Paul screamed and then...

CHOMP!

IT BIT HIM ON HIS NECK AND HE BURSTED INTO INTENSE BLACK FLAMES AND WAS JUDGED BY THE SPIRITS!

Spirits: GUILTY!

Then the kanji for Abyss appeared on his forehead and he was fading.

Evil Paul: NO! NO! THIS CAN'T BE HAPPENING! I FUCKING HATE YOU ASH KETCHUM! I HATE YOUR FUCKING WHORE NICO! I FUCKING HATE YOU ALLL! (FADES)

HE WAS DEAD AND BANISHED TO THE BLACK ABYSS!

Nico: WHOA! HOLY FUCKING SHIT! THAT WAS BRUTAL!

Me: Yep!

Nico: You used the Curse of The Cobra and imbued it with the Black Abyss.

Me: Yep. I decided that waiting for 6 months to 2 years would be too long. So I shortened it down to 30 seconds.

Nico: Wise choice.

Me: Yep. Does that make up for missing it?

Nico: It does!

Me: Cool.

Princess Cryocold: Thank you guys.

Me: Anytime. Sorry we have to do this.

Princess Cryocold: No worries. Have at thee!

Me: Have at thee!

I fired waves of fire and blasted her all over!

Loki charged at her and blasted her with lightning.

Princess Cryocold: My turn!

She fired waves of cold and I fired waves of intense fire and the blasts collided and massive clouds of steam came out and my blast overtook hers and blasted her down.

Me: WHOA!

I helped her up.

Princess Cryocold: That was fun!

Me: Cool!

Princess Cryocold: Now I can be in the M.O.E. And be with you guys in the Redemption Squad.

Me: Awesome!

Elsa: You and I are going to get along great.

Princess Cryocold: We sure are.

Me: Yep. Also Nico to be honest, it was my first time doing that curse.

Ryan: Don't use it on me J.D.

Me: I wouldn't even consider it Ryan. I will never forget how much pain the Curse caused you though. That was terrible!

Ryan: I know. Almost killed me had I not destroyed Cobra Incarnate.

Me: Yeah.

Loki: I'll get the usual battle members ready.

Edward: You go do that.

He left.

Me: Okay now for the main event.

Captain Boomerang: (Australian Accent) Let's look all over the entire place if we have to

Eli: Not needed. I sense him in there.

He pointed to the palace.

Me: In the palace.

Nico: Lets get him. Entrance time.

We heard the sounds of maniacal laughter coming from Archie and Team Aqua as they're attacking Atlantean forces.

Archie: CHARGE! TODAY, TEAM LOUD PHOENIX STORM WILL FALL ALONG WITH TEAM MAGMA AND TEAM AQUA WILL RULE THE WORLD!

Caleb Maxwell: You...! You goddamn...!

Caleb's bloodlust was suddenly rising like crazy!

Me: Oh crap...!

Nico: Lincoln!

Lincoln: On it. (YELLING AT THE TOP OF HIS LUNGS) OH, SHUT YOUR BIG FAT MOUTH ALREADY, ARCHIE! YOU'RE NEVER RULING THE WORLD NOT AS LONG AS WE'RE HERE!

Lincoln's booming voice sent the Team Aqua grunts flying into the air only to come crashing down to the sea floor.

Eli: Jeez, that was loud!

Luna: And I thought I was loud!

Lincoln: It's about to get even louder! (Water swirled around him) The Alpha Ocean will flood Team Aqua!

Suddenly, the symbol we used against Team Aqua appeared in the sky, and blasts of water fell to the ground, and they attacked Archie and the Team Aqua grunts, and we then landed, and that pissed off Archie and Team Aqua.

Me: Long time no punch Archie!

POW!

I punched him.

Me: You've got some fucking nerve showing your face here, Archie!

We then saw the Monitor Orb embedded in his forehead!

Nico: And it was thanks to Anti-Monitor no doubt!

Archie: Laugh while you can, Team Loud Phoenix Storm! I will still destroy you all and Team Magma and we will rule the world!

Courtney: Shut it already! We already took down Maxxie and sent him to prison!

Shelly: And now, all that's left is to deal with you, Archie.

Archie: SHELLY, YOU TRAITOR!

Archie went at Shelly to kill her, but Lincoln fired a red Death Beam that hit The Monitor Orb and shattered, and not only did we gain a massive power boost, but Archie screamed in pain as he clutched his forehead in pain.

Lincoln: Get away from my future wives, you bitch!

Maria: Hah, that'll shut him up!

Me: That's for sure.

I punched him in his stomach and kicked him down!

He got up and saw us.

Archie: Maxxie fought you after me last time. But now, I have you all to myself!

Android 21: Thanks for pointing that out.

Me: Well news flash bub. Maxxie and Team Magma are all in jail.

Shelly: Except for me and Courtney!

Archie: SHELLY! YOU TRAITOR!

Fat Tony: You like water, huh? How about you take a swim with the fishes?

Me: Normally the term is Sleep with The Fishes. But nice one.

I kicked Archie down.

Ribombee and Manaphy fired energy blasts and smashed him all over.

Leia Nocturne: Also another thing, you want to use the power of

Kyogre? I'm going to make sure you pay for it?

She fired waves of water and drenched him.

Archie (to the mascots): Most of you are water types. Shame you sided against us. But I'm fine with the Poromon and Jirachi dying.

Poromon: You don't have to be a jerk about it.

Future Maria: And Horsea's not joining you!

Me: And they never will!

I fired waves of energy and blasted him

Xenia fired an arrow and it skewered him in his leg!

Angel: Catch me if you can!

She flew around and bashed and blasted him.

Me: I saw this one on TV.

I went and grabbed Archie by his neck and bashed him on his head like Spike does to Tom.

BOP BOP BOP BOP BOP BOP!

I strangled him!

I then punched him in his face brutally!

BAM BAM BAP BAP BAP BAP BAP!

Skyla and Honedge charged at him and slashed and blasted him.

Skyla and Honedge: SLASHING WIND BLAST!

They fired blades of wind and blasted him and his grunts..

Zoe and Shedinja charged at him And blasted him with wind.

Zoe and Shedinja: WINDSTORM WATER BURST!

They fired waves of water and wind and blasted Archie and his grunts all over.

Biyomon: Groudon would like a word with you

Sora Takenouchi and Groudon charged at him. They fired waves of fire and blasted them.

Sora and Groudon: FIRESTORM LOVE BLAST!

Biyomon: (Echoing) SPIRAL TWISTER!

They fired waves of energy and fire and blasted Archie and his men!

Ben and Moltres charged at him and blasted him with fire.

Ben and Moltres: HYPER FIRE BLAST!

They fired waves of intense fire and blasted Archie and grunts all over.

Me: YEAH!

Julie and Entei charged at him And blasted him with fire.

Julie and Entei: VOLCANIC FLAME BURST!

They fired waves of energy and fire and blasted Archie and grunts.

Me: How do you like that Archie you fat piece of crap!

Archie: WHAT DID YOU CALL ME!?

Me: A Fat Piece of Crap!

Gwen and Reshiram charged at him And blasted him with energy.

Gwen and Reshiram: MANA DARKNESS BLAST!

They fired waves of energy and blasted him all over!

Linka and Cobalion charged at him and fired waves of lightning and energy.

Linka and Cobalion: LIGHTNING SWORD BLAST!

They fired waves of lightning and blades.

Catherina: Lets go guys!

2003 Leo: YEAH!

Catherina and 2003 Turtle Brothers: CHEESE TURTLE BLAST!

They fired waves of cheese and energy and blasted Archie and grunts all over!

Wheeler and Deoxys charged at him And blasted him with energy.

Wheeler and Deoxys: DNA FLAME BLAST!

They fired waves of energy and fire and blasted him.

Gi and Xerneas charged at him and blasted him with water and arrows.

Gi and Xerneas: LIFE ARROW BARRAGE!

They fired waves of life and arrows and smashed him.

Qin and Dialga charged at him and blasted him with energy and time energy.

Qin and Dialga: DRAGON TIME ROAR!

They fired a massive blast of blue energy and blasted all the grunts and they were turned into old men!

Shelly: Ha! Now that is more like it!

Lincoln: Now, let me trash him and his thugs and piss him off even more.

Me: Holy shit! He's going wild on them!

Luna: That's for sure!

Nico: Is this what he did against Maxxie and his Team Magma grunts?

Then, Lincoln took the air and he snapped his left hand's fingers and five massive orbiting balls of fire appeared orbiting around the Team Aqua grunts, and then, they collided and they exploded as they hit the Team Aqua grunts, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16.

Ed Cowart: All right, you water pokecrackcase, now you get yours!

Ed Cowart proceeds to insult Archie!

Ed Cowart: You look dull and ugly more so than Yzma. You must be a Water Pokemon lover to be wanting Kyogre cause sadly the Fire Pokemon and Kyogre would reject you on the spot and call you ugly beyond all reason. I bet you're both too lazy to do all of it yourself, if you have so many goons who are likely cop fodder! In other words, you failed at life. Prepare your ass for defeat and one last thing?

Ed Cowart punched Maxxie and broke his nose and teeth, then he turned Archie into an accordion and played him like it too. Then, he threw Archie to a vat of hot spaghetti sauce then covered them with spaghetti noodles and meatballs and invited Italian people slurp up the spaghetti dinner off him.

Then, he wedgied Archie and pulled his underwear over his head!

Ed Cowart: WEDGIE!

Then, Ed Cowart covered Archie with honey and bird seed and summoned birds to peck him all over. Then, he fired 5,000 coconuts at Archie which bonked his head.

Patrick Star: (LAUGHS) THAT GUY GOT HIT IN THE HEAD WITH A BUNCH OF COCONUTS!

Same with Cookie!

Cookie: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Wailmer and Dondozo and blasted him all over the place.

Manaphy latched onto Archie's face and punched him all over.

Whirlin: WOW! You guys had probably the largest ever baby shower of all.

Sento: We sure did. Also for the battle with Maxxie we raided Mount Malefic. We found out that he was over in that area so we raided Mount Malefic.

Whirlin: Opaline didn't see you guys there did she?

Sento: No she didn't thankfully. We went around her castle to Mount Malefic and raided the volcano lair of Royal Pain. When we did we found a massive treasure trove of inventions and weapons as well as spellbooks and many artifacts from our adventures and even adventures we didn't do.

Whirlin: WOW! She had a massive arsenal of stuff!

Sento: No kidding! They were all mostly artifacts from adventures J.D. did years ago before he started the team.

Aquagirl: It was really something! Also we found some massive plans that show what Teams Aqua and Magma are going to do. We found out that they were going to finish what they started in the past before we destroyed them. Team Magma is going to use the power of Groudon to cover the Earth in more land and volcanoes and Team Aqua is going to flood the Earth in only ocean.

Whirlin: Both those plans are absolutely doomed from the start. If they do that it will mean the extinction of everything. Humans, Pokemon and life alike.

Aquagirl: That's right.

Twilight Sparkle: We are not going to let them do that.

Stellar Sparkle: Surprisingly before many of us joined the team we found out that Team Loud Phoenix Storm destroyed Teams Aqua and Magma before and that was right after they met the Bolton Siblings and started meeting the gene-slammers.

Harmony Sparkle: Yeah that was something.

Starshine Sparkle: It sure was amazing!

Lori: Serves you right, you old goat!

Draconia Burnwind: Even after 150,000 years, she's still a lowlife even now. Alright, I think it's time we get rid of you forever.

Suddenly, Draconia Burnwind's blue eyes turned neon blue, and she was surrounded by a red, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, fire, flames, dragons, phoenixes, and angels, and as she approached Scoots from 150,000 years hence, she left red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, fire, flames, dragons, phoenixes, and angels with every step.

Time to die, you old goat!

Lincoln, Draconia Burnwind, Nico, and I went after Scoots from 150,000 years hence and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Scoots from 150,000 years hence, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Draconia Burnwind did the same by firing red, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Draconia Burnwind, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Scoots from 150,000 years hence even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Scoots from 150,000 years hence and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Scoots from 150,000 years hence.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Scoots from 150,000 years hence and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword.

Finally, Draconia Burnwind and Lincoln fired a massive rainbow energy beam with elements at Scoots from 150,000 years hence, and the blasts sent her flying out into space, and...!

KRABOOM!

THE BEAM EXPLODED OUT INTO SPACE AND SCOOTS FROM 150,000 YEARS HENCE WAS KILLED IN THE EXPLOSION AND SHE WAS SENT TO THE BLACK ABYSS!

We cheered wildly as we holstered our weapons and powered down and Draconia Burnwind's new body, clothes, weapons, jewelry, Third Eye, one-hundred massive and long red wolf tails, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded red gems behind the gold rings behind her head, one-hundred large red planets orbiting around her legs, one-hundred smaller red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized red planets orbiting around her wrists and ankles, and massive red angel wings and ninety-nine sets of large red angel wings underneath her massive red angel wings are permanent.

Draconia Burnwind: This is for all the times you've tried to kill our man, his family, his friends, and everyone he loves and cares about. Thanks for helping me get rid of Scoots from 150,000 years hence, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Draconia.

Me and Nico: Our pleasure, Draconia.

Suddenly, Draconia Burnwind wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Draconia Burnwind's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Draconia Burnwind sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Tara Toonamine: I didn't expect Scoots from our timeline to return from the dead, and she had some nerve though. She thought she could get away with her crimes?! She's dead wrong!

Me: That's right. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the Vegvisir appear in the skies along with the Duel Monster, Thor, Lord of the Aesir, and Thor, Norse God of Thunder.

Lincoln: The Vegvisir and the Duel Monster, Thor, Lord of the Aesir, and Loki, Thor, Norse God of Thunder.

Astrid Michelsen: (Norwegian Accent) There's one person who fits that: Caroline Arvesen, Avatar and Gene-Slammer of Thor, Lord of the Aesir, and you guys are going to love meeting her, Caroline Arvesen, Avatar and Gene-Slammer of Thor, Lord of the Aesir, is Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Thor. Caroline Arvesen is one of the three founding members of The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic

Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Caroline Arvesen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Thor, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Thor, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there was one person whom she'd been wanting to kill all her life: and it was none other than Denzel Quincy Crocker, and she was so sick and tired of what that deranged fairy-obsessed loon had done in the past, and she swore to make the streets run red with his blood.

Nico: Oh shit! So, we're not the only ones who hated that fucked-up loon.

Me: We're bound to face him on my big day.

Lincoln: That's for sure. After we expose all of his crimes, we're gonna make sure he suffers dearly before we send him to The Black Abyss forever.

Machinedramon: Hope you had a happy birthday, Nico!

Nico: I sure did.

Mortal Kombat Scorpion: That's good.

Me: I think Nico had the best day ever!

Juggernaut: Let's end the day with dinner at a restaurant.

Nico: COOL!

May: Good idea. (smirks) And then, me and Nico can have fun in bed.

Count Vertigo: What did Nicole just say about-

Scorpion: Dude, I think the two have them have earned it.

Nicole: Well okay. But next time I will throttle you!

Nico: But thank you guys! Awesome job!

Me: No problem buddy!

BOOF!

i kicked Nico in his butt!

Me: Sorry. Birthday butt kick.

May: (To the viewers) THIS WAS SO FUN!

Me: YEAH IT WAS!

We went to Dante's Hellfire Hole and had a great meal!

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: Whew, man, that was one awesome day.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there lying on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was Vinna Laval and she was posing seductively, and when Lincoln saw her, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Vinna Laval: (Seductive Voice) Like what you see, wolf hunk?

Lincoln could only nod, and then, Vinna Laval went up to Lincoln, and she stripped him of his white and gold-trimmed shorts, gold-armored knee-high boots, and orange loincloth, and leaving him in his underwear, but she really aroused him.

Vinna Laval: (Rubs Lincoln's massive pecs) You're even more of an impressive hunk especially in your underwear, now I can see more of your built manly legs and the very thing that has gotten the girls in your harem pregnant with many children. (Seductive Voice) And satisfied them every single time and every night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Then, Lincoln wrapped his arms around Vinna Laval and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and Vinna had her hand on his underwear about to remove it and leave him in the nude, and his entire harem dressed only in strapless bras and panties also appeared as well.

Lincoln: (Seductive Voice) (Smirks) Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile in Japan, the Mega Monster Battle: Ultra Galaxy team was getting ready.

Rei: I'm excited for this!

Io Mikura: Me too!

Rei: Lola and the team are coming.

Io: Yep.

Rei: Lets get ready!

They transformed and went at the screen and it froze.

TO BE CONTINUED!

Alright, and now, for tomorrow, for Phase 2, it's Lola Loud, Flare Firestar, and Kimi Lao VS. Father for Phase 2

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Denver, Colorado, and there is a reason: according to Universe 666 Lincoln, the spirits of the Universe 666 versions of Universe 666 Nico's family and harem were sighted there, and unlike that snake, they were among those who turned against him and tried to warn TLPS about that snake, but before they could contact us, they too were killed and their spirits were trapped there. We're going to bring them back from the dead, and after that, we're going after our main target: his name is Nathan Tarbol, and even worse, he's the younger brother of Oliver Tarbol, the fucked-up powerhungry mage and enemy of J.D. Knudson, and he's just as, if not even more fucked up than Oliver Tarbol: he's excessively fucked-up, excessively monstrous, excessively murderous, and extremely powerhungry, and he's out for one thing: revenge on us for killing Oliver Tarbol when Morgana Midnight Sparkle and her minions resurrected him from The Black Gates months ago, and he doesn't care that we're infinitely far more powerful than him and his fucked-up brother, and that's the mistake he's going to regret. We're taking him down and Lincoln's going to use a powerful curse that'll not only kill Nathan Tarbol and send him to The Black Abyss, but it'll also affect all those in his fucking bloodline, and all of them will be destroyed forever and sent to The Black Abyss for eternity, never to be reborn ever again!

And we're going to meet the next Nordic Avatar and Gene-Slammer, her name is Caroline Arvesen, Avatar and Gene-Slammer of Thor, Lord of the Aesir, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Thor. See you all next time

THE PRINCESS OF FIRE VS EVIL PARENTS

BUCKLE YOUR SEATBELTS EVERYONE! THIS IS GONNA BE EXPLOSIVE!

This chapter is for Mega Monster Battle: Ultra Galaxy

In the early morning hours of 12:24 AM, Lincoln was asleep along with his harem, and he had a dream and it took him to Denver, Colorado, but this wasn't good, and as he was flying, he saw a deranged raging man, but he had the same brown hair as Oliver Tarbol, the powerhungry mage and my hated enemy along with that same aura of powerhungry evil, but he was infinite-times worse than him: his name was Nathan Tarbol, the younger brother of Oliver Tarbol, and he's just as, if not even more fucked up than his older brother: he's excessively fucked-up, excessively monstrous, excessively murderous, and extremely powerhungry, and he's out for one thing: revenge on us for killing Oliver Tarbol when Morgana Midnight Sparkle and her minions resurrected him from The Black Gates months ago, and he doesn't care that we're infinitely far more powerful than him and his fucked-up brother. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what's wrong?

Lincoln: You're not going to like it.

Lincoln told them, and when he was done, they were pissed!

Selene Arcangela: You've got to be kidding me! So, the fucked-up legacy of Oliver Tarbol is here in Denver, Colorado?!

Selene Emperyous: Unbelievable. Just when I thought we were done with Oliver Tarbol for good.

Lincoln 2: (Through the Rainbow Thunderbird and animals on

Lincoln's forehead) And I knew that dark presence looked familiar. I did some looking in the expanding library in your mindscape, and I found the volume of history pertaining to the war 250 billion years ago, the war that began between J.D.'s father and his people and the ice wielders of The Ice Kingdom, it was all part of a plot created by Alexander Tarbol, he was an absolute monster worse than Oliver Tarbol and Nathan Tarbol, he wanted nothing more than to destroy both the fire and ice wielders and destroy the entire universe to remake it in his image.

THEY GASPED IN HORROR!

Lincoln: I don't believe it, from what you're telling me, The Tarbol Family is full of monsters! That is it, when we face Nathan Tarbol, I got a powerful curse that'll not only kill Nathan Tarbol and send him to The Black Abyss, but it'll also affect all those in his bloodline, and all of them will be destroyed forever and sent to The Black Abyss for eternity, never to be reborn ever again!

Michelle Emperyous: Awesome. But, we're still telling everyone about this tomorrow, right?

Lincoln: Yep.

Suddenly, a massive tornado of souls appeared in Lincoln's room numbering in the quadrillions: they were the quadrillions of souls of mages who were killed by Alexander Tarbol 250 billion years ago.

Lincoln: Who are...?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Those souls, they are the quadrillions of mages who were killed by Alexander Tarbol 250 billion years ago, they and the Ancient Order of Arcana tried to destroy Alexander Tarbol before he could put his plan into action, but he killed them and imprisoned their souls in a well. But, when Oliver Tarbol was killed and forever sent to The Black Abyss, the well opened, and they were freed, and before you ask, The Ancient Order of Arcana is an ancient organization of mages who fought against the forces of evil alongside J.D.'s father all those eons ago, and they are very powerful masters of magic and all forms of magic and the magic arts.

Lincoln: Unreal!

Suddenly, the quadrillions of souls of mages who were killed by Alexander Tarbol 250 billion years ago suddenly began entering Lincoln's body and they began merging with him one by one, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue magic fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well and he let pounded his chest like a gorilla.

Lincoln: (GROWLS) Oh man, now that was really intense! (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

Their noses were gushing out blood like a fountain, and they dogpiled on Lincoln: they were in for yet another wild night. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain. Last night, Lincoln's dream took him to Denver, Colorado.

Then, as soon as Lincoln and Lincoln 2 were done explaining, we were pissed!

Me: I don't believe it, so Oliver Tarbol's excessively fucked-up, excessively monstrous, excessively murderous, and extremely powerhungry younger brother is in Denver and he's out for revenge on us?!

Nico: Just for getting rid of his powerhungry fucked-up older brother?! They're both despicable!

Lincoln: Not to worry, on my rescue, we're getting rid of that sack of shit and with a powerful curse I made for him and his entire family.

J.D. 2: And all this time, the war that started, it was part of Alexander Tarbol's plot to destroy the entire universe and remake it in his image, and Oliver and Nathan inherited that along with their entire family, and the quadrillions of souls of mages and The Ancient Order of Arcana merged with Lincoln when they went into his body and he gained all their immense magic powers. Lincoln, I hope you make Nathan Tarbol pay with his life.

Lincoln: I will. Alright, now let's finish breakfast and head for Third Earth, Mumm-Ra from 1985 is causing trouble again!

Me: What?!

Nico: Uh oh, we better hurry.

Lola woke up to see the 4 Oricorio staring at her.

Oricorio Quartet: MORNING LOLA!

Me: Don't jinx it.

Poromon: I'd pay to see that!

Me: I would too.

WE LAUGHED!

Nico: Yeah.

We continued.

Nico: So we're going to battle Mumm-Ra from 1985? This is gonna be epic!

Me: It sure is.

Ymir: Who is Mumm-Ra?

Me: The main bad guy of the Thundercats. For over 39 years, Mumm-Ra has been a nasty thorn in the Thundercats sides.

I went over his history.

Mumm-Ra is an ancient mummy that serves the four Ancient Spirits of Evil and is the main antagonist of the original ThunderCats series.

He was voiced by the late Earl Hammond in the original series.

In Wildstorm's comic Thundercats Origins: Heroes and Villains an ancient Egyptian man named Wahankh - one of the reigning Pharaoh's most trusted advisers - decided to betray the Pharaoh and overthrow him in a coup. Wahankh used four magic runes which represented each of the spirits to summon them for the first time. When they appeared Wahankh requested they grant him some of their power in order to overthrow the Pharaoh and in exchange he would rule Egypt as their humble servant.

The spirits granted Wahankh's request. They infused Wahankh with their evil power, creating a powerful sorcerer. Wahankh's body mutated into a cadaverous grey form, and he was given the new name Mumm-Ra.

Mumm-Ra confronted the Pharaoh and demanded he bow down in front of him. However the Pharaoh's son soon defeated him in battle. Due to his years of loyal service the Pharaoh - unaware that his former adviser was now immortal - decided to grant Wahankh a noble death, being entombed alive as a mummified being in a pyramid. The Pharaoh's son, who was fully aware of Mumm-Ra's immortality took great joy in seeing Mumm-Ra entombed.

Following his entombment Mumm-Ra begged the Ancient Spirits to help him. However the spirits were not having any of that due to Mumm-Ra's incompetence in facing the Pharaoh. They ordered their servant to build the four giant statues seen in his pyramid, a task that would take over 600 years to finish. Once he completed his task they gave him the ability to become Mumm-Ra, the Ever-Living - a being of great power with the capability to defeat any Pharaoh.

An ancient native to Third-Earth, Mumm-Ra was the servant of the Ancient Spirits of Evil, four god-like beings of incredible power. However they could not extend their influence beyond the Black Pyramid that contained four statues of them. Thus the Spirits of Evil used Mumm-Ra to extend their influence upon Third Earth, providing him with a sarcophagus that granted him eternal life. After the Mutants of Plun-Darr came to Third Earth in pursuit of the Thundercats, they came across Mumm-Ra's pyramid. He forced them join forces with him to obtain the Sword of Omens. However Lion-O managed to defeat Mumm-Ra, who was undone when he saw his own reflection, and the mutants in their first battle, marking the beginning of a long-lasting conflict between Mumm-Ra and the Thundercats.

At one point, Mumm-Ra turned himself into a Thunderian named Pumm-Ra to infiltrate the Thundercats. He began sabotaging everything and eventually tried to steal the Sword of Omens, but the Sword of Omens couldn't be used for an evil deed. Thus Mumm-Ra was blasted by lightning and forced to retreat, allowing Lion-O to retrieve the sword.

Later on, Mumm-Ra turned into a nymph-like creature called Silky to give Tygra a drug-like fruit that brought the Thundercat under his control. Mumm-Ra made Tygra obtain the Sword of Omens for him, but he could not use its power or destroy it. Thus he captured a warrior maiden named Willa, telling her she could use the Sword of Omens to become Queen of Third Earth. She helped Mumm-Ra capture the Thundercats, but before the mummy could kill Lion-O, Willa threw the Sword of Omens to Lion-O, allowing the Thundercats to defeat Mumm-Ra and his minions. Some time after this, Mumm-Ra summoned a mechanoid being called Driller to capture Panthro for him. He created a clone body of Panthro, which he had Hammerhand inhabit, allowing him to wreck havoc on Third Earth. Mumm-Ra then threw Panthro into the Bottomless Chasm, but he was saved by Lion-O, allowing him to defeat Hammerhand. Later on, Lion-O was seeking a method of freeing Jaga from the astral plane and thus he sought out the legendary Nether-Witch.

However Mumm-Ra posed as the Nether-Witch, trapping Lion-O in the astral plane, but he and Jaga escaped with help from a sorcerer named Brodo. Some time after this, Mumm-Ra's ancient enemy, Wizz-Ra, returned from the 7th dimension and Mumm-Ra stole his magic helmet, allowing him to enslave most of the Thundercats. But Cheetara and Snarf helped Wizz-Ra retrieve his helmet and free the Thundercats. On another occasion, Mumm-Ra tried to lure Lion-O into the Kingdom of Webs to make him the victim of the spider queen, Spidera. He took the form of a diamond fairy to do so and Snarf ended up trapped, but the Thundercats saved him and defeat Spidera. Soon afterwards, Mumm-Ra hired a group of mercenaries that managed to capture Lion-O and retrieve the Sword of Omens. Mumm-Ra threw the sword into a black hole, but the Thundercats managed to get it back. Later on, Mumm-Ra was approached by a mutant named Monkian who offered him anything he wanted in exchange for the power to take over Third Earth. Mumm-Ra gave him Power Spheres to increase his power and he managed to freeze the Thundercats and defeat Lion-O, bringing the Sword of Omens to Mumm-Ra. However the mummy turned on Monkian, saying that as part of the bargain, he was stuck in the Black Pyramid forever. The walls closed in around Monkian and when he destroyed them, they just reformed. As Mumm-Ra and Monkian were arguing, Lion-O snuck in, freed his comrades, and stole the Sword of Omens back. Meanwhile, Monkian gave up his new power to free himself.

Some time later, Mumm-Ra took the form of a Berbil and pretended to be injured, tricking the Thundercats into letting him stay at their base. He then defeated all the Thundercats, except for Snarf, who managed to escape and find Lion-O. Lion-O fought Mumm-Ra, but could not match him since this time, he was wearing glasses that prevented him from seeing his reflection.

However Lion-O used the Thundercats signal to break the glasses, driving Mumm-Ra back with his reflection. Later on, the Ancient Spirits of Evil told Mumm-Ra about the strongest sword in existence, Excalibur. He disguised himself as King Arthur and found the lake where Excalibur was kept by the Lady of the Lake, who fell for his disguise and gave him the sword. Mumm-Ra challenged Lion-O to a duel and managed to win, driving Excalibur into the Eye of Thundera. This rendered the Thundercats powerless and almost resulted in their destruction, but Merlin showed up, stopping Mumm-Ra and restoring the Eye of Thundera. At one point, Vultureman created a super power potion, allowing him to challenge Mumm-Ra and defeat him, taking command. However the mutants ended up fighting over the potion and the last of it was destroyed. Soon afterwards, Lion-O, having completed a series of challenges against the other Thundercats to prove himself as leader, was left with one last challenge, fight Mumm-Ra without the Sword of Omens and Power Claw. Despite having nothing but his bare hands and his wits, Lion-O managed to defeat Mumm-Ra, throwing his sarcophagus into the cauldron in Mumm-Ra's tomb and destroying him.

However. Mumm-Ra was revived and after the Thundercats met Mumm-Rana, who was basically a good counterpart of Mumm-Ra, he brought her under his control. However the Thundercats managed to free Mumm-Rana and defeat Mumm-Ra again. Later on, Mumm-Ra attempted to capture three other surviving Thunderians, but the Thundercats put an end to his plans. Weakened and with three new Thundercats to deal with, Mumm-Ra had the Mutants free his old enemies, the Lunataks, to occupy the Thundercats. Eventually Mumm-Ra gained his power back and by shape shifting into Jaga, tricking Lion-O into believing the new Thundercats were traitors.

However the Thundercats stopped fighting amongst themselves and defeated Mumm-Ra and the Lunataks. On one occasion, Mumm-Ra did actually manage to obtain the Eye of Thundera. He sought to awake a giant turned to stone, the Child of Gorgon, with the Mask of Gorgon, which could turn flesh to stone, but if granted the ability of sight beyond sight, it could turn stone to flesh. Mumm-Ra summoned the mask to him and used it to turn Lion-O, Panthro, and Willa to stone, taking the Eye of Thundera. He successfully awoke the Child of Gorgon, but the Thundercats defeated the giant and smashed the mask, restoring everything that had been turned to stone. The Eye of Thundera also destroyed the book that told Mumm-Ra about the Mask of Gorgon, before it found its way back to the Thundercats. Later, the day of a centennial solar eclipse came, a day on which any spell Mumm-Ra cast would last until the next eclipse. He cast a spell of decay on the Thundercats lair, causing it to start falling apart, but Lion-O eventually overcame the spell using the Sword of Omens to block out the sun. On another occasion, Mumm-Ra made his pet demonic bulldog, Ma-Mutt, look like Snarf and captured the real Snarf. Ma-Mutt went to the Thundercats' base in Snarf's place and poisoned Lion-O, allowing Mumm-Ra to defeat him. The other Thundercats came to Lion-O's aid, only to be caught in a trap by Mumm-Ra, who then sent Ma-Mutt after Snarfer. However Lion-O overcame the poison and battled Mumm-Ra again while Snarf, who looked like Ma-Mutt, actually managed to call on the Ancient Spirits of Evil as Mumm-Ra did to become Mumm-Ra the Ever-Living. He became Snarf-Ra the Ever-Living, a huge and more muscular version of his normal form. He rescued the other Thundercats and managed to defeat Mumm-Ra.

Mumm-Ra eventually found out about the Treasure of Thundera, a cache of Thunderian artifacts, and the Sword of Plun-Darr, the weapon that destroyed Thundera. Determined to claim the sword, Mumm-Ra and Ma-Mutt traveled back through space and time to search the remains of Thundera for it. However this caused the planet to reform and the Thundercats prepared to go after him. But just as they arrived, Mumm-Ra found the Sword of Plun-Darr and eventually captured Snarf and Snarfer. Taking the form of Snarfer, Mumm-Ra lead the Thundercats to the Treasure of Thundera, which could only be accessed with the Sword of Omens.

After it was released, Mumm-Ra revealed himself, defeating the

Thundercats, and taking the treasures for himself. However they ended up scattered across the planet. He had the Mutants hide a fake Book of Omens, one of the Treasures of Thundera, to send the Thundercats in the wrong direction. After Panthro, Tygra, Cheetara, Snarf, and Snarfer were changed into children (dubbed the Thundercubs) by the Canyon of Youth, Lion-O sent them to Earth to help the other Thundercats, who'd been captured, while he continued looking for the Book of Omens.

But as they were preparing to leave, Mumm-Ra attacked, though Lion-O saved them. The Thundercubs went back to Third Earth, while Lion-O and Snarf confronted Mumm-Ra so as to get the Book of Omens back. They managed to defeat him and made Ma-Mutt bring them back to Third Earth using a magical flute while Mumm-Ra was brought back to the planet by the Ancient Spirits of Evil. Mumm-Ra's next move was to give the Totem of Dera, another of the treasures with the power to heal and bring inanimate objects to life, to the Mutants so they could build a device to destroy the Thundercats.

However the Thundercats managed to get the Totem of Dera after destroying the swamp monster the Mutants used the totem to create. After this, Mumm-Ra went after another treasure, a necklace called the Chain of Loyalty, overhearing Jaga telling Lion-O to find it on Thundera. He managed to obtain the Chain of Loyalty first and broke it, causing the Thundercats to fight amongst themselves. However Lion-O used the Sword of Omens to restore the necklace, stopping Mumm-Ra's plans. Later on, Lion-O accidentally trapped himself in the Book of Omens and Mumm-Ra took the opportunity to steal it. He was about to throw it into his cauldron, when Lion-O called out to the Sword of Omens and the sword freed him. Mumm-Ra took the sword and tried to look through it into the book only to get sucked in himself, but Lion-O rescued him due to the Code of Thundera. After some of the Thundercats went to Thundera in search of the treasures, Mumm-Ra shot down their ship, sending them into the Canyon of Youth where they became the Thundercubs again. Disguising himself as Lion-O, Mumm-Ra ordered them to find the treasure for him. Eventually, Cheetara used her sixth sense to locate the Mirror of Truth, but the real Lion-O showed up, using the Sword of Omens to restore the Thundercubs to normal. Mumm-Ra transformed into Mumm-Ra the Ever-Living, but was defeated when Cheetara used the Mirror of Truth against him.

Later on, Snarf found the Bracelet of Power, another treasure that gives the possessor the ability to control others. Mumm-Ra found out about it and successfully stole it, using the bracelet to make Lion-O, Panthro, Tygra, and Cheetara his slaves. Snarf, Wilykat, and Wilykit went to rescue them and Snarf pretended to be under Mumm-Ra's control, while Wilykat got the Sword of Omens back. Trusting Snarf, Mumm-Ra went to sleep in his sarcophagus and Snarf took the Bracelet of Power back. Mumm-Ra later tried to obtain the Thunderscope, a telescope that allowed the user to find the Treasures of Thundera, but Lion-O kept it out of his clutches.

The next treasure Mumm-Ra went after was the Jade Dragon, which he discovered could entrap other creatures in its stomach. He managed to trap Lion-O and Cheetara inside it, but Hachiman saved them. Soon after this, the Ancient Spirits of Evil, tired of Mumm-Ra's constant defeats, told him had 24 hours to defeat the Thundercats or be exiled forever.

To do so, they granted Mumm-Ra more evil energy than ever before, transforming him into a gigantic version of his Ever-Living form with incredible power. Mumm-Ra proceeded to rampage throughout Third Earth, sending Tygra, Cheetara, and Panthro, Wilykat, and Wilykit to limbo, destroying the Tower of Omens, and burying Lion-O alive. Snarf went into the Book of Omens to find a way to defeat Mumm-Ra while Lion-O managed to free himself. He took on Mumm-Ra and found out from Snarf that Mumm-Ra had to win before sunset. Eventually, Mumm-Ra's time ran out and the spirits exiled him from Third Earth.

However the Ancient Spirits changed their minds and resurrected Mumm-Ra and Ma-Mutt, sending them to a new pyramid on New Thundera. Mumm-Ra found out that the planet's gravity was controlled by a gyroscope at the center of the planet and planned to use it to destroy the Thundercats, who had decided to make their home on the planet. Mumm-Ra made the gyroscope malfunction by taking control of the sorceress who guarded it, Jaguara, causing earthquakes throughout the planet, before resurrecting Grune the Destroyer to fight the Thundercats. Eventually the Thundercats found out what Mumm-Ra was doing, but before they could confront him, Mumm-Ra had Ma-Mutt free the Mutants, who he ordered to get rid of Tygra and Pumyra. The Thundercats managed to recapture the mutants, but the earthquakes grew worse. They went to stop Mumm-Ra, but he used a forcefield to keep them away from the gyroscope. However Lion-O used the Eye of Thundera to get himself and the other Thundercats through the forcefield. They fired all their weapons at Mumm-Ra, defeating him, but broke the cord holding the gyroscope, causing it to fall into the bottomless pit below it, making New Thundera start falling apart. Later on, Mumm-Ra sabotaged a robot named Screwloose who was intended to help Jaguara. Thus Screwloose caused more and more problems, but the Thundercats managed to get him back under control. Some time later, Mumm-Ra became worried that the Ancient Spirits of Evil would abandon him in favor of the Shadowmaster, who actually started to beat Lion-O.

Thus Mumm-Ra had Ma-Mutt steal the Sword of Omens from the Shadowmaster, putting it near the Book of Omens, and allowing Lion-O to defeat the Shadowmaster. In his final battle with the Thundercats, Mumm-Ra stole the Key of Omens and entered the Book of Omens. Lion-O needed to present the key to the guardian of the book or the Thundercats would be frozen in time and New Thundera would be destroyed. Mumm-Ra sought to save New Thundera, but freeze the Thundercats in time. Lion-O managed to enter the Book of Omens with the Sword of Omens and they fought one on one without any magic. Despite Mumm-Ra trying to cheat, he lost to Lion-O and called on the Ancient Spirits of Evil for help, who sent their champion, Pyron. But Lion-O managed to destroy Pyron with the dragons that served the Book of Omens' entity and took the Key of Omens from Mumm-Ra, allowing Lion-O and the Thundercats to preserve and restore New Thundera.

When I was done everyone was shocked and horrified!

Qin: WHOA MAN!

Xenia: Yeah!

Nico: I've known the Original Thundercats for years and Mumm-Ra has been a massive problem for them.

Me: Yep.

Lincoln: Okay, guys, we're in for one intense battle, we're here on Third Earth, and we're not only here to help Sunny Flare unlock her Rainbow Power, but also to take down Mumm-Ra from 1985 and send him to The M.O.E.

The rest of the team's with us.

Me: You got that right, and we already got Mumm-Ra from 2011 in The M.O.E., so it'll make sense to get the one we know from 1985 in as well.

Nico: This should be good.

Jaguari: Yep, and like Anna said, I taught Lincoln all the powers of the Sword of Omens and many spells of magic and more, which he gained, and I also taught him how to use a sword along with teaching him many martial arts moves and more. Now, we're gonna see it in action.

Me: Did Lincoln ever fight against Mumm-Ra before?

Lincoln: Actually, I did. I helped The Thundercats in taking down Mumm-Ra's forces and Mumm-Ra himself, he was one tough opponent.

Lion-O: Now, I remember. Jaguari really taught you well, and Mumm-Ra didn't stand a chance.

Nico: Uh oh, he's gonna be pissed seeing you again.

Lincoln: Yep, well, the one from 1985 is going to be pissed seeing me again.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large

orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and 104 sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Mumm-Ra) AHA! There you are, you undead immortal mummy! I found Mumm-Ra, he's 20 yards away, but he and his forces are on the move!

Nico: Let's get that undead immortal mummy!

Me: We already have the 2011 version of Mumm-Ra in the M.O.E. But this is the 1985 version.

Deadpool: And it's going to be in honor of Earl Hammond, Mumm-Ra of 1985's voice actor.

Jamesdean5842: It's true. Earl Hammond voiced Mumm-Ra back almost 40 years ago. He died at 80 years old in 2002.

Nico: Oh man.

Qin: That's sad.

Me: Yeah.

Poromon: May he rest in peace.

Me: Yeah.

Ace Bunny heard a Pokemon Cry.

Ace Bunny: Look guys!

We saw a Bunnelby!

Me: A Bunnelby!

Qin: Cool.

Ace Bunny: Aww the poor thing is hungry.

Bunnelby: I sure am.

Ace gave her apples.

Bunnelby: Tnank you.

She ate them.

Ace Bunny: Want to come with us?

Bunnelby: I would be honored.

Poromon: Great!

Me: Yeah!

But then we smelled something HORRIBLE!

SEAL BARK!

Me: (SNIFFS) OH GOOD GOD! WHAT THE FUCK IS THAT

HORRIBLE SMELL!? ED!?

Ed: Not me!

Nico: YUCK!

Qin: Look!

We saw a Munchlax and a Garbodon!

Me: WHOA! A Munchlax and a Garbodon!

Lola: EW! So that's where the smell was coming from!

Sonic: No kidding! Lets see.

He used telepathy and gasped!

Sonic: OH WOW! It's mine and Tails' friends Sonya and Tanya! They are two amazing freedom fighters and the best lovers of chili dogs we know.

Tails: They sure are! And Tanya is an amazing mechanic like me too.

Me: WHOA! So more freedom fighters out to end Robuttnik's reign of terror!

Tails: Yeah but also Tanya never took a bath EVEN ONCE for 20 years!

All of us: EW!

Me: OH GOOD GOD!

Ymir: After we change her back she is getting a good bath!

Poromon: You said it!

Me: Yep.

Me, Sonic and Tails went over.

Sonic: Sonya and Tanya! It's us Sonic and Tails! Remember?

Munchlax went over and hugged Sonic!

Me: Aww she remembers you Sonic.

Garbodor fired sludge at Horsea but she held her clone in front of her

Me: OH SICK!

Horsea: HA!

Qin: Funny.

Me: Okay then.

Eli: Allow me guys! CHAOS SPEAR!

He fired a massive energy blast and smashed them down!

I snapped my fingers and they reverted back. Sonya was a girl with blue hair and blue eyes and had blue angel wings and had Munchlax on her forehead and had a Blue Chaos Emerald with a chili dog on her arm for a cutie mark.

Tanya had golden yellow hair and blue eyes and had fox ears and had yellow angel wings and 2 fox tails and she had Garbodor on her forehead and had a Yellow Chaos Emerald with a gold ring around it and had 2 wrenches behind it as a cutie mark.

We wrapped them in blankets and brought them over.

Tanya woke up.

Tanya: (Groans) What? Happened?

Tails: Hey Tanya!

Tanya: TAILS! Oh wow!

Tails: Oh uh I think you need a bath. Sorry.

Tanya: Oh yeah. I guess I need one.

We had the portable bath station out and got her in it.

She then saw Horsea smiling at her

Tanya: Oh a Horsea.

Horsea: You hit my clone!

Me: Long story.

Sonya got up.

Sonya: (Groans) What hit me?

Sonic: Hey there Keed.

Sonya: Sonic!

She hugged him.

Sonya: Wow!

Me: You guys were turned into a Munchlax and Garbodor by Dark Gale.

Sonya: (GASP) Oh man! I remember!

Tanya: (From the tub) Me too!

Sonya was in a blue suit and Tanya a yellow suit and they were injected and turned into Munchlax and Garbodor. They busted out.

FLASHBACK ENDS

Sonya: It was awful.

Me: I know. But we destroyed Dark Gale.

Tanya: Good.

Sonya: Me and Tanya are backup members of Sonya's team. We use the power of the Chaos Emeralds to defeat our enemies. While in the team I make chili dogs.

Tanya: And I'm a mechanic.

Sonya: Outside the team me and Tanya are freedom fighters. We fight the forces of Dr. Robotnik to help Sonic and Tails and the Freedom Fighters end his reign of terror.

Tanya: It's a big job too.

Me: It sure is. Mobius is now a better place without him. But he's now in our frenemies of the M.O.E.

Horsea: It's true

Sonya: We heard about that.

Me: Yeah. Also Grounder and Scratch and Coconuts are here.

Grounder: Are they really?

BLANG!

Scratch hit him on the head!

Grounder: OUCH!

Scratch: We're already here you Dumbbot!

Coconuts: Yeah we did not like working with Robotnik.

Tanya: I can see why.

Poromon: You sure can

Me: Yep.

We got them cleaned up and gave them new clothes.

Sonya had blue clothes and a blue sword and Tanya had yellow clothes and a yellow sword.

Tanya: We look awesome!

Sonic: We sure do.

Nico: Lets get going.

Me: Better call in the big guns.

I pulled out my Sword of Omens!

Me: THUNDER! THUNDER! THUNDER! THUNDERCATS! HOOOOOOOOO!

The jewel in the sword turned from an eye to the symbol of the Thundercats and formed the symbol in the sky!

RRRRRRROOOOOOOOOOOOOOOOOOAAAAAAAAAAAAARRRRRRR

The Thundercats saw it and went to us!

THUNDERCATS ARE ON THE MOVE! THUNDERCATS ARE LOOSE! FEEL THE MAGIC! HEAR THE ROAR! THUNDERCATS ARE LOOSE!

They arrived.

Lion-O: We're here guys!

Me: Awesome! Lets go take down Mumm-Ra!

We then took off into the air to help Sunny Flare unlock her Rainbow Power and take down Mumm-Ra from 1985 and send him to The M.O.E.

We were flying in the air, and then, we saw our target: Mumm-Ra from 1985.

Lion-O: There he is.

Snarf: And he's got his forces with him.

Panthro: Never thought we'd deal with him again.

Tygra: But, he's in for one pretty nasty surprise.

Cheetara: Yep.

Wily Kit: Time to make him pay.

Wily Kat: That monster's going to pay.

Pumyra: Let's do this.

Lincoln: Time for an awesome entrance.

Suddenly, the symbol of The Thundercats appeared in the sky, and then, spirits of the Thundercats appeared and they attacked Mumm-Ra from 1985 along with his forces and all of his generals were captured and sent to Vypra, and then, the spirits converged, and a massive explosion erupted, and a Thunderbird Screech, Phoenix Cry, and Wolf Howl were heard as we appeared.

Lion-O: Been a long time since we last dealt with you, Mumm-Ra.

Jaguari: Figures you'd be up to no good again.

Mumm-Ra (1985): The Thundercats?! And Team Loud Phoenix Storm, what the?!

Cheetara: Looks like you got quite a shock. By the way, say hi to another familiar face from long ago.

Lincoln then walked up.

Mumm-Ra (1985): Y-you!

Lincoln: That's right, the kid who helped Lion-O and the Thundercats in dealing with you, but as you see, I'm not the same as I was eight years ago.

Me: This is gonna be good!

Lincoln also attacked him with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, and letting his massive white wolf with massive white angel wings companion also attacked him.

Mumm-Ra (1985) unholstered his sword and he clashed with Lincoln and sparks were flying, but Lincoln overwhelmed him, and they fired massive blasts of energy and more, and it was explosive!

Me: WHOA!

Jaguari: So awesome! My training really paid off!

Lion-O: All our training paid off, Jaguari. We also helped Lincoln out as well, and he really proved to be quite the warrior and master of magic.

Lincoln punched Mumm-Ra (1985) hard in the face and sent him flying into a wall, and he got back up.

Mumm-Ra (1985): You...you've grown that much more powerful.

Lion-O: And so have the rest of us.

Mumm-Ra (1985) went charging at Lincoln, but he went wild on him as he punched, kicked, and slashed at him like a wild beast, and he left bleeding scars on him.

Me: Holy shit! He's going wild on him!

Luna: That's for sure!

Then, Lincoln took the air and he snapped his left hand's fingers and five massive orbiting balls of fire appeared orbiting around Mumm-Ra (1985), and then, they collided and they exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16.

Nicole: Jeez, he's tearing him apart!

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT MUMM-RA, AND SEVERAL PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT MUMM-RA AND HE GOT BURNED!

Mumm-Ra suddenly got enraged.

Mumm-Ra (1985): Ancient spirits of evil, transform this decayed form to Mumm-Ra, the Ever-Living!

Mumm-Ra transformed into Mumm-Ra, the Ever-Living.

He unleashed his true power!

Mumm Ra: You are fools to fight Mumm Ra! The Ever! Living! (LAUGHS MALEVOLENTLY)

Me: We've fought worse more powerful villains than you.

I fired waves of lightning and blasted him!

Then he fired waves of energy and we dodged them and massive explosions blasted off all over the place!

Crash Bandicoot went after Mumm-Ra (1985), and he fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, plants, fruit, dragons, bandicoots, phoenixes, and angels which hit them and exploded with such incredible power as they hit him, and he slashed at him with his massive greatsword leaving scars on him and they also got burned as Crash Bandicoot used water on him. Then, he struck him with some hard punches and kicks, and he even used some wrestling moves on him, and he was pretty beaten up and banged up bad.

Caleb Maxwell: He's right! Mumm-Ra in his Everliving form has severe drawbacks: the price of this power is extremely limited stamina: once Mumm-Ra the Ever-Living has surpassed a given threshold of energy expenditure, he must revert to his mummified form and re-enter his sarcophagus to rejuvenate himself, and his power in his Ever-Living form is directly linked to the condition of both his sarcophagus and the Ancient Spirits' statues within his pyramid; should any of these be harmed or destroyed, his power weakens immediately and considerably.

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

Inside a rainbow sphere with intense flames and elemental forces, Sunny Flare then underwent an intense and amazing transformation! Sunny Flare had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and she also gained intense rainbow flame patterns and rainbow flames on her forearms, she also got light blue lines on her hair and tail. She then had her Cutie Mark change into many rainbow flames, and her massive angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! THE RAINBOW FLAME OF GENEROSITY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings of his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Me: OH SHIT! HE'S GONNA GO WILD!

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at Mumm-Ra with silver bullets from his guns, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at Mumm-Ra as he got hit and we all heard Caleb's wicked and insane laughter as he shot at Maxxie with darkness and malice.

Then, the barrier deactivated and Caleb then lands and rejoins us.

Allie Maxwell: What the Hell, Caleb!

Me: Alright, it's time to stop you for good, Mumm-Ra. Caleb, Cage, Travis Tackett, Gabriel, James,...GET HIM!

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, STAY DOWN!

Lincoln, Nico, and I did one final powerful energy slash that hit Mumm-Ra hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Mumm-Ra was on his last legs and he was really really mangled.

Then, Lincoln tied Mumm-Ra up in a rainbow energy straitjacket and beamed him to the M.O.E. We cheered as we holstered our weapons and powered down.

Nico: Okay, that was really intense!

Me: You said it. Mumm-Ra really put up a challenge.

Lincoln: Especially when he turned into Mumm-Ra the Everliving, but like Caleb said, that form of his had severe drawbacks such as strain to his energy.

Nico: And when you separated his Everliving form, you trashed him and sent him to The M.O.E.

Me: That's for sure, you showed him how much stronger you've gotten back then, as have the rest of us.

Eli: He won't try anything, will he?

Caleb Maxwell: He may be evil, but he hadn't crossed lines that many of the most irredeemable of all our enemies have crossed.

Lincoln: You're right about that.

Nico: And that's how it's done!

Me: YEAH!

Sonya: That was fun!

Tanya: Yeah it was!

Loud growling was heard.

Ed: [looking for the source of the noise and not finding it] "Eddy!" [He jumps into Eddy's arms.]

Eddy: "You're giving me a hernia, Ed."

Ed: "It sounds like the howl of a werewolf from the belly of Hades!" [The growl comes again.]

Eddy: "Get off me, Ed! That's your belly!"

Ed: [lifts his shirt; his stomach rumbles again] "I'm hungry."

Sonya and Tanya's stomachs growled too.

Sonya: I could go for some chili dogs.

Tanya: Me too.

Me: I know a good restaurant for that.

We teleported back home and went to the chili dog buffet restaurant and got to eating.

Me: (Eating) MMM!

Sonya: (EATING) Delicious!

Tanya: (Eating) It sure is!

Nico: Nice job, Bunnelby

Bunnelby: Thanks Nico! That was fun.

We were eating a lot of chili dogs.

Me: HOLY FUCK! You killed that many bullies!?

Nicole: WHOA! I like your style! You would make a great bully bounty hunter.

Tyra Tyrant: Thanks Nicole and I am one.

She showed flyers of bullies she killed and showed us the ones she killed.

Me: WHOA! These are all bullies that died brutally over the years.

Tyra Tyrant: Yep.

Me: Nice. By the way Tyra are the rest of the Anothers friendly or hostile?

Tyra Tyrant: Friendly and they are awesome.

Me: Cool cool.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: Time for Backup! (TURNS DIAL) LAUGHING HYENA BUTTKICKERS!

She summoned The Hyena (Firestorm Enemy), Janja, Dr. Slash, Hajax, Harry the Hyena and Zig!

Bunnelby: Now I can have the beer!

Poromon: Here you go!

Bunnelby drank it.

Bunnelby: Ahh! (BARNEY GUMBLE BELCH)

Barney: Welcome to the party! (BELCH)

Bunnelby got drunk!

Poliwag: Sing the ABCs!

Bunnelby: (BURPING AND SINGING) ABCHSAMMFMMWMAJXWQWERTSAWR!

WE LAUGHED HYSTERICALLY!

Lola: (LAUGHS) FUNNY!

We reverted her back.

Nico: And now, we wait.

LOUD NASTY HORRIBLE LONG FART!

Me: WHOA! Pardon me!

Qin: The chili makes us fart.

Nico: Yeah.

Sonya: I can see why.

Me: (LAUGHS) Yeah but it's worth it.

Sonya: Yep.

Poromon: I know it is

Me: Yeah. Oh look!

We saw Another Kiroptus and Lola!

Me: There they are!

Qin: Yeah!

Another Kiroptus: (In a girls voice) It sure will be fun.

She reverted back and was the gene-slammer of Sword Arm of Dragon and the keyblade knight of Ghidorahus!

Nico: (GASP) Dianna Dimetro! Wow!

Lincoln: And Gahlia Ghidorah!

Dianna Dimetro: Good to see you Nico.

Gahlia Ghidorahus: Same to you Lincoln.

Me: Sword Arm of Dragon's gene-slammer! Awesome!

Dianna Dimetro: And an amazing scientist and paleontologist.

Nicole: Awesome to meet a fellow Paleontologist.

Dianna Dimetro: Yep. And also I have Kiroptus's powers too.

Kiroptus: Awesome!

Me: Care to introduce us?

Anna Anyanova: Sure. This is Gahlia Ghidorah, Keyblade Knight of Ghidorahus, she's Lincoln's Guardian Angel from Ghidorahus and she's a powerful force of epic power to be reckoned with. She's The Keyblade Knight of Planet Ghidorahus and she's the Avatar, Embodiment, and Goddess of Ghidorah and the Queen Ruler of the Exif and she's an amazing force of good and she swore to reprimand her people, the Exif, and make them see the error of their ways. She also has all the powers of King Ghidorah from 1964 on up and she is immensely powerful in every aspect of the world and is intensely strong in all the powers of Ghidorah! She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him all the powers of King Ghidorah from 1964 on up, and over time, Lincoln gained all the powers of King Ghidorah from 1964 on up and he also became immensely powerful in every aspect of the world and intensely strong in all the powers of Ghidorah, and she also helped him bulk up in muscle. and she also taught Lincoln how to summon the powers of Ghidorah and beyond, and even summon King Ghidorah himself, and she hates all of his enemies with a vengeance and vowed to destroy them all with the Wrath of Ghidorah times a million.

We were amazed!

Me: WHOA! That is amazing!

Lola: Yeah!

Nico: And your friend?

Another Lola: (Monotonously) Someone who knows all about the family.

Lola and Lana: (GASP)

Lucy Loud: GASP!

Laney: It can't be!

She reverted back and was a gothic version of Lola but had black clothes and had piercing red eyes!

Lana and Lola: (GASP)

Lola: Leslie!

Lucy Loud: Leslie!

They went and hugged her!

Rita: Leslie!

Me: Another of your sisters!? WHOA!

Leslie Loud: I'm honored to meet you J.D.

Lana: Leslie is our sister.

Rita: I actually had triplets when I had Lola and Lana. But I had her live with Shirley.

Me: No wonder we didn't see her.

Nico: Yeah!

Me: WOW! She looks like a younger carbon copy of Lucy!

Lucy: She does.

Me: And the piercing red eyes are awesome.

Brittney: She is perfect for the Goths of Darkness.

Lynn Sr. Screamed in fright!

He jumped into my arms in fright!

Me: Mr. Lynn what the hell is wrong with you!?

Nico: Something you want to tell us?

Lynn Sr.: Like Lucy, That's also the reason why we had to grow Lucy's bangs out like with Leslie! But those eyes scare me!

Me: Mr. Lynn calm down!

Brittney: I think she is cool with piercing red eyes like this.

Xenia: Yeah.

Lucy Loud: I revealed my eyes and everyone is cool with them.

Nico: Yeah.

Maud Pie: (Monotonously) And she talks like me too and I think it's amazing myself.

Leslie: I appreciate that.

Me: When I first met Lucy she had to have her bangs grown out because she was born with Piercing red eyes too. Mr. Lynn said they scare him.

Ymir: I see! Wow!

Kaito: (gets out Gingaman gear) Did Swartz promise you anything?

Zocks: (gets out Megaranger gear) Because we can grant it instead.

They got weapons from said teams.

Leslie: No because I used my eyes to scare him.

Me: Like Toepick scared?

Leslie: Yep.

Dianna Dimetro: Yeah and we used that time to run.

Sakura Knudson: That explains why I found him white as a sheet and shaking like he was scared shitless!

Me: GEEZ! Nightmare Vision!

Lucy Loud: I like it.

Rocky Spokes: I think it's one of the things that makes Lucy special.

Lucy blushed at that.

Me: Lucy and Rusty's brother Rocky are dating and it's really cute. Uh Mr. Lynn can you get out of my arms please? I'm starting to get a cramp.

Lynn Sr.: Oh sorry J.D.

He got out of my arms.

Sougo (gets out Lost Galaxy Ridewatch): That's nothing.

Geiz (gets out In Space Ridewatch): You should see Toepick's face.

Sougo got LostGalaxyRedArmor while Geiz got InSpaceRedArmor

Me: Scares us too.

Qin: Not as bad though.

Leslie: I believe it.

Lincoln: Lets separate you first.

We did so.

Me: Time for action!

Nico: (Gets out Kiroptus's ridewatch) I will destroy Mer!

May: (gets out Kackle's ridewatch) (LAUGHS GHOULISHLY)

Shaggy: ZOINKS!

Universe 666 May: (Gets out Lobstomp's ridewatch) I will snip your balls off!

Maria: (Gets out Knife Lloyd's ridewatch) Time to slice and dice!

Will: (Gets out Kruncha's ridewatch) (ROARS)

They used the powers of Kiroptus, Kruncha, Kackle, Lobstomp, Knife Lloyd and Tyr and blasted the Anothers!

Me: YEAH!

Then Gorilla Man (Marvel), Dr. Animo (Future), Hargut, Lego Grodd, Giant Gorilla (CTCD), and Gorimondo came!

Me: WHOA! Wait Arthur Nagan A.K.A. Gorilla Man! Wow!

Gorilla Man: Yep that's right! Awesome to meet you J.D.

Me: Same here.

Nico: Nice team Gorilla Man!

Gorilla Man: Thanks Nico!

Soldier Stonekong: That means my team is up next.

Nico: It sure is.

Me: Yep.

Then out of a swirl of fire and nebula gas came Number 58: Burning Visor and Number 57: Tri-Head Dust Dragon!

Me: WHOA! Number 58: Burning Visor and Number 57: Tri-Head Dust Dragon!

Qin: Awesome!

Number 58: (In a girls voice) It sure is!

Number 57: (In a girls voice) This will be awesome!

Nico: Wendy Yautja and Sarah Nebula! Wow!

They reverted back.

Wendy was a girl with Red hair, yellow eyes, red clothes and fire angel wings and had Number 58: Burning Visor on her forehead and skirt and shirt and had a Yautja face symbol on her arm and a fire sword! Sarah had purple hair, purple eyes and clothes and star wings and had Number 57: Tri-Head Dust Dragon on her forehead, skirt and shirt and had Nebula with a dragon on her arm as a cutie mark and had a star energy sword.

Sarah Nebula: Good to see you Nico.

Wendy Yautja: We got these guys. They sure are ugly motherfuckers.

She looked through her vision and it was infrared. She saw the ridewatches in their chests.

Wendy Yautja: Aim for their chests. 58 PLASMA BLASTS OF FIRE!

Sarah Nebula: 57 NEBULONIC DUST BURSTS!

They fired waves of energy and fire and magic and blasted the Anothers and I caught the ridewatches and purified them!

Me: BULLSEYE!

Xenia: Nice shot!

Nico: Nice job!

Wendy Yautja: Thanks!

Me: How did you know where to hit them?

Wendy Yautja: I have infrared vision and also I can analyze their points of where to hit with this.

She showed her arm computer.

Cody (OC): WHOA! You use Yautja technology too?

Wendy Yautja: I sure do.

Sarah Nebula: I thought it was cool.

Me: It sure is! The Yautja's have given us one helluva challenge over the years.

Nico: Yep.

Will Stronghold: What are your favorite memories of Nico, girls?

Wendy Yautja: Mine is where me and Nico found a bunch of invisible terrorists and I used my vision and we kicked their butts.

Me: Invisible terrorists!? That is freaky. But we have infrared vision ourselves and we can easily flush out people like that.

Camie: It's true.

Sarah Nebula: That is cool! Also mine is where me and Nico found an amazing nebula in the Cartwheel Galaxy. It was called the Whalestar Nebula.

Me: WHOA! A nebula seen at 500 million light-years away? That is incredible!

Xenia: It sure is!

Nico: Yeah.

Nico hugged them.

Nico: I've missed you girls.

Wendy Yautja: Same here Nico.

We went back home.

According to Universe 666 Lincoln, the spirits of the Universe 666 versions of Universe 666 Nico's family and harem were sighted there, and unlike that snake, they were among those who turned against him and tried to warn TLPS about that snake, but before they could contact us, they too were killed and their spirits were trapped there.

We're going to bring them back from the dead, and after that, we're going after our main target: his name is Nathan Tarbol, and even worse, he's the younger brother of Oliver Tarbol, the fucked-up powerhungry mage and enemy of J.D. Knudson, and he's just as, if not even more fucked up than Oliver Tarbol: he's excessively fucked-up, excessively monstrous, excessively murderous, and extremely powerhungry, and he's out for one thing: revenge on us for killing Oliver Tarbol when Morgana Midnight Sparkle and her minions resurrected him from The Black Gates months ago, and he doesn't care that we're infinitely far more powerful than him and his fucked-up brother, and that's the mistake he's going to regret. We're taking him down and Lincoln's going to use a powerful curse that'll not only kill Nathan Tarbol and send him to The Black Abyss, but it'll also affect all those in his fucking bloodline, and all of them will be destroyed forever and sent to The Black Abyss for eternity, never to be reborn ever again!

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in Denver, Colorado, and I know what we're going to do here, not only am I going to rescue the six girls here, but there is a reason why we're here.

Universe 666 Me: Yep, according to Lincoln, Varie, The Loonatics, and the others of our Earth, the spirits of the Universe 666 versions of Universe 666 Nico's family and harem were sighted there, and unlike that snake, they were among those who turned against him and tried to warn TLPS about that snake, but before they could contact us, they too were killed and their spirits were trapped here.

WE GASPED!

Me: What the heck?! That fucking snake!

Nico: It's bad enough he destroyed the lives of his former team, but to also murder his harem and family, that's a fucking line that only Dark Sebastian and many other irredeemable scumbags would cross! Now, he's gone too far!

Ace Bunny: That's even worse than what that snake did to our Universe 666 counterparts. We need to bring them back, but we need to do a séance.

Spark Warfly: (GULPS) A séance, this is going to be spooky.

Lucy Loud: Great idea. Now, we need to find where their spirits are at.

Me: Leave it to me.

We got a move on to a spot I know all too well: Larimer Square, the city's oldest block that features landmark 19th-century buildings and museums include the Denver Art Museum, an ultramodern complex known for its collection of indigenous works, and the mansion of famed Titanic survivor Molly Brown.

Nico: Where are we?

Me: This is Larimer Square, the city's oldest block with 19th century buildings, and they'd withstood the elements and time for the last 200 years.

Eli: Wow.

Suddenly, we felt a cold chill in the air, and when Lincoln's ghost sense kicked in, we knew what it meant: it was the sign of ghosts.

Clyde: They're here.

Lincoln: Yep.

The Goths of Darkness set up a salt circle, placed some candles around the salt circle and lit them. Then, they joined hands as Haiku got out her book.

Haiku: Spirits of The Great Beyond, hear our prayers, we ask to speak to the spirits of the Universe 666 versions of Universe 666 Nico's family and harem.

Suddenly, we saw spirits come up from the ground, and they took shape, and they were shown to be the spirits of the Universe 666 versions of Universe 666 Nico's family and harem.

Leandro Chan: It's you, our Universe 666 selves.

Universe 666 Leandro Chan: I was hoping we wouldn't have to meet like this.

Aurora Chan: You were going to warn us all those years ago about your ex-son, weren't you?

Universe 666 Connor Chan: We were, until he and his cronies killed us.

Nico: Did you at least tell him off? What did you tell him?

Universe 666 Connor Chan beckoned Nico, and then, he whispered in his ears, but when Nico heard it, he fainted!

FWOMP!

Lincoln used smelling salts to wake him up.

Nico: Thanks, Lincoln. (To Universe 666 Connor Chan) But, jeez! You said that to him, you know that kind of language could get you in trouble with your parents!

Universe 666 Mindy Chan: Connor chose to tell him off, he couldn't stand seeing what that snake had done any longer.

Suddenly, they saw Universe 666 Lincoln and the others, and they cried waterfalls of tears which hit an unknown person.

Cage Blunt: We're already seeking out that snake's other victims and bringing them back to face him in the future, and you're among those out to get revenge on him.

Universe 666 Alicia Chan: Count us in. It's payback time on that bastard!

Caleb Maxwell: Lincoln.

Lincoln: Right.

SNAPS FINGERS!

Lincoln snapped his fingers and heavenly lights shined down, and then, the Universe 666 versions of Nico's family and harem were brought back to life.

Lincoln: Now that the first part is done, now it's on to our second part: going after our main target: Nathan Tarbol, the younger brother of Oliver Tarbol, the fucked-up powerhungry mage and enemy of J.D.

Me: And like you said, he's excessively fucked-up, excessively monstrous, excessively murderous, and extremely powerhungry, even more so than his own brother, and he's out for one thing: revenge on us for killing Oliver Tarbol when Morgana Midnight Sparkle and her minions resurrected him from The Black Gates months ago, and he doesn't care that we're infinitely far more powerful than him and his fucked-up brother, and that's the mistake he's going to regret.

Nicholette Torrington: Yep, we're taking him down and Lincoln's going to use a powerful curse that'll not only kill Nathan Tarbol and send him to The Black Abyss, but it'll also affect all those in his entire bloodline, and all of them will be destroyed forever and sent to The Black Abyss for eternity, never to be reborn ever again!

Lincoln: Then, let's get going. (Deep sapphire blue eyes turn red) We're coming for you, Nathan Tarbol! You're finished.

We then got a move on, and we saw our target: Nathan Tarbol, Oliver Tarbol's excessively fucked-up, excessively monstrous, excessively murderous, and extremely powerhungry younger brother, and he's causing havoc by firing magic blasts at the panicking civilians and laughing like the fucked-up monster he is.

Me: He's just as fucked up as Oliver!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Nathan Tarbol, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at them with his gold-armored dragon claws and his massive greatsword, and he fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON NATHAN TARBOL! HE WAS REALLY GOING APESHIT ON THEM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of the pain you're going to experience before we kill you!

Then, Andre Lupeau went after Nathan Tarbol and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at them with his massive greatsword and shot at him with his silver-plated guns.

Then, Abaddon Aeternus went after Nathan Tarbol and he fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, demons, dragons, vampire bats, wolves, phoenixes, and angels at him, and he even slashed at him with his massive greatsword which really hurt like Hell!

Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and massive balls of darkness formed in front of his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he fired them at Nathan Tarbol, and suddenly, he burst into black flames, and not only was he sent to The Black Abyss, but we felt it: all those with the bloodline of Alexander Tarbol, Oliver Tarbol, and Nathan Tarbol were also sent to The Black Abyss as they burst into black flames. We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate.

Me: And to this we say, good riddance, you fucked-up psychos from Hell!

Eli: That's for sure.

Lincoln: Oliver Tarbol was bad enough, but to find out there was a whole bloodline of powerhungry mages who are completely deranged, that's going too far, it's like dealing with...!

Nico: Dustin Keystone?

Lincoln: Exactly. But, now, the bloodline of the Tarbol family is gone forever, and they're never coming back.

?: (Norwegian Accent) Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blonde hair and ice blue flower in her hair, blue eyes, massive blue angel wings, she has a Vegvisir and Thor, Lord of the Aesir on her forehead, right arm, ice blue sleeveless crop top, and ice blue skirt, white gloves, blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, snow, ice, phoenixes, and angels on the coattails, and on the back is Thor, Lord of the Aesir, she has an ice greatsword in her right hand, and with her are the six girls.

Lincoln: (GASPS) Caroline Arvesen, Avatar and Gene-Slammer of Thor, Lord of the Aesir.

Caroline Arvesen: (Norwegian Accent) That's right, and I got the girls away from that psycho before he could kill them.

Me: Figures. Oliver was a fucked-up murderer, and Nathan followed in his footsteps like his older brother.

Nico: Seriously?! Unbelievable.

Lincoln: That's exactly why that monster and his entire bloodline had to be wiped out, that curse I used on him, it was like the Human Extinction, but this used the black fires of The Nightflame Sun, The Black Abyss, and The Black Gates combined.

Selena Mendez: (GASPS) The Nightflame Sun's Dark Magic Destruction Curse?! That's the most powerful techniques in our arsenal, it kills a bloodline of powerhungry mages in a split second.

WE GASPED!

Lincoln: Yep, and I decided to use on the Tarbol bloodline, that was how I decided to fulfill my promise to J.D. 2, and now, the Tarbol bloodline is destroyed. (To Caroline Arvesen) And it's so good to see you again, Caroline.

Caroline Arvesen: (Norwegian Accent)You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Caroline Arvesen had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Caroline Arvesen was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Caroline Arvesen: (Norwegian Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Caroline Arvesen's waist and hugged her, and Caroline Arvesen is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest

hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Caroline Arvesen: (Norwegian Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really

awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Caroline Arvesen, Avatar and Gene-Slammer of Thor, Lord of the Aesir, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Thor. Caroline Arvesen is one of the three founding members of The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Caroline Arvesen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Thor, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Thor, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there was one person whom she'd been wanting to kill all her life: and it was none other than Denzel Quincy Crocker, and she was so sick and tired of what that deranged fairy-obsessed loon had done in the past, and she swore to make the streets run red with his blood.

Me: You have no idea how much we want to kill Crocker for what he did.

Nico: That guy was a deranged psycho to the infinite-power, but we got to wait until the big day, that's when we can get rid of him for good.

Lincoln: Until then, the most we can do is drive him even more crazy, and now that you're here, Caroline.

Lincoln with his massive muscular arms still wrapped around Caroline Arvesen's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Caroline Arvesen: (Norwegian Accent)(Norwegian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Caroline Arvesen with yellow gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Caroline Arvesen: (Norwegian Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Caroline Arvesen.

Caroline Arvesen had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Caroline Arvesen's waist, and he leaned down to her face and kissed her on the lips, and with Caroline Arvesen's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Caroline Arvesen had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Caroline Arvesen: (Norwegian Accent) (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The six girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the six girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the six girls are Diana Peschka Holly Eryngii, Eleanor Fortworth, Lapis Mercurius Freya, Leticia la Mew Symphonia, Rachel Harvest, and Sylphy Cloud from Princess Holiday.

Lincoln: Oh wow, it's Diana Peschka Holly Eryngii, Eleanor Fortworth, Lapis Mercurius Freya, Leticia la Mew Symphonia, Rachel Harvest, and Sylphy Cloud from Princess Holiday.

Nicole: So, those were the girls Anneliese saved, and here's the thing: they're royal princesses.

Lincoln: And that psycho tried to murder them to slake his thirst for blood, he definitely got what he deserved. Are you girls okay?

Diana Peschka Holly Eryngii: Yes, we're okay thanks to you.

Then, when Diana Peschka Holly Eryngii and the other five girls saw who it was that saved them from Nathan Tarbol, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec and rainbow sun and moon and rainbow flame patterns and rings appear on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Almighty Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty

Diana Peschka Holly Eryngii: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Diana Peschka Hollu Eryngii: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Diana Peschka Holly Eryngii, Eleanor Fortworth, Lapis Mercurius Freya, Leticia la Mew Symphonia, Rachel Harvest, and Sylphy Cloud and Yumi Kirikawa with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That's another group of Universe 666 Nico's victims brought back, and we also put down Nathan Tarbol for good.

May: And Lincoln's attack also wiped out the bloodline of Oliver Tarbol for good.

Lincoln: Now, we're rid of them for good.

Nico: Yep, good riddance.

Me: I never thought there was an entire bloodline of fucked-up powerhungry mages, and that this guy, Alexander Tarbol, was responsible for that war between fire and ice 250 billion years ago as part of his twisted scheme to destroy the universe and remake it in his image.

J.D. 2: But, now Alexander and his twisted bloodline are gone forever, and they are never coming back.

After Lincoln and all of us resurrected the Universe 666 versions of Nico's family and harem and killed Nathan Tarbol and sent him to The Black Abyss along with the entire Tarbol bloodline, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Caroline Arvesen saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Caroline Arvesen: (Norwegian Accent) My God, I was right that Lincoln's really grown into an 18-year-old 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola,

Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Caroline, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Caroline Arvesen: (Norwegian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Caroline Arvesen: (Norwegian Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 Septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Roxy Drake got out a videotape.

Roxy Drake: Now, this tape I have here, this was from October 18th, 1985, and Caleb was heading to Manhattan. Apparently, an informant of his network told him of a deal The Big Claw Gang is about to make with one of their clients, but what Caleb didn't know was that they captured Drake Maxwell trying to kill them, and my Dad tempted him: he knew Caleb had a dark desire for revenge against Drake and he knew everything that Caleb went through because of Carla and Panther keeping an eye on him. But, what's about to follow would lead to them almost finding out about his secret.

Roxy Drake put the videotape in and it played on the big screen, and it showed New York on October 18th, 1985, three weeks before The Hallowshade Bloodbath, and Caleb Maxwell was heading to Manhattan to meet with his informant from his network. When he got to a nearby street, he waited, and then, he met with a black-haired white-furred cat in black clothes.

Past Caleb Maxwell: So, what's the word?

Informant: You're gonna want to hold on to your hair for this. I got word from some locals that The Big Claw Gang is making a deal with one of their clients. They're meeting at The Village Underground.

Past Caleb Maxwell: I know that place, it's one of the hottest night clubs in New York, the lights, the music, the sense of danger in the air. But, why there?

Informant: That's their usual hangout for some of the members, the lights and music won't draw that much attention from the police, and it's a place where many would go. Oh, there's something you should also know, Caleb. Early this afternoon, they captured Drake Maxwell trying to kill them.

Past Caleb Maxwell: What? But, why?

Informant: Apparently, the big boss of the gang, Claw Dane Drake, has plans to deal with him, and he knew about you all too well, and he wanted me to give you this.

The informant took out a letter, and it was for Caleb Maxwell, and as Caleb opened the letter, he read over the letter.

Past Claw Dane Drake: (Voiceover) To Caleb Maxwell, if you are reading this, then you have gotten the word that we captured Drake Maxwell, your hated younger brother. If you wish to know why I did so, come and meet with us at The Village Underground tonight at 8:00, we'll be waiting for you.

Past Caleb Maxwell: So, he's called me to the night club, but I don't know why.

Informant: If I were you, I'd go there. Perhaps, you can find out the answer from the big boss himself who's heading there himself, but you better be careful, his men are armed as well, and you know the whole thing with Carla Claw, Sally Gamble, Panther, Nekome, and Ichiro. But, they don't know about Cage Blunt and Travis Tackett, so you better be armed and be ready to run from the vampires again.

Past Caleb Maxwell: Right. Thanks for that.

Caleb Maxwell thanked his informant and left for The Village Underground, and as soon as night fell, the night club opened.

Past Caleb Maxwell: (Voiceover) The Village Underground, one of the hottest night clubs in New York, the lights, the music, the dancing, and the sense of danger in the air. It was a place where many would go to, but for me, I was heading there because of a deal going down and the big boss himself, Claw Dane Drake, is also there. But, what's even more shocking is the gang captured my brother, the murderous Drake Maxwell. If I know The Syndicate's four senior members all too well, they're gonna send some men to rescue him. I can only hope I get some answers before I run into Cage Blunt and Travis Tackett again.

Caleb Maxwell arrived at The Village Underground, and the music was already pumping and the club patrons are dancing to the music.

Luna: Whoa! Now, that's the kind of night club anyone would go to.

Caleb Maxwell: I was only there for business, but what happened on that night would lead me to almost making a decision that almost cost me my beliefs in law and order.

We then continued watching, and Caleb Maxwell continued walking, but then, he spotted Carla Claw, Panther, Nekome, and Sally Gamble in civilian clothes. Then, they walked up to Caleb Maxwell.

Past Carla Claw: You made it in time.

Past Sally Gamble: (British Accent) Just as the boss said.

Past Panther: (Smirks) Didn't think you'd follow the boss' letter and come here.

Past Nekome: (Japanese Accent) Our boss made sure our "guest", Drake Maxwell, is comfortable for the real guest of honor, you.

They brought Caleb Maxwell to an office, and there sitting in an office chair was Claw Dane Drake.

Past Claw Dane Drake: You came very early, Caleb. I trust no one did anything to cause you to leave.

Past Caleb Maxwell: No, they didn't.

Caleb's tone was uneasy: he knew he was taking another risk of coming out at night again.

Past Claw Dane Drake: That's good. I've been keeping an eye on you, Caleb. Ever since the night you got your father and brother kicked out of your home two years ago upon discovering their secret, you had a target on your back. Your brother and his thugs are now after you, and they won't stop until you lie dead.

Past Caleb Maxwell: I'll keep on fighting back against them, and soon, against you.

Claw Dane Drake kept his smirk clearly amused by his spirit as he poured himself a glass of bourbon.

Past Claw Dane Drake: (Chuckles) But, for how long? The doctors said you were going to die in a year's time, but given your condition, you're gonna die a lot earlier? Your dream of becoming an NYPD officer is already at risk of being shattered because of what Drake did to you.

Caleb's blood went cold: Claw Dane Drake knew that Caleb was dying and his dreams of becoming an NYPD officer are history.

Nico: Oh man. He made your blood run cold!

Caleb Maxwell: He knew everything about me, and he knew I was dying and that my dreams of becoming an NYPD officer were history. I tried to keep calm, but even that was doomed to failure.

We kept watching.

Past Claw Dane Drake: However, I've got a little something for you.

Claw Dane Drake had two of his men bring in Drake Maxwell: he was tied up and was compressed in a very uncompromising position in a medieval torture device called The Scavenger's Daughter.

Past Caleb Maxwell: My informant did say you captured Drake this afternoon.

Past Claw Dane Drake: He made his choice to come after me without Marcus knowing. So, what do you want to do to him? Are you going to try and kill him like you tried to weeks ago when you had followed my associates to our warehouse? (Placed his hands on his shoulders) I know what you desire, Caleb, you desire blood, you desire vengeance against this ruthless monster who ruined you, who ruined everything you once held dear to your heart.

Caleb Maxwell knelt to Drake's level.

Past Caleb Maxwell: You were once my younger brother I can't deny it, but what you did. You not only turned your back on Mom, Allie, and I and the rest of our family, but you embraced that very evil Dad's relatives had and turned into a cold, ruthless bastard. You beat me with reckless abandon and because of it, my life grew so short that I would die a year later, but thanks to you, I'm bound to die earlier than originally thought. My dreams of becoming an NYPD officer are already history due to you!

Then, Caleb grabbed Drake's hair and made him look him in the eyes.

I hate you so much for everything you've done to me, because of you, there is a black hole in my heart, and that black hole has been filled with nothing but darkness and hatred towards you, and you don't even care in the slightest. You're a remorseless murderer and I hope you suffer dearly for every last vile misdeed you've committed before The Devil takes you to Hell!

But, then, Drake Maxwell spat in Caleb's face!

Past Drake Maxwell: SCREW YOU! IT'S EAT OR BE EATEN OUT THERE! I CAN DO WHATEVER I WANT TO ANYONE WHO PISSES ME OFF! WHEN I GET OUT OF THIS, WE'LL KILL YOU, CALEB!

Past Claw Dane Drake: How vulgar and disgusting.

But, then, Caleb Maxwell's eyes flashed crimson red: he was pissed. Then...!

Past Caleb Maxwell: TAKE THAT!

POW!

CALEB MAXWELL KICKED DRAKE MAXWELL HARD IN THE FACE, AND KNOCKED OUT HIS TEETH!

Suddenly, the effects of The Scavenger's Daughter started to take effect.

Past Drake Maxwell: (In Pain) I can't breathe...! My chest hurts...!

Past Claw Dane Drake: The Scavenger's Daughter, if you compress the human body in this position for too long, blood clots start to form, and it's going to get a lot worse for the victim.

Past Caleb Maxwell: In this position, he'll also suffer chest pains along with blood clots.

Past Drake Maxwell: (In Pain) Let me go..., please!

Past Claw Dane Drake: In your dreams! Ichiro, do it.

Past Ichiro: (Japanese Accent) Yes, sir.

Ichiro took out his sword.

Past Ichiro: (Japanese Accent) I'd look away if I were you, Caleb.

Caleb Maxwell looked away as Ichiro used his sword to slash Drake's thighs and arms, and when he was done, Drake was covered in bleeding slashes.

Caleb Maxwell looked away as Ichiro used his sword to slash Drake's thighs and arms, and when he was done, Drake was covered in bleeding slashes.

Past Drake Maxwell: (SCREAMS) DAMN IT!

Past Caleb Maxwell: After what you did, that's not nearly enough, Drake. You ruined so many lives along with mine for years, and if I could, I wish I could kill you on the spot right here! But, I won't do that, since I don't want to stoop down to a lowlife's level like you. But, let me make one thing clear, if you come after me or anyone else again, you're gonna regret having your life spared.

Suddenly, Caleb's vampire cross tattoo reacted and blood came out.

Past Caleb Maxwell: Sorry, but I think I have to go now!

Caleb Maxwell ran out of the office and was about to run out of the club and head into Manhattan's streets, but he was stopped dead in his tracks, and there was a reason why: he saw two of the club's bouncers, but he saw through the windows that they were being drained dry of blood by Cage Blunt and Travis Tackett. That made Caleb's blood freeze: if he walked out through the front, he's next and if he even screamed, that'll get everyone panicking and his secret will be blown wide open.

But, he remembered the back door, he rushed to the back door exit, and he went out, and then, he'd begun his escape back to his home, and once he arrived home with no one the wiser, he went to the bathroom, but he hadn't forgotten what happened on that night as he looked at his reflection in the mirror.

Past Caleb Maxwell: I can't believe what I just did. Was Claw Dane Drake right? Do I have a desire for blood..., for vengeance against Drake Maxwell? And was I so driven by that desire that I was willing to forsake my notions and beliefs of law and order to get revenge?

Caleb was haunted by that very thought as the video ends.

Nico: Holy enchiladas! That was something!

Me: And Claw Dane Drake tempted you to try and disregard your notions of law and order for revenge.

Caleb Maxwell: At first, I told Drake off big time, but that night, when he spat in my face, that's when I lost it and kicked him right in the face, and the metal plates in the tips of my boots really did some damage.

Nicole: And putting him in The Scavenger's Daughter, that was also painful. Did Drake get sent to the hospital after that?

Caleb Maxwell: No one knows for certain after that night. I ran out the back to avoid Cage and Travis, and the backway actually provided me the route to get back home without running into trouble.

Lincoln: Did Claw Dane Drake find out about your secret?

Carla Claw: He almost did when he saw the bouncers dead and drained of blood, but he shrugged it off.

Roxy Drake: No one would ever believe there were vampires living among us, and they blended in with us, having jobs in the city.

Caleb Maxwell: Namely jobs in the legal courts, major businesses, and even in Wall Street.

Marlene Maxwell: The vampires told me of what happened, I was so scared thinking you were about to do something you were going to regret. Dane always pulled something like this even back in high school, but to drag you, my eldest son, into this and tempt you into disregarding law and order to get revenge? I was that close to going down to The Spotted Leopard to raise Hell on the gang.

Caleb Maxwell: Please, tell me you didn't, Mom.

Timothy Maddock: She did. After you came back and she was told everything, she marched down to The Spotted Leopard and told Carla Claw, Panther, Sally Gamble, and Nekome off, and she also demanded to see Claw Dane Drake, and as soon as he showed up, she was about to punch him in the face until Ichiro pulled out his sword.

WE GASPED!

Lincoln: Please, tell me you didn't go charging into The Spotted Leopard.

Carla Claw: He did.

Carla Claw put the videotape in, and it played on the screen, and Caleb Maxwell sensing something was wrong got dressed and went charging to The Spotted Leopard, and then, he heard commotions upstairs and he ran upstairs, and there, he found Marlene Maxwell confronting Claw Dane Drake and Ichiro along with Carla Claw, Panther, Sally Gamble, and Nekome.

Past Caleb Maxwell: (GASPS) MOM!

Past Marlene Maxwell: Caleb? What are you...?

Caleb Maxwell began running towards his mom, but Carla Claw, Panther, Sally Gamble, and Nekome rushed to Claw Dane Drake's defense.

Past Caleb Maxwell: GET OUT OF MY WAY!

Caleb Maxwell rushed them, and he ran to his mom.

Past Marlene Maxwell: Caleb, how did you get here?

Past Caleb Maxwell: It doesn't matter, you sensed something was wrong, that's why you came here, and I felt something bad was going to happen. Mom, please don't do this, I already lost Dad and Drake when I discovered their secret, we can't lose you too. Think of Allie at home, and me too...! Your only son who stood with you!

Please...! Don't do something you're going to regret.

Past Panther: Heh, it might be too late for that. Your mom burst in here and she was pretty pissed at us, so don't blame us.

Past Caleb Maxwell: Too late for that!

Suddenly, Caleb Maxwell's guns appeared aimed at them and at Ichiro! Suddenly, Caleb's vampire mark tattoo on his right arm started reacting and blood began falling as Caleb winced in pain, same with Marlene's cross, but her right arm didn't have blood falling and she didn't have pain.

Past Caleb Maxwell: (Thinking) No...! Not now...!

Past Marlene Maxwell: (Sees Caleb's arm bleeding) Oh crap. Caleb, come on, let's get back home.

Past Caleb Maxwell: Yeah.

Past Claw Dane Drake: Always choosing to run whenever things got too intense. (Smirks) Just like back in high school, eh, Marlene?

Past Marlene Maxwell: Fuck you.

They ran out of there and came back home as the video ends.

Nico: Wow...! You went down there to rip them in two, and your son managed to stop you, but only because you saw him bleeding.

Caleb Maxwell: We managed to get out, but Mom made her point clear: if they ever gave me any sort of trouble again, they were gonna deal with her. Basically, you piss Mom off by messing with her kids, and you're going to be six feet under the ground.

We got a shower, and then, Lincoln, Towa, Shelly, and Gold the Tenrec are heading to Sirena Beach, and joining them are Knuckles the Echidna and Julie-Su.

Lincoln snapped his fingers, and the 12'9", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Towa, Shelly, and Gold the Tenrec were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Towa, Shelly, and Gold the Tenrec had feelings for Lincoln, and he also had feelings for them, and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all. Plus, Lincoln told us Towa was used as a pawn, and months ago, he resurrected her and he forgave her and she broke down and cried as he comforted her.

Towa: Wow, we're here in Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Towa, and it's perfect for our double date.

Knuckles: That's for sure. Plus, we got to be ready for your sister's big day.

Lincoln: I know. Shall we?

Lincoln, Towa, Shelly, and Gold the Tenrec and Knuckles the Echidna and Julie-Su dived into the waters and as they started swimming, they saw the marine life that live in the sea. Then, they returned to the beach, and Towa, Shelly, and Gold the Tenrec gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Towa, Shelly, and Gold the Tenrec a deep tissue massage, and when he was done, the girls were literally relaxed. Then, they had a game of volleyball, and they went to a workout area Lincoln created, and Towa, Shelly, and Gold the Tenrec got an extremely massive and deep atomic red blush on her face when they saw Lincoln lift 107 massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Shelly: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and they went up to Towa, Shelly, and Gold the Tenrec and they hugged the girls in their abnormally massive and powerful muscular arms, and Towa, Shelly, and Gold the Tenrec placed their hands on the massive hairy pecs of Lincoln and his clones, but he wasn't done. Then, he had them lying down on the beach towel with him and his clones on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into her right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as it healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, three Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Towa, Shelly, and Gold the Tenrec with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with three white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, Towa, Shelly, and Gold the Tenrec are now in your harem, Linky.

Towa, Shelly, and Gold the Tenrec showed the marks Lincoln made on the right side of their trapezius.

Jenna: You had no trouble at all.

Towa: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he certainly had us swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies

exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

* * *

Later it was time for Hitch, Shanan and Deborah's 3rd mission.

Nico: Anyone else want to go with Hitch, Deborah, and Shanan? Besides Dynamir, Pitcher Plant Monster, Vulkanus, Cornelia, Jason Lee Scott, and Zayto?

Scott Truman: I'll go.

Multiplex: So will I.

Twilight Sparkle: Me and my friends will go too.

John Bolton: And me and my siblings will go too.

Ranamon: And I'll go with y'all too.

Dan Kouzo: It's a pleasure to meet you all.

Deborah: They're the original versions of my kids

Erza Scarlet: Deborah comes from a universe where their genders are flipped.

John: It's a complicated story.

Me: Same guys but their genders are flipped.

Lia: Oh I get it!

Stacy Bolton: Yeah.

Dan: Deborah, what can you tell us about yourself?

Deborah: Well I am a scientist that specializes in marine biology research to find cures for diseases.

Nico: Yeah.

Deborah: Until the evil claws of darkness made me into a beluga whale.

Dan Kouzo: Paradigm?

Me: Yep that's right.

Lia: Who is Paradigm again?

Me: Oh he's a mad scientist that specialized in genetic splicing. His experiments really, pardon my language, fucked around with the laws of mother nature big time.

I went over his history.

Dr. Luther Paradigm, also known as Piranoid, currently known as Iguanazoid, when he transforms, is the main antagonist of the Street Sharks series. He is an evil scientist who creates monsters with genetic experiments known as Seaviets, and is the arch-nemesis of the Bolton Brothers/the Street Sharks.

He was voiced by J. Michael Lee.

In the pilot movie (composed of the first three episodes) he obtained DNA from Ghengis Khan and Captain Blood to use on a swordfish and a lobster. Dr. Bolton, a respected scientist, tried to put a stop to Paradigm's experiments, but after injecting the swordfish and lobster with the DNA, mutating them into Slash and Slobster, he injected Bolton with DNA, transforming him into an unknown shark monster and taking his watch.

When Bolton's sons John, Bobby, Coop, and Clint came over to the nuclear power plant, he injected them with 4 types of shark's DNA, transforming them into anthromoporphic sharks called the Street Sharks (renamed, respectively, Ripster, Streex, Slammu, and Jab. A great white shark for John, a tiger shark for Bobby, a hammerhead shark for Coop and finally a whale shark for Clint. However, they used their power for good and not evil.

Paradigm attempted to take over the city while maintaining a public image, claiming that the Street Sharks were dangerous and that Bolton transformed them. When Lena Mack told Guy in the Sky that Paradigm was responsible, he denied it and everyone believed him.

In an attempt to eliminate the Street Sharks's loyalty, which he perceived as weakness, Paradigm planned to inject them with piranha DNA. This went wrong, as the resulting battle caused Paradigm to be injected with it instead, giving him piranha-like features. This form is called Piranoid. The DNA was unstable, so he returned to his original form, only transforming into Piranoid when he was angry.

With the discovery of unstable DNA he sent Slash and Slobster to impersonate the Street Sharks in an attempt to frame them, however, Bends and Lena Mack revealed the truth to the city, and in a rage, Paradigm transformed into Piranoid, exposing him for the monster that he was. He attempted to use a smart bomb to destroy the city, however, the Street Sharks fought him in a final battle, ending with Piranoid grabbing onto a metal beam, Slammu biting it to send it falling, and Jab punching a hole in the ground below Piranoid, sending him falling to his apparent death before his lab was destroyed by the smart bomb, which the Street Sharks set to crash into the lab instead.

The final scene shows Piranoid's arm in the rubble moving upward, hinting that he may still be alive.

Paradigm returns as the antagonist of the TV series as well. He creates more Seaviates, and at one point injects himself with iguana DNA, thinking it was velociraptor DNA, and is known as "Iguanazoid". He is captured in the final episode when Bends takes control of his minions and is imprisoned.

When it was done they were shocked and horrified!

Lia: That is horrible!

Stacy Bolton: Yeah. Because of him, me and my brothers and many of our friends and most of our teammates were turned into hybrid creatures called Gene-slammers.

Me: But it's not just Luther. Luther specialized with the creatures from the sea. His brothers Roland Paradigm and Albert Paradigm used the creatures of the Land and the Air.

Lia: Oh man! So all the creatures of the animal kingdom were covered.

Clint: Yeah.

Deborah: It's not pretty.

Dan: Can you describe your transformation?

Deborah: It's EXCRUCIATING! It feels like someone was ripping and stretching you apart and rebuilding you again.

Me: Yeah it hurt bad.

Dan: Wait. Does he have a yellow suit on?

Nico: How did you know?

Dan Kouzo pointed and we saw him!

Me: That's him!

Eli: Oh man!

John Bolton: JAWSOME! This is gonna be a good warmup for me.

Me: Paradigm is going to appear on John's big day to shine. So this will prove to be a good warmup for him. Lets get him!

Nico: YEAH!

We went to face him.

We faced him!

Dan Kouzo: Dr. Luther Paradigm, I presume?

Dr. Paradigm: So you are Dan Kouzo!

Me: And you are not going to turn him into a fish! Piranha freak!

We looked at him!

Me: Long time no punch Paradigm!

Jason Lee Scott: It's Morphin time!

THUNDERCLAP!

Jason: TYRANNOSAURUS!

Scott: RPM! GET IN GEAR!

Zayto: LINK TO MORPHIN GRID!

They transformed and were ready!

Dr. Paradigm: It has been a while J.D.

Me: You have a tremendous nerve returning Paradigm!

Lia: You turned a lot of people into horrible monsters!

Me: Not just that but MANY of our friends and loved ones lost their humanity because of you!

Dr. Paradigm: They haven't lost them! I was only helping them be better!

Me: Bullshit! You've fucked around with the laws of mother nature and that shows that you have a massive hatred of humanity! Your ways of making people better as you say is just your way of wanting to destroy the world!

Dr. Paradigm: We'll see.

Nico: And there's no Opaline to help you now

Me: Even though she came back she is not going to help you!

Dr. Paradigm: I don't need her! Also Dan what would you like to be? How about a Trumpetfish? What do you think?

Dan: I will not be a fishfaced freak like you!

Me: Now how about you reveal your true self!

John Bolton: Especially like this!

The Bolton Family transformed!

Ripster: JAWSOME!

Paradigm turned into PIRANOID!

Piranoid: I LOATHE YOU STREET SHARKS!

Lia: (SCREAMS IN FRIGHT)

But then their auras flared up intensely!

Dan Kouzo: WHAT THE!? Why do I suddenly feel stronger and more powerful?

Me: Whenever someone hates us to a powerful degree we get stronger from their hatred.

Nico: Yep.

He fired laser blasts and Eli deflected the blasts with his lightsaber and it hit his suit and blasted him!

Dan: I like myself just the way I am, thank you very much!

Me: And he is okay with that!

Nico: YEAH!

I fired waves of lightning and blasted him all over!

Me: Ripster! LETS RIP HIM APART!

Street Sharks: SHARK ATTACK!

We went at him and blasted and smashed him!

Big Slammu: SEISMIC SLAM 9.9!

KRASMASH!

HE SMASHED THE GROUND AND RELEASED A MASSIVE TREMOR AND SMASHED HIM DOWN!

I lifted up Piranoid!

Me: Need a lift?

I threw him and Jab headbutt him into the air!

Lia jumped high and kicked him in the stomach and knocked him into the ground!

Lia: WHOA! WHAT A JUMP! I didn't know I can jump that high!

Me: Your powers are now starting to develop.

Nico: The whole Gene Slammer thing started with you

Me: That's right Paradigm! If it weren't for you, we wouldn't have gotten so many amazing friends that were turned into creatures of many kinds!

Eli: YEAH!

Me: And also through your research, Team Rocket got it and made MANY MORE!

Nico: Yep.

I fired a blast of energy and it destroyed his suit!

Me: WHOA!

He looked REALLY UGLY!

Nico: Forgot how ugly you looked!

Me: I always knew you were ugly but you are even MORE UGLY like this!

He roared and then...

CHOMP!

HE BIT ME ON MY ARM!

I SCREAMED IN AGONY!

But then my poisonous blood burned his mouth!

HE SCREAMED AS HIS TEETH WERE DISINTEGRATED!

I WAS IN PAIN AS MY ARM WAS BADLY RIPPED OPEN!

Me: (GROANS IN PAIN)

Nico: Hell no!

POW!

Nico punched him!

Me: (GROANS) OW! MAN THAT HURT!

I was bleeding really bad!

Me: Stacy get Varie and the medical team here!

Stacy reverted back.

Stacy: On it!

I looked at my arm and it was REALLY BLEEDING!

Me: Man he took a huge chunk out of my arm!

Nico: You can heal it!

Eli: NICO! He's in too much pain to do so!

Me: (GROANS) OUCH!

The medical team came and Varie and Maria saw my arm.

Varie: (GASP) Oh my god! J.D. what happened!?

Me: Him!

Varie: Paradigm!? Oh my god! I had a feeling he would return!

Maria Santiago: Dios Mio! This is going to be a good warmup for Ripster.

Me: It is! (GROANS)

Varie and Maria got my arm healed up.

Me: It hurts bad. He took a huge chunk of my arm out!

Varie: He sure bit you good.

Dan Kouzo: He sure did. Oh I'm sorry we never met.

Varie: Oh I'm one of J.D.'s future wives, Varie.

Maria Santiago: And my name is Maria Santiago.

Me: Maria is our teammate Ronnie Anne's mom and she's an ER Nurse.

They put bandages on my arm.

Varie: There. Your arm will be healed by tomorrow.

Me: Thanks Varie. Thanks Maria. (GRUNTS) Ouch.

Nico: Hope you can still fight later

Me: Don't worry. It'll take more than a bite to the arm to kill me!

Nico: GOOD!

Me: Thanks Varie, Thanks Mrs. Santiago.

Varie: No problem.

I went and punched him all over.

Me: TAKE THAT!

Lia: Your blood dissolved his teeth!?

Eli: His blood is poisonous. It dissolves anything like acid.

Me: Yep.

Lia: That is potent!

Nico: Yep.

Dynamir smashed him down!

Ranamon: (Echoing) Dark Vapor!

She burned him in black mist!

Cornelia got out her Advent Card for Dai Gui.

Cornelia: EARTH DEMON MASHER!

She smashed and pulverized him!

Jason slashed him.

Scott and Zayto blasted and smashed him.

Zayto: STINK BOOST!

Me: Uh oh!

Zayto: Sniff on this!

He fired a ball of stink and then...

LOUD NASTY HORRIBLE FART EXPLOSION!

Me: OH GOOD GOD!

Dan Kouzo: IT SMELLS HORRIBLE! IT SMELLS LIKE MARCO'S ROTTEN HORRIBLE SOCKS!

Jason got out his Advent Card for Scorcher.

Jason: SCORCHING FLAME BLAST!

He fired waves of fire and blasted him!

Zayto got out his Advent Card for the Toon Patrol.

Zayto: COMEDY TOON BLAST!

He fired a wave of energy and blasted Paradigm!

Zayto then used his Advent Card for Nebula (X-Squad)

Zayto: COSMIC NEBULA BLAST!

He fired a blast of energy and blasted Paradigm!

Lia: YEAH! Wait he has 2 Archenemies?

Me: He's also Morphin Master White. After the battle with the Void Queen the first time, he turned into Morphin Master White. Then Cosmic Fury started and it was very awesome.

Nico: It's true

Dan Kouzo: WOW! That is awesome!

Eli: It sure is!

The Street Sharks and Twilight Sparkle and friends fired waves of elements and blasted him.

Me: YEAH!

But then...

CHOMP!

PARADIGM SCREAMED IN AGONY AND WE SAW THAT A SHARPEDO CHOMPED OFF HIS LEG!

Me: WHOA! A Sharpedo!

Eli: OUCH! That had to hurt!

Dan: Wait, how is it on land?

Me: I think I know. Must be one of Dark Gale's work.

Nico: Hmm.

Stacy Bolton: Let me see.

She used telepathy and gasped!

Stacy Bolton: It's my friend Calley Winston!

Nico: WHOA!

Me: What's she lIke?

Stacy Bolton: She is also known as The Blood Shark! Me and her were the dynamic duo of the Skate Park. Also she is a Helicoprion gene-slammer.

Me: You mean the prehistoric Permian Shark from 290 million years ago!?

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Eli: That is crazy!

Me: Yeah!

Stacy: Lets help her.

Me: Right!

Nico put his skeleton back!

Nico: I hate it when that happens.

Stacy: Calley it's me Stacy!

She tried to take a bite out of us.

Nico: Smile, you son of a-

Nico fired a blast of lightning and then...

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

She got blasted down!

Nico laughed triumphantly!

Nico: Like that?!

Me: At least she wasn't blown into a thousand bloody pieces like in Jaws! Nice one Nico!

Nico: Thanks!

I snapped my fingers and she reverted back. She was a girl with blue hair and blue eyes and had blood red angel wings and had a Sharpedo with a Helicoprion on her forehead and she had a great white shark in a blood drop on her arm for a cutie mark.

We wrapped her in a blanket.

Calley: (Groans) OW! What hit me!?

Stacy: Are you okay Calley?

Calley: Wait. (Sees Stacy) Stacy? Stacy!

She hugged her.

Calley: Wow! You are looking amazing!

Stacy: A lot of things have happened.

Me: You were turned into a Sharpedo by Dark Gale.

Calley: (GASP) I remember!

She was in a black suit and injected and then she turned into a Sharpedo and she flew out.

FLASHBACK ENDS

Calley: It was awful.

Me: I know. But we destroyed Dark Gale.

Calley: Good. I am the Shark Master of Sonya's team and I use water and sharks to destroy our enemies. Outside the team I work to find ways to destroy Paradigm.

Me: Well don't look now because we're facing him right now!

She gasped!

Calley: Oh man!

Me: Lets get you some clothes first.

I snapped my fingers and she was given blue and black clothes and had a bloody sword!

Calley: I look amazing!

Me: You sure do.

Stacy: Lets get him!

Nico: I used the Jaws line on you

Me: After Nico said that he fired a blast of lightning into your mouth and knocked you out.

Calley: OW! That explains why my teeth hurt.

Nico: Sorry.

Calley and Stacy: LIGHTNING BLOOD BLAST!

They fired waves of lightning and blasted Paradigm!

Me: YEAH!

Many Voices: We got this jerk!

Then out came 500 girls! They were all girls with black hair and red eyes and had black clothes and black wings and had tiaras with Ditto on them.

Me: (GASP) Dahlia Ditto!

Nico: Ditto's Embodiment!? (RUBS EYES) I'M GOING FUCKING CRAZY!

POW!

I punched Nico in his face.

Me: Nico you are not going crazy. She has the powers of Ditto and can clone herself.

Nico: Ow. Oh.

Dahlia Ditto: We got this!

They mercilessly thrashed him all over.

Me: Now to finish him!

I grabbed him and threw him into the Warp.

Me: YEAH!

Dahlia lost control, clones herself and throws the clone at Multiplex. The clone kicked him

KROW!

Multiplex: Why you little!

He made over 1,000 clones and they punched and smashed her. Dahlia's clones merged back into her.

I fired the cure ray and injected her.

Me: There!

Scott used his Advent card and it formed a cloning energy ball.

Scott: CLONE BOMB BLAST!

He fired numerous balls and blasted her all over. Then Twilight and her friends eyes glowed and then Golden Bakugan came and they each got 10 of them!

The antidote took effect and Dahlia was back to normal. Her blue eyes showed it.

Dahlia Ditto: (Groans) What happened?

Eli helped her.

Me: Long story.

We later went back home.

We later came home.

May: Hey guys! WHOA! J.D. what happened?

Me: Well it was like this.

We told them everything.

When it was done they were shocked!

May: WHOA! Paradigm came back!

Nico: Yep.

Xenia: Another awesome warmup done.

Me: Yep.

Nico: For the last Ambassador mission of the year, Natalia Somonmenchikov, Shu, and Kit should come

Me: Cool!

Lola: Awesome!

Kit: COOL!

Me: Yep.

Then Princess Mindy came in!

Princess Mindy: GUYS!

Me: Princess Mindy! What's wrong!?

Princess Mindy: Guys we got huge trouble in Bikini Bottom! Evil Squidward really mangled up Squidward, SpongeBob, Patrick, Mr. Krabs and friends!

WE GASPED!

Me: (GROWLS) I WILL KILL THAT FREAK!

French Narrator: (French Accent) Approximately 20 minutes Earlier...

In Bikini Bottom, SpongeBob and friends were heading to the Krusty Krab.

SpongeBob: An amazing and beautiful day.

Patrick: You said it!

Squidward: Nothing can go wrong.

But then...

THUNDEROUS CRASHING AND SMASHING AND PEOPLE SCREAMING!

EVIL SQUIDWARD WENT ON A FEROCIOUS RAMPAGE AND ATTACKED OUT OF NOWHERE AND REALLY MANGLED UP SPONGEBOB, PATRICK, SANDY, MR. KRABS, PEARL, SQUIDWARD, MRS. PUFF, LARRY THE LOBSTER AND EVERYONE!

French Narrator: PRESENT TIME

We arrived in Bikini Bottom and saw the entire city up in flames and burning and many people were viciously MANGLED UP!

Me: OH MAN! What a mess!

Qin: Looks like a massive war broke out!

Flare Firestar: Where is he?!

WE HEARD SCREAMING AND HEARD NAMES SO VILE AND HORRIBLE!

We saw EVIL SQUIDWARD REALLY BASHING AND PULVERIZING SPONGEBOB AND FRIENDS REALLY BAD AND CALLING THEM ALL KINDS OF HORRIBLE NAMES SO VILE AND DISGUSTINGLY AWFUL THAT EVEN WE ARE NOT ALLOWED TO SAY THEM!

HE REALLY PULVERIZED THEM SO BADLY AND FEROCIOUSLY THAT THEY WERE THRASHED BEYOND ALL IMAGINATION! SPONGEBOB, PATRICK AND MR. KRABS TOOK IT THE HARDEST!

I went and punched and pulverized Evil Squidward brutally!

Lola: (to the viewers) Okay, several of those words are not allowed to be said. So, we're just gonna start beating him up before he says anything else!

I PUNCHED AND PULVERIZED EVIL SQUIDWARD AND EVERYONE JOINED IN!

We were really mashing his brains out!

I then pinned him to a wall!

Me: YOU MAKE ME FUCKING SICK EVIL SQUIDWARD! I ALWAYS KNEW YOU WERE A JERK BUT WHAT YOU DID JUST NOW IS HORRIBLE! YOU BEAT UP SPONGEBOB AND PATRICK AND MR. KRABS!? WHY!?

Evil Squidward: BECAUSE I FUCKING HATE THEM! THEY ARE NOTHING MORE THAN UGLY STUPID MORONS! YOU ARE ALL MUCH BETTER WITHOUT THEM AND I HATE THEM MORE THAN LIFE ITSELF! I WANT THEM ALL DEAD LIKE THIS STUPID DEAD END TOWN BECAUSE THEY ARE ALL NOTHING BUT STUPID LOSERS AND IDIOTS!

Me: YOU are the stupid ugly moron! Because your art stinks! Your Clarinet playing sucks! Your cooking is disgusting! And also you are nothing more than a filthy stupid loser!

Thundercracker: You're going down, jerk!

Me: Big time!

I then pointed my gun at his head.

Me: Say hi to Xehanort for us... In the Black Abyss!

BANG!

I blew his brains out and banished him to the black abyss!

We got to helping everyone. SpongeBob and Patrick really looked awful!

WILHEIM SCREAM

G1 Silverbolt: You guys ok?

SpongeBob: (Dazed and stupid) Mommy read us a story.

They were really mangled up.

Me: Stupid Evil Squidward.

We got them back home and healed up.

Me: GEEZ! What a brutal brawl.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our showdown with Royal Painstarts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Princess Rose: They're starting to heal already

Me: Thank goodness.

Xenia: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold

Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Alien Rayblood, and he's on the move and causing havoc. When we saw it, we knew it mean trouble.

Lincoln, me, and Nico: So, you're on the move, Alien Rayblood.

Eli: It's time!

Lincoln: That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Alien Rayblood, and he's on the move and causing havoc. When we saw it, we knew it mean trouble.

EVERYONE GASPED!

Lola: It's time.

Flare Firestar: Yep.

Kimi Lao: Now, we can put an end to him for good.

Me: That's for sure, that monster's going to pay for what he's done.

Nico: That's for sure. Alright, team, let's get going, the time to destroy Alien Rayblood has come.

Lincoln: He's lived for too long, this is where his schemes for world domination end here.

The previous group came

Puppetmon: Can me, Whirlin, Saix, Loki, Xiao Fung, Machinedramon, Mortal Kombat Scorpion, Juggernaut, Count Vertigo and Scorpion go with you guys?

Nico: Yes you all can come with us.

Qin: This is gonna be awesome.

Lola: Yeah!

Puppetmon: GEEZ! What happened to you guys?

SpongeBob: We were beaten up by Evil Squidward.

Patrick: Yeah.

Me: Ugly story.

Jean Bison: Nico, which Gene Slammers do you think you'll meet next?

Nico: Number 56: Gold Rat and Number 55: Gogogo Goliath.

Me: Nice.

Qin: Powerful.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with

embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, there was another with Alien Rayblood, it was our old enemy, Father, and he's still out to kill all the kids in the world and get revenge on us still. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Our old enemy, Father, and he's still out to kill all the kids in the world and get revenge on us still.

Lola: I should've known it was Father we'd be facing. That evil monster.

Nico: Wait, he's no longer worthy to be killed again, instead we'll strip him of his powers and throw him in The Moon Base Prison to be tortured and tormented forever by the very thing he hates: kids.

Me: Great idea.

Lincoln: We need to weaken him first, then I can suck out his fire powers.

Nico: Right. Alright, let's go, time to deal with Alien Rayblood for good.

Lincoln: And end him for good, and once we're done with him, you're next, Father.

Lola: You're never going to kill the kids in the world ever again, Father, your reign of adult tyranny ends here. June, Rei, Io, we're coming.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Japan to help June, Rei, and Io destroy Alien Rayblood and put an end to the genocidal black-hearted monstrous adult villain, Father, for good.

We were off to Japan.

We arrived.

Me: We're here.

Xenia: Awesome to be in Japan again.

Lola: Yep.

Whirlin: Lets call Firefly.

Me: Good idea.

We did so.

Firefly: I'm here and ready guys.

Me: Cool.

We were flying in the air, and we spotted June, Rei, Io, and the bad news: they're fighting Father!

Nico: There's June, Rei, and Io, and they're fighting Father!

Lincoln: We better drive that firebug out!

Lincoln fired massive streams of water that hit Father, and he got soaked, and he got so mad, he fired a massive barrage of fireballs at us, but we absorbed them and it made us stronger than ever, and Lincoln and I fired massive balls of rainbow fireballs which hit Father, and he screamed in pain and he flew off!

Nico: Nice one. (To June, Rei, and Io) HELLO DOWN THERE!

We landed.

June: Lola, Flare, Kimi, guys, thank goodness you came. We got trouble!

Rei: Alien Rayblood is on the move, and who was that demonic monster we were fighting?

Lola: That was our old enemy, Father, and he is one black-hearted child-hating demonic douchebag.

Lola explained Father's history, and when she was done, June, Rei, and Io were horrified.

June: My goodness, he's a monster!

Lincoln: We killed him four times in the past, but this time, we're going to strip him of his powers and throw him in The Moon Base Prison to be tortured forever by kids.

Caleb Maxwell: How could someone like that even live?! A monster like him deserves to suffer!

Suddenly, Caleb Maxwell loosened his grip on his guns as they fell but were kept in mid air, and then, he clenched his right hand so tight, his gold-armored dragon claws drew blood from his palm, and he clawed at his right arm with his left hand's gold-armored dragon claws and drew more blood until his right hand and underside of his right arm were bloody.

Me: OH GOOD GOD! THAT'S BLOODY!

Suddenly, crimson red and black darkness began surrounding Caleb Maxwell's bloody right arm and spread to his right hand, and it condensed into a massive crimson red and black darkness energy ball with blood falling from it and angry souls surrounding it, and Caleb's wounds healed. Then...!

Caleb Maxwell: FACE THE ANGER OF EVERY LAST ONE OF YOUR VICTIMS, BENEDICT UNO AND ALIEN RAYBLOOD! BLOOD HATRED OF THE LIVING AND THE DEAD!

Caleb Maxwell threw the massive crimson red and black darkness energy ball with blood falling from it and angry souls surrounding it, and it headed for Alien Rayblood and Father's location, and it exploded as it hit them, and they were covered in blood, but then, they began to see the visions of the angry dead coming at them along with the angered living souls, and they began attacking them with unendurable blood hatred! We saw it through a one-way viewing window Lincoln formed.

Nico: Oh my God! What was that?!

Cage Blunt: (GASPS) Oh God, I'd recognize it from anywhere: that is Caleb's most deadliest and most horrific of his techniques: Blood Hatred of The Living and The Dead. It involves Caleb drawing blood, but then, as you saw, crimson red and black darkness began surrounding his bloody right arm and it spread to his right hand, and it condensed into a massive crimson red and black darkness energy ball with blood falling from it and angry souls surrounding it as his wounds heal. Then, he throws it at his target, and once they are hit, they're not only covered in blood, but then, they began to see the visions of the angry dead coming at them along with the angered living souls, and they began attacking them with unendurable blood hatred.

WE GASPED!

Travis Tackett: He once unleashed it on Drake long ago, and let's just say, the streets of Manhattan were painted red with his blood.

WE FREAKED OUT!

Eli: Geez!

Lincoln: Okay, I think you just gave us nightmares for a week with that attack. Alright, now we better get after Alien Rayblood and Father, I'm sure they're still suffering from Caleb's attack.

Rei: Glad you all made it

Lola: Thank goodness!

Rei: We're glad you made it.

Me: Like we would miss this.

We arrived at their base,

Me: Wow! This is gonna be big.

Xenia: Yep.

June: How have you guys been?

Rei: Busy as ever. Because we've been waiting for you guys.

Io: Yeah no kidding.

Me: Yep. We owe you guys big for last week

Loki: You helped fight Golden Bones.

Io: We sure did.

Qin: Yep.

Lana: That was cool!

Ground Man: Did you guys ever fight Gomora before?

Rei: Yes we did and it was intense.

Me: Yep. Also guys I'm afraid this is not only going to be a fight with Alien Rayblood. We also have Father to face.

Io: Father?

Numbuh 1: He's my uncle Benedict Uno and he is out to exterminate the entire human race.

THEY GASPED!

Ymir: Why does he want to do that?

Me: He hates all kids and wants to kill them all. But in doing so he is going to wipe out the entire human race.

Rei: What can you tell us about him?

Me: He is pure evil!

I went over his history and what he is capable of.

Benedict Wigglestein-Uno, also known as Father, is the main antagonist of the 2002 Cartoon Network animated action series Codename: Kids Next Door. He is one of the most powerful and malicious villains in the show, being one of the few to actually attempt to kill members of the KND. He is the adoptive father and boss of The Delightful Children From Down The Lane as well as Nigel Uno/Numbuh One's uncle and arch-nemesis.

He is voiced by Maurice LaMarche (who also voiced Mr. Freeze and Calendar Man in the Batman: Arkham series, Brain in Animaniacs, Walt, Lrrr, Leonardo da Vinci, Schlump and Fleb, Fishy Joe, and The Big Brain in Futurama, Koto in All Hail King Julien, Alec Baldwin in Team America: World Police, Mr. Big in Zootopia, Horace Badun in 101 Dalmatians: Patch's London Adventure, Yosemite Sam in the Looney Tunes franchise, Mortimer Mouse in the Mickey Mouse franchise, Joseph Stalin in Histeria!, and Dr. Nitrus Brio in the Crash Bandicoot franchise) and Jeff Bennett (who also voiced Dick Hardly, Mike Brikowski and Major Man in The Powerpuff Girls, Darth Revan in Star Wars: The Old Republic, Bradley Uppercrust III in Extremely Goofy Movie, Ozzy in The Land Before Time: The Great Valley Adventure, Ichy in The Land Before Time: Journey Through the Mists, Dr. Hamsterviel in Lilo and Stitch Series, Tong Fo in Kung Fu Panda: Legends of Awesomeness, the Joker in Batman: The Brave and the Bold, H.A.R.D.A.C. in Batman: The Animated Series and D.A.V.E. in The Batman) as Benedict. In Cartoon Network: Punch Time Explosion, he was voiced by Nolan North, who also voiced the Penguin in the Batman: Arkham video game series and Black Mask in Arkham City.

As a child in Great Britain, Benedict was terrified of his own father, being extremely obedient despite his dislike for the man. When Monty Uno decided to rebel against Grandfather, Benedict insisted that they would stand no chance against him, and, as a result of his cowardice, he did not join Monty in the uprising, which ultimately did prove successful.

Sometime between this incident and the present day of the series, Benedict took up his father's mantle as the king of evil and ultimate oppressor of children, became a demonic being similar to Grandfather, and vowed to destroy the Kids Next Door. He also moved to the United States.

At one point, Father used the Delightfulization Chamber, a device designed to turn any kid into a mindlessly obedient and perfectly behaved child (most likely as a precaution for what happened between Monty and Grandfather, from happening to him). The first working Delightfulization Chamber was used on Sector Z. During the Delightfulization Process, the machine blew a fuse for reasons unknown, caused it to explode, and amplified its effects "eleventy billion-fold", which created the Delightful Children From Down The Lane, who from then on, would be Father's "children" and most powerful allies.

Other notable minions of Father include the Ice Cream Men, Six-Gum Gang and the Teen Ninjas, including his apprentice, Cree Lincoln and his captain, Chad Dickson. Father does not directly control the majority of the KND's rogues gallery, but frequently employs the services of other villains who, while otherwise operating independently, are readily willing to serve him.

Even the Delightful Children frequently appear without Father. Father is occasionally seen attending the villain meetings of Mr. Boss, who regularly functions as a leader of the series' lesser villains or as a second-in-command. In Operation: C.A.K.E.D.-F.O.U.R. and the comic story Operation: H.I.S.T.O.R.I.E., Father is said to be the head of a company called "Evil Adult Industries Inc."

It is also implied that Father employs several children similar to the DCFDTL throughout the world, as shown in the Interesting Twins From Beneath the Mountain and Rowdy Hooligans From Across the Square.

Father is mentioned for the first time by name only in Operation: C.A.N.N.O.N.

Father was first encountered by Sector V in Operation: G.R.O.W.-U.P., in which he admonishes the DCFDTL for their repeated failures against the KND. He allows his children to use the "Really Really Incredibly Destructive Machine" to destroy the Sector V Treehouse; in the process, the Delightful Children also manage to transform Numbuh 1 into an adult with the Age Cigar. The remaining members of Sector V infiltrate the Delightful Mansion From Down The Lane to retrieve the cigar, with Numbuh 1 (now "Mr. Uno" the ice cream man) joining them to defeat the Delightful Children.

Sarcastically applauding Uno's success at defeating "a bunch of children," Father attacked with his fire powers, but Sector V was able to triumph by covering him with all the ice cream in Mr. Uno's truck. As Numbuh 1 de-aged himself back to his old self and escaped with his team, Father could only lie on the floor, weakly ordering the DCFDTL to get his sweater.

His second major appearance was in Operation: G.R.A.D.U.A.T.E.S., the culmination of a story arc consisting of several loosely-related episodes. Here, he activates a device which creates a rapidly-expanding energy field that turns all KND operatives caught in it into animals. However, the field's reliance on the KND Code Module for its targets backfires when Tommy Gilligan decommissions himself, gaining immunity to the energy field. He proceeds to upload the DNA of the DCFDTL - and Father himself - into the KND Code Module, making them viable targets for their own weapon. Transformed into a panther, Father was locked in his own mansion's cages, allowing Tommy to free his trapped comrades and destroy the device producing the energy field. With the energy field gone, Father returned to normal, but the KND were long gone by the time he escaped his own prison.

Although Tommy's actions defeated him at the time, Father's failed scheme would bear surprising fruit in Operation: I.T. With his DNA in the Code Module, he was technically a KND operative; thus, he was able to infiltrate their Moon Base. Coincidentally, he arrived during the annual competition for leadership (a worldwide game of Tag, since nobody actually wanted the job), and Numbuh 2 was using the Code Module to track his fellow operatives. Currently "It", with ten seconds left to get rid of the status, Numbuh 2 threw open a door and blindly tagged the person behind it - unfortunately for him, Father was that person. As the villain gloated, the clock struck noon, officially making Father the Supreme Leader of the KND.

Convening the irate Operatives in the KND Super Convention Center, Father explained how his DNA was loaded into the Code Module by Tommy, thereby making him a member despite his age and decidedly anti-kid sympathies. Numbuh 86 and her team attempted to decommission him on the spot, but Father invented a new rule on the spot that prevented her from doing so. After the Decommissioning Squad stood down, Father claimed that he had turned over a new leaf; thus, he declared his intent to destroy all broccoli in the world. This action won most of the Operatives' trust, allowing him to dismiss them to their treehouses with minimal resistance. However, it was a ploy to put his foes in the way of his real aim: by infecting the KND Treehouse Central Root System with a "patent pending broccoli virus", Father planned to transform all treehouses into broccoli farms, thereby weakening the KND Operatives and providing enough broccoli to feed every kid in the world.

Numbuh 1 and Numbuh 362 attempted to trick Father into making them Supreme Leader - by complimenting him and offering advice on being Supreme Leader, respectively - but the villain was not fooled, that is, until he bragged about how he was carelessly tagged by Numbuh 2 and demonstrated on Numbuh 362, at which point 362 panicked and tagged the DCFDTL, who then panicked and tagged Father again, but in the process successfully started another game of tag. Father then created an army of clones to attack and confuse them until his status became permanent at noon.

However, his statement that no one liked broccoli proved to be his undoing: no happier about Father's plan than the KND, the Delightful Children returned the Code Module to the Operatives, who used it to track the real Father and eliminate his clones. For his last defense, Father attempted to protect himself with a solid wall of broccoli, only for Numbuh 362 to heroically chew through the mass, pin down Father, and threaten him with a piece of broccoli unless he relinquished his authority by tagging her. After Father and the Delightful Children were removed from the base, their DNA was extracted from the Code Module to prevent a repeat of the incident.

As the secondary antagonist in Operation: Z.E.R.O., Father employs the help of nearly every villain in the universe and organizes a massive attack on the Kids Next Door Seriously Cool Museum of Artifacts and Stuff, which appears to be a diversion for Stickybeard's armada to attack the Moon Base. However, the museum is Father's true target; more specifically, the seemingly-broken Recommissioning Module.

Back at the Convention Center, Father reveals that the Module is actually fully functional (having been repaired by Numbuh 86 to restore the memories of Sector V in the aftermath of Operation: E.N.D.), but requires the DNA of a current KND Operative to activate. Fortunately, Numbuh 1 arrives to reclaim the device, allowing Father to extract one of his boogers after Cree immobilizes him. As another Teen Ninja traps the rest of Sector V, Father taunts Numbuh 1 with the fact that he was counting on his attempt to retrieve the module, gleefully declaring that his failure will spell the end of the Kids Next Door.

With the Recommissioning Module activated, Father uses it to restore the Grandfather's memories, intending to rule the world alongside him. Instead, Grandfather calls his son a failure and orders him to leave, correctly pointing out that Father only restored him because he couldn't beat the KND himself. Dejected, Father tosses the Recommissioning Module in the trash and heads back home to wallow in self-loathing. Consequently, he is not transformed into a Senior Citizombie, and his home becomes one of the only places in the world left unchanged by Grandfather's powers.

Towards the end of the movie, the newly-reawakened Numbuh 0 goes to his brother for help and offers him a second chance to stand up to their father alongside him. Father ultimately accepts the offer, and during the confrontation with Grandfather, goes into a violent rage against his abusive father, only to immediately and abruptly abandon the fight due to a lack of willpower, saying that he no longer cares about anyone or anything else in the world at this point. At the end of the film, after the Kids Next Door Moonbase is launched at Grandfather, Father is seen in the kitchen of his partially-destroyed mansion. Looking over his shoulder at the carnage, the villain declares that he hates everyone, before returning his attention to his table.

In Operation: M.U.N.C.H.I.E.S., Father appears as one of the many villains shopping at the Supervillains Supermarket & Deli. He is the first character to claim the last box of Rainbow Munchies, only to be interrupted by Mr. Boss, Count Spankulot, and Sector V in rapid succession. This leads to a massive free-for-all as everyone in the store scrambles to buy the cereal, with Father being taken out early on when the kids trap him in a barbecue. However, Father frees himself in time to cut off the kids' escape, incinerating their ship (stolen from Stickybeard). After being briefly distracted by a sea of popcorn - popped by proximity to his flames - Father demanded the cereal from Numbuh 5, only to realize that Knightbrace had purchased it in the confusion. He insisted that Knightbrace share the Rainbow Munchies with him, only to learn that the dental-themed fiend actually planned to destroy the cereal. Infuriated at this callous disregard for Rainbow Munchies, Father formed a brief truce with Sector V and the other villains in order to beat up Knightbrace; afterwards, he was seen contentedly eating a bowl of Rainbow Munchies with the other characters.

Father was also involved in some of the later and more elaborate "C.A.K.E.D." episodes, namely Operation: C.A.K.E.D.-F.O.U.R. and Operation: C.A.K.E.D.-F.I.V.E.. In the latter, his ancestors, the Annoyingly Cute Triplets Who Lived Upon the Hill and their mother, who is Father's great-grandmother, are mentioned.

In Operation: I.N.T.E.R.V.I.E.W.S. (the series finale), Father turns into a Dragon after losing his pipe during the episode's climax. At the end of the story, it is revealed that he is the person interviewing the now-grown up members of Sector V in the present day, but it's revealed that Numbuhs 2 thru 5 had simply tricked Father into thinking that Numbuh 1 was still off in outer space somewhere as part of the Galactic KND, because through a phone call between Numbuhs 5 and 1 reveals that by this point, Numbuh 1 (now an adult) has returned to Earth, and was implied to be waiting for his old teammates on the KND-Moonbase. The whole setup was done most likely to get rid of Father by having go into space after his nephew to finally get revenge and retrieve his missing pipe after all these years.

When I was done everyone that hadn't heard about it was shocked and horrified!

Ymir: HE WANTS TO WIPE OUT ALL THE KIDS!? THAT'S INSANE!

Me: And horrific! He is going to kill all of us.

Mortal Kombat Scorpion: His flames are not as intense as mine are.

Me: Ours are powerful.

Rei: Oh man!

Me: What he is going to do will result in the extinction of the entire human race.

Qin: Yeah!

Numbuh 1: My uncle is pure evil and we have to stop him.

Wendy Koopa: We're giving him a fate worse then death.

Nico: We're going to strip him of his powers and destroy them and then we're going to send him to the Moonbase Prison. Where he can be tortured and humiliated by the one thing he hates more than anything. Kids.

Numbuh 1: But before we head home, I need to ask him why he is doing all this. He may have done terrible things but he is still my uncle. That is why I need to know.

Count Vertigo: We can ask him when we fight him

Me: No. It's best to ask him at his weakest without his powers.

Nico: Trust me on this. It's best if we do it that way.

Yuko Tani: I beat him myself and he is a nasty piece of work.

Lola: I killed him the first time so it's fitting I face him today.

Marvel Loki: You have a point.

Me: Yeah. The way Father is now, he will kill anyone and any kid that talks to him. Also with his powers destroyed, we will permanently sever and destroy the bloodline of evil that has tainted the Uno name forever.

Number 362: That's right! I remember that it was the very evil of the Uno family that has brought so much pain to the Kids Next Door when we fought Grandfather the first time.

Me: And it was Grandfather's evil that passed on to Benedict Uno. Now we must sever that bloodline permanently.

Nico: Yep.

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume with 4 bottles of beer.

Poromon: (to the Ultra Galaxy team) Hello there! I'm the beer fairy! Come to give you guys 4 bottles of beer!

Scorpion: You get some under your pillows if you're good!

Emerana: Oh Poromon is so cute in a fairy costume.

Me: He sure is.

Ai: I'm too young for beer.

Io: Me too sorry.

I pulled out my cooler and gave them root beer.

Rei: Yeah I can't drink beer sorry.

Poromon: Okay then.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Rei: So what is it like living in a huge tree?

I teleported and punched Alien Rayblood and kicked Father down!

Father flared up his fire and fired a MASSIVE BLAST OF INTENSE FIER AND I FIRED A MASSIVE BLAST OF FIRE AND THE BLASTS COLLIDED AND EXPLODED WITH INTENSE POWER!

EXTREMELY MASSIVE AND INTENSELY POWERFUL FIERY EXPLOSION OF UNIMAGINABLE POWER!

I absorbed the fire!

Horsea (squirts ink at Craterite): Oh no! What do we do?!

Lola, Kimi Lao, and Flare Firestar got an idea.

Lola: Everyone in the audience! Lend the Ultra Galaxy team your strength!

Kimi Lao: They get stronger with your support!

Flare Firestar: When I give the signal, share your energy with the Ultra Galaxy team! Okay? Ready... go!

Everyone in the audience began sharing their energy with the Ultra Galaxy team. And soon, Rei found the strength to get up.

Rei: No, Alien Rayblood! You have OUR permission to die right now!

Rei punched a Craterite, knocking it to the ground

Alien Rayblood: WHAT!?

Father: NO! (FLARES UP FIRE POWER INTENSELY)

Rei: Thanks for the help, everyone.

Io Mikura: I didn't know we were that popular.

Ai Asama: I didn't know that either.

Kanegon: Well, I'm not complaining

Shin Asuka: Neither am I.

Princess Emerana: What do you say we finish this?

Me: That we can agree on!

Lola: Let me, Flare Firestar, and Kimi transform with you guys!

Andros: Right, Lola!

In Space Rangers: Let's rocket! (3-3-5)

They transformed!

Fusion Fighters: Digi Fuse!

Data Squad: DNA Charge!

Tai: Time to Digivolve!

Tamers: DIGIMODIFY! DIGIVOLUTION ACTIVATE!

Hiiro: (Before activating his cartridge device by pressing the black button) Skill Level 2

Taddle Quest Gashat: Taddle Quest!

Taiga: (Activating his Gashat) Tactics Number Two.

Bang Bang Shooting Gashat: Bang Bang Shooting!

Kiriya: (Activating his Gashat) Zero Gear

Bakusou Bike Gashat: Bakusou Bike!

Kuroto: (Activating his Gashat) Grade Zero.

Proto Mighty Action X Origin Gashat: Mighty Action X!

Emu: (Activating his Gashat) Let's do this!

Mighty Action X Gashat: Mighty Action X!

After activating their Gashats, each of the five riders picks up the green and pink boxes and place them on their waists, revealing them to be drivers of some kind.

Hiiro, Taiga, Kiriya, and Kuroto: Henshin!

Emu: Dai Henshin!

With their battle cry invoked, each Rider inserts their Gashats into their belts, closer to the right side.

Gamer Driver (All): Gashat! Let's Game! Metcha Game! Mutcha Game! What's Your Name?! I'm a Kamen Rider!

As the Gashats are inserted, each Rider pulls back the pink part of the Gamer Driver, revealing a screen displaying their suit in low poly form as well as a 90's looking side display reading "Gamer Driver".

Gamer Driver (All) Gacchan! Level UP!

Gamer Driver (Emu): Mighty Jump! Mighty Kick! Mighty, Mighty Action, X!

Gamer Driver (Hiiro): Taddle Meguru! Taddle Meguru! Taddle Quest!

Gamer Driver (Taiga): Ba-Ba-Bang! Bang-Ba-Bang! Bang Bang Shooting!

Gamer Driver (Kiriya): Bakusou, Dokusou, Gekisou, Bosou, Bakusou Bike!

Gamer Driver (Kuroto): Mighty Jump! Mighty Kick! Mighty Action, X!

As these sounds stop, the Riders are finally in full suit. Emu in a pink and green suit resembling some sort of athletic suit, Hiiro in a light blue suit mirroring a medieval knight, Taiga in a dark blue and neon green suit with green hair over one eye, Kiriya in a yellow and pink suit with a helmet resembling the front of motorcycle just not as pointy, and Kuroto in a suit almost identical to Ex-Aid's, only purple and black.

Poppy: Henshin!

With that, Poppy places her Gashat into a slot on the Bugvisor Zwei before pressing a red button next to it

Bugvisor Zwei (Poppy): Gashat! Buggle UP! Dreaming Girl! Wow! Koi no Simulation! Otome wa itsumo Tokimeki Crisis!

As all of this happens, Poppy is surrounded by a primarily yellow and pink armor made to resemble a cross between a school girl and a magical girl with pink hair for the helmet, and blue eyes.

Parado: (Pulls out a Gamer Driver and another Gashat Gear Dual, this time blue and labelled with "Perfect Puzzle" and "Knockout Fighter") Time to get my heart dancing! (Places the Gamer Driver on his waist and places the Gashat Gear Dual in the slot before opening the pink cover) Max Dai Henshin!

Gamer Driver (Parado): Dual Gashat! (As the pink cover is opened) Gacchan! Mazaru UP! Akai Kobushi Tsuyosa! Aoi Puzzle Rensa! Aka to Ao no Kousa! Perfect Knock-Out!

With this action, Paradp is surrounded by red and blue armor with gold lining resembling a Chinese warrior, finished off with heterochromatic eyes: one red and one blue

Parado: Time to clear this battle...

Emu: With Full-Party Co-op Play!

Andros: "Red Space Ranger!"

Carlos: "Black Space Ranger!"

T.J.: "Blue Space Ranger!"

Then...!

POW!

Caleb Maxwell punched Father hard in the face and slashed Alien Rayblood in the chest with his gold-armored dragon claws, and he grabbed Father's hair and threw him into a tree, and we saw the anger in Caleb's eyes: he was pissed, he was out for blood.

Caleb Maxwell: Stop talking...now.

James Blunt: You're such a disgrace, Father, your wanton desire to kill all the kids in the world blinded you to the truth that if you were to do that, you're gonna cause the extinction of the human race, but you are too blind and full of hate to even see it, and look at where it got you: killed four times in the past and humiliated big time by the very thing you hate.

Father: DIE!

Father fired more blasts of fire at James Blunt, but he absorbed them as he sucked the flames into his body and he grew even stronger, and he kept walking.

James Blunt: What goes around comes around. You want to see something really ugly?!

Father: U-uh...?!

He was finally losing it, and then, James Blunt opened his mouth wide open and he let out the loudest and most animalistic roar in existence with his vampire fangs and that caused Father to let out a shrill girly scream! HE WAS FACE TO FACE WITH TWO REAL MONSTERS: AN UNDEAD IMMORTAL BLOODSUCKING VAMPIRE ANGEL AND A FORMER UNDEAD TEEN FROM THE 80s TURNED IMMORTAL DARK ANGEL OF VENGEANCE AND

BLOOD!

Lincoln went at Alien Rayblood and Father and he began brutally smashing them all over the place with his massive godly superhuman strength, and it was even more brutal than ever. Then, he punched them hard in the face and kicked them in the stomach and he sent them flying into a rock, they got back up and Father was really mad, but before he could attack, Lincoln threw a golden yellow fireball at him and it exploded as he got hit.

YOUR TIME IS UP!

Suddenly, the bell tolled in his ears, and that meant his time was up. Then, the spirits of Alien Rayblood's victims appeared and they grabbed him.

Spirit: GUILTY!

Then, the kanji Black Abyss 黒深淵 appeared on Alien Rayblood's forehead, and then, he was suddenly being consumed by the black flames of The Black Abyss: he was being wiped out of existence forever.

Alien Rayblood: NO! NO! THIS CAN'T BE THE END! DAMN YOU, JUNE, REI, AND IO! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST ENRAGED SCREAM BEFORE HE WAS WIPED OUT OF EXISTENCE FOREVER)

We cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, longer tail and horn, eleven massive and long colored wolf tails, large gold halos with four large orbiting gold rings on each corner behind the heads, fifty and thirty-five large colored planets orbiting around the legs, fifty and thirty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and thirty-four sets of large colored angel wings underneath the massive colored angel wings of Lola Loud, Flare Firestar, and Kimi Lao are permanent.

June: Good riddance forever, Alien Rayblood! Hope we never see you again.

Nico: We made sure of that.

Me: Yep, now we turn our attention to our final target: Father.

We then turn our attention to Father, and he was absolutely angry that we won again, and that did it: he burst into absolute flames as fire surrounded him!

Father: THAT'S IT! THAT'S IT! I'VE HAD WITH YOU WORTHLESS KIDS NEXT DOOR, TEAM LOUD PHOENIX STORM, AND EVERY LAST SNOT NOSED BRAT IN EXISTENCE! I WILL DESTROY YOU ALL AND EVERY LAST LIVING THING IN EXISTENCE AND BURN EVERYTHING TO ASHES!

FATHER ABSOLUTELY LOST IT!
